

Santa Monica College
Pilates Reformer Teacher Training Certificate of Achievement

Effective Fall 2026

The Pilates Reformer Teacher Training Certificate program prepares students to instruct others on the Pilates Reformer. Students will learn to safely and effectively instruct using the reformer. Upon completion, students will be able to lead classes, private and semi-private training sessions at health clubs, fitness and wellness centers, community centers, corporate settings and private studios. The program emphasizes principles, techniques, assessment tools, history, and movement theory behind Pilates reformer training. Applied kinesiology and anatomy are required.

Students are required to participate in Pilates sessions, observe classes, and fulfill student teaching hours. This program prepares students for the National Pilates Certification Exam, (NPCP).

Program Learning Outcomes:

Demonstrate Pilates reformer teaching skills and techniques.

Create sequences for individuals and groups training on the Pilates Reformer.

Integrate Reformer principles and modifications for students of various levels.
