# RECOMMENDATION NO. 3 EQUAL OPPORTUNITY FUND MULTIPLE METHOD ALLOCATION MODEL CERTIFICATION FORM, FISCAL YEAR 2019-2020

Requested Action: Approval/Ratification

Reviewed by: Tre'Shawn Hall-Baker, Dean, Human Resources
Approved by: Sherri Lee-Lewis, Vice-President, Human Resources

It is recommended that the Board of Trustees certify that the Santa Monica Community College District met Multiple Method #1 (Mandatory for Funding): District's EEO Advisory Committee, EEO Plan, and submittal of Expenditure/Performance Reports for prior year; and meet at least of 8 out of 8 of the remaining Multiple Methods:

- SMC's EEO Advisory Committee has met in excess of the minimum required meetings during fiscal year 2019-2020.
- Santa Monica College's current EEO Plan can be found
   at <a href="http://www.smc.edu/HumanResources/HumanResources/HumanResources/Department/Documents/EEO">http://www.smc.edu/HumanResources/HumanResources/Department/Documents/EEO</a> Documents/EEO Plan-BOT Approved FINAL 09.05.2017.pdf; The EEO Plan is required to be updated every 3 years; it was approved in September 2017.
- The EEO Expenditure Report for FY 2018-2019 was submitted to the Chancellor's Office on 9/27/2019.
- SMC meets 9 out of 9 Multiple Methods.

### <u>Purpose</u>

The purpose of implementing the Multiple Method model was to increase compliance with legal EEO requirements and provide our students with the educational benefits of a diverse workforce.

### **Background**

Each year the California Community Colleges Chancellor's Office supports EEO and diversity training and education through a state-wide funding mechanism. The funding process requires completion of a certification form from each district requesting funding for EEO and diversity work. The funding can be used for training, publication of EEO/diversity materials, conference attendance, speakers, supplies, job fair exhibition fees, etc. As a result of the District's adherence to the EEO Multiple Methods program, the District was awarded \$50,000 for each of the fiscal years 2017-2018, 2018-2019 and 2019-2020. It is important to note that the Chancellor's Office has notified districts to expect the annual state funding allocation to continue to vary from year to year.

# Regulatory Source and Impact

"Education Code section 87100 and title 5 require the community colleges to have a richly diverse workforce that addresses the needs of our diverse student populations. Attaining a diverse workforce requires focusing on equal employment opportunities to eliminate barriers in employment, such as lack of focused outreach, a non-welcoming culture, and implicit and explicit bias. Eliminating these barriers requires a proactive, intentional effort by colleges. It also requires various institutional disciplines, such as a review of job descriptions to avoid exclusionary effect, analysis of significant underrepresentation and adverse impact to ensure recruitment efforts and hiring processes are not unintentionally discriminatory, and effective training of committee members to self-regulate unconscious bias." 2016 EEO and Diversity Best Practices Handbook. <a href="http://extranet.ccco.edu/Divisions/Legal/EEO.aspx">http://extranet.ccco.edu/Divisions/Legal/EEO.aspx</a>

The Chancellor's Office Equal Employment Opportunity and Diversity Advisory Committee and the Legal Affairs Division identified nine best-practice areas for success in promoting EEO. These serve as the multiple methods for reallocating the EEO Fund. In order to qualify for EEO funds, districts are required to demonstrate compliance with Multiple Method #1, and at least 6 of the remaining 8 Multiple Methods.

The certification form requires districts to report the various activities being implemented to promote Equal Employment Opportunity for each of the following 9 Multiple Methods.

