SANTA MONICA COLLEGE

SPRING 2027 SCHEDULE OF CLASSES

SMC's New Bachelor's Degree in Cloud Computing!

SMC pioneered a regionally adopted curriculum in Cloud Computing, with coursework available for more than a decade. Pictured is SMC Professor Koda Kol and students from the Cloud Computing program.

Building Your Cloud Career at SMC

A highly affordable upper and lower division pathway for students into in-demand jobs with competitive salaries.

Some kinds of education feed your passion. Others build your career. And occasionally, there's the kind that does both.

Just ask M.J. Anselmo. Now a systems engineer working for an IT services firm, the Santa Monica local first got hooked on technology while taking part in a Santa Monica College program where high school students could enroll in college-level classes.

"I accidentally fell in love with what my professors were teaching," he says. "That kickstarted a side passion for more."

That passion led Anselmo to earn his Associate degree in cloud computing at SMC. It was an eye-opening experience that gave him plenty of hands-on learning opportunities, including creating a private cloud for his family. His labor of love saw Anselmo transferring his parents' not-insubstantial collection of CDs and Blu-ray discs onto several recycled computers and connecting them all to the internet.

"Now my dad can listen to all of his music while he's on the go," says Anselmo. "We can also get together and watch his old movies anywhere he wants."

That real-life application of everything he'd learned in the program—coupled with the realization that cloud computing was going to play a big role in building the future—played a major part in Anselmo's decision to return to college and enroll in SMC's new program leading to a Bachelor's degree in Cloud Computing. Slated to begin this fall, the four-year program will build on the current lower-division cloud computing curriculum that Anselmo completed.

"Not having a Bachelor's degree holds people back a little bit," Anselmo shares. "So this will really help people like me progress into management roles."

A 2026 report from the Bureau of Labor Statistics indicates that the information sector is on track to become the third-fastest-growing sector of the economy.[1] One of the major drivers of that growth has been cloud computing. Once the new kid on the technology block, cloud services have become the go-to option for online retailers, streaming services, banks, and more.

In the past, selling merchandise or offering services online required a company to have its own computer servers. It was a slow, costly, and painful undertaking for any business that just wanted to focus on selling shoes or providing a streaming service.

"To provision a server, we've got to have power, cabling, air conditioning, a clean room, a locked space," explains Howard Stahl, chair of SMC's Computer Science and Information Systems (CSIS) Department. "We've got to requisition it, put the operating system on it, turn it on. All that friction takes months, whereas nowadays, you can go to a cloud service provider and turn on a server, just like that."

But cloud infrastructure needs skilled professionals—and lots of them. Over the last 20-odd years, cloud computing occupations have grown more than 41 percent in Los Angeles County, says Jason Beardsley, SMC's Vice President of Academic Affairs. Current estimates now place annual job openings at more than 2,700.[2]

"This is a fast-growing field with strong wages and lots of good jobs available. Employers are out there looking for candidates with Bachelor's degrees."

– Jason Beardsley,
SMC Vice President, Academic Affairs

The program combines practical cloud and AI training with critical thinking, collaborative problem-solving, and hands-on capstone experiences.

The low-cost program has online and in-person options available. Upper division classes begin Fall 2027.

"This is a fast-growing field with strong wages and lots of good jobs available," he says. "Employers are out there looking for candidates with Bachelor's degrees."

That's why the community college Bachelor's degree is a real game changer. Until 2014, California law limited community colleges to academic and vocational instruction in the first two years of college. They could award Associate degrees, but Bachelor's degrees were strictly off-limits. But the rising cost of higher education, coupled with the need for more skilled workers in various fields, prompted California to launch an innovative pilot that allowed SMC and 14 other community colleges to offer a Bachelor's degree in a specific field for the first time.

In 2015, SMC unveiled its first four-year degree, a Bachelor's degree in Interaction Design (IxD), with a program featuring courses in product design, web development, and marketing. The first cohort started in fall 2016, and the program is now in its 11th year, having graduated more than 160 students. Many of them have gone on to work at major tech companies such as Meta and Google.[3]

For its second Bachelor's degree program, SMC didn't have to look too far for ideas. Back in 2014, Stahl had already begun collaborating with Amazon Web Services (AWS) to create a cloud computing certificate program that would introduce students to AWS and other cloud technologies, while serving as a primer to cloud careers.

"We initially built this four-class sequence and just tried it out," recalls Stahl. "And what we heard from the students was that they wanted more experience, so we built a fifth class. So the program we constructed was a result of responding to both employer needs and student needs."

The resulting program was so popular that the California Community Colleges Chancellor's Office provided SMC with funding to establish a regional partnership to promote greater regional employer involvement and the sharing of open-source curriculum.[4]

"We've been running this program for more than 10 years now," Stahl says with pride. "We built a community of practice around cloud computing education, with as many as 19 other colleges running our same classes."

That decade-long experience in teaching the program and building a regional partnership, coupled with a direct line to AWS, made SMC the natural home for a new degree in cloud computing. That degree is especially important for the workforce today, explains Valerie Singer, general manager of global education at AWS.

"Cloud and AI expertise rank among the most sought-after skills in today's workforce," she says, "but technical skills alone aren't enough. Programs like Santa Monica College's Bachelor's in Cloud Computing are essential because they combine practical cloud and AI training with critical thinking, collaborative problem-solving, and hands-on capstone experiences, preparing graduates with the complete skill set employers actually need across industries."

To further enhance the value of the Bachelor's degree, SMC built on the existing program by stacking progressive tiers of certification: While the Associate degree focuses on an intermediate credential for core cloud design, the Bachelor's degree prepares students for a professional exam that earns them an advanced credential for enterprise-scale systems.

OTHER SMC PROGRAMS

In addition to its academic and transfer preparation programs, Santa Monica College offers the community a variety of other programs and services that support career preparation and lifelong learning.

SMC SCHOOL OF CONTINUING EDUCATION (SOCE)

If you are planning to enter or re-enter the workforce, prepare for college, or improve your English, SMC can help you plan your next chapter with free noncredit certificate programs — with on ground, online, and hybrid classes — and a variety of supportive services.

- Short-term vocational and workforce preparation courses and certificates
- Basic Skills, English as a second language (ESL and VESL), U.S. Citizenship, and more

Visit *smc.edu/SOCE* or call 310-434-3399 for details.

SMC COMMUNITY EDUCATION

- More than 450 low-cost classes, seminars, and workshops each semester
- Classes in everything from watercolor techniques to writing to piano
- Professional certificate and continuing education programs

To enroll, visit *commed.smc.edu*. For questions, please email us at *commed@smc.edu* or call 310-434-3400.

SMC EMERITUS/NONCREDIT OLDER ADULT PROGRAM

Free noncredit adult education courses — in Health and Conditioning, Art, Music, Writing, Literature, Theater, Computers and Software, Current Events, and more — specifically oriented to the interests of older adults. All currently offered online and on ground, along with free art and literary events and receptions. To enroll, see *smc.edu/emeritus.* For questions, please call 310-434-4306.

WORKFORCE & ECONOMIC DEVELOPMENT

SMC's Workforce and Economic Development Office (W&ED) helps develop the skilled workforce the region needs to compete successfully in today's global market.

- Customized training programs and services
- Pre-employment training in basic and job-specific skills
- Post-employment training to upgrade employee skill levels
- Concurrent employment training to update and expand employee professional and managerial skills

For more information, see *smc.edu/workforcedevelopment* or call 310-434-4199.

FINANCIAL AID

Students who need financial help to pursue their education should see the information on page 124 or visit the Financial Aid website at *smc.edu/financialaid.*

SMC STUDENT EMAIL

Santa Monica College uses Google Gmail to provide each SMC student with a FREE email address. Go to *smc.edu/google* for more information. CHECK YOUR GMAIL ACCOUNT OFTEN, as this is where SMC will send all official communication from the College to you. SMC email addresses may be restricted at the College's discretion at anytime.

PARKING & TRANSPORTATION

For parking, maps, and transportation information, please see page 126 or go to *smc.edu/transportation* for the latest details. Use *commute.smc.edu* to find the best way to get to campus.

ALCOHOL, SMOKING, & DRUGS

California state law prohibits the use, sale, possession, or being on campus under the influence of alcohol or of any controlled substance. (Cal. Ed. Code §§ 76032-76033). Smoking — including the use of e-cigarettes or vaporizers — is also not permitted at Santa Monica College, except in outdoor areas designated as smoking areas.

ENROLLMENT BY WEB

Monday – Sunday: 6 a.m. to 10 p.m.
Web (Corsair Connect): ***smc.edu/cc***

WHO MAY ENROLL

You may enroll at Santa Monica College if you:

- Have graduated from high school, *or*
- Are 18 years of age or older, *or*
- Possess either (1) a high school diploma from a U.S. regionally accredited high school or from a foreign high school; or (2) a GED, a California Proficiency Program (CPP) Official Score Report, a California High School Certificate of Proficiency (CHSPE), or the equivalent (e.g., a HiSET score report; a TASC [Test Assessing Secondary Completion] score report), *or*
- Are 16 years of age or older and submit California Proficiency Program (CPP) Official Score Report or an official "Student Score Report" for passing the California High School Proficiency Examination (CHSPE) or equivalent, *or*
- Are a qualifying younger student who has completed 8th grade, and is participating in SMC's Concurrent Enrollment program (see *smc.edu/hsce* for details), and
- You meet the residency requirements (see page 121), and can profit from the program.

CHSPE NOTICE: The California Department of Education has replaced the California High School Certificate of Proficiency (CHSPE) with the California Proficiency Program (CPP). However, Santa Monica College will continue to accept valid CHSPE score reports issued to students.

OFFICIAL COMMUNICATION FROM SMC:

All official communication from Santa Monica College will be sent to you at your SMC student email address (last name_first name@student.smc.edu). You can check your student email account by logging into Corsair Connect at *smc.edu/cc* and clicking on "SMC Email" in the menu on the left. Be sure to check your SMC student email often!

APPLYING FOR ADMISSION

Continuing students do **NOT** have to reapply for admission. If you have never attended Santa Monica College **(new student),** or have been away for two or more consecutive semesters **(returning student)**, you must first:

- File an application for admission online (go to *smc.edu/apply*, click on "New Students," then click on "Apply to SMC" to get started);
- At least four weeks before the start of the session, **arrange for transcripts** of previous college work (or high school work, if no college work was completed) **to be sent directly to the Admissions Office.** Copies issued to a student (even if in a sealed envelope) will NOT be accepted.

You will be emailed an admission letter. Please review it for information on resident status for tuition/fee purposes, any outstanding admission issues, orientation, placement, education planning/counseling, and enrollment.

All regularly admitted first-time SMC students are required to complete the math and English placement process (or the ESL placement process), complete the online college orientation, and prepare an education plan. You may complete these requirements through Corsair Connect — the student portal at *smc.edu/cc* — and then be able to enroll for classes on the date and time of your enrollment.

International Students

Santa Monica College defines an "international student" as a student attending the College while in F-1 or F-2 visa status. The international student application is available online (go to *smc.edu/iapp).* Please visit *smc.edu/international* for additional information about the application process and deadline dates, tuition and fees, and support services for F-1 and F-2 students. For the spring 2027 semester, applications for out-of-country applicants must be submitted by January 5, 2027; and applications for in-country applicants who already have an F-1 or F-2 visa must be submitted by January 15, 2027.

- If you have F-1 status from another school, you may enroll at SMC on a limited basis. Please consult with the International Education Center.
- If you have another type of visa status (not F-1 or F-2), you may enroll through the Admissions Office. However, if you are currently on a B visa, you cannot enroll until you change status to a visa with education privileges. Please contact the International Education Center for details.

Veterans

Santa Monica College is approved as an institution for higher learning for veterans and veterans' dependents entitled to education assistance from the Veterans Administration (VA). SMC cooperates with the VA in helping veterans, and offers academic, career, and transfer counseling, as well as priority enrollment, tutoring, and other services to support veterans in achieving their education goals.

If you wish to attend SMC under one of the veterans' assistance bills, please see the information and instructions at *smc.edu/vet* or consult a counselor in the Veterans Success Center.

Eligible nonresident veterans may qualify to pay resident fees. Consult with a Veterans Success Center counselor or with the Admissions and Records Office for details.

Students with Disabilities

If you wish to use the special counseling services provided through the Center for Students with Disabilities, call 310-434-4265. See page 115 for more information.

Printed SMC materials are available in alternate media upon request. To request publications in alternate formats for disability accommodation, send email to *DSCcontact@smc.edu* or call 310-434-4265. This Schedule of Classes is also available online (see *smc.edu/schedules*).

Paused (Dismissed) Students

If you were dismissed from a previous college, OR were paused from attending Santa Monica College AND have been away from SMC for two consecutive semesters (one year) or longer, you are required take certain steps to qualify to restart at SMC. Go to *smc.edu/PausePolicies* for details.

If you have been paused from SMC *more than once,* you will be required to take a break from attending SMC for up to a maximum of one year.

For further information, please see an SMC counselor.

ENGLISH, ESL, AND MATH PLACEMENT

Assembly Bill 1705 requires California Community Colleges to help students enroll in and complete transfer-level coursework in English or ESL and math, which is within one year for English and math, and within three years if the student starts with ESL. You will be placed in **English (or ESL)** and **math** based on either your prior work or a guided self-placement, depending on when and where you completed your prior work.

If you have graduated from a United States high school or earned a GED® in the United States:

- You will be placed using multiple measures that include your high school GPA, courses, and grades reported on your CCCApply admission application.
- **You may check your placement once you have activated your Corsair Connect account at *smc.edu/cc*.** Just log in, click the "Placement" badge (under the "Success Steps" card), and review your placement. If you do not see courses listed, your SMC admission application is missing some necessary information. Follow the instructions on the screen, enter the information requested. Once done, you will see your placement.

If you did not graduate from a United States high school or did not receive their GED® in the United States, or graduated high school in another country:

- You will be placed using "guided self-placement," a set of online tools that help evaluate how prepared you are with the skills you are expected to have before starting a particular math, English, or credit ESL class. To be guided to the best class for your needs, it is important that you read everything presented to you carefully, and that you answer honestly.
- To access the guided self-placement tools, log on to Corsair Connect at *smc.edu/cc.* Then click the "Placement" badge (under the "Success Steps" card) and follow the instructions on the screen.

Plan on completing your English and math placements together. You may take each guided self-placement only one time.

Please note: The math self-placement presents six (6) options based on your academic and career path (major) or the course you are interested in taking. If you are not sure which option to choose, check with a counselor. You may take any of the math guided self-placements only one time.

About Your English, ESL, and Math Placements

For English, depending on your placement, you will start in one of two ways: (a) directly in English C1000 *(formerly English 1)*, a transfer-level course; or (b) directly in English C1000 paired with English 28, a supporting course. In some instances, you may also be encouraged to take another reading or grammar supporting course. See page 53 for the English Course Sequence.

Some students may need to be placed in selected ESL courses. Depending on your placement, you will start with one of the following courses: ESL 10G and ESL 10W, ESL 11A, ESL 19A, ESL 19B, or English C1000. ESL 19A, ESL 19B, and English C1000 are CSU/UC transferable courses. See page 53 for the English Course Sequence and page 57 for the ESL Course Sequence.

For math, depending on your placement, you will start in one of two ways: (a) directly in a transfer-level math course, or (b) directly in a transfer-level math course paired with one supporting course. According to AB 1705, students may not be required to repeat courses they completed in high school with a C- or higher grade. If your English or math placement in Corsair Connect places you into a class you already completed, please meet with a counselor to discuss your case. A counselor may issue you a waiver and place you into the appropriate course for your program of study. See page 81 for the Mathematics Course Sequence.

Assembly Bill 1805 permits students to view annual placement statistics for English, ESL, and mathematics. These are available at *smc.edu/successcenter*.

Other Placement Services

Santa Monica College will continue to offer limited assessment services for the Chemistry 10 challenge exam and math proficiency for graduation. You must have already applied for SMC admission, and must present a valid government-issued photo identification (e.g., driver license, passport, military ID). Test preparation materials are available online at *smc.edu/successcenter.*

The Success & Engagement Center (formerly the Assessment Center) is located in Student Services Center S145. The Center offers limited testing services on a walk-in, first-arrival basis. Please check our website *(smc.edu/successcenter)* or call 310-434-8040 for up-to-date information on office and testing hours.

Is Placement Required?

Completing the placement process in English or ESL and in math is **mandatory** if you are:

- A first-time college student enrolling in more than six units during your first semester at SMC; or
- A continuing student who has not completed the placement process; or
- Enrolling in an English, ESL, or math course for the first time (even if not a first-time college student); or
- Enrolling in courses with required English or math preparation (prerequisites).

Based upon your placement results, you will receive an English, ESL, or math placement recommendation.

Placement Exemptions & Placement and Prerequisite Waivers

You may be exempt from the placement requirement and may also be granted placement and prerequisite waivers — as well as credit — for selected English, ESL, math, and chemistry courses under specific circumstances. Please see our webpage *(smc.edu/waivers)* for an overview, then consult with a counselor in General Counseling & Transfer Services for details.

Please note: Although you may be exempt from the placement process, you still must successfully complete — or receive waivers for — any prerequisite courses that are required for classes in English (or ESL), math, Anatomy 1, Biology 21/22/23, Chemistry 11/12/21/22/24, Film 31/32/33/34, Microbiology 1, Nursing 17, Physics 7/9/22/23/24, and Physiology 3 (among other courses). For further information, please consult with a counselor in General Counseling & Transfer Services.

ABOUT YOUR TRANSFER UNITS

Many students use Santa Monica College as the freshman and sophomore years of a four-year college plan. SMC is a leader in transferring students to their junior year at four-year colleges and universities, including the UC and CSU systems. Each of these institutions has a list of courses that must be completed to:

- satisfy general education requirements,
- satisfy lower-division pre-major requirements, and
- satisfy elective requirements.

How credit for an SMC course transfers to your future school depends on how that school will accept the course, and how clearly defined your transfer goal is.

You can look up transfer information yourself (go to *assist.org* for details), but you will find it much easier to talk to a counselor in the Counseling Department. To schedule an appointment with a counselor, please call 310-434-4210.

STUDENT-ATHLETES PLEASE NOTE: *If you plan to transfer with an athletic scholarship*, please see an athletic counselor for a list of requirements and to arrange for continuous counseling while enrolled at SMC.

ACCESSIBILITY ADVISORY

SMC will relocate classes to accommodate individual students with specific disability-related access needs. To initiate this process, please contact the Center for Students with Disabilities at 310-434-4265 (voice) or 310-434-4272 (fax).

The path of travel from the public bus stops on Centinela to the Bundy and Airport Arts campuses is a steep grade that may be inaccessible for some with mobility limitations. However, the Sunset Ride — an accessible public bus line — which transfers from Big Blue Bus Line #14, stops inside the Bundy Campus.

Other access restrictions include:

- Art building: Accessible restrooms require an access key; go to the Center for Students with Disabilities (Student Services Center S155) or call 310-434-4265.
- Access keys are required for elevators when classes are not in session in the Business, Art, and Student Activities buildings, as well as for the Gym basement elevator.

Enrollment

IMPORTANT: All enrollment transactions take place online via Corsair Connect *(smc.edu/cc)*. You may enroll in any class with space available **until the evening before the second class meeting** if the class is less than 90% full. Beginning the day of the **second** class meeting, you must have an Instructor Authorization Code for each class you wish to enroll in, even if the class has space available. EXCEPTIONS: (1) The enrollment deadline for *online, hybrid, or Arranged Hours classes* is the Sunday evening prior to the week the course begins; (2) for *classes meeting once per week and courses with a lab,* you may enroll until 10 p.m. the night before the first class meeting. If the class is full, you will need an Instructor Authorization Code.

DATES AND DEADLINES

NEW AND RETURNING STUDENTS

(but NOT Continuing Students) must file an application for admission to receive an enrollment date and time. Students who applied for a previous term but did not enroll will need to reapply.

You may enroll in on-ground, online, and hybrid courses on or after your enrollment appointment date and time by web at *smc.edu/cc*.

If you enroll in any spring semester course at SMC, you MUST attend and actively participate in all classes (on-ground, hybrid, or online) during the first week of the course or risk being dropped by the instructor.

SPRING 2027 SCHEDULE OF CLASSES

Go to *smc.edu/searchclasses* to find schedule information — including changes, cancellations, and additions — for all open enrollment semesters.

Apply today at *smc.edu/apply*

Enrollment starts in early November.

Spring classes begin Tuesday, February 16, 2027.

Please note: If a class is closed and the term has not started, please keep trying, as the class will re-open if space becomes available. Join the waitlist (see "Auto-Enrollment Waitlists" below). For more information about the enrollment process, please see *smc.edu/enroll.*

ENROLLMENT BY WEB

You may enroll by web on or after the enrollment date and time listed for you. You can enroll from any computer in the Admissions Office lobby. You may also enroll from home if you have Internet access.

1. Go to *smc.edu/cc*
2. Enter your username and your password
3. Follow the instructions provided.

To confirm that the classes you selected have been added, click on "Student Records" under Home & Profile in the menu on the left, then click "View Enrollment Transaction Receipt." If the receipt is correct, print out a copy. **You must have this printout to contest any discrepancies.**

You may also **add** or **drop** classes by web. If you decide NOT to attend a course you have enrolled in, it is YOUR responsibility to officially withdraw from it. See withdrawal information on page 118.

ABOUT PRIORITY ENROLLMENT

You are STRONGLY encouraged to enroll as close to your assigned date and time as possible, since students who come after you in priority will quickly fill the classes you need if you wait too long.

State and local regulations, combined with other factors, determine the order in which your enrollment date and time are assigned. It is important complete the SMC placement process, online orientation, and education plan requirements as soon as possible — especially if you are pursuing a degree, certificate, or transfer, or you are a first-time college student — because the sooner you do so, the sooner you will receive your enrollment appointment.

LOSS OF ENROLLMENT PRIORITY

You may lose your priority enrollment status if you do not complete SMC's online orientation (see *smc.edu/orientation*), placement process (go to *smc.edu/cc* and click the "Placement" tab), or an abbreviated education plan if you are a new or first-time-in-college student, or a comprehensive education plan if you are a student who will have either earned 15 degree-applicable units by the end of the term or will have completed a third semester (whichever comes first; you can complete your plan in either Stellic at *stellic.smc.edu* or through Corsair Connect at *smc.edu/cc*). You will also lose priority enrollment if you are on academic or progress notice for two consecutive semesters/terms, or you accumulate excessive units, or you are found responsible for violating provisions of the SMC Rules for Student Conduct, such as holding or selling seats in a class. For more information, please refer to *smc.edu/admissions* (click on "Policies and Procedures Index" under the Policies section).

OPEN SEAT NOTIFICATION

If you wish to take a course, but the section you want is already closed, you may sign up for an Open Seat Notification up to two weeks before the term starts. You will receive a notification if a seat becomes available. A notification does NOT mean you are enrolled in the course. When you receive a notification, it is YOUR responsibility to go to Corsair Connect at *smc.edu/cc* and enroll in the class. You may also unsubscribe from the Open Seat Notification up to two weeks before the term starts. Notifications expire two weeks prior to the start of the term (always on a Monday at 12:01 a.m.).

AUTO-ENROLLMENT WAITLISTS

If a class is full, you may join the waitlist for it. Waitlists open automatically when a class fills and close at 11:59 p.m. the day before the class begins. You may waitlist up to 12 units in fall and spring, or 8 units in summer and winter. You cannot waitlist more than one section of the same course.

If a seat becomes available, you will be automatically enrolled in waitlist order — provided you remain eligible. To be eligible, you must have no holds or unpaid fees, meet all prerequisites, have no time conflicts, and remain within your unit and repeat limits. If you are not eligible when a seat opens, you will be skipped, and the next eligible student will be enrolled; you will receive an email explaining why. You may track your status on Corsair Connect at *smc.edu/cc*.

After you are auto-enrolled, you must pay all fees by 11:59 p.m. the following day or you will be dropped. If you decide you no longer want the class, please drop it so another student may join the list.

The waitlist is provided to faculty who, at their discretion, may add students to the class once it starts. Instructors are requested to follow the waitlist order.

Please visit *smc.edu/waitlists* for details.

SMC STUDENT I.D.

The SMC digital student I.D. is available on the SMC GO app, the official SMC student app. SMC GO is available for download at the App Store and Play Store. See *smc.edu/smcgo* for details. The SMC student I.D. offers a convenient way to check out materials from the SMC Library and access the campus tutoring labs and learning resource centers, as well as purchase discount tickets for selected student events or activities.

SMC STUDENT EMAIL

Santa Monica College uses Google Gmail to provide each SMC student with a FREE email address. Go to *smc.edu/google* for more information. CHECK YOUR GMAIL ACCOUNT OFTEN, as this is where SMC will send all official communication from the College to you. SMC email addresses may be restricted at the College's discretion at any time.

NOTE: Your *@student.smc.edu* email address is NOT permanent, and will be disabled after a period of nonenrollment. DO NOT link or associate your SMC student email address with personal and non-SMC related services, including Facebook, X, Instagram, etc., as well as your bank account(s) and ATM and credit cards. Also, DO NOT use your SMC student email address for purchased apps/services.

Fees

All fees are subject to change without notice. See *smc.edu/fees* for the latest details.

If you qualify for the SMC Promise Program, you are exempt from paying enrollment, Student Benefits, Health Services, Student Representation, and A.S. Resource fees. See *smc.edu/freetuition* for details.

If you are taking only noncredit courses (designated by section numbers of 7000 or above), you are not required to pay the Health Services fee, Student Benefits fee, or A.S. Resource fee. However, you are required to pay the Student Representation fee, or you may opt out of it through Corsair Connect (go to *smc.edu/cc*, click on "Fees & Payment," select the relevant term/semester, then click on "Fee Assessment").

PLEASE NOTE: You may be eligible for financial aid. Work Study funds and the California College Promise Grant (CCPG) ***are available*** for the spring semester. To find out, call the Financial Aid Office at 310-434-4343 as soon as possible. See page 118 for additional information.

CA Resident Fees for Spring Semester:	
Enrollment Fee	$46/unit
Upper-Division Courses	$84/unit
SMC Health Services Fee	$28
Student Benefits Fee (Optional)	$22.50
Associated Students Resource Fee (Optional)	$10
Student Representation Fee (Optional)	$2
Nonresident Fees for Spring Semester:	
Enrollment Fee	$46/unit
Upper-Division Courses	$84/unit
Nonresident Tuition	$416/unit
Capital Outlay Fee	$24/unit
AB 947 Exemption	$416/unit
SMC Health Services Fee	$28
Student Benefits Fee (Optional)	$22.50
Associated Students Resource Fee (Optional)	$10
Student Representation Fee (Optional)	$2

Enrollment Fee

All students (resident and nonresident) in graded credit courses must pay an enrollment fee of $46 per unit.

Upper-Division Coursework Fee (Bachelor's Degrees)

In ADDITION TO the per-unit enrollment fee of $46, all students (resident and nonresident) *enrolled in graded upper-division credit courses for the Bachelor of Science degree in Interaction Design or in Cloud Computing* must pay an upper-division coursework fee of $84 per unit. **This fee is NOT covered by the California College Promise Grant (CCPG).**

Nonresident Tuition Fee

In ADDITION TO the per-unit enrollment fee of $46, all nonresident students must pay tuition of $440 (includes capital outlay fee) per semester unit (for a total of $486 per semester unit), or if eligible for AB 947 exemption, tuition of $416 per semester unit (for a total of $462 per semester unit). For residency information, visit *smc.edu/residency* or call the residence clerk in the Admissions Office at 310-434-4461 or 310-434-4595.

Capital Outlay Fee

In ADDITION TO the per-unit enrollment fee and tuition fee, all nonresident students must pay a capital outlay fee of $24 per semester unit. The fee helps cover the costs of maintaining and improving campus facilities such as classrooms, labs, and student support spaces.

Health Services Fee

The mandatory Health Services fee of $28 during the spring semester includes free basic health services, information, and referrals by full-time RN; emergency first aid treatment; and free or reduced-cost immunizations.

