Mission, Vision, and Goals

Santa Monica College: Changing Lives in a Global Community
Through Excellence in Education

Mission

Santa Monica College strives to create a learning environment that both challenges students and supports them in achieving their educational goals. Students learn to contribute to the global community as they develop an understanding of their personal relationship to the world’s social, cultural, political, economic, technological, and natural environments.

To fulfill this mission, Santa Monica College provides open and affordable access to excellent associate degree and occupational certificate programs. These programs prepare students for successful careers, develop college-level skills, enable transfer to universities, and foster a personal commitment to lifelong learning.

Santa Monica College serves the world’s diverse communities by offering educational opportunities which embrace the exchange of ideas in an open, caring community of learners and recognize the critical importance of each individual to the achievement of its vision.

Vision and Core Values

Santa Monica College will be a leader and innovator in student learning and achievement. Santa Monica College will prepare and empower students to excel in their academic and professional pursuits for lifelong success in an evolving global environment.

As a community committed to open inquiry that encourages dialog and the free exchange of ideas, Santa Monica College will serve as a model for students in the practice of its core values:

- democratic processes
- communication and collegiality

The following strategic initiatives developed to support the District’s overarching goal of Student Learning and Achievement were reviewed:

1. Fiscal Stability: Develop benchmarks and maintain a fund balance to support the implementation of goals and priorities.

2. Curricular Initiatives: Identify up to three curricular initiatives to be funded and implemented in the next five years.

3. Full-Time Faculty and Permanent Staff: Develop an aggressive plan for the hiring of full-time faculty and permanent staff so that targets are met within the next five years. Full-time faculty target: the college comes into compliance with Education Code that mandates a goal that 75 percent of credit instruction be delivered by full-time faculty. Permanent staff target: all vacant position be filled.

4. Engagement of Constituencies: Initiatives and leadership coming from within campus constituency groups should be sought, acknowledged, and implemented.

5. Environmental Audit: Identify specific recommendations from the Environmental Audit to be funded and implemented in the next five years.

6. Training Priorities: Develop a set of institutional training priorities for faculty, staff and managers to enhance innovation, improve effectiveness, encourage succession planning and career laddering opportunities and increase efficiency in serving students.

7. Student Support Services: Identify critical student learning support services and improve accessibility.
