

What is a

Business Major?

Santa Monica College business students are the face of transformation and change. Curious and innovative, our students are ahead of the curve when it comes to engagement, critical thinking, and creative solutions. Situated in the heart of Silicon Beach, industry leaders recognize our programs and our graduates for taking cutting edge approaches to real-world problems.

SMC PN

First Year Students

The Peer Navigator program is designed to support first-year students transition to, and be successful at, Santa Monica College.

Peer Navigators are here to help you become a part of the SMC campus community in a way that makes you feel welcome and reassures you that you fit in. Through mentoring, frequent communication, workshops, and social & educational events, Peer Navigators build positive relationships and enhance your college experience beyond the classroom.