### Mandatory for Funding

1. District's EEO Advisory Committee, EEO Plan, and submittal of Expenditure/Performance Reports for prior year.

### Pre-Hiring

- 2. Board policies and adopted resolutions
- 3. Incentives for hard-to-hire areas/disciplines
- 4. Focused outreach and publications

### Hiring

- 5. Procedures for addressing diversity throughout hiring steps and levels
- 6. Consistent and ongoing training for hiring committees

### Post-Hiring

- 7. Professional development focused on diversity
- 8. Diversity incorporated into criteria for employee evaluation and tenure review
- 9. Grow-Your-Own programs

### Summary.

Santa Monica College meets 9 out of 9 Multiple Methods, and therefore would qualify for EEO funding in the next fiscal year.

#### **RECOMMENDATION NO. 25**

<u>SUBJECT:</u> <u>ANNUAL ADOPTION OF EDUCATION PROTECTION ACCOUNT (EPA – PROP 30)</u>

**FUNDING AND EXPENDITURES** 

SUBMITTED BY: Vice-President, Business and Administration

REQUESTED ACTION: It is recommended that the Board of Trustees approve the plan to expend the

2019-2020 EducationProtection Account (EPA) funds of \$19,716,622 on

instructional salaries.

SUMMARY: Proposition 55, The California Children's Education and Health Care Protection Act

of 2016, which was an extension of Proposition 30, temporarily raises the income tax rate for upper-income-earners (over \$250,000 for single filers, over \$500,000 for joint filers, and over \$340,000 for heads of households) through 2030-2031 to fund the State's Educational Protection Account which provides funding for local

school districts and community colleges.

Under Proposition 55, Districts have sole authority to determine how the moneys received from the EPA are spent, provided that the governing board makes these spending determinations in open session of a public meeting of the governing board. Each entity receiving funds must annually publish on its web site an accounting of how much money was received from the EPA and how that money was spent. Additionally, the annual independent financial and compliance audit required of community colleges shall ascertain and verify whether the funds provided by the EPA have been properly disbursed and expended as required by law.

This recommendation is submitted to comply with Proposition 55 provisions requiring the governing board to make the spending determination in an open session of a public meeting of the governing board. The estimated EPA that our District will receive for 2019-2020, as of P1, is \$19,970,223. Accordingly, the amount of EPA funds as of the recalculation of apportionment for 2018-2019 decreased from the P2 amount of \$19,523,072 to \$19,269,471 or a decrease of <\$253,601>. The entire amount for 2019-2020 less the decrease in 2018-2019 funding will be spent on instructional salaries. The EPA funds are NOT additional funds but rather are components of the "computational revenue" calculations and will be offset by a decrease in apportionment funding received by the State.

Approximately 40% of the total project cost will be covered by state funds.

The Phase 1 of the project includes demolition of the existing Letter and Science building, Liberal Arts building, and Counseling building. The project also includes the Abatement and associated geotechnical improvement work as needed in preparation for the construction of the new Math and Science building.

Bids for the Phase 1 project were received on March 23, 2020. It is recommended that the Board authorize staff to contract with ICON WEST INC., the lowest responsible and responsive bidder determined from the list above. ## Board Policy

## Chapter 2 – Board of Trustees

#### BP 2350 SPEAKERS

Persons may speak to the Board of Trustees either on an agenda item or on other matters of interest to the public that are within the subject matter jurisdiction of the Board.

Oral presentations relating to a matter on the agenda, including those on the consent agenda, shall be heard before a vote is called on the item.

Persons wishing to speak to matters not on the agenda shall do so at the time designated at the meeting for public comment.

Those wishing to speak to the Board are subject to the following:

- The Chair of the Board may rule members of the public out of order if their remarks do not pertain to matters that are within the subject matter jurisdiction of the Board of Trustees or if their remarks are unduly repetitive.
- Non-scheduled substitutes may not speak in place of scheduled speakers unless alternates have been submitted on the original request.
- Employees who are members of a bargaining unit represented by an exclusive bargaining agent may address the Board under this policy, but may not attempt to negotiate terms and conditions of their employment. This policy does not prohibit any employee from addressing a collective bargaining proposal pursuant to the public notice requirements of Government Code Section 3547 and the policies of this Board implementing that section.

