A Course of Study for

KINESIOLOGY PHYSICAL EDUCATION - Transfer

Physical Education prepares people to teach or coach sports for all age levels. Kinesiology or Physiological Science can lead to careers in physical therapy, athletic training, exercise physiology and sports medicine.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

TRANSFER

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, and private institutions. Exact major requirements for these and other UC and CSU campuses can be found online at www.assist.org.

Articulation agreements with private and out-of-state institutions can be found online at www.smc.edu/articulation.