Student Benefits Fee

The optional $22.50 Student Benefits fee provides the Corsair Alert app and unlimited transit rides on Big Blue Bus, Metro trains and buses, and 13 other transit agencies across Los Angeles through the GoPass. The fee also supports the technology (campus WiFi, computer labs, printing) SMC makes available free to all students. You may opt out of paying the Student Benefits fee through Corsair Connect (Fees & Payments tab) prior to the *earliest* Refund Deadline for a class you are enrolled in during the term.

Associated Students Resource Fee

The optional Associated Students Resource fee of $10 supports SMC's many student clubs and other activities that foster academic achievement, campus life and social events, campus sustainability programs, basic needs programs, and Cayton Center renovations. For details, see the A.S. webpage (*smc.edu/associated_students*) or stop by the Student Life Office (Room 202 of the Cayton Associated Students Center). You may opt out of paying the A.S. Resource fee through Corsair Connect (Fees & Payments tab) prior to the *earliest* Refund Deadline for a class you are enrolled in during the term.

Student Representation Fee

The optional Student Representation fee of $2, mandated by Assembly Bill (AB) 1504, provides support for student government representatives who may be presenting positions and viewpoints to representatives, offices, and agencies of local, district, and state governments. The fee is divided, with $1 going to the Associated Students, and $1 for use by the Student Senate of the California Community Colleges (SSCCC). You may opt out of paying the Student Representation fee through Corsair Connect (Fees & Payments tab).

Materials and Supplies Fees

Some classes require additional fees for materials and supplies. Consult the class listings in this schedule to determine whether any such fees are required. Please note that these fees are NOT refundable.

ON-CAMPUS AND SATELLITE CAMPUS VIRTUAL PARKING PERMITS

A virtual on-campus parking permit does NOT guarantee you a parking space. What a virtual parking permit does is entitle you to use on-campus student parking areas on a space-available, first-arrival basis. NOTE: Your virtual parking permit is for ON-CAMPUS PARKING ONLY — it is NOT a residential (street) parking permit.

To park at the **SMC Main Campus, SMC Performing Arts Center (PAC)**, or the **SMC Center for Media and Design (CMD)**, you MUST purchase a virtual parking permit for $50 for the spring semester. The permit price includes the City of Santa Monica 10% parking facilities tax. The virtual parking permit provides access to parking lots at ALL SMC campuses.

You may purchase virtual parking permits online through Corsair Connect at *smc.edu/cc.* If you have been awarded a California College Promise Grant for the academic year, you may purchase a virtual parking permit for $18 (which includes the City of Santa Monica 10% parking facilities tax) at the Cashier's Office.

Parking at **SMC Airport Arts, Bundy, and Malibu campuses** is FREE.

PLEASE NOTE: Student virtual parking permits are NOT valid for faculty/staff parking areas.

Accessible Parking: The display of a DMV accessible placard AND registration for an SMC virtual parking permit entitles you to park in any accessible, student, or staff parking space.

An important caution: Car alarms are disruptive to other students and our neighbors. Cars with activated alarms in the SMC parking areas will be TOWED IMMEDIATELY at YOUR expense.

BIG BLUE BUS (BBB) AND METRO TAP CARDS

As an SMC student, you can ride ANY Big Blue Bus, Metro bus or train, or buses on 13 other transit agencies across L.A. anytime — at NO EXTRA COST! — if you are currently enrolled and have paid the Student Benefits fee. Visit *smc.edu/transportation* for details on how to get your TAP card.

WITHDRAWAL REFUND SCHEDULE

See "Academic Policies" on page 118 for information on withdrawal refunds. Withdrawal refund deadlines appear next to each enrolled class listed in your Corsair Connect account.

Payment Policy

PAYMENT

PLEASE NOTE: You may be eligible to receive some form of financial aid. Call the Financial Aid Office at 310-434-4343 as soon as possible. Work Study funds and the California College Promise Grant (CCPG) are available for the spring semester (go to *smc.edu/financialaid* for details). Please note: The California College Promise Grant and SMC Promise Program do NOT cover upper-division coursework fees.

You can pay your fees by using a MasterCard, Visa, Discover, or American Express credit card at the same site where you enroll. For other payment options, see the "How to Pay" information.

Payments of enrollment and related fees for courses you enroll in are due by the deadline dates published on the fees webpage and in your Corsair Connect account. **The spring 2027 payment deadline is Wednesday, January 20, 2027, at 5 p.m. Starting Thursday, January 21, 2027, payment is due by 11:59 p.m. the day after you add a class, otherwise you will be dropped for nonpayment. Please see *smc.edu/fees* for payment deadline dates and other related information. It is YOUR responsibility to drop any courses you do not wish to continue. If you do not drop the courses by the refund deadline — even if you never went to class — you will be responsible for paying the fees** and will not be able to enroll in future terms until all fees are paid. A hold will also be placed on your records, which prevents you from receiving enrollment verification, diplomas, etc. See *smc.edu/fees* for the latest details.

How to Pay

SMC offers students several payment options.

- You may pay fees in cash or by check, money order, cashier's check, Visa, MasterCard, Discover, or American Express.
- Nonresident tuition may be paid in cash or by money order, cashier's check, or a personal check drawn on a California bank.

You may pay:

- By web using a MasterCard, Visa, Discover, or American Express card ONLY (**web enrollment takes place on a certified secured site, and all data transactions are encrypted;** to pay fees online, log onto Corsair Connect at *smc.edu/cc* and **make sure the correct "school semester" is selected**, then select "Pay Fees Online" from the menu on the left);
- By mailing your check, money order, or cashier's check (no cash) to Santa Monica College, Cashier's Office, 1900 Pico Boulevard, Santa Monica, CA 90405.
- By phone by calling the Cashier's Office during business hours at 310-434-4664.

If you have a credit for any prior transaction(s), the amount will be applied to any owed balance.

Financial Assistance

Santa Monica College provides a variety of resources to assist and encourage students who need financial assistance.

FINANCIAL AID

Financial aid is used to pay for mandatory fees, books, transportation, room and board, and other education-related costs. Before starting enrollment procedures, contact the Financial Aid Office. The Financial Aid Office is open Monday from 8:30 a.m. to 4 p.m., and Thursday from 9 a.m. to 4 p.m., Tuesday and Wednesday from 8:30 a.m. to 6 p.m., and Friday from 8:30 a.m. to 12:30 p.m. **Hours for the Financial Aid Office's Q-less online phone system are Monday and Thursday from 8:30 a.m. to 4 p.m., Tuesday and Wednesday from 8:30 a.m. to 5 p.m., and Friday from 8:30 a.m. to 12 p.m. Hours are subject to change without notice.** For additional information, please see *smc.edu/financialaid* or call 310-434-4343.

SMC offers various types of financial aid:

- **Grants** (Pell Grant, SEOG, Cal Grant B, C, SSCG): Need-based assistance that does not need to be repaid.
- **California College Promise Grant** (CCPG): Need-based enrollment fee waivers for eligible California residents.
- **Santa Monica College Promise:** Free enrollment and fee waivers for students who graduate from a California high school or complete a high school equivalency test (e.g., GED® or HiSET® or CPP), attend SMC as a first-time college student and enroll full-time. (see *smc.edu/freetuition* for details).
- **Federal Work-Study (FWS) funds:** Federally funded program that provides wages to eligible students for employment.
- **Loans:** Federally administered, low-interest funds that must be repaid.
- **Scholarships:** Awards from foundations and private endowments or individuals.

Important Dates

FAFSA application available	October 1
FAFSA and Cal Grant priority deadline	March 2
Extended Cal Grant deadline	September 2

Who is Eligible?

1. You must be a U.S. citizen or eligible non-citizen
2. Possess a Social Security Number (SSN)
3. Demonstrate financial need (except for SMC Promise and many scholarships)
4. Have a high school diploma, GED®, California High School Proficiency Certificate, or demonstrate an ability to benefit from post-secondary education
5. Comply with Selective Service registration (if required)

How to Apply for Federal Financial Aid

You can generally apply as early as October 1, and you do not need to wait to be admitted to SMC to apply.

1. Create your FSA ID username and password at *studentaid.gov/fsa-id/create-account*. To expedite the financial aid process, have your parent create one also.
2. Once you receive your PIN, go to *studentaid.gov/fafsa* to complete the Free Application for Federal Student Aid (FAFSA). Santa Monica College's Federal School Code is 001286.
3. When the FAFSA is sent to the Federal Processor, this information is put through the eligibility-determining formula and an Expected Family Contribution (EFC) is calculated. A Student Aid Report (SAR) on financial aid eligibility will be mailed to you.

How to Receive Your Financial Aid

Santa Monica College has partnered with BankMobile to process financial aid disbursements. For details, see *smc.edu/bankmobile*.

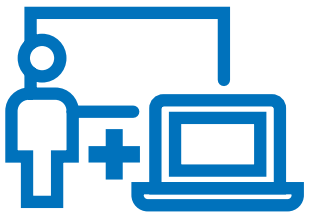

SMC offers on-ground, online, and hybrid/HyFlex classes. Check with your instructor for additional information about how the class will be conducted. See *smc.edu/searchclasses* for schedule information — including class modalities, changes, cancellations, and additions — for all open enrollment.

TYPES OF ON-GROUND CLASSES (MODALITY)

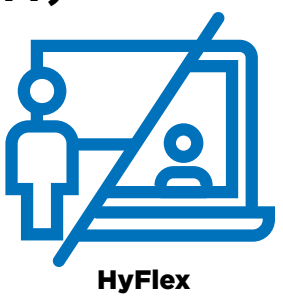

On Ground

Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

Hybrid

Taught on campus and online.

HyFlex

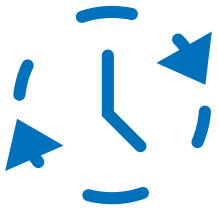

Taught on campus and online with the option for students to attend class on campus or participate over Zoom.

TYPES OF ONLINE CLASSES (MODALITY)

Scheduled

Fully online and will be taught through Canvas, yet also require students to attend Zoom meetings at the scheduled class time.

Flexible

Fully online and will be taught primarily through Canvas and other learning platforms that are flexible for the student's schedule.

Flexible with Scheduled Meetings

Fully online and will be taught through Canvas and other learning platforms at the scheduled class time, but with recorded class meetings available for later viewing.

Flexible with Scheduled Exams

Taught primarily through Canvas and other learning platforms that are flexible for the student's schedule, but with mandatory Zoom meetings for exams and quizzes at the scheduled class time.

COMMON COURSE NUMBERING IS HERE!

In fall 2025, Santa Monica College and all California Community Colleges began implementing **Common Course Numbering** (also known as AB 1111). Under this new numbering system, many courses will have the same standardized course numbers and titles at every community college campus, making it simpler for you to transfer credits, plan your degree, and meet transfer requirements.

This change appears in the chart below. Additional courses will transition each semester until the initiative is complete. Be sure to check the schedule of classes and SMC catalog carefully, and reach out to your counselor if you have questions! For more information, visit: *smc.edu/ccn*

Accounting

General accountants examine financial records of municipal, county, state, and federal agencies for compliance with laws. They record transactions, such as receivable, payable, payroll, property into a general ledger. Corporate accountants set up and design accounting/bookkeeping systems and procedures, risk management programs, tax law and finance methods, record financial transactions, and analyze and evaluate financial records for businesses. Their duties include interpreting financial information and preparing reports for business executives and government regulatory agencies. Advancement includes senior accountant, controller, treasurer, and chief financial officer positions.

Some of the courses listed in this section are accompanied by Supplemental Instruction. Supplemental Instruction (SI) is an academic assistance program that utilizes free peer-assisted weekly study sessions to help students learn the most difficult course content. For more information, please see the SI website at smc.edu/si.

ACCTG 1, INTRODUCTION TO FINANCIAL ACCOUNTING — 5 UNITS

Transfer: UC, CSU

C-ID: Students must take ACCTG 1 and 2 to earn the equivalent of C-ID ACCT 110.

- *Advisory: MATH 20.*

This course introduces the student to the sole proprietorship, partnership, and corporate forms of ownership. This course also familiarizes the student with recording, classifying and interpreting financial data for service and merchandising businesses. It includes a study of the journals, ledgers and financial statements used by these entities. Also covered are computerized accounting systems, internal control, ethics, cash, accounts and notes receivable, merchandise inventory, plant assets and intangible assets, liabilities, and equity accounts. Basic managerial accounting topics are also introduced.

Animation

The Animation program prepares students for careers in the entertainment industry through comprehensive, hands-on training. The program is designed to meet the industry's need for creative professionals who excel in developing ideas and have the technical proficiency to execute them. Our instructors are experienced professionals who bring first-hand knowledge of industry practices to the classroom and work in close collaboration with industry advisors to keep up with trends and changing requirements. In addition, participating companies often provide guest speakers and student internships. We offer day, evening, and weekend classes to provide educational opportunities to all students. In addition, select courses are offered online through Distance Education. Students who are interested in the Animation program are strongly encouraged to schedule an appointment with one of the counselors at the Center for Media and Design campus to develop an Education Plan. This is to ensure that you are taking the necessary courses to meet your education goals. To learn more, please visit smc.edu/designtech.

Students interested in independent studies or internships for the Animation program may enroll in the Entertainment Technology (ET) 88 or 90 series of courses. Please speak with the Design Technology Department Chair or an Academic Counselor at the CMD for more information.

Anthropology

Anthropology is a diverse discipline involving the humanities, social sciences and natural sciences that examines various aspects of past and present-day humans. It consists of four fields: Archaeology, Cultural Anthropology, Linguistic Anthropology, and Physical Anthropology. Archaeology examines past human cultures through material culture. Cultural Anthropology focuses on sociocultural variation among humans. Linguistic Anthropology examines how language influences society and culture. Physical Anthropology studies the biological and behavioral aspects of humans within an evolutionary framework.

Some of the courses listed in this section are accompanied by Supplemental Instruction. Supplemental Instruction (SI) is an academic assistance program that utilizes free peer-assisted weekly study sessions to help students learn the most difficult course content. For more information, please see the SI website at smc.edu/si.

Architecture

See also "Interior Architectural Design."

The Architecture program provides an analytical foundation from which you will explore design innovation through functional, cultural, environmental, and socially conscious design. Learn about the impact of the built environment while developing skills in drafting, rendering, presentations, project collaboration, environmental design, building systems, and code compliance. Explore creative careers in digital production or environmental design for a sustainable future. Our instructors are experienced professionals who bring first-hand knowledge of industry practices to the classroom and work in close collaboration with industry advisors to keep up with trends and changing requirements. In addition, participating companies often provide guest speakers and student internships. We offer day, evening and weekend classes to provide educational opportunities to all students. In addition, selected Architecture courses are offered online through SMC's Distance Education program. Students who are interested in the Architecture program are strongly encouraged to schedule an appointment with one of the counselors at the Center for Media and Design campus to develop an Educational Plan. This is to ensure that you are taking the necessary courses to meet your education goals. To learn more, please visit smc.edu/designtech.

ART 21C, FIGURE DRAWING FOR PORTFOLIO DEVELOPMENT 3 UNITS
Transfer: CSU

The figure continues to be one of the most important and enduring subjects for art. This course provides advanced instruction in drawing the human figure from the live model for students building a portfolio of figure drawings. This course focuses on in-depth study of the human figure through drawing. A broad range of materials will be utilized, including the use of color with continued emphasis on observation, anatomy, and spatial structure. In order to help students build a portfolio of figure drawings for transfer or to help find work in one of the many fields that require figure drawing, this course moves beyond observation and emphasizes creative, conceptual, & theoretical development.

This course provides advanced instruction in drawing the human figure from the live model as well of use of the figure in work that students create. Emphasis will be on developing self-directed student work. Course exercises will cover advanced surface musculature and skeletal anatomy, but will also develop students' repertoire of medias and deepen exploration of the figure in drawing. Students will produce drawings in multiple medias and colored drawings.

This course introduces fundamental concepts related to the design and fabrication of objects. Students utilize a combination of computational and mechanical tools to design, develop, refine, and construct physical forms. Through a combination of lectures, demonstrations, and hands on lab work, students develop the skills, toolsets, and experimental approaches needed for further study in the fields of sculpture, architecture, industrial design, 3D modeling, and contemporary multimedia studio art practice. In addition to lectures and readings on the historical and contemporary intersections of art and technology, topics of instruction include the safe operation of power tools, digital input and output paths, laser cutting, 3D printing, CNC routing and milling, and a survey of relevant 3D modeling software.

Art History

Art History is the study of art created in the past by individuals from various cultures and parts of the world. It is the study of the historical development of art as social and intellectual phenomenon, the analysis of works of art and art conservation. Students study specific periods, cultures, styles and themes. The art historian seeks to interpret and understand works of art of many types, ranging from the monumental to small scale, by learning about artists' lives and their societies. Students are prepared for a wide range of professional careers — in museums, galleries, auction houses or publishing, including antique dealer, art appraiser, art dealer, art restorer and museum curator.

Astronomy

Astronomers and astrophysicists study the contents of our universe, including planets, stars, galaxies, and even the universe in its entirety. They are essentially physicists who specialize in using the fundamental laws of nature and the techniques of mathematics to understand our place in the cosmos. Astronomers design and build telescopes and other scientific instruments to collect data from astronomical objects. They then apply the techniques of scientific data reduction and analysis to extract the information from the data collected. While many astronomers and astrophysicists end up in academia, their unique skills are in great demand in many other fields including, aerospace, engineering, computer science, software development, information technology, financial services, education, and public outreach.

ASTRON 4, PLANETARY ASTRONOMY WITH LABORATORY — 4 UNITS

Transfer: UC*, CSU
Cal-GETC Area 5A (Physical Sciences, + LAB)

**Maximum credit allowed for ASTRON 2 and ASTRON 4 is one course (4 units).*

This is a 4-unit introductory level lab course with a similar curricular depth and breadth to its comparable 3-unit lecture course Astronomy 2. In the lab component, students begin by re-creating many historical, first-ever human discoveries and measurements that helped to develop the scientific method: the size of Earth, Moon, and Sun, their relative distances, the scale of planetary orbits, phases, diameters, densities, masses, surface features, atmospheres, and rates of rotation. The labs also engage students in basic observations of the sky, computer simulations, and analysis of archival data from public domain sky surveys and surface maps by robotic NASA rovers and orbiting probes. The course material is a single semester survey of the origin and evolution of planetary systems such as our own Solar System including the latest leading theories of planetary topography, atmospheres, interiors, moons, comets, asteroids, and aurorae produced by the interaction of planetary magnetism and particle outflows from the Sun.

This course will stress naked-eye astronomy and the historical development of astronomical thought, from the stone age to modern times. Students will learn about celestial motions and how these motions have shaped various cultural views, and how cultural beliefs and values shaped interpretations of the phenomena seen. We will see how eclipses of the sun and moon helped mark important epochs of time, and how

solar and lunar motions were used to help create calendars. The class will study the development of astronomy in western European cultures, American cultures (North America, Mesoamerica, and South America), and non-western cultures (Asia, Africa).

Automotive Technology

Provides students with hands-on training on vehicle technologies. Students apply basic diagnostic techniques, maintenance procedures, and repair skills to automotive, electrical, braking and suspension, and steering systems. Prepares students for essential positions in today's automotive maintenance shop operations.

AUTO 46, AUTOMOTIVE ELECTRICAL SYSTEMS 3 UNITS

• Advisory: AUTO 40 or equivalent.

This course covers basic electricity and automotive electrical systems such as battery, starting, charging, and electronic ignition. Test equipment and computer systems will also be covered.

4024 5:15p.m.-8:45p.m. MW SMHS N/A Oates S M
Above section 4024 meets for 13 weeks, Mar 08 to Jun 02. Above section modality is On Ground.

AUTO 47, SUSPENSION AND STEERING 3 UNITS

This course covers the principles, operation, diagnosis, service and repair of automotive suspension, steering systems, and four-wheel suspension alignment. Topics include the two types of steering systems that are widely used in today's consumer vehicles: rack-and-pinion steering, and "recirculating ball" or "worm gear" steering, also known as conventional. This course prepares students for entry-level positions or advanced training in automotive suspension and steering systems.

Bicycle Maintenance – Noncredit

BCYCLE 901, BICYCLE MAINTENANCE LEVEL 1 0 UNITS

This course provides a basic understanding of bicycle maintenance and adjustments and techniques to fix most common problems. Topics include technical and mechanical skill development, tool selection and use, drive-train systems, wheel and hub systems, brake systems, suspensions, handlebar and stem assemblies. Career pathways in the bicycle industry at the local, national and international levels will be explored.

Biological Sciences

See also "Aquaculture."

Coursework and study in the biological sciences provides a foundation for future employment in many of the fastest growing and emerging STEM (Science, Technology, Engineering and Math) fields today. Students of biology are at the front lines of many of the most critical questions our society is facing in the 21st century and beyond, including addressing climate change, the biodiversity crisis, resource management and population growth, emerging/infectious diseases and public health. Students of biology become lab technicians, nurses, genetic counselors, physicians, environmental scientists, landscape architects, state and national park rangers, researchers in agriculture, pharmaceuticals and biotechnology, teachers and college professors. Logic and critical thinking skills developed as a student of biology are applicable to nearly every field and every discipline and provide a foundation for making informed personal, business and public policy decisions. Students must be present for the first session of biological science classes to be assured of admission to limited laboratory spaces. Students who wish to enroll in a Life Sciences course must demonstrate that they have met the prerequisites for the course prior to enrollment. Continuing students must complete prerequisite courses with a C or better. If currently enrolled in a prerequisite course at SMC at the time of enrollment, students will be admitted to subsequent courses based upon midterm placement results, but will be dropped if the prerequisite course is not completed with a C or better. Students who have successfully completed one or more prerequisite courses (earning a grade of C- or better in both the lecture and lab courses and an average of C (2.0) or better overall) at another institution may be able to verify having met the prerequisites by submitting a transcript and course description and course syllabus for the prerequisite courses.

ANATMY 1, GENERAL HUMAN ANATOMY 4 UNITS
Transfer: UC, CSU
C-ID: BIOL 110B.
Cal-GETC Area 5B (Biological Sciences, + LAB)

• Prerequisite: ENGL C1000 (formerly ENGL 1).

This course is an intensive study of the gross and microscopic structure of the human body including the four major types of tissue and their subgroups, and the following organ systems: integumentary, skeletal, muscular, circulatory, respiratory, digestive, urinary, reproductive, endocrine, nervous, and sensory. Functions of the organ systems are included at the introductory level to prepare students for a course in Human Physiology. Laboratory assignments develop the skills of observation, investigation, identification, discovery and dissection. The use of actual specimens, including cat dissection and observation of a human cadaver, is emphasized to assure that students learn the relative structure, functions, textures and variations in tissues not incorporated in models. Supplemental materials such as models, photographs, charts, videotapes, and digitized images are also provided. This course is required for students preparing for many Allied Health professions including, but not limited to, Nursing, Respiratory Therapy, Physical Therapy, Physical Education and Kinesiology Training, and Physician's Assistant and is a prerequisite for Human Physiology 3.

• *Satisfies Global Citizenship*

This course introduces students to basic concepts of environmental biology through the study of evolution, ecology, and conservation biology. The course is designed for both major and non-major environmental science students. It is intended both as preparation for upper division Environmental Science classes, but also as general education for all students interested in a more in-depth understanding of current biological and environmental issues. By the end of the course, students should be able to use scientifically sound information to critically analyze complex environmental issues from around the world. Students will gather and analyze basic research data and apply the scientific method to conservation-related projects. Laboratory and field experiments are integrated and stress scientific methodology and thinking.

This is the first course of a three-course lecture and laboratory sequence for Biology majors, including Biology 21, 22, and 23. It describes how scientists approach the scientific method to generate scientific knowledge; studies the history, evidence, and mechanisms of evolution; identifies the chemistry of four classes of macromolecules; elucidates the cell principle including cell structure, function, and physiology; describes general energy metabolism; and illustrates the processes of growth and reproduction through mitosis, meiosis, development, and life cycles. Students are required to perform at least two experiments that require data collection, computer-based data management and graphing, and scientific analysis and interpretation of data. The course is designed to meet the needs of students transferring to upper division biology study.

• *Advisory: CHEM 21.*
**No UC credit for BIOL 3, BOTANY 1 or ZOOL 5 if taken after BIOL 21, 22 or 23.*

This is the second course of a three-course lecture and laboratory sequence for Biology Majors, Biology 21, 22 and 23. It focuses on the structure, function and transmission of genes from the perspectives of genetics and molecular biology. A strong foundation in genetics and its relationship to molecular biology is developed through problem solving. Students perform experiments that require data analysis and demonstrate interpretations in laboratory reports. Application of Internet databases for bioinformatics is used to show relationships between DNA and protein sequences. The course is designed to meet the needs of students transferring to upper division biology study.

SMC offers on-ground, online, hybrid, and HyFlex classes. For more information about the section modalities "On Ground," "Hybrid," "HyFlex," "Scheduled," "Flexible," "Flexible with Scheduled Meetings," and "Flexible with Scheduled Exams," please see page 12 of this schedule and visit smc.edu/searchclasses.

This is the third of a three-course lecture and laboratory sequence for biology majors. Organisms at and above the cellular level of organization are examined, with plants, invertebrates, and vertebrates receiving equal attention. Topics emphasized include morphology, physiology, systematics, ecology, evolution, and behavior. Additionally, each student must complete a term project which includes lab or fieldwork and library research. This course will introduce students to the broad spectrum of the biotechnology field and workforce, with content that will be accessible and appropriate to students and professionals from diverse disciplines. This course is designed to prepare students to enter the growing biotechnology workforce or to transfer. Students that complete this course will be eligible to take the Los Angeles Regional Bioscience/Biotechnology Industry-Valued Credential. Topics explored in this course include basic molecular and cellular biology, introductory genetics, biomanufacturing, microbiology, agriculture & bioremediation, chemistry, environmental health & safety, quality assurance & regulation, business, ethics, and biotechnology company structure. These concepts are explored by means of class discussions and projects, reading assignments, and lab activities. The course is intended as preparation for the intermediate and advanced biotechnology skills and methods courses as well as internships. By the end of the course, students should be able to describe the general structure and operating practices for a biotechnology company, demonstrate knowledge of fundamental biotechnology concepts in a molecular biology context, and express understanding of biotechnology applications and ethical practices.

BIOL 31, FUNDAMENTALS OF BIOTECHNOLOGY 2: FROM GENES TO PROTEINS 5 UNITS

Transfer: CSU

• *Prerequisite: BIOL 30.*
• *Prerequisite/Corequisite: CHEM 10.*

This course will introduce students to fundamental molecular and protein chemistry techniques that are essential to the biotechnology field and workforce. This course is designed to prepare students to enter the growing biotechnology workforce or to transfer. Students that complete this course will be prepared for the biotechnology internship course and to take the Los Angeles Regional Bioscience/Biotechnology Industry-Valued Credential or equivalent exams. Topics explored in this course include maintaining an industry standard notebook, following and writing SOPs, and utilizing a digital quality management software; lab safety regulations, aseptic technique, and quality control protocols; preparing and sterilizing solutions, reagents, and experimental materials; usage and maintenance of state-of-the-art laboratory equipment; bioinformatics; and amplifying, extracting, purifying, and analyzing polynucleotides and proteins. These concepts are explored by means of class discussions and projects, reading assignments, and lab activities. The course is intended as preparation for the advanced biotechnology skills and methods courses as well as internships. By the end of the course, students should be able to demonstrate competency in following and editing SOPs, explain fundamental molecular and protein chemistry methods, and apply their training to use and maintain laboratory equipment.

Transfer: UC, CSU

• *Prerequisite: BIOL 31.*

This course will build upon students' knowledge of cell and molecular biology by introducing students to techniques and methods that are critical for culturing, studying, and genetically manipulating eukaryotic cells. This course is designed to prepare students to enter the growing biotechnology workforce or to transfer. Students that complete this course will be eligible to take the Los Angeles Regional Bioscience/Biotechnology Industry-Valued Credential exam. Topics explored in this course include eukaryotic gene expression patterns and signal transduction pathways; biomanufacturing principles for eukaryotic cells; proper culturing and handling of eukaryotic cells; application of cell biology tools to manipulate and edit genes in eukaryotic cells; quality assurance & regulation; business, ethics, and biotechnology company structure. These concepts are explored by means of class discussions and projects, reading assignments, and lab activities. The course is intended as preparation for internships or transfer into biomanufacturing bachelor programs. By the end of the course, students should be able to describe & demonstrate aseptic technique; culture, maintain, and prepare eukaryotic cells for long-term storage; describe and perform cell specific assays; explain the layout and use required equipment to culture cells; and demonstrate knowledge of biotechnology applications and ethical practices.

