The international student application is available online (go to www.smc.edu/international). Please visit www.smc.edu/international for additional information about the application process and deadline dates, tuition and fees, and support services for F-1 students. For the Winter 2013 session, applications for out-of-country applicants must be submitted by November 15, 2012; and applications for in-country applicants who already have an F-1 visa must be submitted by January 5, 2013. International students who begin their studies during a Summer or Winter session must complete a minimum of four (4) units during their first session. Summer and Winter sessions are optional for continuing international students.

- Students in other statuses (not F-1) may enroll through the Admissions Office. If you are currently in B status, you cannot enroll until you change status to F-1 or another status with education privileges. Please contact the International Education Center for details.

**Veterans**
Santa Monica College is approved as an institution for educational assistance from the Veterans Administration (VA). The College cooperates with the VA in helping veterans. SMC offers academic, career, and transfer counseling, as well as priority enrollment, tutoring, and other services to support veterans in achieving their educational goals.

Students wishing to attend SMC under one of the veterans’ assistance bills must:

- File an application for admission to SMC (go to www.smc.edu/admissions), and follow all the admissions procedures;
- File an application with the VA at www.gibill.va.gov for educational benefits;
- Arrange for official transcripts from all colleges and universities you have attended to be sent to the SMC Admissions Office (failure to do so may lead to temporary suspension of benefits); and
- Take a printout of your application for VA educational benefits, a copy of your Report of Separation from Active Duty (DD214), and unofficial copies of your transcripts to the Veterans’ Resource Center, located in Room 135 of the Liberal Arts building.

The Veterans’ Counselors will review your documents and assist you in creating an educational plan. Once you have enrolled in classes, you will need to return to the Veterans’ Resource Center and complete paperwork for your benefits. Please see the Veterans’ Counselors for details.

**Students with Disabilities**
If you wish to use the special counseling services provided through the Center for Students with Disabilities, call (310) 434-4265. The video phone number is (866) 957-1809.

Printed SMC materials are available in alternate media upon request. To request publications in alternate formats for disability accommodation, e-mail DSContact@smc.edu or call (310) 434-4265. This Schedule of Classes is also available online (see www.smc.edu/schedules).

**Disqualified Students**
If you have been disqualified (dismissed) from Santa Monica College for poor academic performance or unsatisfactory progress and you have been away from SMC for one semester or less, you must file a “Disqualified Student Petition for Readmission” in person with a counselor. Disqualified students will be dropped from any pre-enrolled classes for the subsequent term, and will need to enroll in classes again if reinstated.

The counselor will determine whether reinstatement is possible and what conditions you must meet to enroll at SMC.

If you are a disqualified student and you have been away from SMC for two consecutive semesters (one year) or longer, you must file an SMC admission application online (go to www.smc.edu and click on “New Students Apply Online,” then follow the instructions). After you submit your online application, a link to the Petition for Readmission will appear. Click on the link, then fill out and submit the petition. You must also arrange for all transcripts (official or unofficial) to be sent to the Transfer Counseling Center. ATTN: Readmission Committee, Santa Monica College, 1900 Pico Blvd., Santa Monica, CA 90405. The decision on your request for readmission will be sent to you by mail, along with any further instructions.

If you have been disqualified from SMC more than once, you will be asked to take a break from attending SMC for up to a maximum of one year.

For further information, please see an SMC counselor.

**Assessment Information**

**Assessment Center**

**Location and Testing Hours**

The Assessment Center, located in Room 109 of the Liberal Arts building, offers testing services on a walk-in, first-arrival basis Monday through Thursday 9 a.m. to 2 p.m., and Friday 9 a.m. to 11 a.m. Please check our website (www.smc.edu/assessment) or call (310) 434-8040 for up-to-date information on office and testing hours. To receive assessment services, you must present a valid government-issued photo identification (e.g., driver’s license, passport, current high school ID, military ID) and have already applied for SMC admission. Note that there may be an extensive wait during heavy testing periods. Students are strongly encouraged to review the practice exams available on the Assessment Center website prior to taking the tests.
Mandatory Assessment

Assessment is essential to evaluate your skills and choose the courses that best meet your needs. Assessment is used only to generate placement recommendations, and not to advance students to higher-level courses. If you have questions about the assessment process, please stop by the Assessment Center or consult with a counselor in the Transfer/Counseling Center.

