Immediate Enrollment Policy Change
“When can I enroll to repeat a currently enrolled class?”

Santa Monica College has recently adopted a new enrollment procedure for currently enrolled students.

If you are currently enrolled in a class and wish to repeat that class in the upcoming session or semester, please be advised you must wait until the final grade in your enrolled class is posted to your transcript.

As an example, if you are currently enrolled in Math 31 and know that you will need to repeat it in Fall 2013, you will need to wait until you receive a final grade in your Math 31 class this Spring 2013 before enrolling again.

Note that once you have withdrawn from an enrolled course this semester, you should be able to repeat the course in a subsequent term, provided that this will be your first time to repeat the class. Repetition requests beyond the first repetition are subject to counselor authorization. You can check Corsair Connect to determine the final drop deadline for each of your enrolled courses this semester.

Sincerely,
Santa Monica College
