

Touch Tone Phone Registration Worksheet

A Free Service!

Avoid lines & parking problems!

You may enroll by touch tone phone and pay with a credit card or check.

Be sure to get a Call Reference number at the beginning of your call. The college is not responsible for an incomplete transaction.

- Before you call, make a list of the classes you wish to take. Have alternates available as the system will tell you if a class is closed or unavailable. The system cannot wait while you look through the class schedule.
- Remember, to enroll in online, hybrid, or Arranged Hours classes, you must go to the Admissions homepage and use the Student Self-Service System.
- Use a touch tone phone to enroll. If your call isn't answered, all lines are busy and you need to call back. For students using a TDD, call (310) 434-4273 for enrollment information.
- Your call will be accepted on the day and time of your appointment, or later, but not before.
- A voice response guides you through the process. If you enter incorrect information or wait too long between entries, the message will be repeated.
- During the process, information will be read back to you and you may confirm or cancel as you wish.
- You will receive a Call Reference Number.** Be sure to write it down. You must have this number to dispute any transactions. If you hang up or get disconnected before confirming a transaction, that transaction will be cancelled. Call again to complete your enrollment.
- PAYMENT BY CREDIT CARD.** We accept Visa or Mastercard. Have your credit card ready when you make the call. If your card number is invalid, or if you enter the wrong number, a \$15 fee will be assessed.
- PAYMENT BY CHECK.** Payment for any outstanding balance must be received within the time allotted. Please see payment information on page 9. You may drop the payment in the campus collection chute near the Bursar's Office or mail your check to Santa Monica College, Bursar's Office, 1900 Pico Boulevard, Santa Monica, CA 90405. Non-resident tuition may be paid by cashier's check or a personal check from a California bank.
- You may ADD an open class anytime until the evening before the second class meeting, DROP a class by the drop deadline (see "Dates & Deadlines" in the schedule of classes), or VERIFY enrollment status by phone throughout the semester. A Late ADD requires the appropriate Instructor Approval Code, available from the instructor.
- Confirmation of your payment and class schedule, as well as ID card validation sticker, will be mailed to you. You may also obtain grades, GPA and academic standing information by phone.
