

**ARTICLE 20**  
ENTIRE AGREEMENT

- 20.1 The District shall not be bound by any requirement or practice which is not expressly and explicitly stated in this agreement.
- 20.2 The Association agrees that this agreement is intended to cover all matters relating to wages, hours, and all other terms and conditions of employment and supersedes all previous agreements or supplements thereto covering said matters. The parties agree that during the term of the agreement, neither the District nor the Association will be required to meet and negotiate on any further matters affecting these or any other subjects not specifically set forth in this Agreement, even though such subject or matters may not have been within the knowledge or contemplation of either or both the District or the Association at the time they met and negotiated on and executed this agreement, or even though such subjects or matters were proposed and later withdrawn.

The parties agree that the modification of this article is intended only to clarify and confirm the meaning of the language of Article 20 in the previous contract.