Assessment in English or ESL and in math is mandatory if you are:

- A first-time college student enrolling in more than six units during your first semester at SMC; or
- A continuing student who has not completed the assessment process; or
- Enrolling in an English, ESL, or math course for the first time (even if not a first-time college student); or
- Enrolling in courses with recommended English or math preparation; or
- A high school concurrent enrollment student taking courses other than designated activity/performance courses.

Based upon your assessment results, you will receive an English, ESL, or math placement recommendation.

All assessment results are valid for a period of one calendar year. Make sure you enroll in the courses your assessment results qualified you for BEFORE those assessment results expire. Once your results have expired, you will be blocked from enrolling in those courses and will need to retest.

Assessment Exemptions & Placement & Prerequisite Waivers

You may be exempt from assessment if you meet certain qualifications. You may also be granted placement and prerequisite waivers—as well as credit—for selected English, ESL, math, and chemistry courses under specific circumstances. Please see our webpage (www.smc.edu/assessment) for an overview, then consult with a counselor at the Transfer/Counseling Center for details.

PLEASE NOTE: Although you may be exempt from assessment, you still must successfully complete—or receive waivers for—any prerequisite courses (or their equivalent) that are required for classes in English (or ESL), math, chemistry, Anatomy 1, Biology 21/22/23, Microbiology 1, Physiology 3, and physics. For further information, please consult with a counselor at the Transfer/Counseling Center.

BOOKS & MATERIALS

The Federal Higher Education Opportunity Act (HEOA) requires Santa Monica College to provide students with the International Standard Book Number (ISBN), retail price, and/or other information (subject to change) about the required or recommended textbooks and supplemental materials for each course offered at SMC. Please go to bookstore.smc.edu and click on “Buy Textbooks” for details. For other book-related information—including dates for book buybacks—please visit the SMC Bookstore website (www.smc.edu/bookstore).

SMC Student Email

Santa Monica College uses Google Gmail to communicate with students and to provide each SMC student with an email account that offers a lifetime email address (as long as Google is the service provider). Gmail accounts are very user friendly, can be reached from any computer with Internet access, include 8GB of online storage, and give students access to Google Docs and Calendar. Before you set up and start to use your Gmail account, be sure to read the Google Privacy Policy (see the link at www.smc.edu/google). To set up your Gmail account, go to www.smc.edu, click on the “New Students” or “Continuing Students” link, then click on “Corsair Connect” and follow the instructions.

All students—resident and nonresident—ingraded credit courses must pay an enrollment fee of $46 per unit. This fee is subject to change without notice.

**Student I.D. Card, Activities, & Health Fee:** $47.50 for Winter Session 2013

Students in Winter session credit classes will pay a fee of $47.50. This fee includes a mandatory $15 Health Services fee, plus the optional $13 for the SMC student I.D. card, and $19.50 for Associated Students Membership support, both of which provide special benefits (contact the Admissions Office or Bursar’s Office at time of enrollment if you do not wish to pay these fees):

Please see the “Fees” link at www.smc.edu/fees for details. For residency information, visit the SMC’s website (www.smc.edu), or call the residence clerk in the Admissions Office at (310) 434-4461 or (310) 434-4595.

**Materials and Supplies Fees**

Some courses require additional fees for materials and supplies. Consult the class listings in this schedule to determine whether any such fees are required. Please note that these fees are NOT refundable.

**On-Campus and Satellite Campus Parking Decals**

An on-campus parking decal does NOT guarantee you a parking space. What a parking decal does is entitle you to use on-campus student parking areas on a space-available, first-arrival basis. NOTE: Your parking decal is for ON-CAMPUS PARKING ONLY—it is NOT a residential (street) parking permit.

For parking at SMC’s main campus, you MUST purchase a parking decal for $45 for the Winter session. This decal provides access to parking lots at all SMC campuses. You are encouraged to purchase parking decals online through the “Corsair Connect” link at www.smc.edu. You will be able to print a temporary permit to place on your vehicle’s dashboard until the actual permit arrives by mail, usually in 3-5 business days. Students who receive benefits under Temporary Aid for Needy Families (TANF), SSI, or a general assistance program are eligible for a parking fee reduction, provided that they have been awarded a Board of Governors Enrollment Fee Waiver for the academic year.