Chemistry

Chemists study the properties of matter and make qualitative and quantitative analysis of many substances. They conduct a variety of experiments and tests in laboratories to develop new knowledge or maintain control over the quality of existing products and procedures. Chemists may work in research and development, or production and quality control in the chemical manufacturing industry, and in education or government institutions. Students must be present at the first lab session of a chemistry course to be assured of admission to limited lab spaces. Students who wish to enroll in a chemistry course must demonstrate that they have met the prerequisites for the course prior to enrollment. Continuing students must complete prerequisite courses with a C or better. If currently enrolled in a prerequisite course at SMC at the time of enrollment, students will be admitted to subsequent courses based upon midterm placement results, but will be dropped if the prerequisite course is not completed with a C or better. Students who have successfully completed one or more prerequisite courses (earning a grade of C- or better in both the lecture and lab courses and an average of C (2.0) or better overall) at another institution may be able to verify having met the prerequisites by submitting a transcript and course description and course syllabus for the prerequisite courses.

Some of the courses listed in this section are accompanied by Supplemental Instruction. Supplemental Instruction (SI) is an academic assistance program that utilizes free peer-assisted weekly study sessions to help students learn the most difficult course content. For more information, please see the SI website at smc.edu/si.

Cal-GETC Area 5A (Physical Sciences, + LAB)

- *Prerequisite: MATH 31 or MATH 49.*

**UC gives no credit for CHEM 10 if taken after CHEM 11. Maximum UC credit for CHEM 9 and 10 combined is one course.*

Chemistry 10 is a survey of introductory chemistry topics with a laboratory component. It is intended as preparation for Chemistry major or those planning to go into a STEM major or as a way to fulfill the science general education requirement. It introduces the main concepts and principles of chemistry and serves as a prerequisite for the General Chemistry sequence (CHEM 11 and CHEM 12). Emphasis is placed on understanding basic chemical principles and their quantitative application in various settings. Experimental techniques, including the safe and competent handling of chemicals and laboratory equipment will also be part of the course.

CHEM 11, GENERAL CHEMISTRY I — 5 UNITS

Transfer: UC, CSU

C-ID: CHEM 110. C-ID: CHEM 120S; to get C-ID CHEM 120S for CHEM 11, students must complete both CHEM 11 and CHEM 12.

Cal-GETC Area 5A (Physical Sciences, + LAB)

- *Prerequisite: CHEM 10 and MATH 20.*
  Students seeking waiver of the CHEM 10 prerequisite should take the CHEM 10 Challenge Exam. Students taking CHEM 11 and 12 must have access to the Internet to complete class assignments.

This course is the first semester of a two-semester, standard first year college chemistry course (Chemistry 11 and Chemistry 12). It introduces the fields of physical, analytical, inorganic, and organic chemistry. Topics to be discussed include atomic structure, chemical bonding, common types of reactions, stoichiometry, thermochemistry, and the properties of gases, liquids, and solids.

CHEM 19, FUNDAMENTALS OF GENERAL, ORGANIC, AND BIOLOGICAL CHEMISTRY — 5 UNITS

Transfer: UC, CSU

Cal-GETC Area 5A (Physical Sciences, + LAB)

- *Prerequisite: MATH 31 or MATH 50 or eligibility for STAT C1000 (formerly MATH 54) and MATH 54C.*

This one-semester course is designed for students preparing for studies in nursing or related allied health professions. Topics include measurements, unit conversions, atomic and molecular structure, chemical reactions and equations, gases, solutions and acid/base chemistry. There will be a special emphasis on properties and reactions of organic and biologically relevant compounds. NOTE: This course is NOT equivalent to CHEM 10 and does NOT meet the prerequisite requirement for CHEM 11.

CHEM 21, ORGANIC CHEMISTRY I — 5 UNITS

Transfer: UC, CSU

C-ID: CHEM 150.

Cal-GETC Area 5A (Physical Sciences, + LAB)

- *Prerequisite: CHEM 12.*

This course is a systematic introduction to the chemistry of carbon compounds. It encompasses theory and reactions of hydrocarbons and functional group derivatives. Included are bonding and structure, nomenclature, stereochemistry, synthesis, mechanism, and spectroscopic analysis. The laboratory work focuses on techniques of synthesis, isolation, purification, and analysis.

Transfer: UC*, CSU

Cal-GETC Area 5A (Physical Sciences, non-lab)

- *Prerequisite: CHEM 21.*
  **Maximum UC credit for CHEM 22 and CHEM 24 combined is 5 units.*

This course is a continuation of Chem 21, with emphasis on the remaining functional groups and types of reactions. Also included is an introduction to the organic chemistry of biochemical compounds. Chem 22 includes lecture and discussion. The second semester of organic chemistry laboratory is a separate course, Chem 24. Chem 21 and 22 constitute two semesters of organic chemistry with one semester of organic chemistry laboratory. Chem 21, 22, and 24 constitute two semesters of organic chemistry with two semesters of laboratory.

Transfer: UC*, CSU

Cal-GETC Area 5A (Physical Sciences, + LAB)

Prerequisite/Corequisite: CHEM 22.
**Maximum UC credit for CHEM 22 and CHEM 24 combined is 5 units.*

This course is the second semester of organic chemistry laboratory. The laboratory work involves microscale and miniscale synthesis, structure determination, investigation of reaction mechanism, and qualitative analysis. The lectures will discuss the theory and techniques that relate to the experiments that are performed, including NMR, IR, organic qualitative analysis, and various methods of analysis, separation, and purification of mixtures.

CHNESE 2, ELEMENTARY CHINESE 2 — 5 UNITS

Transfer: UC, CSU
Cal-GETC Area 3B (Humanities)

- *Satisfies Global Citizenship*
- *Advisory: CHNESE 1*.*

This course is a continuation of Chinese 1, which covers elementary grammar. It provides students with further basic oral and writing skills while acquainting them with the language. It also includes the reading of simplified texts with emphasis on oral expression and further study of Chinese history and culture. This course is taught in Chinese except in cases of linguistic difficulty as determined by the professor.

**The advisory for this course is comparable to two years of high school Chinese.*

Communication Studies

Communication Studies offers students courses that combine theory and application in many areas of the discipline. These courses encourage our students to apply conceptual material to daily interactions in a variety of communication contexts. In addition, our discipline provides a wide range of course offerings in the Communication Studies major. Oral Communication focuses on the skills and knowledge needed for creating effective and appropriate public communication skills. Courses include public speaking, oral interpretation of literature, persuasion, group communication, argumentation, and competitive speech and debate. Students completing courses in oral communication gain practical skills in researching, developing and presenting ideas and arguments in a variety of contexts preparing them for upper division, workplace, and personal presentations. Communication Theory focuses on human communication theory, especially as it relates to the interpersonal and/or group levels of communication. Courses in this area include interpersonal, group communication, intercultural communication, gender and communication, communication theory and research methodologies. Students completing courses in the communication theory area learn theoretical knowledge to prepare them for transfer into communication studies programs at the university and practical communication skills to improve their own interpersonal effectiveness.

COMM C1000, INTRODUCTION TO PUBLIC SPEAKING — 3 UNITS

Transfer: UC, CSU
C-ID: COMM 110.
Cal-GETC Area 1C (Oral Communication)

Formerly COM ST 11.

In this course, students learn and apply foundational rhetorical theories and techniques of public speaking in a multicultural democratic society. Students discover, develop, and critically analyze ideas in public discourse through research, reasoning, organization, composition, delivery to a live audience and evaluation of various types of speeches, including informative and persuasive speeches.

• *Advisory: CS 3.*

This course introduces modern database concepts while emphasizing the relational database model. Topics include design methodologies, normalization of tables to reduce redundancies, supertypes and subtypes to reduce nulls, data integrity, referential integrity, and using locks and other techniques for concurrency control in a multi-user database. Factors that should be balanced during the design of a database are described. To document databases, entity relationship diagrams, relational schemas, and data dictionaries are described. Principles are applied by performing exercises using MySQL or other database management system. SQL and other languages are used to create and fill tables, retrieve data, and manipulate it by stored programs.

Cosmetology

Cosmetology is a career technical all-inclusive program that prepares students for a wide range of careers within the beauty industry. The curriculum offers a theoretical and practical component along with a hands-on approach to learning that includes up-to-date interactive demonstrations and training on clients in a salon setting. This prepares the students to possess the knowledge and skills for career opportunities in the beauty industry such as haircutting, hairstyling, colorist, chemical specialist, skin and nail spas, sales and entrepreneurship. Students are coached in the importance of professionalism and creativity in an experiential learning environment with motivated faculty. Upon completion of the courses, students are prepared to take and pass the California State Board of Barbering and Cosmetology exam to become a licensed cosmetologist, esthetician or manicurist. Courses may lead to an associate degree in cosmetology and/or a certificate of achievement. Students may attend the programs on a full or part time basis.

Digital Media Post-Production

The Digital Media Post-Production program prepares students for careers in the entertainment industry through comprehensive, hands-on training. The program is designed to meet the industry's need for creative professionals who excel in developing ideas and have the technical proficiency to execute them. Our instructors are experienced professionals who bring first-hand knowledge of industry practices to the classroom and work in close collaboration with industry advisors to keep up with trends and changing requirements. In addition, participating companies often provide guest speakers and student internships. We offer day, evening and weekend classes to provide educational opportunities to all students. In addition, select courses are offered online through Distance Education. Students who are interested in the Digital Media Post-Production program are strongly encouraged to schedule an appointment with one of the counselors at the Center for Media and Design campus to develop an Education Plan. This is to ensure that you are taking the necessary courses to meet your education goals. To learn more, please visit smc.edu/designtech.

Students interested in independent studies or internships for the Digital Media Post-Production program may enroll in the Entertainment Technology (ET) 88 or 90 series of courses. Please speak with the Design Technology Department Chair or an Academic Counselor at the CMD for more information.

This course examines the unique approach to curriculum found in nature-based early care and education programs. Students will use research-driven practices to assess, modify, and develop indoor and outdoor play-based environments, rooted in environmental awareness and sustainability. Key topics include the forest kindergarten approach, making connections between indoor and outdoor learning environments, place-based education, the value of unstructured play, supporting language development in nature, conducting benefit-risk assessments, and creating nature-based learning opportunities across developmental domains. The course includes opportunities to observe a nature-based early childhood education in action.

Program visits and observation hours will be required for successful completion of this course.

ECE 919, REFLECTIVE PARENTING WITH INFANTS 0 UNITS
This course provides a collaborative and experiential learning environment for parents of infants to connect and support each other while learning new skills. Parents will explore a wide range of topics related to infant development and care while learning evidence-based parenting practices that are associated with positive outcomes for children and families. While developing their capacity for mindfulness and reflection, parents will learn how to engage in warm, sensitive, responsive interactions with their child, which foster secure attachment relationships. Parents of infants experience many joys and challenges. The goal of this course is to decrease parental stress and reactivity and to equip parents with the knowledge and skills they need to increase parent-child attunement and well-being.

Economics

Economics is the study of how society allocates scarce resources. The goal is to understand the decisions of businesses and consumers as well as the implications and causes of contemporary economic issues by developing a systematic and thorough understanding of precisely how economic systems operate. Courses in the discipline of economics study the structure of markets and economies, the relationship between regions within the global economy, and strive to convey how economists reason and how they analyze models and compare model implications to observations.

Some of the courses listed in this section are accompanied by Supplemental Instruction. Supplemental Instruction (SI) is an academic assistance program that utilizes free peer-assisted weekly study sessions to help students learn the most difficult course content. For more information, please see the SI website at smc.edu/si.

ECON 5, INTERNATIONAL POLITICAL ECONOMY: INTRODUCTION TO GLOBAL STUDIES 3 UNITS

Transfer: UC, CSU
Cal-GETC Area 4 (Social & Behavioral Sciences)

- *Satisfies Global Citizenship*

This course offers an interdisciplinary introduction to the fields of Global Studies and International Political Economy. Students will analyze critically the role of national governments, international organizations, nongovernmental organizations, and multinational corporations, in regard to phenomena such as, international markets and production regimes, monetary and trade policy, international and global conflict, and environmental degradation. Contending theoretical and ideological perspectives regarding international systems, processes, and trends will be applied and evaluated.

ECON 15, ECONOMIC HISTORY OF THE U.S. 3 UNITS

Transfer: UC, CSU
Cal-GETC Area 3B (Humanities) OR Area 4 (Social & Behavioral Sciences)

Economic History of the USA is a one-semester, interdisciplinary course (Econ 15 or Hist 15) that surveys the origins and development of the U.S. economy from the period of European exploration and colonization through the present period. The course utilizes a thematic approach to consecutive historic periods of economic growth with an emphasis on specific sectors (agriculture, transportation, industry, energy, commerce, finance, government and public policy), as well as on the attendant impacts on the environment, producers, consumers, labor and diverse socio-economic groups. Students will learn basic economic concepts in order to help describe, explain, and analyze the historic events, trends, and institutions that influence the U.S. economy.

ECON 15 is the same course as HIST 15. Students may earn credit for one, but not both.

EDUC 12, INTRODUCTION TO ELEMENTARY CLASSROOM TEACHING & FIELD EXPERIENCES **3 UNITS**
Transfer: UC, CSU

This course introduces students to the concepts and issues related to teaching diverse learners in elementary school classrooms. Topics include teaching as a profession and career, historical and philosophical foundations of the American education system, contemporary educational issues, California's content standards and frameworks, and teacher performance standards. In addition to class time, the course requires a minimum of 45 hours of structured fieldwork in public school elementary classrooms that represent California's diverse student population, and includes cooperation with at least one carefully selected and campus-approved certificated classroom teacher.

Field practice: As part of the course, students will complete 45 hours of observation and field practice in a local elementary school classroom. The instructor will support students in identifying acceptable placement sites. Students must have a recent negative TB test result and may be required to complete LiveScan fingerprinting.

Engineering

Engineers apply the theories and principles of science and mathematics to research and develop economical solutions to practical technical problems. Their work is the link between scientific discoveries and commercial applications. Engineers design products, the machinery to build those products, the factories in which those products are made, and the systems that ensure the quality of the product and efficiency of the workforce and manufacturing process. There are a variety of engineering fields: electrical, mechanical, civil, industrial, aeronautical, chemical, materials, nuclear, petroleum and mining engineering.

ENGR 1, INTRODUCTION TO ENGINEERING **2 UNITS**
Transfer: UC, CSU

This course is an introduction to the methods and tools of engineering problem solving and design, including the interface of the engineer with society and engineering ethics. While addressing the branches of engineering, the functions of an engineer, and the industries in which engineers work, this course examines the engineering education pathways and explores effective academic strategies. Communication skills pertinent to the engineering profession are also addressed.

Transfer: UC, CSU

Prerequisite/Corequisite: ENGR 21.

This course serves as an introduction to the construction, measurement, and design of elementary electrical circuits and basic operational amplifier circuits. Students gain familiarity with the basic use of electrical test and measurement instruments, including multimeters, oscilloscopes, power supplies, and function generators. Using principles of circuit analysis for DC, transient, and sinusoidal steady-state (AC) conditions, students develop data interpretation skills by using circuit simulation software and by direct measurements of circuits. Practical considerations such as component value tolerance and non-ideal aspects of laboratory instruments are also introduced.

ENGL 31, ADVANCED COMPOSITION 3 UNITS

Transfer: UC, CSU

• Prerequisite: ENGL C1000 (formerly ENGL 1).

This advanced writing course is intended especially for English majors and other students desiring to develop rhetorical skills beyond those practiced in ENGL C1000 (formerly ENGL 1). It stresses critical analysis and argument, and focuses on style in effectively communicating with various audiences.

ENGL 300, ADVANCED WRITING AND CRITICAL THINKING IN THE DISCIPLINES 3 UNITS

Transfer: CSU

• Prerequisite: ENGL 2 and admission to the SMC baccalaureate program.

Written and oral communications vary greatly between disciplines and fields. Building on the critical thinking and writing skills developed at the lower division level, this course further prepares students in the application of logical reasoning, analysis, and strategies of argumentation in both written and oral communication of content specific information. Students examine scholarly and professional readings and apply theoretical perspectives in a variety of modalities (genres and media) in a way that is targeted to specific audiences. Through critical analysis and review of appropriate literature, as well as complex writing assignments, students develop writing as a core aspect of academic and professional practice.

This course is open only to students who have been admitted to SMC's Bachelor of Science program in Interaction Design. See ixd.smc.edu for more information.

English Composition – Group B

ENGL C1000, ACADEMIC READING AND WRITING WITH ENGL 28, INTENSIVE COLLEGE WRITING SKILLS 5 UNITS

• Prerequisite: Placement Group B.

In English C1000, students receive instruction in academic reading and writing, including writing processes, effective use of language, analytical thinking, and the foundations of academic research. The co-enrollment English 28 emphasizes clear, effective written communication and preparation of the research paper to prepare students for success in college-level composition and reading. It consists of instruction in composition, comprehension and analysis of college-level readings, and basic research skills.

Students will receive 3 units of transferrable credit for ENGL C1000, and 2 units of non-transferrable, degree applicable credit for ENGL 28.

ENGL 57, LATIN-AMERICAN LITERATURE 3 UNITS
Transfer: UC, CSU
Cal-GETC Area 3B (Humanities)

• *Prerequisite: ENGL C1000 (formerly ENGL 1).*

This course surveys 20th Century Latin-American literature. The poetry section begins with Dario and modernismo (1888-1910), postmodernismo (1910-1918) and vanguardismo (1918-1938): Neruda, Vallejo, Huidobro, Mistral, and Paz, among others, and concludes with postvanguardismo: Afro-Caribbean and other post-war poetic currents. Prose fiction will begin with realismo or criollismo (1880s-1930s), but will focus on the post-1940s, when Latin-American prose begins to enjoy international renown: Borges, Carpentier and Asturias, precursors to the "boom," then Fuentes, Sabato, Vargas Llosa, Donoso, Cortazar, and Garcia Marquez, whose works popularized "magic realism." The course will conclude with contemporary writers, such as Cabrera Infante, Allende, and Puig.

ESL – English as a Second Language

English for Second Language Speakers courses are designed specifically for students whose first language is not English. SMC offers three different ESL programs: 1) Credit ESL courses focus on academic skills needed for success in college (reading textbooks, listening and notetaking, writing papers with citations, speaking in class in small groups, and making presentations). Faculty assist students in the development of grammar, vocabulary, paraphrasing, and summarizing skills within the context of themes or academic content. ESL 11B, 19A, 19B, 21A, and 21B are CSU and UC transferable (up to 8 units). 2) Noncredit ESL courses focus on college and career readiness and developing the skills needed for life and work in the US. Noncredit ESL courses are free to students, except those studying on an F-1 visa. These courses do not carry any academic credit. 3) Intensive ESL (offered through SMC's Community Services Program in conjunction with International Education) offers multi-skills courses to prepare international students for entry to Santa Monica College. Student work is graded, but courses in the Intensive ESL Program do not receive academic credit. These courses are offered for a fee.

For the following classes, placement is required to determine class placement. See smc.edu/successcenter. Most sections of ESL classes require access to a computer and the Internet.

Environmental Studies

The Environmental Studies Program is an interdisciplinary and multidisciplinary course of study that presents a broad overview of ecological issues from a variety of perspectives. The coursework examines the interplay between natural and social systems, and the ideological foundations of humankind's attitudes and behaviors with respect to their ever-changing environments. This program is designed to prepare students to research, analyze, and propose solutions to the myriad environmental challenges facing the world today.

ENVRN 7, INTRODUCTION TO ENVIRONMENTAL STUDIES 3 UNITS

Transfer: UC, CSU
Cal-GETC Area 4 (Social & Behavioral Sciences)

• *Satisfies Global Citizenship*

This introductory course will use an interdisciplinary approach to provide students with a broad perspective on environmental problems and solutions. Students will be introduced to the strategies used by scientists, economists, political analysts, and other writers and researchers to investigate and analyze environmental and urban issues, human/nature relationships, natural and built environments, and environmental citizenship.

ENVRN 7 is the same course as GEOG 7. Students may earn credit for one, but not both.

2141 Arrange-6.5 Hours ONLINE Fritschle J
Above section 2141 meets for 8 weeks, Feb 16 to Apr 09. Above section modality is Flexible.

ENVRN 14, U.S. ENVIRONMENTAL HISTORY 3 UNITS

Transfer: UC, CSU
Cal-GETC Area 4 (Social & Behavioral Sciences)

• *Satisfies Global Citizenship*

This course surveys environmental history of the United States from earliest human migration to the present, focusing on the complex and consequential ways people have perceived, relied on, interacted with, and been impacted by the natural world. Topics include diverse patterns of interaction with land, water, plants, animals, and energy sources, as well as the economic, political, social, cultural, technological and global aspects of these patterns.

ENVRN 14 is the same course as HIST 14. Students may earn credit for one, but not both.

ENVRN 40, ENVIRONMENTAL PSYCHOLOGY 3 UNITS

Transfer: UC, CSU

Cal-GETC Area 4 (Social & Behavioral Sciences)

• *Satisfies Global Citizenship*

This course will focus on the theory and application of psychological principles as they relate to the causes of, and potential solutions to, current global environmental problems. Modern ecological issues (such as global climate change, habitat-loss, etc.) have their historical origin in human behavior; this class will focus both on relevant causal behaviors, and on the mental mechanisms that give rise to such behavior. An evolutionary perspective will be employed to identify the pathways by which the clash of a "universal human nature" and the modern environment results in an "evolutionary mismatch." Evolutionary models such as the "tragedy of the commons" will be elucidated with relevant and real world examples. In addition, the course will explore potential avenues to effectively reshape human kind's social, technological and economic relationship with its environment. As such, a systems approach will be taken that considers the human as a part of, as well as an influence on, ecosystems. Cutting edge research will be integrated from different domains of psychology (cognitive, social, developmental and evolutionary, etc.) as well as related fields (genetics, behavioral economics, game-theory, anthropology, etc.) to comprehensively study the human-environment interaction.

ENVRN 40 is the same course as PSYCH 40. Students may earn credit for one but not both.

Ethnic Studies

Ethnic Studies is the interdisciplinary critical and comparative study of race and ethnicity, focusing on the experiences of African American, Native American/Indigenous, Asian American/Pacific Islander, and Chicana/o/x/Latina/o/x populations. Ethnic Studies provides an intersectional and critical lens for studying racial, ethnic, gender and class identities, and for interrogating structural racism, power, knowledge, and racialization in culture, politics, economy, and law. Drawing from the intellectual traditions of BIPOC (Black, Indigenous, People of Color) communities, students of Ethnic Studies attain an understanding of the historical legacies and contemporary manifestations of racism, discrimination, inequity, and movements for social justice. Through culturally responsive pedagogy, students of Ethnic Studies gain cultural competency and are exposed to perspectives and methods informed by a deep commitment to social justice, cross-cultural collaboration, liberation from systems of oppression, and social and institutional transformation.

ETH ST 1, INTRODUCTION TO ETHNIC STUDIES 3 UNITS

Transfer: UC, CSU

Cal-GETC Area 4 (Social & Behavioral Sciences) and 6 (Ethnic Studies). Cal-GETC credit for ETH ST 1 starts effective Fall 2023. Students who took ETH ST 1 prior to Fall 2023 will not receive Cal-GETC credit for Area 4 and/or 7.

Ethnic Studies is the critical and interdisciplinary study of race, ethnicity, and indigeneity with a focus on the experiences and perspectives of Native Americans, African Americans, Asian Americans, Latina/o/x Americans, and other people of color within and beyond the United States. This course explores key theories, scholarly works, and ideas that have formed the basis of the broad multidisciplinary field of Ethnic Studies. Various perspectives are examined to discover the ways in which race and racism have been, and continue to be, powerful social, cultural and political forces, and their connections to other axes of stratification including gender, class, sexuality and legal status. This course examines the effects of institutional racism, coloniality, marginalization, socio-economic and political discrimination, and ethnocentrism on American ethnic and racial groups.

Fashion Design and Merchandising

Fashion design students develop skills in design communication, including preliminary sketching, technical flat sketching, illustration, and usage of Adobe Photoshop, Illustrator and CAD software. Skills in draping, pattern drafting from draping and body measurements, and basic sewing skills to advanced construction are developed in order to create sample garments for production and sales. Fashion merchandisers select, purchase, promote, and sell clothing and accessories. They study fashion trends and visit manufacturers and merchandise markets. They work as part of a team and consult with managers and buyers, advise the advertising and display departments, and organize and coordinate promotional activities such as fashion shows. They may advance to become buyers and purchasing agents, sales representatives, and managers. Clothes designers create new apparel and accessory designs. They may sketch the garment, cut the pattern, select the fabric and materials, and in some cases construct the sample garment. They may arrange for the showing of a line at sales meetings or fashion shows.

Film Studies

Film consists of two areas of concentration: Film Studies and Film Production. Film Studies introduces students to the history and development of cinema/film as an art, an object of philosophical study, and a cultural and social phenomenon. Students examine the theoretical approaches and trends in filmmaking including the contemporary evolution from film to digital media. Film Production provides practical as well as theoretical training in screenwriting, directing, creative producing, cinematography, sound recording, production design, and below-the-line crafts (gaffers, grips, operators, assistants). Students learn all aspects of film production from an academic discipline to hands-on experience that prepares them to earn an Associate degree and/or certificate of achievement in film production; for upper division study at a four-year college or advanced film school; and/or to apply for jobs and internships in the motion picture and television industries.

Geographic Information Systems

GIS is a computer system for capturing, storing, managing, analyzing and visualizing geospatial information related to locations on Earth's surface. We use GIS to combine various geospatial information in a digital environment to answer the questions "what is there?" and "why there?". GIS has been widely used in our daily life, government agencies, as well as organizations of sizes in almost every industry. There is a growing interest in and awareness of the economic and strategic values of GIS.

GIS 20, INTRODUCTION TO GEOGRAPHIC INFORMATION SYSTEMS — 3 UNITS
Transfer: UC, CSU

GIS are computer-based systems used to collect, store and analyze geographic information. This course will present the concepts of Geographic Information Systems (GIS) science and its applications to spatial data management. Topics include: Identification and acquisition of GIS data; Assessment of vector and raster data, scale, resolution, map projection, coordinate systems, georeferencing and Global Positioning Systems (GPS). Spatial analysis and modeling with GIS will also be presented.

GIS 20 is the same course as GEOG 20. Students may receive credit for one, but not both.

GIS 23, INTERMEDIATE GEOGRAPHIC INFORMATION SYSTEMS — 3 UNITS
Transfer: CSU

• Prerequisite: GEOG 20 or GIS 20.

This course emphasizes GIS principles and methodology used in both the private and public sectors. Hands-on applications using both raster and vector data and technology will expose students to more advanced understanding of GIS. Students will learn various methods of data acquisition, including Global Positioning Systems (GPS) as well as the World Wide Web. The add-on modules extend the analytical capabilities of ArcMap and allow input of map features and conversion of feature themes from raster to vector. This course will also provide an introduction to several of ArcMap's extension including Spatial Analyst and 3D Analyst. Students will complete a Model Builder to be used in siting new solar sites. Spatial Analysis will include slope and aspect maps, neighborhood and zone analysis. The course will present single and multi-layer statistical operations including classification, coordination, and modeling analysis.

GIS 23 is the same course as GEOG 23. Students may receive credit for one, but not both.

Geography

Geography is the science of studying human and physical attributes on the surface of the Earth. These attributes may be marks of human occupation, properties of some natural environment, or both. Geographers ask the questions "Where" and "Why there", with an interest in describing and explaining the various ways in which people have made Earth their home at scales ranging from the local to the global. Geography is an integrative discipline whose interests in space and place and whose perspectives from both environmental and social sciences foster a greater understanding of the interrelationships between the human and physical worlds. The use of Geo-Spatial Technologies, including Geographic Information Science (GIS), Remote Sensing (RS), and Global Positioning Systems (GPS), are now widely used in the visualization, measurement and analysis of Earth's physical features and human societies, as well as the interaction between them.

