SALARIES, OVERTIME PAY AND BENEFITS

Rule 12.1 DETERMINATION OF SALARY SCHEDULES (EDUCATION CODE SECTIONS 88061, 88160 – 88163)

12.1.1 FIXING ANNUAL SALARY SCHEDULES

A. The Governing Board shall fix the annual salaries for all classified employees for each ensuing year no later than the date prescribed by law.

B. The Board may increase the salary schedule for classified employees at any time during the fiscal year, including increases to the salaries of employees resulting from the reclassification of a position, class of positions, or group of classes approved by the Personnel Commission.

C. The provisions of this section shall not be construed to permit the Board to demote or dismiss an employee due to the reclassification of a position or class of positions, unless otherwise authorized by law or these rules.

D. If the Governing Board is unable to comply with the provisions of paragraph A above, because of collective bargaining negotiations or because a salary study is being conducted, the board may, prior to the final adoption of the budget:

1. Reserve the right to adjust salaries upon completion of the study and/or negotiations, or

2. Adopt an interim salary schedule as provided in Education Code Section 88163.

E. The Governing Board shall employ, pay and otherwise control the services of classified employees only in accordance with the provisions of Title 3, Division 7, Chapter 4, Article 3 (Merit System) of the Education Code of the State of California and applicable provisions of these rules.
12.1.2 FACTORS IN SALARY DETERMINATION

A. The Personnel Director shall prepare recommendations for the allocation of classes to salary ranges for approval by the Personnel Commission. These recommendations shall take into account the following factors:

1. Wages and salaries paid for similar work in private industry in the recruitment area.

2. Wages and salaries paid by other governmental agencies in the recruitment area.

3. The principle of like pay for like work within the classified service.

4. Appropriate differentials between related classes to reflect differences in duties and responsibilities, as established in the classification plan, and

5. Such other information as the Personnel Commission may require.

12.1.3 SALARY STUDIES

A. The Personnel Director shall conduct or, with the approval of the Personnel Commission, cause to be conducted a salary study:

1. Whenever a new class is created.

2. When directed by the Personnel Commission.

B. A salary study shall consist of a review of internal relationships with other related classes and may include a salary survey of private industry and public sector pay rates for comparable classes.

C. The Personnel Director shall work cooperatively with the Administration and employee organizations, while conducting salary studies, in an effort to ameliorate significant differences before recommendations are submitted to the Personnel Commission.
12.1.4 SALARY RECOMMENDATIONS (EDUCATION CODE SECTION 88087)

A. After making its findings, the Personnel Commission shall present salary recommendations to the Board for approval. The Board may approve, amend or reject the recommendation but not alter the percentage relationships among classes in the occupational family as established by the classification plan. No amendment shall be adopted until the Personnel Commission is first given a reasonable opportunity to comment on the effect the amendments will have on the principle of like pay for like work. No changes shall be adopted which disturb the percentage relationship among classes in the occupational family as established by the Personnel Commission.

B. Salary recommendations shall be based on evidence that the class in question is substantially overpaid or underpaid as substantiated by a survey of relative community rates or the internal alignment of a class with other classes.

C. Salary adjustments may also be made when a classification study indicates that changes in duties and responsibilities require such a change.
Rule 12.2  GENERAL SALARY PROVISIONS

Salary provisions for unit members are contained in Article 11 of the District/CSEA Contract.

12.2.1  INTERPRETATION OF THE SALARY SCHEDULE

A. The schedule of pay for each class represents the standard rate of pay for full-time employment, unless in the pay schedule it is specifically indicated that the rate is for part-time service.

B. The rates of pay as set forth in the pay schedules do not include reimbursements for actual and necessary expenses for traveling, subsistence, car mileage, and similar purposes authorized and incurred as part of the employment.

12.2.2  TIME FOR PAYMENT (EDUCATION CODE SECTION 85244)

A. Payroll orders for the payment of wages shall be made to all regular classified employees twice during each calendar month.

