EACH MEMBER OF AGS must earn 20 hours during the semester to be eligible for the AGS certificate. At least 10 of these hours must come from AGS Event Volunteer Opportunities. The other 10 hours may be earned through AGS Events and/or AGS-approved Independent Volunteer Opportunities. Current lists of both Independent and Event Opportunities will be handed out at each meeting.

NOTE: INDEPENDENT HOURS will only be awarded by activities approved by AGS. If the event you are doing it NOT listed on the AGS events, you will NOT receive credit. Please contact the AGS Board if you would like to suggest a new independent activity so that it can be available to all members.

MEMBERS MUST KEEP TRACK of independent hours with this sheet. When you participate in an Independent Volunteer Opportunity, be sure to obtain a signature from an approved staff member at the location you provide service. Independent Hours Sheets are to be turned in to the Hours Secretary upon completion.