Cal-GETC Area 4 (Social & Behavioral Sciences)

This course introduces students to the multi-disciplinary study of urban society and space. Cities are examined both as complex social-economic groupings of people, and as material landscapes of buildings, pathways, and public and private spaces. Attention is paid to what cities are and have been (the evolving urban experience of the past and present) as well as to ever-changing ideas about what cities should be (urban planning and design for the future). While the overall perspective of the course is global, its primary focus is on the cities of North America and, in particular, the Los Angeles metropolitan area. This emphasis is evident both in the classroom and in field trips or other assignments that ask students to apply classroom ideas to our local urban setting.

GEOG 8 is the same course as URBAN 8. Students may earn credit for one, but not both.

GEOG 9, CLIMATE CHANGE — 3 UNITS

Transfer: UC, CSU

Cal-GETC Area 5A (Physical Sciences, non-lab)

• Satisfies Global Citizenship

This course explores the geologic causes of climate change and explores how climate has varied in the geologic past. The course will investigate how the oceans and atmosphere regulate both climate and weather today. Moreover, it will examine human contributions to current warming, and how policy decisions shape future emission scenarios. The course will also highlight societal impacts of current and future emission scenarios.

GEOG 11, WORLD GEOGRAPHY: INTRODUCTION TO GLOBAL STUDIES — 3 UNITS

Transfer: UC, CSU

C-ID: GEOG 125.

Cal-GETC Area 4 (Social & Behavioral Sciences)

• Satisfies Global Citizenship

This course introduces Global Studies through a survey of the world's major geographic regions. Students will encounter core concepts related to processes of global connection and change, while also developing basic geographic literacy in the distribution of human and natural features on Earth. Students will examine and discuss significant issues — cultural, social, political-economic, and environmental — impacting humanity today as both problem and possibility. In particular, this course considers the diverse localized impacts of globalization as a continuing story of peoples and places isolated and connected by imperial, colonial, and international systems of the past and present.

GEOG 14, GEOGRAPHY OF CALIFORNIA — 3 UNITS

Transfer: UC, CSU

C-ID: GEOG 140.

Cal-GETC Area 4 (Social & Behavioral Sciences)

• Satisfies Global Citizenship

This course surveys the physical and human geography of California and the process shaping its landscapes. Topics include natural features and resources, such as geology, climate, plants and animals, and hydrology. Historical and current trends in human population, migration, and settlement patterns are considered, including a review of the state's major cultural groups. Primary and advanced economic activities are examined within modern rural and urban settings. Emphasis is on the profound connections between these topics, on California's unequaled diversity, and the rapid change that is transforming our people and its landscapes.

GEOG 20, INTRODUCTION TO GEOGRAPHIC INFORMATION SYSTEMS — 3 UNITS

Transfer: UC, CSU

C-ID: GEOG 155.

GIS are computer-based systems used to collect, store and analyze geographic information. This course will present the concepts of Geographic Information Systems (GIS) science and its applications to spatial data management. Topics include: Identification and acquisition of GIS data; Assessment of vector and raster data, scale, resolution, map projection, coordinate systems, georeferencing and Global Positioning Systems (GPS). Spatial analysis and modeling with GIS will also be presented.

GEOG 20 is the same course as GIS 20. Students may earn credit for one course only.

GEOG 23, INTERMEDIATE GEOGRAPHIC INFORMATION SYSTEMS — 3 UNITS

Transfer: CSU

• Prerequisite: GEOG 20 (same as GIS 20).

This course emphasizes GIS principles and methodology used in both the private and public sectors. Hands-on applications using both raster and vector data and technology will expose students to more advanced understanding of GIS. Students will learn various methods of data acquisition, including Global Positioning Systems (GPS) as well as the World Wide Web. The add-on modules extend the analytical capabilities of ArcMap and allow input of map features and conversion of feature themes from raster to vector. This course will also provide an introduction to several of ArcMap's extension including Spatial Analyst and 3D Analyst. Students will complete a Model Builder to be used in siting new solar sites. Spatial Analysis will include slope and aspect maps, neighborhood and zone analysis. The course will present single and multilayer statistical operations including classification, coordination, and modeling analysis.

GEOG 23 is the same course as GIS 23. Students may receive credit for one, but not both.

Geology

Geology is an interdisciplinary science that integrates the principles of mathematics, physics, chemistry, biology, and the social sciences to explore and understand the Earth. Geology asks and answers questions about the Earth, including its origins, composition, structure, and past and present activity and the impact of these factors on society. As a science with pragmatic applications it is also applied to locate resources and assess their abundance, to mitigate geologic hazards, and to provide critical information about Earth's changing climate and the impact of these changes on our ecosystems. A degree in geology can translate to a number of important and highly valued academic and professional positions, including but not limited to, Earth scientist (e.g. geologist, seismologist, volcanologist, oceanographer, soil scientist, hydrologist, etc.), environmental consultant, environmental lawyer, remediation specialist, climate scientist, and teacher.

GEOL 1, PHYSICAL GEOLOGY WITHOUT LAB — 3 UNITS

Transfer: UC*, CSU

C-ID: GEOL 100.

Cal-GETC Area 5A (Physical Sciences, non-lab)

**Maximum credit allowed for GEOL 1 and GEOL 4 is one course (4 units).*

This course illustrates the many geologic processes that have shaped our planet. Lecture topics include rocks, minerals, landslides, streams, ground water, glaciers, oceans, earthquakes, and plate tectonics. Upon completion of this course, the student will have a greater awareness and understanding of their constantly changing environment.

Global Studies

Global Studies is a multi- and interdisciplinary program designed to increase knowledge and understanding of the processes of globalization and their impacts on societies, cultures, and environments around the world. The Global Studies program provides the student with a knowledge of critical issues that affect their lives and community, as well as the affairs of other cultures, societies, and nations. An understanding of the world's social, political, economic, and natural systems and their increasing interdependence, along with an appreciation of the diversity of human culture, will supply the student with a strong background for working in a global economy, for living in a multicultural society, and for making intelligent decisions as global citizens.

GLOBAL 3, GLOBAL MEDIA **3 UNITS**

Graphic Design

In existence for over 40 years, the Graphic Design Program at Santa Monica College serves both the student who wishes to transfer to a four-year college or art school, as well as the student who wants to obtain the skills necessary for entry into the job market as a production artist in graphic design, illustration, user experience design, or interaction design. The program is designed to meet the industry's need for creative professionals who excel in developing ideas and have the technical proficiency to execute them. Our instructors are experienced professionals who bring first-hand knowledge of industry practices to the classroom and work in close collaboration with industry advisors to keep up with trends and changing requirements. In addition, participating companies often provide guest speakers and student internships. We offer day, evening and weekend classes to provide educational opportunities to all students. In addition, selected Graphic Design courses are offered online through SMC's Distance Education program. To learn more about the program, please visit smc.edu/designtech.

Independent Studies

Independent study is intended for advanced students interested in doing independent research on special study topics. To be eligible, a student must demonstrate to the department chairperson the competence to do independent study. To apply for Independent Studies, the student is required, in a petition that may be obtained from the department chair, to state objectives to be achieved, activities and procedures to accomplish the study project, and the means by which the supervising instructor may assess accomplishment. Please see department listing for details. A maximum of six units of independent studies is allowed. Granting of UC transfer credit for an Independent Studies course is contingent upon an evaluation of the course outline by a UC campus.

Interaction Design

Interaction Design (IxD) is an innovative new baccalaureate degree program that blends the fields of design, user experience, and technology to create user-friendly interfaces with the platforms people use every day, such as smart appliances, mobile devices, and the web. Interaction designers ensure that products are appealing, effective, and intuitive for users. In this program, students will develop proficiency in the skills necessary to enter this well-paid and exciting field. The following courses are upper division courses that are part of Santa Monica College's Bachelor of Science degree program in Interaction Design. Enrollment is limited to admitted program participants. For more information, please see ixd.smc.edu. Transferability of these courses will be determined on a case-by-case basis by the transfer institution.

IXD 330, INTERACTION DESIGN STUDIO 2 **3 UNITS**
Transfer: CSU

- *Prerequisite: IXD 310.*

This course focuses on principles, approaches, and methods for designing user interfaces. Building on the outcomes of Interaction Design Studio 1, the course prepares students to engage with a range of topics relevant to UI design, from information architecture to microinteraction. In the studio course, students will learn research, ideation, diagramming, and prototyping methods employed in interface design. Students learn to design for a wide range of devices, from wearable to screen-based to mixed reality. Students will analyze existing approaches to UI design and develop a critical understanding of how the interface affects user behavior and system performance.

This course is open only to students who have been admitted to SMC's Bachelor of Science program in Interaction Design. See ixd.smc.edu for more information.

IXD 460, PROGRAMMING DESIGN SYSTEMS **3 UNITS**
Transfer: CSU

- *Prerequisite: IXD 360.*

This course allows students to explore the methods and approaches to high-level prototyping of digital systems. Situated on the intersection of computer graphics programming and interactive systems design, this class teaches students to analyze interactive systems, evaluate their components, and strategize their customization and improvement. Students will create their own programmed interactive graphical systems, collect, store and visualize data, and evaluate opportunities for other applications of computer graphics technologies in interactive digital systems.

This course is open only to students who have been admitted to SMC's Bachelor of Science program in Interaction Design. See ixd.smc.edu for more information.

Transfer: CSU

- *Prerequisite: IXD 430.*
- *Prerequisite/Corequisite: IXD 410 (IXD 410 can be taken concurrently with IXD 470).*

This is a capstone course where students work individually to build on the knowledge and skills they acquired in earlier course work. The course is organized around an independent project that requires students to explore various design concepts and alternatives as well as explore recent practices, tools, and systems that may be related to the project. Students will design and produce a prototype that they will then share with industry professionals as part of a presentation. Considering the pace of the development of the project, this requires students to engage in a considerable amount of independent learning.

This course is open only to students who have been admitted to SMC's Bachelor of Science program in Interaction Design. See ixd.smc.edu for more information.

IXD 480, DESIGN FOR THE FUTURE **3 UNITS**
Transfer: CSU

• *Prerequisite: IXD 460.*

This course introduces the students to a set of emerging technologies, new interfaces and developing mediums which will shape the design landscape 5 to 10 years from now — focusing on machine learning, computer-mediated realities and immersive environments. The goal of the course is to help the students prepare for the jobs that might not even exist yet and to equip them with the tools and methodologies that will help them to quickly learn and adapt to the rapidly changing nature of digital design.

This course is open only to students who have been admitted to SMC's Bachelor of Science program in Interaction Design. See ixd.smc.edu for more information.

Interior Architectural Design

See also "Architecture."

The Interior Architectural Design program provides a thorough and analytical foundation that enables students to practice professionally and serve their community with safe, functional, and innovative interior spaces. The program is designed to meet the industry's need for creative professionals who excel in developing ideas and have the technical proficiency to execute them. Our instructors are experienced professionals who bring first-hand knowledge of industry practices to the classroom and work in close collaboration with industry advisors to keep up with trends and changing requirements. In addition, participating companies often provide guest speakers and student internships. We offer day, evening, and weekend classes to provide educational opportunities to all students. In addition, selected Interior Architectural Design courses are offered online through SMC's Distance Education program. Students who are interested in the Interior Architectural Design program are strongly encouraged to schedule an appointment with one of the counselors at the Center for Media and Design campus to develop an Education Plan. This is to ensure that you are taking the necessary courses to meet your education goals. To learn more, please visit smc.edu/designtech.

IARC 15, 2D COLOR THEORY **3 UNITS**
Transfer: UC, CSU

Formerly INTARC 34.

This course addresses basic color design theory and application. Students utilize tools, materials, and equipment to develop technical skills applicable to interior, architectural and other related fields of design. Students identify cultural heritages, the psychological implications of design and are introduced to Computer Palettes.

Internships

The Internship Program at Santa Monica College makes it possible for students to enhance their classroom learning and earn college credit by working in on and off campus jobs. Students must arrange an approved internship with an employer prior to enrolling in this class. Each unit of credit requires the student to work a minimum of 60 hour of unpaid (volunteer) work or 75 hours of paid work throughout the semester. F-1 international students must see an International Student Services Specialist at the International Education Center for pre-approval before securing an internship and enrolling in internship courses. Students may enroll in a maximum of 4 units of internship credits per semester, and a total of 8 internship units may be applied toward the Associate degree. See an academic counselor for transfer credit limitations.

Internships are graded on a pass/no pass basis only.

Mathematics

Mathematicians use symbolic languages to set up and analyze relationships among quantities and qualities of things, events, and places. Pure mathematicians develop the theories to further the science of mathematics. Possible careers include actuary, computer engineer, cryptographer, satellite communications expert, robotics programmer, statistician and teacher. Students new to the Santa Monica College mathematics program who wish to enroll in a course should see the placement tab in their Corsair connect account. Mathematics placement based on high school GPA and highest math class taken in high school, or through Guided Self Placement (GSP). A student who has successfully completed college level math courses (earned a grade of C or better) at another institution may be able to verify having met prerequisites by submitting an official transcript. Continuing students must complete prerequisite courses with a grade of "C" or better.

STAT C1000, INTRODUCTION TO STATISTICS 4 UNITS

Transfer: UC, CSU
C-ID: MATH 110.
Cal-GETC Area 2 (Mathematical Concepts)

- *Prerequisite: Placement as determined by the college's multiple measures assessment process or completion of a course taught at or above the level of intermediate algebra.*
  Formerly MATH 54.

This course is an introduction to statistical thinking and processes, including methods and concepts for discovery and decision-making using data. Topics include descriptive statistics; probability and sampling distributions; statistical inference; correlation and linear regression; analysis of variance, chi-squared, and t-tests; and application of technology for statistical analysis including the interpretation of the relevance of the statistical findings. Students apply methods and processes to applications using data from a broad range of disciplines.

SMC offers on-ground, online, hybrid, and HyFlex classes. For more information about the section modalities "On Ground," "Hybrid," "HyFlex," "Scheduled," "Flexible," "Flexible with Scheduled Meetings," and "Flexible with Scheduled Exams," please see page 12 of this schedule and visit smc.edu/searchclasses.

Students with disability-related access needs should contact the Center for Students with Disabilities at 310-434-4265 or send email to dsps@smc.edu.

MATH 2: An intensive preparation for calculus. This course is intended for computer science, engineering, mathematics, and natural science majors. Topics include algebraic, exponential, logarithmic and trigonometric functions and their inverses and identities, conic sections, sequences, series, the binomial theorem and mathematical induction. The corequisite MATH 2C: A review of the core prerequisite skills, competencies, and concepts needed in precalculus. Intended for students who are concurrently enrolled in MATH 2, Precalculus. Topics include concepts from elementary algebra, geometry, and intermediate algebra that are needed to understand the basics of college-level precalculus. Emphasis is placed on real and complex numbers; fundamental operations on algebraic expressions and functions; algebraic factoring and simplification; introduction to functions, equations and graphs; circles and parabolas; properties of geometric figures, similarity, and special right triangles. Pass/No Pass only.

Cal-GETC Area 2: Mathematical Concepts and Quantitative Reasoning

SMC offers on-ground, online, hybrid, and HyFlex classes. For more information about the section modalities "On Ground," "Hybrid," "HyFlex," "Scheduled," "Flexible," "Flexible with Scheduled Meetings," and "Flexible with Scheduled Exams," please see page 12 of this schedule and visit smc.edu/searchclasses.

Students with disability-related access needs should contact the Center for Students with Disabilities at 310-434-4265 or send email to dsps@smc.edu.

- *Prerequisite: MATH 20.*
- *Advisory: Eligibility for English 1.*

**Maximum UC credit for MATH 2, MATH 4, and MATH 26 is 5 units.*

MATH 4: This course is intended for students majoring in Science, Technology, Engineering, or Mathematics (STEM). MATH 4 in combination with MATH 3 (Trigonometry with applications) serves as a prerequisite for MATH 7 (Calculus 1). The topics to be covered include review of the fundamentals of algebra, relations, functions, solutions of first and second degree equations and inequalities, systems of equations, matrices, binomial theorem, mathematical induction, polynomial and rational functions, exponential and logarithmic functions, analytic geometry and conic sections, and geometric and arithmetic sequences and series. The corequisite MATH 4C is a review of the core prerequisite skills, competencies, and concepts needed in College Algebra. Intended for students who are concurrently enrolled in MATH 4, College Algebra for STEM Majors. Topics include concepts from elementary and intermediate algebra and analytic geometry that are needed to understand the basics of college-level algebra. Emphasis is placed on real and complex numbers; fundamental operations on algebraic expressions and functions; factoring and simplifying algebraic expressions; introduction to functions, solving equations and systems of linear equations; graphs of elementary functions and their properties. Pass/No Pass only.

CO-ENROLLMENT

2519 8:00a.m.-10:05a.m. MW BUNDY 217 Evinyan Z
Above section 2519 meets at the Bundy Campus, 3171 South Bundy Drive, Los Angeles CA 90066. Above section 2519 requires co-enrollment in MATH 4C section 2524. Above section modality is On Ground.

2524 10:15a.m.-11:05a.m. MW BUNDY 217 Evinyan Z
Above section 2524 meets at the Bundy Campus, 3171 South Bundy Drive, Los Angeles CA 90066. Above section 2524 requires co-enrollment in MATH 4 section 2519. Above section modality is On Ground.

CO-ENROLLMENT

2520 8:00a.m.-10:05a.m. TTh MSB 307 London J S
Above section 2520 requires co-enrollment in MATH 4C section 2525. Above section modality is On Ground.

2525 10:15a.m.-11:05a.m. TTh MSB 307 London J S
Above section 2525 requires co-enrollment in MATH 4 section 2520. Above section modality is On Ground.

CO-ENROLLMENT

2521 9:00a.m.-11:05a.m. MW BUNDY 221 Tsvikyan A
Above section 2521 meets at the Bundy Campus, 3171 South Bundy Drive, Los Angeles CA 90066. Above section 2521 requires co-enrollment in MATH 4C section 2526. Above section modality is On Ground.

2526 11:15a.m.-12:05p.m. MW BUNDY 221 Tsvikyan A
Above section 2526 meets at the Bundy Campus, 3171 South Bundy Drive, Los Angeles CA 90066. Above section 2526 requires co-enrollment in MATH 4 section 2521. Above section modality is On Ground.

CO-ENROLLMENT

2523 12:45p.m.-2:50p.m. TTh MSB 206 Lopez Ma
Above section 2523 requires co-enrollment in MATH 4C section 2527. Above section modality is On Ground.

2527 3:00p.m.-3:50p.m. TTh MSB 206 Lopez Ma
Above section 2527 requires co-enrollment in MATH 4 section 2523. Above section modality is On Ground.

CO-ENROLLMENT

4128 5:00p.m.-7:05p.m. TTh MSB 305 Chitgar M H
Above section 4128 requires co-enrollment in MATH 4C section 4129. Above section modality is On Ground.

4129 7:15p.m.-8:05p.m. TTh MSB 305 Chitgar M H
Above section 4129 requires co-enrollment in MATH 4 section 4128. Above section modality is On Ground.

MATH 4, COLLEGE ALGEBRA FOR STEM MAJORS 4 UNITS

Transfer: UC*, CSU
Cal-GETC Area 2 (Mathematical Concepts)

- *Prerequisite: MATH 20.*

**Maximum UC credit for MATH 2, MATH 4, and MATH 26 is 5 units.*

This course is intended for students majoring in Science, Technology, Engineering, or Mathematics (STEM). MATH 4 in combination with MATH 3 (Trigonometry with applications) serves as a prerequisite for MATH 7 (Calculus 1). The topics to be covered include review of the fundamentals of algebra, relations, functions, solutions of first and second degree equations and inequalities, systems of equations, matrices, binomial theorem, mathematical induction, polynomial and rational functions, exponential and logarithmic functions, analytic geometry and conic sections, and geometric and arithmetic sequences and series.

2522 12:00p.m.-2:05p.m. MW MSB 209 London J S
Above section modality is On Ground.

MATH 6, MODERN MATHEMATICAL METHODS FOR STEM MAJORS WITH MATH 6C, CONCURRENT SUPPORT FOR MODERN MATHEMATICAL METHODS FOR STEM MAJORS 4 UNITS

MATH 6 Transfer: UC, CSU
Cal-GETC Area 2 (Mathematical Concepts)

- *Prerequisite: MATH 20.*

MATH 6: This course is designed for STEM majors and provides a modern treatment of mathematical concepts and methods needed for success in the calculus sequence and beyond. Topics include the theory of approximation, the theory of functions, algebro-geometric analysis, polynomials, rational functions and asymptotic analysis, exponential and logarithmic functions, trigonometry, and the fundamentals of series. Students will learn about the relevance, utility, and limitations of modern computational resources for mathematical analysis while exploring the topics above. The techniques and practices investigated in the course will be motivated by contemporary interpretations and implementations of mathematical theory in STEM fields. The corequisite MATH 6C is a review of the core prerequisite skills, competencies, and concepts needed for success in MATH 6. Intended for students who are concurrently enrolled in MATH 6 Modern Mathematical Methods for STEM Majors. Topics include concepts from elementary algebra, geometry, and intermediate algebra that are needed to understand the more advanced concepts explored in MATH 6, as well as learning skills like time management and test preparation. Emphasis is placed on number sense and numeracy; fractions, decimals, and scientific notation; fundamental operations on numbers, algebraic expressions, and functions; algebraic manipulation; geometric figures such as circles, parabolas, and special right triangles. This corequisite course is Pass/No Pass only.

CO-ENROLLMENT

2528 9:30a.m.-11:35a.m. MW MSB 202 Lopez J E
Above section 2528 requires co-enrollment in MATH 6C section 2531. Above section modality is On Ground.

2531 11:45a.m.-12:35p.m. MW MSB 202 Lopez J E
Above section 2531 requires co-enrollment in MATH 6 section 2528. Above section modality is On Ground.

CO-ENROLLMENT

2529 12:45p.m.-2:50p.m. MW MSB 208 Richardson A
Above section 2529 requires co-enrollment in MATH 6C section 2532. Above section modality is On Ground.

2532 3:00p.m.-3:50p.m. MW MSB 208 Richardson A
Above section 2532 requires co-enrollment in MATH 6 section 2529. Above section modality is On Ground.

CO-ENROLLMENT

2530 12:45p.m.-2:50p.m. TTh MSB 203 Lopez J E
Above section 2530 requires co-enrollment in MATH 6C section 2533. Above section modality is On Ground.

2533 3:00p.m.-3:50p.m. TTh MSB 203 Lopez J E
Above section 2533 requires co-enrollment in MATH 6 section 2530. Above section modality is On Ground.

MATH 7, CALCULUS 1 WITH MATH 7C, CONCURRENT SUPPORT FOR CALCULUS 1 6 UNIT

MATH 7 Transfer: UC*, CSU
C-ID: MATH 211.
Cal-GETC Area 2 (Mathematical Concepts)

- *Prerequisite: MATH 2 or (MATH 3 and MATH 4).*

**Maximum UC credit for MATH 7 and MATH 28 is one course.*

MATH 7: This first course in calculus is intended primarily for science, technology, engineering and mathematics majors. Topics include limits, continuity, and derivatives and integrals of algebraic and trigonometric functions, with mathematical and physical applications. The corequisite MATH 7C is a review of the core prerequisite skills, competencies, and concepts needed for success in Calculus 1. Intended for students who are concurrently enrolled in Calculus 1. Topics include those needed to understand the more advanced concepts explored in Calculus 1, as well as learning skills like time management and test preparation. Emphasis is placed on functions and their graphs; fundamental operations on numbers, algebraic expressions, and functions; trigonometry; algebraic factoring and simplification; the theory of approximation; summation notation. This corequisite course is Pass/No Pass only.

CO-ENROLLMENT

2534 8:00a.m.-9:05a.m. MTWTh MSB 306 Lee P H
Above section 2534 requires co-enrollment in MATH 7C section 2561. Above section modality is On Ground.

2561 9:15a.m.-10:05a.m. MW MSB 306 Lee P H
Above section 2561 requires co-enrollment in MATH 7 section 2534. Above section modality is On Ground.

CO-ENROLLMENT

2536 8:00a.m.-10:25a.m. TTh MSB 308 Gharamanians J
Above section 2536 requires co-enrollment in MATH 7C section 2562. Above section modality is On Ground.

2562 10:35a.m.-11:25a.m. TTh MSB 308 Gharamanians J
Above section 2562 requires co-enrollment in MATH 7 section 2536. Above section modality is On Ground.

CO-ENROLLMENT

2541 9:30a.m.-10:35a.m. MTWTh MSB 101 Herichi H
Above section 2541 requires co-enrollment in MATH 7C section 2563. Above section modality is On Ground.

2563 10:45a.m.-11:35a.m. MW MSB 101 Herichi H
Above section 2563 requires co-enrollment in MATH 7 section 2541. Above section modality is On Ground.

CO-ENROLLMENT

2546 12:45p.m.-1:50p.m. MTWTh MSB 212 Soleymani S
Above section 2546 requires co-enrollment in MATH 7C section 2564. Above section modality is On Ground.

2564 2:00p.m.-2:50p.m. MW MSB 212 Soleymani S
Above section 2564 requires co-enrollment in MATH 7 section 2546. Above section modality is On Ground.

CO-ENROLLMENT

2549 12:45p.m.-3:10p.m. MW MSB 202 Wang J D
Above section 2549 requires co-enrollment in MATH 7C section 2565. Above section modality is On Ground.

MATH 21, FINITE MATHEMATIC WITH MATH 21C, CONCURRENT SUPPORT FOR FINITE MATHEMATICS — 4 UNITS

MATH 21 Transfer: UC, CSU
Cal-GETC Area 2 (Mathematical Concepts)

• *Prerequisite: MATH 18 or MATH 20 or MATH 49 or MATH 50.*

MATH 21: This is a terminal mathematics course for liberal arts and social science majors. Topics include sets and counting, probability, linear systems, linear programming, statistics, and mathematics of finance, with emphasis on applications. The corequisite MATH 21C provides a review of the core prerequisite skills, competencies, and concepts needed for students who are concurrently enrolled in Finite Mathematics. Topics include theory, procedures, and practices from pre-algebra, beginning algebra, and intermediate algebra. Particular attention is paid to solving and graphing linear equations and inequalities, problem-solving and modeling strategies, translating and interpreting language for the purpose of formulating mathematical phrases and statements, simplifying arithmetic and algebraic expressions, and learning to use the appropriate technology (typically scientific calculators) needed in MATH 21. Pass/No Pass only.

MATH 55, QUANTITATIVE REASONING WITH MATH 55C, CONCURRENT SUPPORT FOR QUANTITATIVE REASONING — 4 UNITS

MATH 55 Transfer: UC, CSU
Cal-GETC Area 2 (Mathematical Concepts)

• Prerequisite: MATH 20.

MATH 55: This course provides a comprehensive introduction to mathematical principles of quantitative reasoning with practical applications. Topics covered include mathematics of finance, proportional reasoning, validity studies within logic and set theory, probability, and statistics. Additional topics could include applications of Euclidean geometry, applications of math to the arts, or math in politics. The course focuses on the process of analyzing real-world situations, identifying the necessary mathematical foundations, problem-solving strategies, applying learned concepts and quantitative methods, and communicating results. Students will solve and present application problems and engage in mathematical discourse, exchanging ideas, providing feedback, and constructing mathematical arguments. The corequisite MATH 55C provides a review of the core prerequisite skills, competencies, and concepts needed for students who are concurrently enrolled in Quantitative Reasoning. Topics include theory, procedures, and practices from pre-algebra, beginning algebra, and intermediate algebra. Particular attention is paid to solving and graphing equations and problem-solving and modeling strategies, translating and interpreting language for the purpose of formulating mathematical phrases and statements, simplifying arithmetic and algebraic expressions, and learning to use the appropriate technology (typically scientific calculators) needed in MATH 55. Pass/No Pass only.