Parking at SMC satellite campuses (Airport Arts, Bundy, the Performing Arts Center, or the Academy of Entertainment & Technology) is FREE for students attending classes there, but REQUIRES A DECAL. Satellite campus decal fees may be picked up in person or—for a small fee to cover mailing costs—requested online through the “Corsair Connect” link at www.smc.edu. See www.smc.edu/transportation for details. PLEASE NOTE: Due to construction in progress, parking at the Academy of Entertainment & Technology (AET) is RESTRICTED to staff and students who work or attend classes at that campus. To park at AET, you MUST have a special decal. For complete details, please consult SMC’s parking webpage (www.smc.edu/transportation). Parking at the SMC Bundy Shuttle Lot is FREE for SMC students, but REQUIRES A DECAL. Please see SMC’s transportation webpage (www.smc.edu/transportation) for the latest details.

PLEASE NOTE: Student parking decals are NOT valid for faculty/staff parking areas.

**Inter-campus shuttle service** is FREE (SMC I.D. required). Please consult SMC’s parking webpage (www.smc.edu/transportation) for routes and operating hours.

**Handicap Parking:** The display of a DMV handicap placard AND an SMC parking decal entitles you to park in any handicap, student, or staff parking space.

**“Any Line, Any Time” Big Blue Bus**

SMC students with a current SMC student I.D. can ride ANY Big Blue Bus ANY time—for FREE—if they have paid the Associated Students membership fee AND have swipe-activated their SMC student I.D. Special thanks go to the SMC Associated Students for funding this major expansion of SMC’s transportation initiative—launched in 2007 in partnership with the Big Blue Bus—aimed at improving access to SMC and reducing traffic, noise, and air pollution in the community. See www.smc.edu/transportation for details.

**Withdrawal Refund Schedule**

Please see the Fees webpage at www.smc.edu/fees for details.

**Financial Assistance**

The California community college system is funded by the State of California. Students who meet certain state residency requirements pay an enrollment fee and may qualify for a BOG Fee Waiver to cover certain costs associated the enrollment fees. The BOG Fee Waiver, however, will NOT cover the Health Services fee or the Associated Students membership fee. In addition to the BOG Fee Waiver, Santa Monica College offers students a variety of financial assistance, which includes both federal and state financial aid to help pay for some of the basic costs of living while attending college. Many of these financial aid programs have early deadline dates and require time to process the application forms. Be sure to start the financial aid process as soon as possible.

Under certain circumstances, students who meet specific California residency requirements may be exempt from paying enrollment fees if they file a BOG Fee Waiver application with the Financial Aid Office. For example, if you can document that you are a recipient of Temporary...

**College Level – Transfer Courses**

The transfer math course you choose depends on your major and the university to which you want to transfer. Please consult with an SMC counselor or refer to www.assist.org or www.smc.edu/transfer to make sure that the course you take is appropriate for your goals.

**Pre-College Level**

For an AA degree, SMC requires the successful (with a grade of C or better) completion of Math 18, 20 or 22 (if taken Fall 2006 or later) or a passing score on the SMC Math Proficiency Assessment plus successful completion of one additional designated non-math course.

**MATH 10**: Discrete Structures
**MATH 11**: Multivariable Calculus
**MATH 13**: Linear Algebra
**MATH 15**: Differential Equations
**MATH 21**: Finite Mathematics

**Math 18 or Math 20?**

- Students who know they will need only Math 21 or Math 54 for transfer, usually Liberal Arts and Social Science majors, may take either Math 18 or 20 as the prerequisite course.
- Students who plan to take Math 41 or to follow either of the calculus sequences must take Math 20 as the prerequisite course.
- Students who plan to take a non-math course which lists Math 20 as a prerequisite should take Math 20 unless otherwise advised by the department offering the non-math course.

**Math 2 Students**

Students who wish to take Math 2, Precalculus, need to take Math 21 in addition to Math 20.

**Mathematics Course Sequencing Chart**

Your starting point in the math course sequence depends on the results of your Math Assessment test. For that reason, it is wise to prepare before taking the Math Assessment. Information about the Math Assessment and practice test materials are available at the SMC Assessment website, www.smc.edu/assessment.
This is a terminal mathematics course for liberal arts and social science majors. Topics include sets and counting, probability, linear systems, linear programming, statistics, and mathematics of finance, with emphasis on applications.
