IV. Reports

A. Superintendent/President Response to DPAC recommendations:

1. Chair Randy Lawson responded on behalf of the Superintendent/President to the recommendation approved by DPAC on September 23, 2009 to convene a Town Hall meeting before the end of the fall semester to update the college community on the budget situation. As predicted, there is no new news about the budget and probably will not be any before mid-January. Dr. Tsang has suggested that the college invite key people from Sacramento, including Eric Skinner and Scott Lay, to participate on a budget-themed panel on campus. It was agreed that it would be best to schedule this activity for February after the spring semester starts.
2. Chair Randy Lawson responded on behalf of the Superintendent/President to the recommendation approved on October 28, 2009: Zero Waste Board Policy and Administrative Regulation. A few minor revisions were made for clarification and resubmitted to DPAC for review. The revisions clarified that the zero waste efforts apply only to food-related events and the treatment of waste from food. Some members of DPAC were insistent that the policy was intended to be broader in nature. Accordingly, it was agreed that DPAC Chair Randy Lawson will communicate the concerns to the Superintendent/President and work with the Academic Senate to facilitate a review of these issues by the Academic Senate Joint Environmental Affairs Committee.

- Student Learning Outcomes: Christine Schultz and Lesley Kawaguchi, Co-Chairs, and Caroline Sheldon, Vice-Chair: The committee is working with the Curriculum Committee on the review and approval of SLOs and program instructional course level SLO assessment data. They are also helping the college service areas formulate their SLOs, and trying to build an institutional ILO assessment tool.

D. Associated Students: There are currently 47 commissioners working with 16 directors. There are 65 clubs, however there is an effort to increase department and or major-related clubs. Ad hoc committees are working on on-going projects. The A.S. is looking for students to serve on the judicial board and accreditation steering committee. Equipment purchased by Associated Students is being inventoried.

E. Accreditation Update: The four accreditation standards are now posted for review and input by the college community. There was concern expressed by the union representatives about some of the language in the report as it relates to the unions.
They were encouraged to forward their comments directly to the editors, the steering committee and/or the website.

F. ACUPCC (American College and University President’s Climate Commitment) Task Force: No report.