Media Studies

Media is a versatile discipline consisting of two areas of study: media studies and media production. Our media studies area focuses on the analysis of the mass media. Media Studies courses use an analytical and historical approach, and students develop skills to assess the role and impact of mass media on society. Students examine the history, values, and structure of media in the US and internationally. Media literacy skills are another fundamental component of Media Studies Courses. Upon successful completion of our Media Studies courses, each student should leave as a media literate individual — a more aware, critical audience member with a well-developed sense of mass media's role in society. There is a wide range of employment possibilities for students trained in Media Studies, including positions in public relations, business, sales, public and personnel relations, and advertising. Our Media Production courses provide hands-on training in the areas of Television, Radio and Internet Broadcasting, including broadcast news, sports, promotional videos, podcasting, short form and emerging media (360/virtual and augmented reality). Students completing the Broadcasting degrees and/or certificates are prepared for both employment opportunities in the broadcasting industry and transfer into four-year degree programs. The Promo Pathways program provides intensive training and internships for students pursuing promo advertising careers opportunities in the broadcasting industry and transfer into four-year degree programs.

MEDIA 1, SURVEY OF MASS MEDIA COMMUNICATIONS — 3 UNITS

Transfer: UC, CSU
C-ID: JOUR 100.
Cal-GETC Area 4 (Social & Behavioral Sciences)

This course introduces aspects of communications and the impact of mass media on the individual and society. The survey includes newspapers, magazines, radio, television, cable, motion pictures, online media, advertising, public relations, theories of communication, and mass communication modes, processes and effects.

PHOTO 2, BASIC BLACK AND WHITE DARKROOM TECHNIQUES — 2 UNITS

Transfer: CSU

- *Advisory: PHOTO 1.*

This introductory lab course prepares students for general specialization in photography. Black and white film exposure, development, and printing techniques are examined. Various shooting and printing assignments explore a variety of natural light situations and shooting challenges. Weekly lectures support practical application of assignments. Required for photography majors.

PHOTO 13, NEWS PHOTOGRAPHY — 3 UNITS
Transfer: CSU

• *Prerequisite: PHOTO 1.*

This survey course in basic news photography is designed for journalism or photography majors and students interested in having work published in magazines and news publications. Students learn basic camera and storytelling techniques through individual assignments and a semester long project, along with photo composition, and picture layout principles. A Digital Single Lens Reflex (DSLR) camera with manual exposure capability is required.

PHOTO 13 is the same course as JOURN 21. Students may earn credit for one, but not both.

PHOTO 14, PHOTOGRAPHY FOR PUBLICATION — 3 UNITS
Transfer: CSU

• *Advisory: JOURN 21 or PHOTO 13.*

This advanced course provides an in-depth study of photojournalism with an emphasis on creation of photo story ideas, photo essays, news, sports and feature photos for publication. Photo editing and layout for newspapers, magazines, and online publishing will be covered. Students will comprise the staff of the campus newspaper, The Corsair, and online publications. This course may be repeated once for credit. A Digital Single Lens Reflex (DSLR) camera with manual exposure capability is required.

PHOTO 14 is the same course as JOURN 22. Students may receive credit for one, but not both.

PHOTO 60, BUSINESS PRACTICES IN PHOTOGRAPHY — 3 UNITS
Transfer: CSU

This lecture course examines the necessary steps that a photographer must take to start a commercial photography business. Relevant local, state and federal regulatory and taxing agencies and application forms, professional support services, general ledger accounts setup pertinent to photography, photographic business insurance needs, and employer obligations are discussed. Students will learn how to create a simple business plan applicable to photographic ventures. The course also examines issues of sound financial practices specific to profitability in commercial photography, paying particular attention to matters of copyright and image licensing, calculating cost of doing business, strategies for pricing image usage, and negotiating job fees.

PHOTO 64, COMMUNITY DOCUMENTARY PHOTOGRAPHY — 4 UNITS
Transfer: CSU

• *Advisory: PHOTO 2.*

This course explores the genre of documentary photography while focusing on various communities in the Los Angeles area. Students will create an in-depth project and present a portfolio of photographs documenting the unique characteristics of individual communities in Los Angeles. Each semester will offer a unifying, rotating topic that may focus on specific neighborhoods, subcultures, or other appropriate themes. Lectures focus on historical photographic references and contemporary social issues. The importance and power of documentary photography are discussed and historical examples that have inspired change or shaped our perception of communities are explored. Students utilize large format cameras and film (in addition to their own digital cameras) as a way of better understanding historical processes in photography and nurturing a respect for the medium's alternative, non-commercial side.

PHOTO 70, INTRO TO VIDEO FOR PHOTOGRAPHERS — 3 UNITS
Transfer: CSU

• *Advisory: PHOTO 1.*

This is a beginning video course that is designed to give students a basic understanding of camera operations towards HD DSLR or mirrorless video capturing techniques. Students will record videos using natural light for specific assignments emphasizing creative storytelling and expression. Beginning assignments will focus on cinematic composition, aspect ratio, camera movement, framing, lighting, camera angles, and introductory audio capture techniques. The assignments then progress into more creative, personal storytelling projects.

Political Science

Political science is the academic discipline dedicated to the study of power and justice. Political science has four well-defined subfields: political theory, international relations, comparative politics, and American politics. Courses focus on topics and pressing problems, among them war, law, local, state, and national politics, voting, mass media, public opinion, poverty, human rights, race, gender, ideology, class, international organizations, revolutions, and failed states in all parts of the world. Students in these courses learn to critically analyze not only the behavior of political actors, but also their respective political institutions and political systems. The main objectives are to enable students to use strong analytical skills and critical thinking in their analysis of theories, institutions, and processes.

PSYCH 40, ENVIRONMENTAL PSYCHOLOGY 3 UNITS

Transfer: UC, CSU
Cal-GETC Area 4 (Social & Behavioral Sciences)

• *Satisfies Global Citizenship*

This course will focus on the theory and application of psychological principles as they relate to the causes of, and potential solutions to, current global environmental problems. Modern ecological issues (such as global climate change, habitat-loss, etc.) have their historical origin in human behavior; this class will focus both on relevant causal behaviors, and on the mental mechanisms that give rise to such behavior. An evolutionary perspective will be employed to identify the pathways by which the clash of a "universal human nature" and the modern environment results in an "evolutionary mismatch." Evolutionary models such as the "tragedy of the commons" will be elucidated with relevant and real world examples. In addition, the course will explore potential avenues to effectively reshape human kind's social, technological and economic relationship with its environment. As such, a systems approach will be taken that considers the human as a part of, as well as an influence on, ecosystems. Cutting edge research will be integrated from different domains of psychology (cognitive, social, developmental and evolutionary, etc.) as well as related fields (genetics, behavioral economics, game-theory, anthropology, etc.) to comprehensively study the human-environment interaction.

PSYCH 40 is the same course as ENVRN 40. Students may earn credit for one but not both.

Transfer: CSU

• *Prerequisite: STAT C1000 (formerly MATH 54) or PSYCH 7; PSYC C1000 (formerly PSYCH 1), ENGL C1000 (formerly ENGL 1), and admission to the SMC baccalaureate degree program.*

This upper division Cognitive Psychology course addresses how humans learn to process information in their environment as well as how they decide how and when to act on their environment. This course includes a survey of cognitive psychology, specifically, the science and study of how people acquire, represent, transform and use verbal and nonverbal information. In this context we will explore sensation and perception of objects, surfaces, space, and motion. Additionally, key cognitive functions are explored including imagery, memory, representations of knowledge, language, decision making, thinking and reasoning, attention and vigilance. Finally, we will review developmental considerations in cognitive psychology from early infant cognition to maturation and cognition as we age.

This course is open only to students who have been admitted to SMC's Bachelor of Science program in Interaction Design. See ixd.smc.edu for more information.

Sociology

Sociology is the study of social life. It seeks to understand all aspects of human social behavior, including the behavior of individuals as well as the social dynamics of small groups, large organizations, communities, institutions, and entire societies. Students of sociology study a broad array of topics including social networks, gender roles and relationships, family structure and behavior, interpersonal relationships and processes, urban development, historical societies, social movements, gang violence, current immigration issues, race and ethnic relations, and crime and incarceration. Sociology looks for what is universal as well as what varies across societies and groups and courses explore social change and provide a lens into the complexity of the causes and consequences of human behavior.

SOCIOL 1, INTRODUCTION TO SOCIOLOGY **3 UNITS**
Transfer: UC, CSU
C-ID: SOCI 110.
Cal-GETC Area 4 (Social & Behavioral Sciences)

This course introduces the study of society and human social interaction. Both macro and micro sociological theory are discussed, as well as methods of sociological inquiry, culture, socialization, deviance, social change and social stratification — particularly in the areas of social class, race and ethnicity, and gender. Students are highly encouraged to complete Sociology 1 prior to enrolling in other sociology courses.

Students may earn credit for either SOCIOL 1 or 1 S but not both. Only SOCIOL 1 S fulfills the Santa Monica College Global Citizenship requirement.

Urban Studies

Urban Studies is an interdisciplinary investigation of our dynamic world of cities and their suburbs. From points of view ranging from the local to the global, students in this field examine cities as com-

plex social groupings of people and institutions, as well as cultural landscapes of buildings, pathways, and public and private spaces. Urban Studies is concerned with what cities are and have been, as well as with ever-changing ideas about what cities could and should be. Urban Studies prepares students for careers in fields such as urban planning, architecture, public policy, and real-estate development, and it informs discussions of issues such as housing, transportation, urban renewal, segregation, sustainability, and suburban sprawl.

URBAN 8, INTRODUCTION TO URBAN STUDIES 3 UNITS

Transfer: UC, CSU

Cal-GETC Area 4 (Social & Behavioral Sciences)

This course introduces students to the multi-disciplinary study of urban society and space. Cities are examined both as complex social-economic groupings of people, and as material landscapes of buildings, pathways, and public and private spaces. Attention is paid to what cities are and have been (the evolving urban experience of the past and present) as well as to ever-changing ideas about what cities should be (urban planning and design for the future). While the overall perspective of the course is global, its primary focus is on the cities of North America and, in particular, the Los Angeles metropolitan area. This emphasis is evident both in the classroom and in field trips or other assignments that ask students to apply classroom ideas to our local urban setting.

URBAN 8 is the same course as GEOG 8. Students may earn credit for one, but not both.

Women's, Gender, and Sexuality Studies

Women's, Gender, and Sexuality Studies is an interdisciplinary field of inquiry analyzing structures of power, especially as they are grounded in gender, race, sexuality, ethnicity, nationality, ability, and other sources of inequalities. The students who enroll in these courses gain the opportunity to understand how social forces, organized around the central concept of gender, shape both themselves as individuals and the world around them. Students have the opportunity to attain a fuller understanding of human behavior, culture, and society made possible by investigating women's lives, as well as the lives of other marginalized groups, and acquaint themselves with the experience of subordinate genders of various economic, ethnic, and racial backgrounds.

SMC offers online, hybrid, and on-ground classes. Students enrolled in noncredit courses will have access to both in-person and remote counseling services via telephone and email. To contact noncredit counseling services and to book an appointment, visit smcnoncredit.youcanbook.me

GENERAL EDUCATION CLASSES

You can build your schedule through a variety of formats SMC offers, such as weekend and short-term classes. To find class listings, go to **smc.edu/searchclasses** and select “search options.”

WEEKEND COLLEGE

You can satisfy some of your Associate degree and transfer requirements by attending SMC on the weekend! We offer transferable General Education courses to help you progress toward your personal education goals.

SHORT-TERM CLASSES

You can accelerate meeting your General Education requirements by enrolling in special 8-week and 12-week sessions. Courses usually begin at the start of the semester, and again in April in the spring semester, and in October in the fall semester.

COURSES FOR SPECIAL PROGRAMS

Santa Monica College offers classes at local high schools and classes designed to support the goals of a variety of student programs. To find class listings for special programs, go to **smc.edu/searchclasses**, select “search options,” and filter by “special programs.”

DUAL ENROLLMENT PROGRAM

smc.edu/dualenrollment

The Santa Monica College Dual Enrollment program offers college classes at local high school sites. These classes are also open to all SMC students.

CENTER FOR STUDENTS WITH DISABILITIES (DSPS)

smc.edu/dsps • Student Services Center S155 • 310-434-4265

The Center for Students with Disabilities (DSPS) provides assistance to students with disabilities so they may have equal access to all programs and activities on campus. We also offer students in our programs a selection of specialty classes, which are posted at *smc.edu/searchclasses*. To join our program, make an appointment to see a DSPS counselor by calling us at 310-434-4265. To reach a Learning Disabilities (LD) specialist, call 310-434-4684.

ADELANTE PROGRAM/LATINO CENTER

smc.edu/adelante • Student Services Center S201 • 310-434-4459

The Latino Center Adelante Program — a success-oriented program focusing on academic achievement, transfer, cultural awareness, and personal growth — offers classes each semester that accentuate the Latino experience within the context of a course’s subject. Most classes offer credits that are transferable to the UC and CSU systems. For more information about the Adelante Program, please contact counselor Maria Martinez at *martinez_maria@smc.edu*.

BLACK COLLEGIANS PROGRAM UMOJA COMMUNITY

smc.edu/blackcollegians • Student Services Center S201 • 310-434-4232

The SMC Black Collegians Umoja Community is an academic-transfer program that promotes academic excellence and guides students through the transfer process. The program offers a number of special benefits and classes, including a “College Success” course that helps strengthen skills to enhance academic success. If you feel you can benefit from the opportunities offered by the Black Collegians Umoja Community, please apply in Counseling & Transfer Services or the African American Collegian Center in Student Services Center S201. For more information, contact Counselor Sherri Bradford at *bradford_sherri@smc.edu*.

SCHOLARS PROGRAM

smc.edu/scholars • Student Services Center S221 • 310-434-4371

SMC's Scholars Program aims to prepare students — particularly freshman students, first-generation college students, students from underserved schools and communities, and non-traditional students — for transfer to colleges or universities of their choice. The Scholars Program promotes mastery of subject matter through writing, exposure to research, critical thinking, and analysis. Scholars Program courses are taught by faculty who are highly recommended by their respective departments, and provide students with the education background essential to university-level work. Scholars Program courses are posted at *smc.edu/searchclasses*. Enrollment in these classes is limited to program participants until the morning following the 'drop for nonpayment' date for each term. For more information, please contact the Scholars Program Office at 310-434-4371 or send email to *scholars@smc.edu.*

MESA PROGRAM

smc.edu/mesa • Drescher Hall 301 • 310-434-3988

MESA is an academic support program for students interested in pursuing Science, Technology, Engineering, or Mathematics (STEM) majors/careers. STEM-designated classes are designed to assist MESA program participants in identifying sections that will fulfill program requirements (e.g., Counseling 12, 15, and Science 10) and connect them with MESA program faculty and resources (e.g. Supplemental Instruction and Embedded Tutoring). Enrollment in these classes is limited to program participants until the morning following the 'drop for nonpayment' date for each term.

GLOBAL CITIZENSHIP DEGREE REQUIREMENT

smc.edu/globalcitizenship • Student Services Center S155 • 310-434-4265

To meet the Global Citizenship graduation requirement for the Associate degree, you must take a minimum of three (3) units in one of the following areas: American Cultures, Ecological Literacy, Global Studies, Service Learning, or a Santa Monica College Study Abroad Experience. Please consult a counselor before making your selection, then visit the searchable class schedule at *smc.edu/searchclasses*.

STUDY ABROAD

smc.edu/studyabroad • Student Services Center S332 • 310-434-4342

Santa Monica College offers faculty-led Study Abroad programs designed to take you to another country and immerse you in an exciting and engaging learning program. You can earn SMC credit in each program as you expand your own intercultural awareness and foster a more global experience. Students who successfully complete three (3) semester units in a Study Abroad program will fulfill SMC's Global Citizenship graduation requirement for the Associate degree. Program details are posted on the IEC's Study Abroad website (*smc.edu/studyabroad*).

PROMO PATHWAY PROGRAM

smc.edu/promo • 310-434-4182

Promo Pathway is an innovative partnership between Santa Monica College and the industry trade organization PromaxBDA, formed to increase diversity in the entertainment promotions workforce. The program includes classes necessary for entry-level employment in the Digital Media Industry.

INTERNSHIP PROGRAM

smc.edu/internship • Student Services Center S110 • 310-434-4337

An internship is an off-campus or on-campus work experience designed to enhance your learning in the classroom as you earn college credit based on the number of internship hours worked. If you are interested in becoming an intern, go to *smc.edu/internship* to find out how to get involved in SMC's Internship Program, and to *smc.edu/hiresmc* to find out about the many internships available. To enroll in an internship, you are required to attend a one-hour Internship Orientation meeting (schedule posted at *smc.edu/internship*, or call the Career Services Center at 310-434-4337).

To find class listings for special programs, go to *smc.edu/searchclasses*, select "search options," and filter by "special programs."

Malibu Campus Classes

SMC's newest satellite campus sits in the heart of Malibu, serving the education needs of a vibrant community. The three-acre campus features a two-story building of modern architectural design with high-quality facilities, plentiful outdoor space, and ample parking. Nestled between idyllic rolling green hills and the majestic Pacific Ocean, this campus offers an open and expansive learning environment that is truly one-of-a-kind. SMC offers four types of classes at its Malibu Campus, located at 23555 Civic Center Way, Malibu, approximately 15 miles from the SMC Main Campus. Visit *smc.edu/malibu* to learn more.

- **Credit** – Credit classes can be used to earn an Associate degree or transfer to a four-year college or university. To enroll in credit classes, you can apply for admission at *smc.edu/apply*.
- **School of Continuing Education (SOCE)** – Noncredit classes are part of a flexible tuition-free program that offers short-term certificates that can assist you in entering the workforce or continuing your education. We also offer free, open-entry noncredit ESL and U.S. citizenship classes. To apply or learn more about our noncredit course offerings, please visit *smc.edu/SOCE*.
- **Emeritus** – The Emeritus Program is a noncredit, free, lifelong learning program offering classes designed for older adults. To enroll, see *smc.edu/emeritus* for details.
- **Community Education** – Community Education is a not-for-credit, fee-based program focused on promoting personal enrichment and professional development. For more information and to enroll in a Community Education class, please go to *commed.smc.edu*.

Santa Monica College students may participate in the first two years of the Air Force Reserve Officer Training Corps (AFROTC) program through Loyola Marymount University (LMU) and the University of Californiwa at Los Angeles (UCLA). AFROTC offers a variety of two-, three-, and four-year scholarships, many of which pay full tuition and fees. For more information, please visit any of the AFROTC websites listed above, or call or send an email to either of the listed AFROTC detachments.

AMBASSADOR PROGRAM

smc.edu/ambassadors
Student Services Center S116
Email: ambassadors@smc.edu
Student Ambassadors are often the first point of contact at the Student Services Center, greeting all visitors to provide a resource of information and referrals to help them get connected at SMC and to enhance their college experience. Ask an ambassador! They can offer assistance through in-person meetings and through remote applications (chat, virtual cafes, etc.). Ambassadors maintain a legacy of leadership in peer-to-peer support through authentic, informed, proactive, and responsive engagement. They are peer advocates committed to supporting students' success.

BLACK COLLEGIANS PROGRAM UMOJA COMMUNITY

smc.edu/blackcollegians
Student Services Center S201 310-434-4232
The Black Collegians Umoja Community offers a variety of mentoring and support services that promote academic excellence and guide students through their stay at SMC and the transfer process. Black Collegians is a member of the statewide Umoja Community, a collection of African-centered programs throughout the state of California at various community colleges and four-year schools.

CalWORKs

smc.edu/calworks
Student Services Center S238 310-434-4082
The California Work Opportunities and Responsibilities to Kids (CalWORKs) program at Santa Monica College works in collaboration with the Los Angeles County Department of Public Social Services (DPSS) and Greater Avenues to Independence (GAIN) to assist students who receive Temporary Aid for Needy Families (TANF) with a variety of services aimed at helping individuals move toward self-sufficiency.

CARE (COOPERATIVE AGENCIES RESOURCES FOR EDUCATION)

smc.edu/eops

Student Services Center S238 310-434-4268
CARE (Cooperative Agencies Resources for Education) is a state-funded program that offers special support services to help low-income EOPS single parenting students start and move forward successfully toward their education goals.

CAREER EDUCATION (CE)

smc.edu/ce
Career Education (CE) programs at Santa Monica College offer industry-linked programs and services that prepare students for entry-level professional employment opportunities, typically within one to four semesters. The courses are led by educators with extensive expertise in their field, with many CE instructors and trainers also holding active positions outside of SMC. Students who successfully complete a CE program leave SMC with a wide range of knowledge — theoretical, hands-on, applied, and experiential — and a strong relationship with employers.

Acquired Brain Injury/ Pathfinders 310-434-4442
Deaf and Hard of Hearing Services 310-434-4497
SMC's Center for Students with Disabilities ensures that students with disabilities have equal access to all programs and activities on campus. The Center offers a number of specialized programs to support students with their academic, vocational, and career planning goals. The Center has academic counselors available to answer questions, help solve problems, and authorize academic adjustments and other accommodation services to mitigate disability-related education limitations. Students have access to programs such as the **Learning Disabilities Program,** which offers learning disability assessment, specialized study skills classes, and accommodations; the **High Tech Training Center,** designed to train students in the use of assistive computer technology; the **Acquired Brain Injury Program,** which promotes re-entry into academic and vocational programs; and **Pathfinders,** a program of post-stroke exercise and communication classes offered through SMC's Emeritus Program serving the older adult community. To accommodate students who are deaf or hard of hearing, the Center offers a variety of support services such as sign language interpreters, CART/real time captioning, and assistive listening devices.

CORSAIR INTERCOLLEGIATE ATHLETICS

smc.edu/athletics
SMCcorsairs.com
Corsair Gym, 2nd Floor 310-434-4311
Santa Monica College has a proud tradition of championship teams, with an accumulated 85 Conference and 18 State championship titles. The College offers students opportunities to compete at a high level in a chosen sport. Committed to assisting student athletes to excel both in the classroom and on the field of play, SMC offers a variety of support programs, including special counseling for students interested in careers in athletics. SMC is a member of the California Community College Commission on Athletics, and sponsors 8 men's and 10 women's athletic teams. Men's teams include Basketball, Cross Country, Football, Soccer, Swimming and Diving, Track and Field, Volleyball, and Water Polo. Women's teams include Basketball, Beach Volleyball, Cross Country, Soccer, Softball, Swimming and Diving, Tennis, Track and Field, Volleyball, and Water Polo.

smc.edu/undocually
Student Services Center S238 310-434-4491
The Santa Monica College DREAM Program provides undocumented students with support services to increase their personal growth and development through academic, career, and personal counseling; assistance in applying for the California Dream Act, financial aid, and scholarships; and workshops of special interest to undocumented students and their families.

DREAM also operates SMC's Undocumented Students Ally Program (better known as UndocuAlly), a network of Santa Monica College faculty, staff, managers, and students committed to providing support, education, and understanding to SMC's undocumented students.

DSPS (SEE CENTER FOR STUDENTS WITH DISABILITIES)

ENGLISH AS A SECOND LANGUAGE (ESL)

Credit Program: smc.edu/esl
Drescher Hall 315 310-434-4260
Santa Monica College offers four programs for English-language learners: (1) a credit program offering classes in the ESL Department to prepare students for the reading, writing, listening, speaking, and study skills needed for college success and career enhancement (see *smc.edu/esl* for details); (2) a fee-based intensive English program designed for students who do not meet the TOEFL requirement to enroll in regular college classes (see *smc.edu/international* for details); (3) a noncredit (adult education) program offering free ESL and citizenship preparation classes for adults in the community (call 310-434-3399); and (4) a fee-based ESL program offering workshops, courses, occupational training, and English for special-purpose courses at business and industry sites (see *smc.edu/workforcedevelopment* for information).

EOPS (EXTENDED OPPORTUNITY PROGRAM AND SERVICES)

smc.edu/eops
Student Services Center S238 310-434-4268
The EOPS (Extended Opportunity Program and Services) program is a state-funded program that offers special support services to help low-income students start and move forward successfully toward their education goals. Services include academic counseling, priority registration, textbook vouchers, and tutoring.

FOSTER SERVICE SUPPORT PROGRAMS (FSSP)

smc.edu/fosterservices
Student Services Center S238 310-434-4491
The SMC Foster Service Support Programs (FSSP) provide services and support to current or former foster youth (FFY) attending Santa Monica College. The programs support their academic and personal goals by helping students to connect, achieve, and increase academic awareness, as they embark on their journey in higher education. Our focus is to equip and empower our students to not just do well academically, but also to attain the necessary skills for the sustainability and personal empowerment needed to overcome possible challenges and barriers to their success. Our programs include the state-funded NextUp program, and Guardian Scholars.

HIGH SCHOOL PROGRAMS

Concurrent Enrollment:
smc.edu/hsce 310-434-3522
Email: concurrentenrollment@smc.edu
Dual Enrollment:
smc.edu/dualenrollment
High School Counseling Department
Santa Monica College offers two programs that permit high school students to take SMC classes and receive college credit. The **Concurrent Enrollment Program** allows qualifying high school students to apply to SMC and enroll in classes offered at an SMC campus and online. Students planning to participate in this program should send an email requesting information. The **Dual Enrollment Program** offers a selection of college classes that students can attend at their participating local high school. To participate in the Dual Enrollment Program, students should discuss their plans with their high school counselor. Dual Enrollment Program classes are also open to all SMC students.

INTERNATIONAL EDUCATION CENTER (IEC)

smc.edu/international
Student Services Center S332 310-434-4217
Email: intled@smc.edu
The International Education Center provides international students with services that include academic counseling and orientation, assistance with non-immigrant F-1 student visa issues, and preparation for transfer from Santa Monica College to a four-year college or university. The International Education Center is also home to SMC's faculty-led **Study Abroad** programs.

INTERNSHIP PROGRAM

smc.edu/internship
Student Services Center S110 310-434-4337
SMC's Internship Program helps students find opportunities for internships and cooperative work experience in jobs related to their field of study. The program is operated by SMC's Career Services Center, which also hosts internship fairs throughout the year.

LATINO CENTER

smc.edu/LatinoCenter
Student Services Center S201 310-434-4459
The Latino Center offers SMC's Latino students a support network of comprehensive bilingual services in English and Spanish. The Center operates the **Adelante Program.**

LAW PATHWAY PROGRAM

smc.edu/lawpathway 310-434-8851
The Santa Monica College Law Pathway program offers SMC students who come from traditionally underrepresented backgrounds a variety of opportunities for access, engagement, and advancement in the legal profession. Students receive academic counseling services, priority registration, access to Law Pathway scholarships, and exposure to the legal profession. Through a partnership with Cal Law Pathways, students in the Law Pathway Program also receive priority admissions review with 15 participating law schools.

MEN OF COLOR (MOC) MENTORING PROGRAM

smc.edu/moc-mentoring 310-434-4496
Email: jimenez_paul@smc.edu
The Men of Color Mentoring Program is a student success program that pairs up male students in the Black Collegians Umoja Community and Adelante Program with mentors who are men of color on SMC's faculty and staff. Mentors — who can relate to experiences their mentees encounter as they pursue their education goals — provide consistent support, interaction, and guidance through one-on-one meetings and group activities. See the program's website or send email for details.

MESA PROGRAM

smc.edu/mesa
smc.edu/stem
Drescher Hall 302 310-434-3988
Email: mesa@smc.edu or stem@smc.edu
SMC's STEM initiatives foster the student skills necessary to excel in science, technology, engineering, and math courses. The Mathematics, Engineering, Science Achievement (MESA) program is an academic support program designed to help traditionally underserved students who are interested in STEM careers successfully complete their studies at SMC, transfer to a four-year research-oriented baccalaureate program, and enter the STEM workforce. All STEM students are encouraged to apply to the MESA Program.

NONCREDIT INITIATIVES (SEE SMC SCHOOL OF CONTINUING EDUCATION)

ONLINE PROGRAMS

smc.edu/online
Santa Monica College is committed to providing education programs, degrees, and certificates to students who are at sites away from the SMC campus, and to students who need to choose alternatives to the fixed schedule, place, program, and structure of traditional classroom-based education. For details, students should visit *smc.edu/online*.

PEER NAVIGATOR PROGRAM

smc.edu/peernavigators
Student Services Center S145 310-434-4055
Email: peernavigator@smc.edu
The Peer Navigator Program — a students-helping-students program — connects first-year SMC students with student leaders trained to provide one-on-one support and direction to help you navigate college and make the most of your SMC experience.

Peer Navigators are knowledgeable about SMC and offer guidance, listen to your concerns and experiences, suggest resources, and answer questions. Through mentoring, frequent communication, workshops, and social and education events, Peer Navigators serve as mentors, allies, and advocates to help you build positive relationships and enhance your college experience beyond the classroom.

