

# UCI Honors to Honors

Eligible students are offered admission to UCI and invited to join the Campuswide Honors Collegium. Students also receive consideration for merit-based scholarships.

## How do I become eligible for Honors to Honors?

- Attain a UC transferable GPA of 3.7 or higher.
- Submit a UC Admissions Application to UCI no later than November 30, 2023.
- You must be confirmed by your Community College Honors Program Director as a member in good standing, and must successfully complete your Honors Program requirements by the end of the spring semester prior to transfer.
- Contact your Community College Honors Program Director in the fall semester prior to transfer for information on how to be nominated for Honors to Honors.
- After applying to UCI, you must be verified by a UCI Admissions evaluator as having completed all transfer requirements, including the prerequisites for your major.
- Submit your TAU (Transfer Academic Update) by January 31.
- We highly suggest listing an alternate major for which you meet eligibility in case we are unable to admit you to your first choice.
- You must report all college level coursework and respond to all UC requests for information within 5 business days.