#### Addressing the Board of Trustees

Regular Meetings of the Board of Trustees

Members of the public may address the Board of Trustees by oral presentation concerning any subject that lies within the jurisdiction of the Board of Trustees provided the requirements and procedures herein set forth are observed.

Special Meetings of the Board of Trustees

Members of the public may address the Board of Trustees by oral presentation on any item included on the agenda for consideration by the Board of Trustees, provided the requirements and procedures herein set forth are observed.

### Procedure for Addressing the Board of Trustees

1. Individuals wishing to speak to the Board at a Board of Trustees meeting during Public Comments or regarding item(s) on the agenda must complete an information card with name, address, name of organization (if applicable), and the topic or agenda item on which comment is to be made.

No member of the public may speak without being recognized by the Chair of the Board.

Generally, each speaker may be allowed a maximum of three minutes per topic. If there are more than four speakers on any topic or item, the Board reserves the option of limiting the time for each speaker. Each speaker is limited to one presentation per specific agenda item before the Board and to one presentation per meeting on non-agenda matters. A speaker's time may not be transferred to another speaker.

## General Public Comments and Consent Agenda

- The card to speak during Public Comments or on a Consent Agenda item must be submitted to the recording secretary at the meeting before the Board reaches the Public Comments section in the agenda.
- Three minutes may be allotted to each speaker per topic for general public comments or per item in the Consent Agenda. The speaker must adhere to the topic. Individuals wishing to speak during Public Comments or on a specific item on the Consent Agenda will be called upon during Public Comments.

## Major Items of Business

- The card to speak during Major Items of Business must be submitted to the recording secretary at the meeting before the Board reaches that specific item in the Major Items of Business in the agenda.
- Three minutes may be allotted to each speaker per item in Major Items of Business. The speaker must adhere to the topic. Individuals wishing to speak on a specific item in Major Items of Business will be called upon at the time that the Board reaches that item in the agenda.

Exceptions: The time allotment does not apply to individuals who address the Board at the invitation or request of the Board or the Superintendent/President.

- 2. Any person who disrupts, disturbs, or otherwise impedes the orderly conduct of any meeting of the Board of Trustees by uttering loud, threatening, or abusive language or engaging in disorderly conduct shall, at the discretion of the presiding officer or majority of the Board, be requested to be orderly and silent and/or removed from the meeting. (See BP 2355 Decorum)
- 3. The Board of Trustees urges that charges and complaints against any District employee be submitted to the Board in writing. This allows the Board to more carefully examine the complaint and initiate an investigation when necessary. However, no one will be prevented from making a charge or complaint to the Board because they decline to do so in writing. If a complaint is made orally, the Board may request that the individual making the complaint provide additional information to facilitate an investigation. The Board may also afford the District employee, about whom a complaint is made, the opportunity to respond either orally or in writing at the same or subsequent meeting.

Also see BP 2345 Public Participation at Board Meetings and BP 2355 Decorum.

VII.Does the district have significant fiscal problems that must be addressed?

This year? YES YES Next year?

If yes, what are the problems and what actions will be taken? (Enter explanation below, include additional pages if needed.)

For the third straight year, the District is experiencing a decline in non-resident enrollment. This decline has been exacerbated by the SARS-CoV-2 pandemic resulting in a significant loss of revenue in 2019-2020. Current projections are that non-resident FTES will continue declining through 2020-2021 at a rate of 15% - 20% resulting in a further loss of revenue of approximately \$3 million to \$6 million. This decline coupled with increases in expenditures related to salary (step, column, longevity, negotiated increases), pension contributions and health and welfare costs has resulted in a significant increase in the Districts structural deficit. The District projects this deficit to grow exponentially in 2022-2023 when the hold harmless provision of the SCFF ends and the District funding is further reduced. While the District reserves are healthy, without substantial additional revenue generation and/or expenditure reductions the District faces serious budgetary complications in 2020-2021 and beyond,