For more information, please visit our website or send email. To be connected to a Peer Navigator, please visit our website and fill out a Peer Navigator Request Form.

PICO PARTNERSHIP PROGRAM

smc.edu/picopartnership
Student Services Center S238 310-434-4926
Email: picopartnership@smc.edu

The Pico Partnership Program is a collaboration between Santa Monica College and the City of Santa Monica. The program meets the needs of the underserved, under-represented youth who live in close proximity to the College. Pico Partnership motivates and assists young adults to attend SMC and work toward their career and education goals. Each student in the program works one-on-one with a counselor. See the Pico Partnership webpage for information on how to apply for the program.

RISING PROGRAM

smc.edu/rising
Student Services Center S238 310-434-4444
Email: rising@smc.edu

The RISING Program is committed to empowering students with the successful transition into college after incarceration. RISING supports the enrollment, retention, graduation, and transfer of system-impacted and formerly incarcerated students, and aims to support their academic, social, and emotional wellbeing by providing services that are focused on access, equity, and inclusion.

SANTA MONICA COLLEGE PROMISE PROGRAM (SMC PROMISE)

smc.edu/freetuition
Student Services Center S110 310-434-8049

The Santa Monica College Promise program offers free enrollment to students who graduate from a California high school or complete a high school equivalency test (e.g., GED® or HiSET or CPP) and enroll at SMC as first-year, full-time students with 12 or more units (or CSD reduction) in the fall/spring and 6 or more units (or CSD reduction) in the winter/summer (optional). SMC Promise also covers the Health Services fee, Student Benefits fee (which includes rides at no extra cost on all Big Blue Bus and Metro lines and trains), and Associated Students Resource fee (which funds programs and initiatives such as clubs, basic needs, student government, academic support, student leadership, sustainability efforts, and other campus activities).

SCHOLARS PROGRAM

smc.edu/scholars
Student Services Center S221 310-434-4371
Email: scholars@smc.edu

The Scholars Program aims to prepare students — particularly freshman students, first-year students, first-generation college students, students from underserved schools and communities, and nontraditional students — for transfer to colleges and universities of their choice. The Scholars Program promotes mastery of subject matter through writing, exposure to research, critical thinking, and analysis. Through special transfer agreements with top four-year colleges and universities, Scholars students are given priority consideration for admission to the following campuses: UCLA (all majors in The College, as well as Public Affairs, Public Health, and Educational and Social Transformation through TAP), UC Irvine, Loyola Marymount University (LMU), Chapman University, University of San Francisco, University of San Diego, and Pomona College, and many others.

SMC School of Continuing Education (SOCE, formerly Noncredit Initiatives/Programs) offers free noncredit certificate programs and courses, along with student support services, to adults age 18 and over seeking:

- Short-term vocational and workforce preparation courses and certificates to prepare you for entry-level employment;
- English as a second language (ESL) courses to help you develop your English reading, writing, and conversational skills before gaining employment or entering college programs that earn credit; and
- Citizenship preparation classes to help you to gain US citizenship.

The free short-term vocational certificates can be earned in as little as one semester, and the free noncredit ESL and citizenship preparation classes are repeatable and have open entry/open exit enrollment, giving you the freedom and flexibility you need.

The program also provides counselors to assist you with questions regarding ESL placement, career readiness, financial aid, and education planning, as well as services to help you transition to credit programs and the workforce.

STUDENT EMPLOYMENT PROGRAM

smc.edu/studentemployment
Student Services Center S133 310-434-4343

SMC's Student Employment Program offers students access to on-campus jobs available in many departments and programs on SMC's main and satellite campuses, funded through the Federal Work-Study (FWS) and Student Help (SH) programs. Students seeking on- and off-campus jobs and internship possibilities should consult the Career Services Center.

STUDY ABROAD PROGRAMS

smc.edu/studyabroad
Student Services Center S332 310-434-4342
Email: studyabroad@smc.edu

SMC's exciting, faculty-led Study Abroad programs are designed to immerse students in an engaging academic program abroad while they earn SMC credit, further their own intercultural awareness, and foster a more global perspective. Information about the programs is posted on the website.

SUPPLEMENTAL INSTRUCTION PROGRAM

smc.edu/si
Drescher Hall 302 310-434-4121

Special academic assistance is offered in fall and spring semesters to SMC students enrolled in specific courses. The free out-of-class sessions include activities that help students learn course concepts, prepare for exams, and develop effective study skills. PLEASE NOTE: SI sessions are NOT tutoring sessions like the ones offered at various on-campus tutoring labs, and SI leaders do NOT tutor or assist students with homework problems.

SUSTAINABILITY CENTER

smc.edu/sustainabilitycenter
1744 Pearl St., Santa Monica 310-434-3909

The Sustainability Center provides a space to explore key environmental and urban issues and solutions. A living laboratory for sustainability, the Sustainability Center features many innovative green building materials and practices, and provides eco-tours, a library, a seed library, and other useful sustainability resources. The Sustainability Center is also headquarters for Sustainable Works *(sustainableworks.org)*, a nonprofit offering special programs that show individuals and businesses how they can adopt sustainable practices that improve quality of life, reduce impacts on the environment, and decrease costs.

TEACHER ACADEMY AT SMC

smc.edu/ece
Early Childhood Lab School,
2nd Floor 310-434-8109

A program of the SMC Education/Early Childhood Department, the Teacher Academy at SMC works to foster a growing pool of future educators by offering courses, hands-on fieldwork experiences, mentorships, and a wide variety of support services and grants to help students succeed as quality professionals in education. The program offers options designed to prepare students to work with linguistically and culturally diverse groups of children and families in schools, centers, and homes. Courses are offered during the day, in the evening, on weekends, and online.

VETERANS SUCCESS CENTER (VSC)

smc.edu/vet
Cayton Center,
Lower Level, Room 006 310-434-8205

SMC's Veterans Success Center provides support to a student's transition from the military to college. The VSC offers a place where student veterans and their families can be supported and build community. Through the VSC, veterans have access to academic, career, and transfer counseling, as well as financial aid, tutoring, mental health counseling, and other services that help students achieve their education goals. A free textbook-lending library, study pods, computer lab, tutoring room, and a lounge are also available to all student veterans and their family members.

All Veterans Affairs paperwork receiving benefits under Chapters 33 and 35 of the GI Bill® is also processed through the Veterans Success Center. GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government website at *benefits.va.gov/gibill*.

For more information, visit the VSC website.

BOOKSTORE (SEE CAMPUS STORE)

CAMPUS POLICE AND STUDENT/STAFF ESCORT SERVICE

smc.edu/police
1718 Pearl St. 310-434-4608
Emergency and Weekends 310-434-4300

SMC maintains a Campus Police Department with personnel available 24 hours a day to help keep SMC's campuses safe and secure. **To report an emergency or criminal activities on or near the campus, dial 4300 or 911 on the emergency telephones located throughout the campus and parking structures, or call 310-434-4300 from a cellphone or off-campus telephone.** The SMC Corsair Alert app (details at *smc.edu/corsairalert*; download to your cellphone from the Apple App Store or Google Play) allows you to receive emergency notifications, communicate via text to report a variety of incidents, utilize the Friend Walk feature to be monitored on the way to your destination, or log on to find the many resources that SMC has to offer. The Campus Police Department also offers LiveScan Fingerprinting by appointment for SMC-related activities.

CAMPUS STORE

smc.edu/store

The SMC Campus Store (formerly the SMC Bookstore) sells new and used textbooks, school and office supplies, campus sweat- and T-shirts, art materials, and the class schedules.

You can use Slingshot — the Campus Store's auto-fulfillment service — to purchase or rent textbooks and materials for an affordable flat fee. Slingshot will automatically gather all the required materials for a class when you enroll in the class. You can pick up your order at the Campus Store or have your order shipped directly to your home or other convenient location. Details available at *smc.edu/store*.

Note: Students with disabilities may find some areas of the Campus Store inaccessible, and should request assistance if needed. A current booklist for classes is available through the Center for Students with Disabilities, but you may find it more convenient to use Slingshot.

CAREER SERVICES CENTER

smc.edu/careercenter
smc.edu/hiresmc
Internship Program: smc.edu/internship
Student Services Center S110 310-434-4337

The Career Services Center provides SMC students with a single, conveniently located source for career exploration, workshops on resume writing and interview techniques, internships, assistance in finding on- and off-campus jobs, and (by appointment) individual career counseling. The Career Services Center also operates SMC's **Internship Program** and **Student Employment Program.**

CENTER FOR WELLNESS & WELLBEING

smc.edu/wellness
Pearl Annex 75 310-434-4503
24/7 emotional support 800-691-6003

SMC's Center for Wellness & Wellbeing offers short-term personal counseling to currently enrolled students who have paid the Health Services fee. Licensed psychologists and interns/trainees are available to help students resolve problems or find appropriate resources in the community. The Center also offers a variety of topic-oriented workshops (e.g., Test Anxiety, Stress Management).

COMPUTER LABS AND SERVICES

smc.edu/computerlabs

Santa Monica College has many computer-based services and on-campus computer labs for the benefit of its students. The following computer lab is open to ALL CURRENTLY ENROLLED students:

- **Library Computer Commons —** SMC Library, Lower Level

Two additional computer labs are open to all currently enrolled students WITH A VALID ASSOCIATED STUDENTS ACTIVITIES STICKER:

- **Bundy Campus Lab** — Bundy 116
- **Cayton Associated Students Computer Lab** — Cayton Center 201

The following computer labs, primarily for students enrolled in specific classes, make their equipment and software available to all enrolled SMC students, but ONLY at times when the labs are not in use for instruction or tutoring purposes (check with the lab for available hours):

- **Computer Science and Information Systems (CSIS) Lab** — Business 231
- **CMD Lab** — CMD 217
- **DigiPix** — Business 131
- **Science Lab** — Science 240
- **Science Learning Resource Center** — Science 245

In addition, SMC has hundreds of computers in specialized computer labs — as well as course-specific virtual computer labs — used to support students enrolled in specific programs or classes, ranging from art and digital photography to math and earth sciences to writing and modern languages.

To find up-to-date information about campus computer labs and their hours, see the Student Computer Labs webpage *(smc.edu/computerlabs)*.

Center for Media and Design 130 310-434-4340

The Corsair, Santa Monica College's award-winning student-run newspaper and media company, has an online news site and publishes a print edition every other Wednesday during the fall and spring semesters. The Corsair welcomes all students to help create the newspaper, which is a lifeline of news and entertainment for the entire SMC community. Experience on The Corsair can lead to internships with major media companies.

COUNSELING & TRANSFER SERVICES

smc.edu/generalcounseling
Student Services Center S256 310-434-4210

SMC's General Counseling & Transfer Services assists and advises ALL students on developing their education plans, helps smooth the enrollment process for you, provides information on degrees and professional and career certificates, helps you select classes that meet requirements for a particular academic or career path, and facilitates your successful transfer to four-year institutions. Counseling services are also available online at *smc.edu/onlinecounseling* for students enrolled in on-campus courses (students enrolled in online courses should consult the information available at *smc.edu/OnlineEd*).

EDUCATION AND EARLY CHILDHOOD COUNSELING

smc.edu/ece
Early Childhood Lab School,
2nd Floor 310-434-8109

The Education and Early Childhood program provides academic and professional preparation, as well as transfer assistance, for students interested in teaching careers (infant through grade 12) or related work with children and families. Students receive individualized academic support, counseling, and professional growth advisement, including assistance with permit applications for students seeking employment in early childhood education.

FOOD SERVICES

Santa Monica College offers a variety of on-campus food services. Services and hours are subject to change without notice.

- **The Cafeteria** is centrally located on the SMC Main Campus. Service is provided indoors, with seating available inside and on outdoor patio areas. The Cafeteria houses a food court, where a selection of meals, salads, snacks, desserts, and beverages may be purchased at reasonable prices. Currently, the Cafeteria's food services are provided by the **Corsair Café** and **TCBY/Starbuck's**. The Cafeteria is open Monday through Friday, 8 a.m. to 5 p.m.
- **The Coffee Spot,** located by the Theatre Arts Complex, serves hot and cold coffee beverages and pre-wrapped sandwiches and salads. The Coffee Spot is open Monday through Friday, 6 a.m. to 1 p.m.
- **Vending machines** can also be found at various locations on the SMC campuses. An **Everytable** refrigerated vending machine is located in the Cafeteria on the SMC Main Campus, as well as at the SMC Center for Media and Design.
- **Bodega,** SMC's centralized food pantry located by the east side of the Cafeteria, offers free non-perishable food items, fresh produce, and toiletries to any currently enrolled student. See *smc.edu/basicneeds* for details and operating hours.

HEALTH SERVICES CENTER

smc.edu/healthcenter
Cayton Center 112 (next to Cafeteria)
310-434-4262

SMC's Health Services Center provides health services (with referrals as needed) and first aid to currently enrolled Santa Monica College students. The Center's focus is health promotion, illness prevention, treatment of acute illness, and health education to promote student success. Selected immunizations, screenings, and treatments are offered free or at cost. All services are confidential.

Health Insurance: The Health Services fee paid at time of enrollment is NOT health insurance, and covers ONLY the services offered at the SMC Health Services Center. Any expenses a student incurs for medical services are the sole responsibility of the student. Information about optional health and dental insurance programs is available in the Health Services Center or on the Health Services webpage *(smc.edu/healthcenter)*. International students should consult the International Education Center for information on health insurance.

LIBRARY

smc.edu/library
Information 310-434-4334
Reference Service 310-434-4254

The Santa Monica College Library has an extensive collection of books, online resources, study rooms, computers, and more available for all currently enrolled students. Plus, SMC students can access the library's online resources remotely using their SMC login. The SMC Library also welcomes SMC community members and invites them to learn more about how the library can support their lifelong learning pursuits.

OFFICE OF STUDENT LIFE

smc.edu/OSL
Cayton Center 202 310-434-4250

The Office of Student Life is the hub of student activities at SMC. The **Associated Students (A.S.) Board of Directors,** other A.S. officers, **Inter-Club Council (ICC), Associate Dean of Student Life,** and student activities staff can all be found there, along with information on A.S. and club activities, use of campus public areas, campus student publicity, and details. The Office of Student Life also provides support to Bodega's Meal Project.

The **Associated Students** — the student-directed organization of the SMC student body and its elected or appointed student officers — promotes the intellectual, social, and cultural welfare of students through proper, effective government. The A.S. Resource fee supports a rich program of extracurricular activities — including more than 60 student clubs — to foster academic achievement, social interaction, and community involvement.

OMBUDSPERSON

smc.edu/ombuds
Pico Classroom Complex 151 310-434-3986

Students who have complaints, grievances, or personal concerns about Santa Monica College or any of its policies are encouraged to discuss them with the College Ombudsperson. The Ombudsperson provides support and encouragement to students, and attempts to present options and solutions. Complaints are handled confidentially on a case-by-case basis.

SMC PLANETARIUM AND OBSERVATORY

smc.edu/planetarium
Math and Science Building (MSB 126)
310-434-4163

SMC's new planetarium — with full capabilities for multimedia presentations — opened in fall 2025. The planetarium, along with a new observatory, is used for SMC astronomy and science classes, local schools, community groups, and the general public.

The SMC planetarium will present two highly popular astronomy shows on Friday evenings and Sunday afternoons during the academic year (see *smc.edu/planetarium* for show dates and topics). The **Night Sky Show — Fridays at 6 p.m. and Selected Sundays at 1 p.m. —** presents the wonders of the ever-changing night sky in an interactive 50-minute show updated weekly with the latest news in space exploration and astronomy. The **Feature Program — Fridays at 7 p.m. and Selected Sundays at 2 p.m. —** is generally a multimedia presentation with a focus on a specific topic. The planetarium also offers public telescope nights from time to time, when weather permits. Check the planetarium webpage at *smc.edu/planetarium* for specific dates.

STELLIC CARE

smc.edu/stellic-care

At Santa Monica College, support is built into your experience.

Stellic Care connects you with counselors, instructors, and campus resources in a coordinated and accessible way, so you can get the guidance you need when you need it. Whether you have questions about your academic plan, need support navigating challenges, or want help planning next steps, Stellic Care helps keep everything in one place.

Stay connected and check in regularly to make the most of the support available to you.

STUDENT EQUITY CENTER (SEC)

smc.edu/sec
Cayton Center, Lower Level 310-434-4666
Email: studentequitycenter@smc.edu

SMC's Student Equity Center (SEC) is a collaborative and inclusive space consisting of four subcenters: Gender Equity Center, Racial Justice Center, Pride Center, and Dream Resource Center. The Student Equity Center empowers students to explore, affirm, and celebrate their individual and intersectional identities and define success for themselves. Each subcenter promotes a sense of belonging and develops student leadership to work toward social change on their campus and in their communities. For more information, please visit the SEC office.

TUTORING SERVICES

smc.edu/tutoring

SMC provides free tutoring services in selected subjects for all students through a number of online and on-ground tutoring centers. For hours, location, and general information, visit the Tutoring Services webpage and click on the link for the center you want. You can schedule a tutoring appointment online through Corsair Connect (*smc.edu/cc*). Tutoring is offered to support a wide variety of programs, including:

- Accounting
- Business
- Computer Science
- Economics
- ESL
- History
- Humanities
- IxD
- Logic
- Math
- Modern Languages
- Music (online only)
- Political Science
- Science
- STEM
- Writing

Specialized tutoring may also be arranged through the Center for Students with Disabilities (310-434-4265), EOPS/CARE (310-434-4268), the Scholars Program (310-434-4371), and the International Education Center (310-434-4217).

WELCOME CENTER

smc.edu/welcomecenter

smc.edu/newstudents
Student Services Center S110 310-434-8101
The Welcome Center is a one-stop location to assist first-time SMC students as they begin their journey at the College.

The Center supports students in a nurturing and welcoming environment. Students receive vital new-student information and step-by-step guidance through the enrollment process. As the first point of contact for SMC, the Welcome Center offers campus tours and introduces students, parents, and high school counselors to education counseling and academic programs, student services, and other campus resources.

Financial Assistance

FINANCIAL AID OFFICE

smc.edu/financialaid
Student Services Center S133 310-434-4343
The Financial Aid Office at Santa Monica College strongly encourages students to apply for financial aid by going to *studentaid.gov/fafsa* and completing the Free Application for Federal Student Aid (FAFSA). Students who have been ineligible to receive financial aid in the past should re-apply each year and are encouraged to come in and ask about other resources that may be available to them.

The Financial Aid Office provides several important student services, including:

- Providing information regarding the types of financial aid available;
- Helping collect and complete all necessary financial aid forms and documents; and
- Providing guidance on student loans and debt management.

The Financial Aid Office annually provides more than $50 million in federal, state, and other assistance to SMC students. The major aid programs at SMC are:

- **Pell Grants** — Federally funded grants of up to $11,092 per year to eligible undergraduate students;
- **Federal Supplemental Educational Opportunity Grant (FSEOG)** — A Federal grant given to the College for disbursement to eligible students (average Santa Monica College student award is up to $100 per semester until these funds are completely expended);
- **Cal Grant B** — State-funded award for eligible students from disadvantaged backgrounds or low-income families who have exceptionally high financial need, to provide them assistance with enrollment fees, living expenses, books, supplies, and transportation (the average Santa Monica College student award is $1,656 per year; *both FAFSA applicants and California Dream applicants may qualify*);
- **Cal Grant C** — State-funded award for eligible students from low- and middle-income backgrounds enrolled in vocational training programs, to provide them assistance with training costs such as tools, books, and equipment (average Santa Monica College student award is $547 per year; *both FAFSA applicants and California Dream applicants may qualify*);
- **Student Success Completion Grant (SSCG)** — State-funded grant awarded to full-time students and full-time Cal Grant B or C recipients, to provide an additional $2,596 to students enrolled in 12-14 units per semester, or up to $8,000 to students enrolled in 15 or more units per semester;
- **California College Promise Grant** — State-funded grant that covers certain enrollment fees for eligible students;
- **Santa Monica College Promise** — Free enrollment and fee waivers for students who graduate from a California high school or complete a high school equivalency test (e.g., GED® or HiSET or CCP) and enroll at SMC as first-year, full-time students (see *smc.edu/freetuition* for details);
- **Federal Work-Study (FWS) funds** — Federally funded program that provides wages to eligible students for both on-campus and off-campus employment;
- **Stafford Loans (subsidized and unsubsidized)** — Federally administered, low-interest loans to eligible students; and
- **Parent Loans for Undergraduate Students (PLUS Loans)** — Federally administered, low-interest loans to parents of students who are considered dependent according to federal regulations.

Students can apply for federal financial aid and the California College Promise Grant directly through the SMC Financial Aid website *(smc.edu/financialaid),* where they will find useful links to federal and state agencies.

To be eligible to receive most forms of financial aid, a student must show documented "financial need" as determined by the FAFSA. However, there are a number of other specific federal requirements that must also be met. To be eligible for federal financial aid, you must:

- Be a US citizen, a permanent resident, or an eligible non-citizen (if you do not understand these terms, ask the Financial Aid Office to explain them to you);
- Have a valid Social Security number;
- Have a high school diploma or GED;
- Be enrolled in an eligible program at SMC;
- Make satisfactory academic progress in your coursework;
- Have complied with US Selective Service requirements (male students only);
- Have not been convicted of the possession and/or sale of illegal drugs; and
- Not be in default on a student loan or owe a refund on any state or federal grant you may have received in the past.

Please note: AB540 students can also apply for Cal Grants and California College Promise Grants by completing a California Dream Act application. To receive a Cal Grant, AB540 students need to be enrolled in an eligible program, have a high school diploma/GED, and meet satisfactory academic progress. In addition, male AB540 students are required to comply with US Selective Service requirements.

Santa Monica College has partnered with BankMobile to process financial aid disbursements. See *smc.edu/bankmobile* for more details.

The Financial Aid Office is open Monday from 8:30 a.m. to 4 p.m., Tuesday and Wednesday from 8:30 a.m. to 6 p.m., Thursday from 9 a.m. to 4 p.m., and Friday from 8:30 a.m. to 12:30 p.m. **Q-less online phone system hours are Monday and Thursday from 8:30 a.m. to 4 p.m., Tuesday and Wednesday from 8:30 a.m. to 5 p.m., and Friday from 8:30 a.m. to 12 p.m.** Hours are subject to change without notice.

SCHOLARSHIP OFFICE

smc.edu/scholarships
Student Services Center S133 310-434-4343
SMC's Scholarship Office handles a variety of awards from sources such as foundations, private endowments, and private individuals. Scholarships are available to incoming high school students (ask your high school counselors about these scholarships), students continuing at SMC, and students transferring from SMC to a four-year college or university. Awards are offered for a wide range of achievements and student activities, and many do not include financial need in their requirements.

The Scholarship Office:

- Provides a single-application procedure for consideration for more than 500 scholarships available through the program;
- Distributes more than $500,000 in scholarship funds from the Santa Monica College Foundation (an endowment fund that provides proceeds for about 500 different scholarships), service clubs and local organizations, private individuals, and other organizations, foundations, and corporations;
- Provides informational workshops and application forms for a variety of non-campus-based scholarship sources; and
- Provides support services to get and fill out applications and to collect any required documents.

Scholarships vary from $250 to $16,000 per year, and are awarded as a check issued directly to the student.

Academic Policies

MATRICULATION

SMC has a planned education process called "matriculation," which helps you match your interests, abilities, needs, and goals with the College's courses, programs, and services. The matriculation process includes orientation, placement, and education planning/counseling to design a program of courses that meets your education goals.

To find out how the matriculation process can benefit you, please see the annual SMC catalog (available online at *smc.edu/catalog*).

PROGRAM CHANGES

Enrollment in classes is done online through Corsair Connect at *smc.edu/cc*. Beginning the day of the second class meeting, you will need an Instructor Authorization Code to add courses, even if space is available.

ATTENDANCE AND WITHDRAWALS FROM CLASSES

Regular attendance and participation are obligations assumed by every student at the time of enrollment.

A STUDENT ENROLLED IN ANY CLASS AT SMC MUST ATTEND — OR (IF AN ONLINE CLASS) ACTIVELY PARTICIPATE IN — ALL SESSIONS OF THE CLASS THAT MEET DURING THE FIRST WEEK OF THE CLASS OR RISK BEING DROPPED FROM THE CLASS BY THE INSTRUCTOR. INSTRUCTORS MAY ALSO WITHDRAW YOU LATER FOR EXCESSIVE ABSENCES OR NONPARTICIPATION (IF ENROLLED IN AN ONLINE CLASS).

You may withdraw from classes online through Corsair Connect at *smc.edu/cc*. **It is the YOUR responsibility to withdraw from a class** by the course-specific deadline — informing the instructor is NOT sufficient notice. Failure to withdraw (officially drop) from a class could result in a grade of F (0.0), and owed fees.

The Admissions Office is not responsible for incomplete online transactions. Please confirm your transactions (including withdrawals), then print and review your revised schedule. You must have this proof to contest any discrepancies.

- **Specific deadlines to request a refund, avoid a W, or receive a guaranteed W are listed in your Corsair Connect account. Add reminders to your calendar.**
- **Late withdrawals with extenuating circumstance:** After the guaranteed "W" deadline has passed, you may request withdrawal from a class by submitting a Special Consideration Petition ONLY if there are extenuating circumstances (such as verified cases of an accident, illness, or other circumstances beyond your control) which make the withdrawal necessary. It may take several weeks to review your request, and there is no guarantee it will be approved. If your request is approved, you will receive a W, and units earned in the class will be included in "enrolled units" on your SMC transcript. PLEASE NOTE: If you have not withdrawn by this deadline, you will receive a grade of A (4.0), B (3.0), C (2.0), D (1.0), F (0.0), P (Pass), or NP (No Pass) from the instructor. If you do not qualify for late withdrawal or you cease to attend the class, you may receive a grade of F (0.0). The instructor will be asked for feedback on your petition.

  NOTE: The instructor issuing an F (0.0) to you may be asked by the Financial Aid Office to verify if the F was the result of 'nonattendance.' Nonattendance means your last attendance date — or, if enrolled in an online or hybrid class, the last date of your substantive participation — was prior to the 60% point of completion of the course. Poor performance means you participated after the 60% point in the course and earned an F. Nonattendance may be grounds for return of financial aid funds.
- **If you have completed a course** — including taking the final exam or submitting final projects — you are **not** eligible for a late withdrawal. If you are contesting a grade for a completed course, you should meet with the instructor. *See "Grade Appeals – Contesting a Grade," below, for details.*

Requests to withdraw AFTER the class and term has ended must be submitted no later than the deadlines below (without exception) by completing a Petition for Special Consideration available at *smc.edu/forms*.

- **Excused withdrawals:** You may withdraw from a course due to extenuating or extraordinary circumstances before the 75% point of the class. You will be asked on Corsair Connect if the drop is due to extenuating circumstances. In such cases, the EW will be granted automatically. If you withdraw after the 75% point and through the last day of instruction for the class, you must submit an Excused Withdrawal Petition to the Admissions and Records Office. The EW will not be counted in (1) progress notice and pause calculations, and (2) will not count against the permitted number of withdrawals or enrollment attempts in a given course. As a result, if you have an Excused Withdrawal (EW), you may repeat the course(s) from which you have withdrawn. Enrollment, tuition, Health Services, SMC student I.D., A.S. Resource, and Student Representation fees will not be refunded.

Deadlines to Request Removal of Ws and Refund of Fees

- All requests must be submitted within two (2) calendar years after the last day of the term when you took the class. To initiate your request, you must file a Special Consideration Petition, available at *smc.edu/forms*.

A complete explanation of how withdrawal deadlines are determined is available online (see *smc.edu/AdminRegulations*) and in the annual SMC catalog (online at *smc.edu/catalog*).

PLEASE NOTE: Short-term and open-ended courses have their own deadlines (go to *smc.edu/datesdeadlines* for details, and review your Corsair Connect class schedule for specific dates).

