ASSOCIATE DEGREE IN RESPIRATORY THERAPY CURRICULUM

PROGRAM PRE-REQUISITES: (33 or 35 units)
- Anatomy 1 (4)
- Physiology 3 (4)
- Chemistry 10 (5)
- Communication Studies 11 (3)
- English 1 (3)
- Microbiology 1, Fundamentals (5)
- Math 18 (3) or 20 (5)
- RT 1, Introduction to Respiratory Therapy (2)
- RT 2, Fundamentals of RT (4)
- Physics 12 may be taken prior to entry into RT program (Recommended)

GENERAL EDUCATION REQUIREMENTS FOR ASSOCIATE DEGREE

Students should consult with an SMC RT Counselor to insure they meet the current general education requirements for the SMC Associate Degree. Although not mandatory, it is strongly advised that students have these requirements met prior to completion of the RT course sequence.

*** For SMC Associate Degree requirements please visit: http://www.smc.edu/

COURSE RECENTY REQUIREMENTS

Human Physiology and Microbiology must be completed within the last 7 years at the time of admission into RT Program.

Students must obtain an Associate Degree from Santa Monica College upon completion of the program requirements in order to meet minimum CA licensure requirements.

Students should contact the Health Sciences Department and request counseling appointment with an RT Counselor to establish their general education plan, and to have transferring courses evaluated. Please call (310) 434-3446 to request an appointment.

TYPICAL COURSE SEQUENCE

FIRST YEAR: Once a student is admitted to program, an Education Plan is developed that student must follow:
- Fall Semester 1: (7 units)
  - RT 60, Respiratory Physiology (4)
  - RT 21**  ONLY offered on the ELAC campus
  - Physics 12 may be taken prior to entry into RT program (Recommended)

SECOND YEAR: All RT coursework from this point on in the program is on the ELAC campus. These courses are transferred back to SMC upon program completion and applied toward the SMC Associate Degree requirements***.
- Spring Semester 2: (7 units)
  - RT 30, Adult Critical Care Monitoring and Diagnostics (3)
  - RT 70, Respiratory Pathophysiology (4)

APPLICATION & ACCEPTANCE PROCEDURES

Students may apply for admission to the Respiratory Therapy program once they can submit documentation verifying completion of all program prerequisite courses with a grade of C or better. Please visit www.smc.edu/RTLink for an application.

Program Applications with attached official transcripts (Photocopies are OK) from all colleges attended must be mailed/delivered to the program office of your desired Associate Degree campus.

The ELAC/SMC Respiratory Therapy program accepts applications for its annual cohort from November 1st to August 17th. The program starts each year during the fall semester.

Students enrolled in RT 2 in the spring semester that have completed RT 1 or are in the process of completing RT 1 will be considered for admission to the fall cohort and may submit an application during the open application time period but will need to submit proof of completion of class with a grade of C or better.

For purposes of evaluation for Associate degree requirements, official transcripts must be sent directly from all colleges to Admissions & Records, 1900 Pico Blvd. Santa Monica, CA 90405.

This must be done no later than the final semester the student is in the RT program.

***Requirements for admission are subject to change.***

Rev. 4/15
PREPARATION FOR THE RT MAJOR

Students seeking admission to the Respiratory Therapy major should consider the following information:

- Applicants for program must have a negative criminal background check and pass a drug screening procedure to participate in any clinical classes.
- Applicants must be able to meet the Technical Standards for Respiratory Therapy Students. For more information see the ELAC/SMC Respiratory Therapy Student Handbook.
- SMC’s RT Program is an “Advanced Practice” level Program, thus graduates are eligible for the “Registered Respiratory Therapist” exams, as well as the State’s entry-level exam for entry into practice.
- Prospective applicants should consider taking the Introductory RT course, RT 1 to find out more about the program and the profession.
- Appointments with an RT Counselor or an RT Faculty advisor are available by calling 310-434-3446 for an appointment.
- Clinical experience will be arranged in a variety of excellent medical facilities throughout the greater LA area.
- Prior to entry into clinical training students are required to take a state approved “Legal Obligations and Ethical Responsibilities of Respiratory Care Practitioners in CA” course.

The costs associated with the program over the two years are approximately $3,000 - $4,000.

ENROLLMENT IN THE RESPIRATORY THERAPY PROGRAM IS OPEN TO PERSONS REGARDLESS OF SEX, AGE, MARITAL STATUS, DISABILITY, ETHNIC GROUP, RELIGION OR NATIONAL ORIGIN.
