VOICE PLACEMENTS

📍 SMC Performing Arts
Center campus, Room 309

📅 Wednesday, August 26
3:30–9:30 PM

👤 In-person sign-ups will be available 15 minutes prior to starting time. No prepared repertoire necessary. Each voice placement lasts approximately 5-10 minutes. Please arrive with your voice warmed up.

🎵 Voice placements help us find the section and ensemble where your voice will thrive. We'll listen to your range, learn about your musical experience, and make sure you have the support you need to succeed.

❤️ Whether you're an experienced singer or returning to choir after years away, there's a place for you here.