GRADE APPEALS – CONTESTING A GRADE

- **Informal Resolution:** Students questioning a final grade received in a class must always contact the instructor and department chair to discuss their concerns. If the instructor or chairperson is not responsive, your next step is to contact the College Ombudsperson. The Ombudsperson acts as a source of information, assistance, and referral; encourages informal conciliation between students and instructors; and seeks to resolve the grading dispute informally. If the grade dispute is not resolved to your satisfaction, the Ombudsperson will advise you on how to request a formal grade appeal.
- **Formal Grade Appeal Reasons:** According to State law, a formal grade appeal can only be pursued in cases where the final grade was issued because of instructor fraud, bad faith, incompetency, or a mistake. Before filing a formal grade appeal petition with the Dean of Enrollment Services, a student must first discuss the situation with the College Ombudsperson. The student bears the burden of proof in substantiating their allegation. Instructors are expected to cooperate with the Ombudsperson.
- **Grade Appeal Deadline:** A student who wishes to appeal a grade must file a formal grade appeal petition no later than October 30 for spring semester grades, November 30 for summer session grades, April 30 for fall semester grades, and May 30 for winter session grades. However, students must meet with the College Ombudsperson at least 30 days before the deadline to discuss the grade appeal procedure and attempt to resolve the grade dispute informally.
- **Continuing a Grade Appeal:** After discussing a grade appeal with the College Ombudsperson, if there is no informal resolution satisfactory to the student and the student wishes to continue the appeal, the Ombudsperson will outline the procedure to be followed. The grade appeal petition must include a statement describing how the grade that was awarded was the result of instructor mistake, bad faith, incompetency, or fraud; no other reason is recognized. The Dean of Enrollment Services, who supervises the grade appeal process, may stop a grade appeal when there is no evidence of instructor mistake, fraud, incompetence, or bad faith. Unsubstantiated claims will be dismissed. Students and faculty are expected to provide a true and accurate account of the grade dispute. The Grade Appeal Committee may initiate disciplinary proceedings when in its judgment the information presented to the Committee was deemed to be fraudulent or fabricated. See *smc.edu/ombuds* for further information. The grade appeal process is lengthy and can frequently take from 4-8 months to resolve.

To schedule an appointment with the Ombudsperson, please send email to *ombuds@smc.edu* or call 310-434-3986.

See *smc.edu/grade-appeals* to find out more about the formal grade appeal process.

AUTO-ENROLLMENT WAITLISTS

If a class is full, you may join the class waitlist. Waitlists open automatically when a class fills and close at 11:59 p.m. the day before the class begins. You may waitlist up to 12 units in fall and spring, or 8 units in summer and winter. You cannot waitlist more than one section of the same course.

If a seat becomes available, you will be automatically enrolled in waitlist order — provided you remain eligible. To be eligible, you must have no holds or unpaid fees, meet all prerequisites, have no time conflicts, and remain within your unit and repeat limits. If you are not eligible when a seat opens, you will be skipped, and the next eligible student will be enrolled; you will receive an email explaining why. You may track your status on Corsair Connect.

After you are auto-enrolled, **you must pay all fees by 11:59 p.m. the following day or you will be dropped.** If you decide you no longer want the class, please drop it so another student may join the list.

The waitlist is provided to faculty who, at their discretion, may add students to the class once it starts. Instructors are requested to follow the waitlist order.

Please visit *smc.edu/waitlists* for details.

ENROLLMENT OVERLAP AND TIME CONFLICTS

As a general rule, students cannot enroll in courses that meet at the same or overlapping times. Under some circumstances, however, the College may permit enrollment in limited overlapping schedules. Exceptions may be considered by petition. For specific requirements and restrictions for overlapping schedules, see the annual SMC catalog (available online at *smc.edu/catalog*). Students may submit a Time Conflict Approval form for consideration. The form is available at *smc.edu/forms*.

RELIGIOUS OBSERVANCE AND OTHER ACCOMMODATIONS

Observance of religious holidays may have an impact on a student's scheduled assignments, tests, or examinations. California State Education Code section 76121 states that an instructor must make a reasonable attempt to accommodate a student without penalty when there is a conflict between a student's religious creed and a scheduled assignment, test, or examination. Affected students should submit a written request to the instructor during the first two weeks of the academic term, or as soon as possible after a particular assignment, test, or examination date is announced by the instructor.

In matters of absence due to other personal necessity such as jury duty or court appearances, accommodation will be at the discretion of the instructor, subject to verification.

UNIT LOAD LIMIT

Students who are in good standing may take up to sixteen (16) units during the fall or spring semester, and eight (8) units during the summer or winter session. Please consult a counselor for details.

NOTICE AND PAUSE STUDENT POLICIES

Santa Monica College students are expected to take responsibility for meeting the SMC Student Success Standards of "Academic Achievement" (maintaining a cumulative GPA of 2.0 or better in all classes taken at Santa Monica College) and "Timely Progress" (not exceeding the allowed percentage of I, W, and NP notations). Failure to meet these standards can lead to:

- Academic notice or progress notice, either one of which will limit how many units you may enroll in, which cannot exceed a maximum of 9 units in a spring or fall semester, or 5 units in a winter or summer session;
- Academic pause; or
- Progress pause.

An academic pause or progress pause will result in a limit of up to six (6) units maximum during the spring and fall semesters — and up to three (3) units maximum in the winter and summer sessions — if you are permitted to restart at SMC. If you have been paused from SMC more than once, you will be asked to take a break from attending SMC for up to a maximum of one year.

If there is ANY possibility that you may be placed on academic or progress notice or be paused, you should IMMEDIATELY make arrangements to discuss your situation with a counselor. For details, please visit the SMC Counseling website at *smc.edu/counseling* and click on the "Pause and Notice Policies" link in the menu on the left-hand side of the page, or see a counselor. Additional information on academic and progress notice, academic and progress pause, and requirements for reinstatement is also available in the annual SMC catalog (available online at *smc.edu/catalog*).

PLEASE NOTE: Students who are paused for academic and/or progress reasons due to winter 2027 grades will be dropped AUTOMATICALLY from all previously enrolled spring 2027 classes.

CALIFORNIA COLLEGE PROMISE GRANT (CCPG) SATISFACTORY ACADEMIC PROGRESS REQUIREMENT

The State of California requires California College Promise Grant recipients to meet certain minimum academic standards. Please note:

- To remain CCPG-eligible, students must maintain at least a 2.0 GPA and a course completion rate of at least 50%.
- Students who fail to meet the GPA and/or completion rate standards will be placed on CCPG Probation.
- Students on CCPG Probation have one major term (fall or spring semester) to raise their GPA and/or completion rate.
- Students who fail to raise their GPA and/or completion rate up to the minimum standards may become ineligible for a CCPG for the next fall or spring semester unless they (a) have already enrolled in the next fall or spring semester; or (b) have not yet completed 12 units.

For more information about the new CCPG Satisfactory Academic Progress Requirement, including how to appeal the loss of CCPG eligibility, please go to the SMC Financial Aid webpage.

ACADEMIC ADJUSTMENTS AND INFORMATION TECHNOLOGY FOR STUDENTS WITH DISABILITIES

SMC complies with State and Federal law with regard to modifying academic policies and procedures and information technology as needed to ensure that they do not discriminate, or have the effect of discriminating on the basis of disability, against qualified applicants or students with disabilities. For details on adjustments and the procedure for requesting them, please contact the Center for Students with Disabilities by calling 310-434-4265.

PREREQUISITES AND COREQUISITES CHALLENGES

Students who have not completed prerequisite or corequisite courses at Santa Monica College or other colleges may challenge the requirement under certain circumstances by submitting a Prerequisite Challenge Petition to the appropriate academic department. The student bears the initial burden of proof to show that grounds exist for the challenge. Please see the annual SMC catalog (available online at *smc.edu/catalog*) for a detailed description of the challenge process.

PASS/NO PASS

Students who wish to take courses on a pass/no pass (P/NP) basis must apply for each course through Corsair Connect. Click on the "Classes & Enrollment" tab, and select "P/NP Grading" option before the class-specific deadline. The decision to take a course on a P/NP basis is irrevocable after the deadline has passed. Students are strongly encouraged to seek the advice of a counselor before making a decision to enroll in a class on a P/NP basis. See *smc.edu/admissions* and click on "Enrollment & Grading Policy Updates" for the latest details.

AUDITING CLASSES

Santa Monica College does not permit auditing of classes. All students attending credit or noncredit classes at Santa Monica College must be officially enrolled through SMC's Admissions Office. Older adults attending free, noncredit classes on topics of interest to seniors must be enrolled through the SMC Emeritus program. Students attending fee-based not-for-credit classes to explore personal interests or gain professional certification must be enrolled through the SMC Community Education office. Students attending free English as a Second Language (ESL) and other noncredit adult education classes must be enrolled through SMC's Noncredit (Adult Education) Initiatives/Programs.

COURSE REPEATS

California Code of Regulations Title 5 limits the number of times a student may repeat a course in the California Community College system. These regulations also require all current and prior course enrollments, repetitions, and withdrawals in a student's enrollment record to be counted toward the maximum limit.

If you would like — or need — to repeat a course in which you have previously earned an unsatisfactory grade or a W, you may re-enroll ONE TIME without the need to request permission from a counselor. After that, you MUST talk to one of SMC's academic counselors. Check the Santa Monica College catalog (available online at *smc.edu/catalog*) for details.

GRADUATION REQUIREMENTS

The Associate degrees (AA, AS, AA-T, AS-T) are granted upon completion of sixty (60) degree-applicable units (general education, area of study, and electives) with a cumulative grade point average of C (2.0) or higher, and a minimum of twelve (12) units in residence must be completed at Santa Monica College. The Certificate of Achievement, Certificate of Completion, and Certificate of Competency are granted upon successful completion of required coursework.

To receive your degree or certificate, you must file a Petition for Graduation with the Admissions Office. A link to the form is available at *smc.edu/forms,* where the form can be filled out and submitted online. Deadlines for filing:

- Spring — Start of spring semester through April 15
- Summer — Start of summer session through July 31
- Fall — Start of fall semester through December 1

Check the Santa Monica College catalog (available online at *smc.edu/catalog*) for details, including requirements for graduating with honors.

College Policies

OPEN ENROLLMENT

Unless specifically exempted by statute or regulation, every course, course selection, or class offered and maintained by the Santa Monica Community College District and reported

for state aid shall be fully open to enrollment and participation by any person who has been admitted to Santa Monica College and who meets the prerequisites established according to regulations contained in Article 2.5, Subchapter 1, Chapter 6, Division 6 of Title 5 of the California Code of Regulations.

STATEMENT OF NONDISCRIMINATION

The Santa Monica Community College District is committed to building an inclusive and diverse environment and maintains a comprehensive program to ensure that practice reflects these principles. Diversity within the college environment provides opportunity to foster mutual awareness, knowledge, and sensitivity, to challenge ingrained stereotypes, and to promote mutual understanding and respect. The District's equal employment opportunity and nondiscrimination policies are set forth in Board Policies 2405, 2410, 3120-3123, 5220, 5230, and 5530. As set forth in these Board Policies, the District is committed to equal employment opportunity and nondiscrimination in the learning and work environments in accordance with all applicable laws, including, without limitation, California Code of Regulations, Title 5, § 59300 et seq., California Government Code §§ 11135-11139.5, the Sex Equity in Education Act (California Education Code § 66250 et seq.), Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d), Title IX of the Education Amendments of 1972 (20 U.S.C. § 1681), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794), the Americans with Disabilities Act of 1990 (42 U.S.C. § 12100 et seq.), and the Age Discrimination Act (42 U.S.C. § 6101).

It is important for students, employees, and others associated with the College to report concerns about possible violations of the District's policies regarding equal employment opportunity and nondiscrimination. If you need information about the District's policies or need to report a violation of the laws listed above, you should contact:

- SMC Human Resources Office, 310-434-4415 or *hrcomplaints@smc.edu* (located on the second floor of the SMC Administration Building, 2714 Pico Blvd), regarding any complaint of unlawful discrimination, including sexual harassment and sexual discrimination; or
- Dr. Maria Munoz, ADA/504 Compliance Officer, 310-434-4407 or *munoz_maria@smc.edu* (office located in Student Services Center S276) regarding disability discrimination complaints.

DECLARACIÓN DE NO DISCRIMINACIÓN

El Distrito de Santa Monica Community College tiene el compromiso de crear un ambiente inclusivo y diverso y de mantener un programa comprensivo para asegurarse de que la practica refleja estos principios. La diversidad entre el ambiente colegial provée oportunidad para fomentar el conocimiento, la erudición, y la sensibilidad mutual, luchar contra los estereotipos arraigados, y promover la comprensión y respeto mutual. Las reglas del Distrito sobre igualdad de oportunidades del empleo y de nondiscriminación se disponen en las polisas 2405, 2410, 3120-3123, 5220, 5230, y 5530. El Distrito está comprometido a la igualdad de oportunidades y nondiscriminación en los ambientes de la educación y del trabajo en acuerdo con las leyes, incluyendo, sin la limitación, el Código de las Regulaciones de California Título 5, § 59300 y ss.; el Código de Gobierno de California §§ 11135-11139.5; la Ley sobre Equidad de Sexo en la Educación (Código de Educación de California § 66250 y ss.); el Título VI de la Ley de 1964 sobre Derechos Civiles (42 U.S.C. § 2000d); el Título IX de las Enmiendas de Educación de 1972 (20 U.S.C. § 1681), Artículo 504 de la Ley de 1973 sobre Rehabilitación (29 U.S.C. § 794); la Ley de 1990 sobre Americanos con Incapacidades (42 U.S.C. § 12100 y ss.); y la Ley sobre Discriminación por Edad (42 U.S.C. § 6101).

Es importante que los estudiantes, el personal y las demás personas relacionadas con el SMC reportan las inquietudes sobre posibles violaciones de las polisas relacionadas a la igualdad de oportunidades del empleo y de nondiscriminación. Si Ud. necesita información sobre las polisas del Distrito o tiene que reportar una violación de cualquier de estas leyes, debe ponerse en contacto con:

- La oficina de SMC Human Resources 310-434-4415 o *hrcomplaints@smc.edu* (ubicada en el segundo piso del Edificio Administrativo del SMC en 2714 Pico Blvd.) sobre cualquier reporte de discriminación, incluyendo el acoso sexual o discriminación sexual; o con
- Dr. Maria Munoz, ADA/504 Oficial de Conformidad 310-434-4407 o *munoz_maria@smc.edu* (oficina ubicada en la Sala S276 del Centro de Servicios Estudiantiles (Student Services Center) sobre reportes de discriminación por discapacidad.

STUDENT PRIVACY RIGHTS NOTICE

The Family Educational Rights and Privacy Act (FERPA) gives students certain rights with respect to their education records. For a full explanation of FERPA and its implications for college students, please see the SMC catalog (available online at *smc.edu/catalog*) or contact the Admissions Office. What appears below is ONLY a brief summary.

Student FERPA rights include:

1. The right to be informed about their education records.
2. The right to inspect their education records.
3. The right to request an amendment to their education records.
4. The right to have a formal hearing if the request for amendment is denied.
5. The right to prevent unauthorized disclosure of any or all of the information in their education records, subject to specific exceptions identified in FERPA and State law.
6. The right to lodge a complaint to the U.S. Department of Education about a violation of FERPA regarding their education records.
7. The right to waive these rights in writing, including the right to give written authorization to a third party to obtain a copy of their education records.

Students may submit their FERPA complaint to:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5901

Students may block release of Directory Information to non-SMC third parties by placing a "Directory Information" hold on their Corsair Connect account ("View/Edit Profile" tab).

POLICY ON FEES

ATTENTION: Payment Policy

- ALL fees for spring semester courses you enroll in must be paid no later than the fee payment deadline of 5 p.m. on Wednesday, January 20, 2027. Failure to pay your fees by this date will result in your classes being dropped. Fee postponement is not available. Please see the Financial Aid Office to discuss options you might have.
- Starting Thursday, January 21, 2027, payment is due by 11:59 p.m. the day after you add a class, otherwise you will be dropped for nonpayment.
- Enrollment fees will NOT be refunded if a course is dropped after the refund deadline for the course.
- If you do not drop a course by the refund deadline, you will be responsible for paying the fees — even if you did not go to class.
- See *smc.edu/fees* for the latest details.

Enrollment Fee

This is a state-mandated student enrollment fee of $46 per unit, and is subject to change without notice.

Student Benefits Fee, Associated Students Resource Fee, and Student Representation Fee

This is an optional fee of $34.50 that includes the fee of $22.50, which funds activities such as the LiveSafe app, technology initiatives and programs, and transportation initiatives, including the GoPass, which provides unlimited rides on busses and trains throughout L.A., as well as free bike repair assistance; the Associated Students Resource fee of $10, which funds services and activities for the entire Santa Monica College student body; and the Student Representation fee of $2, which helps fund student activities and representatives who may present ideas to local and state government bodies.

The Student Benefits fee, Associated Students Resource fee, and Student Representation fee are optional. You may opt out of paying the Student Benefits fee and Associated Students Resource fee through Corsair Connect (Fees & Payment tab) prior to the *earliest* Refund Deadline for a class you are enrolled in during the term.

Health Services Fee

This is a mandatory fee of $28 during the fall and spring semesters ($23 during winter and summer sessions) that provides a variety of health services. You are exempt from paying the Health Services fee if you:

- Enroll exclusively in noncredit or not-for-credit courses, or
- Declare in a personally signed statement that you depend exclusively on prayer for healing in accordance with the teachings of a bona fide religious sect (documentation of such an affiliation is required). You may submit this declaration and documentation online to Admissions and Records through a Special Consideration Petition available at *smc.edu/forms*.

Nonresident Tuition Fee

The mandatory tuition fee for students classified as nonresidents (including students who are citizens of a foreign country and hold only temporary resident status in the United States) is $416 per semester unit (plus $46 enrollment fee and $24 capital outlay fee, for a total of $486 per semester unit), or $416 per semester unit (plus $46 enrollment fee, for a total of $462 per semester unit) for students who qualify for an Assembly Bill 947 exemption. See the residency requirements at *smc.edu/residency* or contact the residence clerk in the Admissions Office for AB 947 exemption details. Please see the Fees webpage at *smc.edu/fees* for details. Please note: All nonresident tuition fees are subject to change without notice.

Capital Outlay Fee

In ADDITION TO the per-unit enrollment fee and tuition fee, all nonresident students must pay a capital outlay fee of $24 per semester unit. The fee helps cover the costs of maintaining and improving campus facilities such as classrooms, labs, and student support spaces.

Upper-Division Coursework Fee

The mandatory upper-division coursework fee for students pursuing the Bachelor of Science degree in Interaction Design or Cloud Computing is $84 per graded unit. This fee is IN ADDITION TO the $46 per unit enrollment fee, for a total of $130 per graded unit for students classified as residents. Students classified as nonresidents must pay the mandatory upper-division coursework fee of $84 per graded unit IN ADDITION TO the $46 enrollment fee, $24 capital outlay fee, AND the $416, for a total of $570 per graded unit. Students who qualify for an Assembly Bill 947 exemption must pay the mandatory upper-division coursework fee of $84 per graded unit IN ADDITION TO the $46 enrollment fee AND the $416 tuition fee, for a total of $546 per graded unit.

Materials and Supplies Fees

Some classes require additional fees for materials and supplies. Consult the class listings in the Schedule of Classes to determine whether any such fees are required. Fees for materials and supplies are not refundable.

On-Campus Virtual Parking Permit Fee

The on-campus virtual parking permit fee is required ONLY if you wish to use the on-campus parking facilities at the SMC Main Campus, SMC Performing Arts Center, or the SMC Center for Media and Design. Parking is FREE at other SMC satellite campuses. Regular virtual parking permits — which can be purchased online through Corsair Connect at *smc.edu/cc* — are $50 for the fall or spring semester and $25 for the winter or summer session. The permit prices **include** the City of Santa Monica 10% parking

facilities tax. Funds from this the virtual parking permit are used to maintain and improve SMC's parking facilities.

Students who qualify for a California College Promise Grant (CCPG) because they or their family currently receive benefits under Temporary Aid to Needy Families (TANF/CalWORKs), or SSI/SSP (Supplemental Security Income), or General Assistance/General Relief are eligible to purchase an on-campus virtual parking permit at a reduced rate of $18 for the fall or spring semester and $10 for the winter or summer session. The permit prices **include** the City of Santa Monica 10% parking facilities tax.

Returned Payments and Outstanding Balances

Returned checks and rejected credit card payments are subject to a fee of up to $25 and are taken care of at the Auxiliary Services Office, located at 1738 Pearl St. An administrative hold will be placed on your records until the matter is resolved. If you leave SMC owing a balance and do not pay it, you will be responsible for all collection costs and/or attorney's fees. This debt may also be reported to all three major credit bureaus.

WITHDRAWAL REFUND SCHEDULE

If you are eligible for a refund, it will be processed approximately 45 days after the start of the term. Please allow an additional 2-6 weeks for the refund to reach you. If a fee is owed for classes in the next term, the refund will be automatically applied to those fees.

Santa Monica College has partnered with BankMobile to process refunds. See *smc.edu/bankmobile* for more details.

Enrollment Fee

No refunds of enrollment fees are available to you if you withdraw from spring semester classes after the published refund deadline for enrolled classes. Refund deadlines for enrolled classes can be found in your Corsair Connect account next to your enrolled classes. If you withdraw prior to the deadline date, you will receive a 100% refund of enrollment fees (minus a processing charge of $10). See *smc.edu/fees* for more information on withdrawal refund deadlines.

Nonresident Tuition

If you withdraw from spring semester classes at Santa Monica College before the published refund deadlines for the classes in which you are enrolled, you will receive a 100% tuition refund, minus any relevant processing fees.

Student Benefits, A.S. Resource, Representation, and Health Fees

If you withdraw from spring semester classes at Santa Monica College before your term's published refund deadline, you will receive a 100% refund for the Student Benefits fee, the A.S. Resource fee, the Student Representation fee, and the Health Services fee.

STUDENT RIGHT-TO-KNOW AND CAMPUS SECURITY

To comply with the Jeanne Clery Disclosure of Campus Security and Campus Crime Statistics Act (Public Law 101-542), Santa Monica College makes available the completion and transfer rates of first-time, full-time students seeking certificates, degrees, or transfer, as well as statistical information about the types and number of crimes on SMC campuses. The College provides this data to inform all current and prospective students — as "consumers" of higher education — on how well Santa Monica College compares with other postsecondary institutions.

Completion and Transfer Rates

The completion and transfer rates presented here are derived from the most current data available at the time this schedule of classes went to press.

Completion rates are calculated by tracking a cohort (group) of first-time students seeking a certificate, degree, or transfer. For the cohort of first-time freshmen entering SMC in fall 2019, 34.96% earned a certificate or degree, transferred to a four-year institution, and/or became transfer-prepared (earned 60 or more transferable units with a GPA of 2.0 or higher) within three years of beginning coursework at SMC.

Transfer rates are calculated by tracking a cohort (group) of first-time students intending to transfer to a four-year institution. For the cohort of first-time freshmen entering SMC in fall 2019, 14.89% transferred to a four-year institution within three years of beginning coursework at SMC.

Crime Statistics for the College Community

Campus crime statistics are compiled and reported according to the guidelines specified in the Clery Act (20 USC 1092F), as defined under the FBI Uniform Crime Reporting procedures. SMC's crime statistics are available online at the US Department of Education website *(ope.ed.gov/security)* and at the SMC Campus Police website *(smc.edu/police)*. Campus crime statistics — along with safety and crime prevention information — can also be found at many locations at SMC, and are available upon request. Contact the SMC Campus Police Office (310-434-4608) for details.

COLLEGE CONDUCT

Santa Monica College has an Honor Code, Code of Academic Conduct, and Rules for Student Conduct, and may discipline students in accordance with code provisions.

Check the annual Santa Monica College catalog (available online at *smc.edu/catalog*) for additional information.

Student Conduct Code

Students enrolled in the College have an obligation to conduct themselves in a manner compatible with the College's function as an educational institution. A complete copy of the "Rules for Student Conduct" (SMC AR 4410) is available online (see *smc.edu/AdminRegulations*).

STUDENT COMPLAINTS

Students with complaints, grievances, and personal concerns about Santa Monica College or any of its policies are encouraged to discuss them with the College Ombudsperson. The Ombudsperson provides support and encouragement to students, and attempts to present options and solutions. Complaints are handled confidentially on a case-by-case basis.

Students with complaints about a grade should discuss this with the Ombudsperson in time to meet the deadline to file a formal appeal. The deadlines are:

- October 1 for spring semester grades,
- November 1 for summer session grades,
- April 1 for fall semester grades, and
- May 1 for winter session grades.

For more information, contact the Ombudsperson, or visit the Ombudsperson's webpage *(smc.edu/ombuds)*.

REQUIRED SEXUAL VIOLENCE AND HARASSMENT TRAINING

Assembly Bill 2683 (Postsecondary education: sexual violence and harassment: training and resources) requires that all students attending a California Community College annually complete sexual violence and sexual harassment training. Students must certify completion within six (6) months of the beginning of the academic year. Instructions for completing the training are provided at *smc.edu/ab2683*.

SELECTIVE SERVICE NOTICE TO MALE STUDENTS

Federal law requires men age 18-25 to be registered with the Selective Service System (SSS) if they are US citizens or immigrant aliens (international students who hold valid student visas are exempt from this requirement). Men must be registered before they can receive federal or state financial aid (including loans and grants) for their education. Registration forms are available online at *sss.gov* and at any post office.

Residency

CALIFORNIA RESIDENCY FOR ENROLLMENT FEES/TUITION PURPOSES

Refer to Administrative Regulation 5015 Residency Determination for a full explanation of California Residency and requirements to be classified as a California resident for enrollment fees/tuition purposes. Also see the SMC Residency webpage at *smc.edu/residency* for additional information, deadlines, webinars, and more.

At Santa Monica College, your residency status determines whether you pay resident enrollment fees or nonresident enrollment fees plus tuition. To qualify for California resident enrollment fees, most students must show that they have lived in California for at least one year before the residency determination date, and that they intend to make California their permanent home. The residency determination date is the day immediately before the term begins.

Your residency is reviewed when you apply for admission and may be reviewed again if you have been away from the college for more than one semester. You are notified of your residency status when you apply to SMC — check your "Admissions Tasks" email and your Corsair Connect portal.

Residency is not based on where you go to school alone, or how long you have lived in the state. Living in California primarily to attend college does not automatically make you a California resident for enrollment fees or tuition purposes. Retaining your residency in another state disqualifies you from California residency for enrollment fees or tuition purposes.

Residency Determination Factors

Per California Education Code, residency determination is based on these factors:

- **Physical presence:** Have you actually lived in California for the required period?
- **Intent:** Do your actions and records show that California is your permanent home?
- **Qualifying U.S. citizenship or eligible immigration status** (e.g., permanent resident, eligible visa): Do you qualify under the law used for residency classification?

Financial independence from parents or legal guardians is also a factor in residency reclassification requests from nonresident to resident.

RESIDENCE OF AN ADULT

A student who is 19 years of age or older and who has lived in California continuously for the last two years shall be presumed to have the intent of making California his or her home.

A student under 19 years of age shall be presumed to have the intent to make California his or her home if both the student and his or her parent(s) have lived in California continuously for the last two years. .

A student who is 19 years of age or older applying for admission who has less than two years, but more than one year, of residence in California should be prepared to show proof of residence.

RESIDENCE OF A MINOR

Unmarried minors (those younger than 18 years of age) are, by law, incapable of establishing their own residences, notwithstanding their physical presence within California. The Admissions Office will use the following guidelines for determining a minor's residence:

- A minor's residence is the residence of the parent or legal guardian with whom the minor is living;
- If the minor is not living with a parent or legal guardian, then the residence of the parent or legal guardian with whom the minor last lived will be the residence of the minor.

When the residence of a minor student is derived from the parent or legal guardian, the durational requirement (one year in California) must be met by the parent or guardian, but is not required of the student. A minor whose parents are not living and who does not have a legal guardian may establish his or her own residence.

What Counts

Living in California is not enough by itself. SMC looks at both how long you have been in the state and whether your actions show that California is truly your home.

Examples of things that may help show intent include:

- Getting a California driver's license or state ID.
- Registering to and voting in California.
- Filing California state taxes as a resident.
- A permanent California address, employment, utilities and bank records tying you to California.

Exemptions for Nonresident Tuition

Some students may qualify for in-state enrollment fees under special rules, even if the standard one-year rule is not met. Special provisions exempting payment of nonresident enrollment fees and tuition are available for certain minors, self-supporting minors, some students whose parents moved out of state, credentialed school employees, agricultural worker families, and other categories created by California law.

