AGREEMENT FOR AN ARTICULATION PROGRAM BETWEEN
SANTA MONICA COLLEGE
AND
AMERICAN JEWISH UNIVERSITY

I. INTRODUCTION

Based upon a mutual respect for the integrity of parallel academic programs and in an effort to better serve students to pursue a Bachelor’s degree, Santa Monica College (SMC) and the University of Judaism (UJ) hereby enter into an agreement for an articulation program. This agreement will define course work to be completed at Santa Monica College for a student intending to matriculate at UJ, special terms of admission to UJ and special criteria for the awarding of the Bachelor’s degree to participating students. This would facilitate the transfer for students from Santa Monica College who wish to complete the last two years of their undergraduate studies at UJ.

II. OBJECTIVES OF THE AGREEMENT

To attract qualified students to the University of Judaism, particularly those who are interested in the type of high quality programs offered at the UJ.

To facilitate the transition of students from SMC to UJ.

To provide special advising for students of SMC who intend to pursue their undergraduate studies at UJ.

To encourage academic and administrative coordination between the two institutions and the exchange of evaluation information pertaining to the outcome of the program with the goal of continual improvement.

III. ARTICULATION AGREEMENT

Under the provision of this program, students will complete 30 to 70 credits of course work at SMC, including the courses outlined in this agreement, or substitutes approved by the UJ’s Dean of Arts and Sciences.

Students are admitted into SMC as incoming freshmen or as qualified transfer students under the established condition of SMC. While enrolled at SMC, students will complete all required course work, with an explicit attempt to take as many courses as possible from the attached list and as described in the SMC Academic Catalogue.

Transferable courses not specifically mentioned in the attached list of equivalents will be reviewed upon admission by the appropriate department advisor for possible use as prerequisites for the student’s major. Transferred courses not so used may be accepted for elective credit.

The acceptance of credits via transfer or testing toward completion of degree requirements shall be governed by current UJ policies including, but not limited to the following:

4a. Only courses that are UC/CSU transferable with a grade of “C-“ or better will be considered transferable to the UJ and will be accepted for credit.

4b. Credits that are over 15 years old are subject to special evaluation and approval by the UJ’s Dean of Arts and Sciences.

4c. A maximum of four physical education credit will be accepted for credit.

4d. Only AP scores of 4 and 5 will be accepted for credit.

UJ shall accept for the entrance date of their choice, all the students who successfully complete the SMC/UJ program with a cumulative GPA of at least a 3.0 and meet all other criteria for admission.

Students who apply to UJ will complete all required application procedures thereafter in a timely matter, including submission of recommendations and/or any other required parts of the process.

One admitted to the UJ, students must complete a minimum of 45 units in residence.

Students shall pay the appropriate tuition and fees to each institution for all course work taken at that institution. Students shall not be registered unless they resolve satisfactorily their financial obligations to SMC prior to matriculation.
IV. MUTUAL PROMOTION OF THE PROGRAM

SMC and UJ both agree to encourage qualified students to participate in this articulation program through advisement and dissemination of information. The academic counselors at SMC will make every effort to refer interested students to UJ’s articulation agreement and advise them through the transfer process. Both institutions agree to promote the articulation program to suitable and interested students in their recruitment activities and in their student affairs events through literature and when appropriate refer prospective students to UJ Office of Admissions.

V. STUDENT ADVISEMENT

Academic advisors from SMC’s Transfer/Counseling Center shall be responsible for advising students regarding their academic preparation for admission to the UJ and for their ultimate goal of matriculation at the UJ. Care will be taken to make students aware of the requirements and the agreement regarding transfer of credits.

VI. REVIEW, CONTINUATION AND TERMINATION OF THE AGREEMENT

This agreement shall be in effect only while both the UJ and SMC are in good standing with WASC. Failure to receive WASC-ACSCU or WASC-ACCJC accreditation at any time is grounds for the termination of this agreement.

This agreement shall be reviewed when deemed necessary by either party and revised as appropriate, due to curriculum changes at either institution, changes in UJ entrance requirements, or other reasons.

This agreement shall be in force until either institution makes a decision to terminate it.