1. Work performed between the 1st and 15th days of the month shall be paid for on the 25th of the month.

2. Work performed between the 16th and the last day of the month, inclusive, shall be paid for on the 10th of the month.

3. Whenever the 10th or 25th falls on a weekend or holiday payroll checks shall be issued on the preceding workday.
CORRECTION OF ERROR IN SALARY (EDUCATION CODE SECTION 88166, CODE OF CIVIL PROCEDURE 338)

A. Whenever it is determined that an error has been made in the calculation or reporting in any classified employee's payroll or in the payment of any classified employee's salary, the appointing authority shall, within five working days following such determination:

1. Provide the employee with a statement of correction.

2. Issue a supplemental payment to cover the entire underpayment against any available funds where the employee has been underpaid.

3. Make equitable arrangement for repayment where the employee has been overpaid.

B. The correction of errors made in the calculation, reporting, or in the payment of any classified employee's salary shall be limited to the three year period preceding the date a claim is filed, or the error is discovered.
12.2.4  SALARY ON EMPLOYMENT

A. New employees shall normally be hired at the first step in the salary range for the classification, except for cases in which they have been approved for Advanced Step Placement.

1. An Accelerated Hiring Rate may also be approved for the classification by the Personnel Commission and the Board of Trustees prior to opening recruitment.

B. Advanced Step Placement

A new employee may be granted Advanced Step Placement on the salary schedule upon recommendation of the Personnel Director. The Personnel Director shall base his/her recommendation on a determination that Advanced Step Placement is necessary due to labor market conditions, or to properly compensate a new employee for previous training, experience, and qualifications which greatly exceed the standard expectations of a new employee on entry into the classification. Input from subject matter experts and the hiring manager regarding the criteria for advanced step placement will be considered when making this determination.

1. Placement at the second step may be approved if the employee has had at least two (2) additional years of training and experience beyond the years indicated in the class qualifications, and two or more of the criteria listed in Section 12.2.4.B.3 are present.

2. Placement at the third step may be approved if the employee has had at least four (4) additional years of training and experience beyond the years indicated in the class qualifications, and two or more of the criteria listed in Section 12.2.4.B.3 are present.

3. The following guidelines will be taken into account when making the final determination:
   
   a. The candidate possesses value-added experience performing substantially the same duties listed in the class description, above and beyond standard expectations for a new hire.
   
   b. The candidate possesses value-added training which is directly related to the required duties of the job, above and beyond standard expectations for a new hire.
   
   c. Verifiable difficulty is experienced in attracting well-qualified candidates, or there is an insufficient number of eligible candidates ready and willing to accept a permanent assignment in spite of a targeted recruitment effort.
   
   d. Salary placement at the first step would result in a loss of salary for the candidate. Salary comparison must be on a similar basis;
such as base salary to base salary, or total compensation to total compensation.

4. The maximum initial salary placement is the third step on the salary schedule.

5. The initial offer or denial of Advanced Step Placement will be made as part of the job offer, and will be subject to receipt of written verification submitted by the new employee indicating that relevant criteria as outlined in Section 12.2.4 (B) have been met. Failure of the employee to submit the verification by the start date of employment shall result in ineligibility for Advanced Step Placement.

C. Accelerated Hiring Rate

An Accelerated Hiring Rate may be set prior to opening recruitment with the approval of the Personnel Commission and the Board of Trustees, at any step of the schedule of the class. Accelerated Hiring Rates may be utilized for classes where past recruitment efforts have indicated difficulty in recruiting at the first step. If an Accelerated Hiring Rate is approved, all current employees in the class shall be advanced to that rate and shall begin a new cycle of step advancement.
12.2.5 SALARY INCREMENTS

The maximum amount of time which may be credited is six months.

C. After receipt of the initial salary increment, each regular classified employee shall advance one step on the appropriate salary range upon completion of each year of continuous and satisfactory service until the maximum is reached:

C. After promotion, an employee shall advance one step on the salary schedule after completion of six months of satisfactory and continuous service in the new class. This shall become the employee’s new increment anniversary date.

D. When an employee is involuntarily demoted during probation, as provided in Rule 9.3.2, salary placement shall be at the step of the lower salary range to which the employee would have progressed had the employee served continuously in the lower class. The employee's previous salary increment date shall be used to determine advancement on the salary schedule.

B. When an employee is ineligible for reclassification with his/her position but qualifies for the higher class through the appropriate examination process, the change of classification shall be treated as a promotion under Rule 12.2.8.

C. When an employee remains assigned to a position which has been reclassified to a class on a lower salary range, the employee’s salary shall be Y-rated as provided by Rules 3.3.4 and 12.2.13.