Some students may also qualify for nonresident tuition exemptions, such as AB 540-based exemptions, which are different from being classified as a California resident. That means a student might qualify to be exempt from nonresident enrollment fees and tuition rates without actually being classified as a resident for legal residency purposes.

Refer to the SMC Residency webpage at *smc.edu/residency* for more information.

Requesting Reclassification from Nonresident to Resident Status

If you believe your status should be changed because you meet California residency requirements, you must submit the Residency

Questionnaire and any requested documents by the college's deadline for reclassification. **All residency reclassification requests must be made before the start of the term in which you seek to reclassify. Regrettably, missed deadlines will result in denial.**

Students claimed as dependents on a parent or legal guardian's tax return filed in another state cannot establish California residency for enrollment fees or tuition purposes. Financial dependence in the current or prior calendar year also weighs more heavily against residency than dependence from earlier years. Receiving financial support in the amount of $750 or more also disqualifies you from resident status.

Documents for Reclassification Requests

Submit documents that help show physical presence, intent, and, when required, proof of financial independence from parents and legal guardians. At least three sets of documents are generally required, with at least one set supporting each area, and no single set can satisfy all three by itself. The Residency Questionnaire will show what a "set" means for any given category of documents.

Examples may include:

- California resident tax return.
- California driver's license or ID.
- California bank statements.
- Employment verification or paycheck stubs.
- Utility bills, voter registration, or proof of California benefits.

A full listing is available on the SMC Residency webpage and the Residency Questionnaire at *smc.edu/residency*.

Most documents should generally be dated at least one year and one day before the semester starts, and documents older than three years are not considered. The college may also ask for additional documentation before making a decision.

RESIDENCY FOR MILITARY STUDENTS AND DEPENDENTS

If you are on active duty, a veteran, or a dependent of someone in the military, you may be eligible for lower enrollment fees/tuition at Santa Monica College through special military-related residency rules. These options can apply even if you do not meet the standard one-year California residency process used for other students.

Who May Qualify

You may qualify if you are:

- An active-duty member of the U.S. Armed Forces stationed in California.
- The dependent spouse, stepchild, natural child, or adopted child of an active-duty service member stationed in California.
- A veteran discharged or released from at least 90 days of active service, or that veteran's dependent, when the eligibility conditions listed by SMC are met.
- The spouse or child of a service member who died in the line of duty on or after September 11, 2001, if you live in California.
- A student using transferred Post-9/11 GI Bill® benefits through a qualifying service member relationship.
- The dependent child of a federal civil service employee who moved to California because of a military mission realignment involving at least 100 employees.

Veterans: VACA Nonresident Enrollment Fee Exemption

Under the Veterans Access, Choice, and Accountability Act (VACA), military personnel and their eligible dependents stationed in California for noneducational purposes may qualify for in-state enrollment fees.

The VACA exemption is for students who meet the federal definition of a "covered individual" and are using qualifying VA education benefits while living in California. This may include a veteran with at least 90 days of active-duty service, a spouse or child using transferred education benefits, a spouse or child using Fry Scholarship benefits, certain students eligible for vocational rehabilitation benefits, and some Chapter 35 recipients.

To qualify, students must provide documentation such as a Certificate of Eligibility, DD-214, proof of California residence, and, if applicable, a Transfer of Entitlement approval form. *SMC advises students to submit the VACA form at least four weeks before the payment deadline to avoid being charged nonresident fees while the request is under review.*

Students who qualify initially may continue to keep covered individual status after the standard three-year period following discharge or death, as long as they remain continuously enrolled, other than normal academic breaks. This exemption applies to nonresident enrollment fees and related charges, but it is different from standard California residency classification.

Active Duty Military Members

Active-duty service members stationed in California may qualify for resident tuition at SMC. This option does not apply when the California assignment is for educational purposes at a state-supported institution of higher education. To qualify under this category, students must submit a statement from a commanding officer or personnel officer confirming the date of assignment to California and that the assignment is not for educational purposes.

Dependent spouses, stepchildren, natural children, and adopted children may also qualify when the military member is on active duty in California. Their documentation must verify that the service member's duty station was in California on the residency determination date, or that the service member was later transferred outside California or retired after that date.

A student who qualifies through an active-duty military connection can usually keep that status if the service member is later transferred out of California under military orders or retires from active duty, as long as the student remains continuously enrolled at SMC. This continuing eligibility also applies to qualifying dependents.

For students connected to a federal civil service mission realignment, the classification continues until the student independently qualifies as a resident, as long as the student remains continuously enrolled in public higher education.

CALIFORNIA NONRESIDENT TUITION EXEMPTION (AB 540)

Any student, other than one with United States Citizenship and Immigration Services (USCIS) **nonimmigrant** visa status (see exception below for students who have been granted T or U visa status), who meets all of the following requirements, shall be exempt from paying nonresident tuition (this exemption is often referred to "AB 540" after the Assembly Bill which enacted the exemption)

- A student is exempt from paying nonresident tuition if the student meets *all* of the following four requirements:

  1. The student must have:
     - three (3) years of attendance at a California high school, or
     - three (3) or more years of high school coursework and three (3) years of attendance in California elementary schools, California secondary schools, or a combination of California elementary and secondary schools, or
     - attended or attained credits at a combination of a California high school, California adult school, and/or California Community College for the equivalent of three (3) years or more, and
  2. The student must have:
     - graduated from a California high school or attained the equivalent prior to the start of the term (for example, passing the GED or HiSET or CPP), or
     - completed an Associate degree from a California Community College, or
     - completed the minimum requirements at a California Community College for transfer to the California State University or the University of California, and
  3. The student must register as an entering student at, or current enrollment at, an accredited institution of higher education in California, and
  4. The student must file an affidavit with the college stating that if the student is a non-citizen without current or valid immigration status, the student has filed an application to legalize immigration status, or will file an application as soon as the student is eligible to do so.
- Students who are nonimmigrants who are victims of trafficking, domestic violence, and other serious crimes who have been granted T or U visa status, under Title 8 of the United States Code, sections 1101(a)(15)(T) or (U) are eligible for this exemption.
- Students who are nonimmigrants, other than those with T or U visa status as noted above, [for example, those who hold F (student) visas, B (visitor) visas, etc.] are not eligible for this exemption.
- A year's equivalence at a California Community College is a minimum of 24 semester units of credit or 36 quarter units of credit. For noncredit courses, a year's attendance is a minimum of 420 hours, 210 hours for a semester, and 140 hours a quarter.
- The accumulation of credit and/or noncredit in any academic year will be calculated in reference to a year's equivalence. Partial completion in an academic year is allowed. (Example: 12 units of credit courses in an academic year is equal to a semester for purposes of determining eligibility.)
- Attendance in credit courses at a California Community College toward the attendance requirements shall not exceed two years of full-time attendance.
- The student must file an exemption request including a signed affidavit with the college that indicates the student has met all applicable conditions described above. Student information obtained in this process is strictly confidential unless disclosure is required under law.
- Students eligible for this exemption who are transferring to another California public college or university must submit a new request (and documentation if required) to each college under consideration.
- Nonresident students meeting the criteria will be exempted from the payment of nonresident tuition, but they will *not* be classified as California residents. They continue to be "nonresidents."
- The California Dream Act extends Cal Grant A and B Entitlement awards, Cal Grant C awards, the California Promise Grant, and institutional financial aid to students who meet these criteria as well as the applicable criteria for eligibility for specific types of financial aid.
- AB540 does not provide federal student financial aid eligibility for undocumented students. These students remain ineligible for federal financial aid.

Clouding Computing at SMC

continued from page 4

"There's a Department Certificate, a Certificate of Achievement, and an Associate degree," says Dr. Steven Sedky, SMC's interim associate dean of Career Technical Education. "And now, we have a Bachelor's."

That Bachelor's degree is also the best bang for your education buck. For California residents, tuition is estimated at $10,000 for the full four years—a far cry from the cost at traditional four-year institutions, which can run upwards of $29,000 for a single year.

Stahl adds that some students could pay a lot less. "It's two years of an Associate degree, and then the Bachelor's degree is two more," he points out. "If you're arriving at SMC with 60 units, you're going to be spending a lot less to get this degree."

There are other ways to save, of course. SMC also offers financial aid and scholarships. And for high school seniors who meet the requirements, Sedky says, the cost of the first two years of college would be covered by the California Promise Program.

"When you look at the ROI for tech careers, it's the best value in higher education," he says.

Providing that ROI to students has always been a priority at SMC. Sedky notes that the idea for a Bachelor's degree in cloud computing was driven by the College's ongoing quest to create and offer programs that are relevant, not just in terms of workforce demands, but also the quality of life for students, many of whom are the first in their family to attend college. The Bachelor's program was also designed to be flexible, meeting the needs of both recent high school graduates and working adults returning to school.

"We always want to focus on providing economic and social mobility," says Sedky. "Particularly with a Bachelor's degree in the tech space, where wages are high."

"When you have a community college student with an Associate degree who's trying to get a job in tech, and they're competing with a graduate from a four-year university with a degree in computer science," Stahl adds, "it's not exactly an even playing field."

That's why SMC's new four-year degree is great news, says Kai Shimoda, an alum of the SMC cloud computing program who now works as a software engineer for a local government agency. The degree changes the game for community college students seeking to advance in the tech sector.

"The main appeal of going to a four-year university was to get a work position," Shimoda explains. "But with how things are right now, that's not guaranteed. Being able to secure something now, something that's already in the field I'm working toward, is more beneficial in my eyes."

Anselmo agrees.

"To be honest, I'd given up on the traditional schooling system," he confesses. "I'd always wanted a Bachelor's degree, but I just couldn't see myself pursuing one. I didn't have the time to go back to school full time at a traditional four-year. So I put school on the back burner.

"But now, this cloud computing degree is like a green light," he says. "I'm really excited. I feel like SMC is taking a brand-new approach that's long overdue."

Technology never stands still. It's always changing, always reinventing itself, and with it, society. That's why SMC is already looking beyond the horizon, trying to get a glimmer of what's to come. And along with that, figuring out new ways to best support students as they face an ever-changing labor market.

"AI is a big part of the workflow in the cloud computing space," Sedky points out by way of example. "That's why we're looking at updating the curriculum to embed AI training, so that students are ready for what's coming."

Similar to how they expanded the initial cloud computing certificate program into a regional collaboration, Stahl and the rest of the CSIS Department faculty are now exploring ways to promote increased access to the degree. Along with an on-ground cohort, they're planning a fully online cohort, which would make it possible for any resident in California to earn the degree. Whether it runs depends on how many students apply.

"We're thinking about a cohort that would run on ground," Stahl says. "And then we're also thinking about the cohort that would run all online. That way, we can recruit from across the state and really grow the program."

An online option would be amazing, says Beatriz Galarza, who's slated to graduate with the Associate degree in Cloud Computing this semester, but has already decided she'll be applying for the Bachelor's program. After her first year at SMC, she moved to Carlsbad, California, and now drives to attend classes on campus twice a week. Her commute takes anywhere from 90 minutes to two hours.

"I'm hoping it's a little bit of both," she says of in-person and online classes. "I enjoy going to school and seeing people. But I also appreciate not having to wake up early."

Ready to apply? Applications for the Bachelor of Science in Cloud Computing are still being accepted. Students who apply by the priority deadline of Jan. 15, 2027, will be in the first round of review; the final deadline is March 1, 2027. Admission decisions are expected in mid-March, and the first cohort starts in fall 2027.

FINANCIAL AID:

Useful Steps and Information

MAINTAINING PERSPECTIVE

Although the "financial aid process" may sometimes seem complicated — don't give up. The best way to approach the process is to look at it this way: A student who received funding for the 2025-2026 academic year spent an average of about 6 hours gathering information, making photocopies, filling out forms, making more photocopies, and standing in line waiting to use the computer in order to apply for financial aid. However, since the average financial aid award was approximately $1,500, this would translate into (at least) $250 for each hour of effort.

FINANCIAL AID LANGUAGE

As you make your way through the financial aid process, you'll find that certain acronyms and abbreviations are used regularly. Here's a list of some you'll probably encounter:

FAFSA — Free Application for Federal Student Aid. This is the application form that students must complete to apply for financial aid. The information submitted on the FAFSA is processed through the Federal Processing Center and financial aid eligibility information is provided directly to the college. The college then determines a student's eligibility for financial aid, how much and what types of aid the student is eligible to receive, and how much the student is expected to contribute towards his or her education.

EFC — Expected Family Contribution. The amount of money that the student (and parent, when applicable) is expected to contribute toward covering the costs of the student's education.

SAR — Student Aid Report. The form students receive, after their FAFSA has been processed, which notifies them of their eligibility status for financial aid.

FSEOG — Federal Supplemental Educational Opportunity Grant (see the box labeled "Types of Financial Aid Available" for information).

FWS — Federal Work-Study (see the box labeled "Types of Financial Aid Available" for information).

PLUS — Parent Loans for Undergraduate Students (see the box labeled "Types of Financial Aid Available" for information).

CCPG — A term that used to refer to the California College Promise Grants (see the box labeled "Types of Financial Aid Available" for information).

SSCG — Student Success Completion Grant (see the box labeled "Types of Financial Aid Available" for information).

Before You Begin

SMC offers a variety of ***scholarships*** and ***financial aid*** if you need financial assistance to help you attain your education goals. However, you need to understand the difference between what is considered a scholarship and what is considered financial aid:

Scholarships come from private donors, foundations, and other non-government sources. Scholarships may or may not require you to have financial need to be eligible — and a surprising number of them don't!

Financial aid comes from federal and state government sources and usually requires you to have demonstrated "financial need" (as well as meet a number of other requirements) to be eligible.

Visit the Scholarship Office to find out more about scholarships. There are more than 300 different types of scholarships available that you might qualify for — too many to list and describe here, but stop by the Scholarship Office as soon as possible. **In addition, don't forget to look up additional scholarships at *smc.edu/scholarships***

To find out more about financial aid, take a few minutes to read the information below…

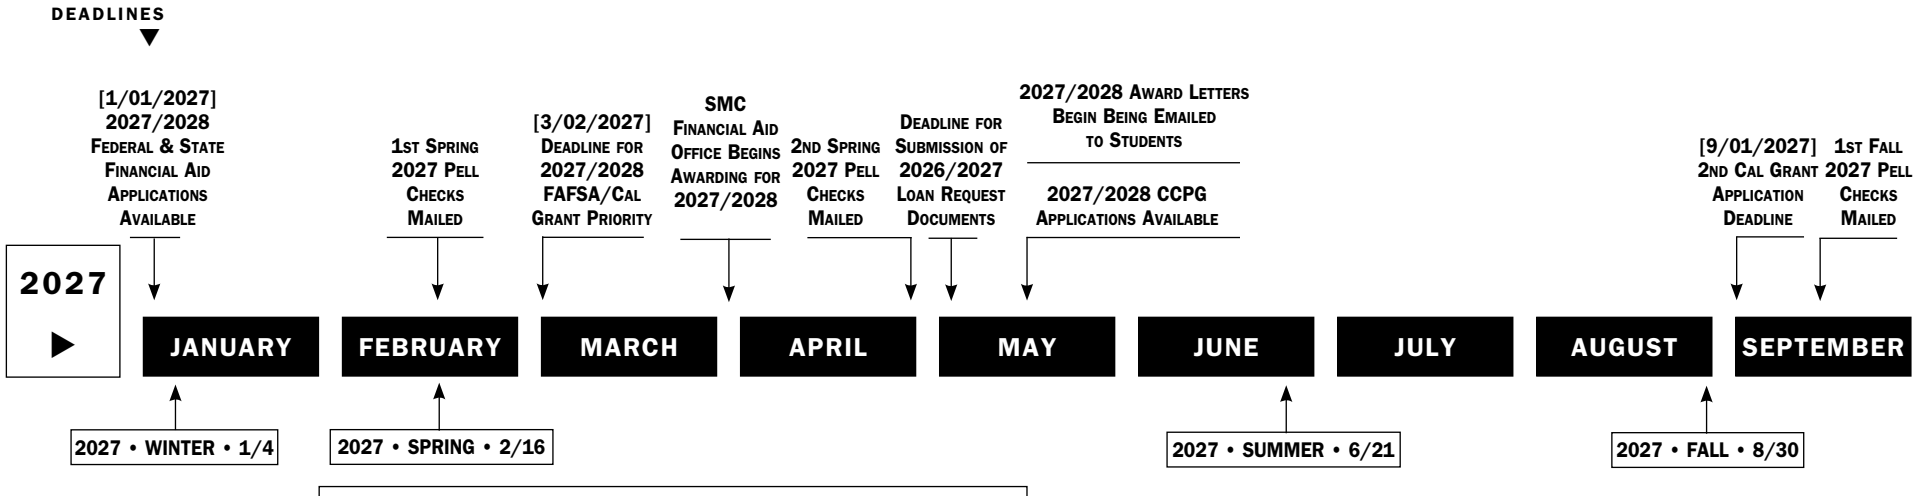

If You Need Help

Determining what kind and how much financial aid you might be eligible to receive is often considered a complex process with a lot of variables. However, the process is not impossible to understand and certain application and award calculation procedures have recently been simplified a great deal.

Still, if things seem confusing to you, don't panic! ***At SMC, the Financial Aid Office will help you*** apply for federal and state grants, work-study funds, and other financial assistance.

In order to be eligible for most types of financial aid, you must have "financial need" as determined by the federal government. You also need to commit some of your time and effort to working with the Financial Aid Office and START THE FINANCIAL AID APPLICATION PROCESS ***AS EARLY AS POSSIBLE***. January is the best time to begin applying for the following academic year (see the timeline below for specific dates and deadlines).

The Financial Aid Office can assist you with your individual situation, answer your questions, sort out information, and help you to apply for financial aid funds.

TIMELINE FOR APPLICATIONS

Here's How To Apply

When you apply for Federal Financial Aid, you will need to provide information about your personal financial situation. This information is used to determine whether your financial needs meet the requirements for eligibility for financial aid.

STEP 1:

In order to apply for the various types of Federal Financial Aid:

- You (and your parents or spouse, if applicable) need to complete the Free Application for Federal Student Aid (FAFSA) online at *studentaid.gov/fafsa* (be sure to create a Federal Student Aid ID BEFORE you submit your FAFSA).
- Be sure to use the IRS Data Retrieval Tool to transfer your financial information from your taxes to your application and also be sure to list the six digit Title IV school code for SMC 001286 – on your FAFSA.

NOTE: To apply for a Cal Grant for use at California colleges in the 2027-2028 award year, you must submit a 2027-2028 FAFSA AND a Cal Grant Grade Point Average (GPA) Verification Form. For "priority consideration," you need to submit both by March 2, 2027. The Cal Grant GPA Verification Form needs to be completed by the high school or college you most recently attended.

STEP 2:

After you have submitted your FAFSA:

- You will receive a Student Aid Report (SAR) in the mail, unless you provided an e-mail address. If you provided an e-mail address, you will receive an acknowledgement by e-mail and be referred back to the FAFSA website, where you can print out your SAR information.
- Check to make sure that all of the information listed on your SAR is correct. Pay particular attention to all comments listed on the SAR and any information in bold print or marked "assumed."
- If you need to make corrections to the SAR, inform the Financial Aid Office. Most corrections can be made electronically by SMC.

Students whose FAFSA information was rejected by the Federal Processing Center will receive a letter informing them that they need to contact the Financial Aid Office immediately in order to correct and re-submit their information.

- Your Student Aid Report (SAR) will tell you if you are ELIGIBLE to receive a Federal Pell Grant. If you do not qualify for a Pell Grant, don't give up! You may still be eligible for other types of financial assistance, including federal work-study and scholarships.

STEP 3:

After the Financial Aid Office receives an electronic version of your FAFSA information from the Federal Processor, you will receive an email from Santa Monica College. This email will direct you to the Financial Aid Portal within Corsair Connect. In the Financial Aid Portal you can see what documents you need to submit or what actions you need to complete.

Students selected for verification will need to submit specific documents to "verify" certain information (such as income, number in household or number in college) listed on the FAFSA. As such, you may be requested to submit copies of federal tax returns and verification of untaxed income, assets, or number in household or college.

- Some students may have to submit proof of Selective Service Registration or Eligible Non-Citizen Status to the Financial Aid Office.
- After you have completed all of the required forms and have gathered together all of the requested additional documentation, you may either mail the documents or bring them to the Financial Aid Office.
- All of the documents should be returned within 15 working days from the day you received the written request.

STEP 4:

After the Financial Aid Office has received and reviewed all of your paperwork, if you are eligible for federal or state aid, you will be sent a:

"Financial Aid Award Notification Email" which will provide you with your estimated financial aid award package. Be advised that the financial aid award amounts listed in the Financial Aid Award Notification Letter are based on full-time enrollment of 12 units or more for both the fall and spring semesters.

STEP 5:

In addition to the FAFSA, if you are a California resident, be sure to complete and submit a California College Promise Grants (CCPG; formerly Board of Governors Fee Waivers) in order to determine if you are eligible to have certain enrollment fees waived. Eligibility is based on specific income criteria. You can download the CCPG application form from the Financial Aid Office's website at ***smc.edu/financialaid***

NOTE: AB540 student can apply for Cal Grants and California College Promise Grants (CCPG; formerly Board of Governors Fee Waivers) by completing the California Dream Application at the following: ***dream.csac.ca.gov***

Information regarding the California Dream Act can be found at the SMC Financial Aid webpage: ***smc.edu/financialaid***

Be sure to follow all instructions CAREFULLY. Remember, when applying for financial aid, you are dealing with several government entities. If something doesn't make sense to you, or if you think your information may be unclear, go to the Financial Aid Office and ask the staff to explain it to you. Ask questions until you are sure you understand.

TYPES OF FINANCIAL AID AVAILABLE AT SMC

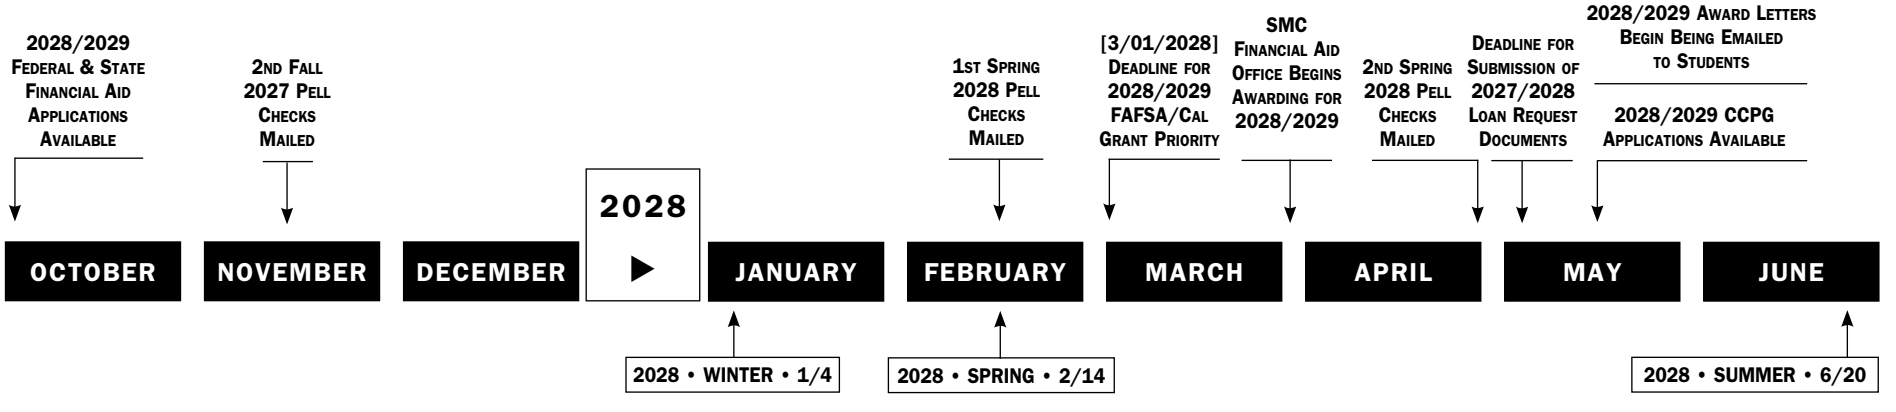

There are a variety of financial aid programs that help students by providing them with assistance for education costs. SMC students may apply for the following:

GRANTS: Grants are awards that don't need to be repaid.

- **Pell Grants** — Federally funded grants of up to $11,092 per year to eligible undergraduate students.
- **Federal Supplemental Educational Opportunity Grant (FSEOG)** — A Federal grant of approximately $700,000 given to the College for disbursement to eligible students that demonstrate high financial need (average Santa Monica College student award up to $200 per semester until these funds are completely expended).
- **Cal Grant B** — State-funded award for eligible students from disadvantaged backgrounds or low-income families who have exceptionally high financial need, to provide them assistance with enrollment fees, living expenses, books, supplies, and transportation (the average Santa Monica College student award is $1,656 per year).
- **Cal Grant C** — State-funded award for eligible students from low and middle income backgrounds enrolled in vocational training programs, to provide them assistance with training costs such as tools, books, and equipment (average Santa Monica College student award is $547 per year).
- **California College Promise Grants (CCPG)** — State-funded waivers of enrollment fee for eligible students.
- **Federal Work-Study (FWS) funds** — Federally funded program that provides wages to eligible students for both on-campus and off-campus employment.
- **Student Success Completion Grant (SSCG)** — State-funded grant awarded to full-time students and full-time Cal Grant B or C recipients, to provide an additional $2,596 to students enrolled in 12-14 units per semester, or up to $8,000 to students enrolled in 15 or more units per semester.

LOANS: Loans are available to help students meet their education costs. Loans, plus the interest, MUST be repaid.

- **Stafford Loans (Subsidized or Unsubsidized)** — Federally administered, low-interest loans to eligible students who have remaining need or no unmet need.
- **Parent Loans for Undergraduate Students (PLUS Loans)** — Federally administered, low-interest loans to parents of students who are considered dependent according to federal regulations.

SMC PARKING & TRANSIT GUIDE

Students attending SMC have many options to get to campus without driving alone. Visit **smc.edu/transportation** to learn about the transportation services and choices available at SMC. Use SMC's personalized trip planner **commute.smc.edu** to explore all your options (bike, walk, transit, carpool, and car) on one screen. It includes costs, time, route maps, calories burned, and CO_2.

Parking

PARKING PERMITS

All vehicles parked at SMC's Main Campus, Performing Arts Center, and Center for Media and Design MUST have a valid virtual parking permit, which may be obtained at **smc.edu/parking**. All vehicles without a valid virtual permit will be ticketed. NOTE: Motorcycles, electric vehicles, and vehicles with handicapped placards/hang tags are NOT exempt.

Please note: Because the permit is VIRTUAL, there is no sticker or printed document required. Officers will scan license plates to verify a vehicle has a valid permit.

Virtual parking permits for the SMC Main Campus, Center for Media and Design (CMD), and the Performing Arts Center (PAC) can be purchased online at **smc.edu/parking**. Parking at the Bundy/Airport Arts and Malibu campuses is free.

PARKING LOTS AND STRUCTURES

Paid virtual parking permits are valid at all campuses (Main, CMD, PAC, Bundy, and Malibu). Parking is enforced 24/7.

SANTA MONICA COLLEGE | smcixd

Design your future
with a Bachelor Degree in Interaction Design

Through hands-on collaborative experiences, you'll learn the essentials of Interaction (IxD) and User Experience (UX) Design while earning a fully accredited BS degree.

Why IxD?

Innovations such as mobile apps, wearable technology, connected appliances, self-driving cars, and AR/VR are creating strong demand for a new kind of designer who understands the user and employs a human-centered approach.

Interaction designers ensure that products and services are appealing, effective, and intuitive for their users.

Why SMC?

CAREER-FOCUSED
The SMC IxD program focuses on project-based courses and provides relevant, real-world skills and internship opportunities.

LOCATION
Heart of Silicon Beach, with more than 500 start-up companies and major tech companies such as YouTube, BuzzFeed, Google, and Facebook.

COST
Very affordable Bachelor degree, with total tuition running around $10,000. Financial aid and scholarships available.
