SUPPORT INFORMATION

1. Transfer credit (TC) for a course or courses is determined by the Articulation Agreement in effect at the time a student enrolls at SBU.

2.Restriction on transferability:
   a. Course(s) with a grade of “D” or lower cannot be transferred or given equivalency.
   b. Course(s) taken for Credit/No Credit Grade (CR) will only be accepted for meeting the admission prerequisites for enrollment at SBU.
   c. SBU will determine on a case-by-case basis whether to grant credit for course taught by distance learning (education).
   d. SBU will determine on a case-by-case basis whether to grant credit for course taken at SMC in non-traditional time modes, if any, which are different from a 15/18-week semester or 10-week quarter term. This includes “intensive” or week-end modules.

3. Course taken before High School graduation:
   Students are limited to a maximum of 08 semester units for college courses taken before High School graduation. These courses (with grades “C” or better) may partially fulfill the SBU’s general education admission requirements.
