Continuing Students do **NOT** have to reapply for admission. If you have never attended Santa Monica College (**New Student**) or have been away for two or more consecutive semesters (**Returning Student**), you must first:

You will be e-mailed an admission letter. Please review it for information on orientation, assessment, and enrollment.

After your orientation, you will be able to sign up for classes through the “Corsair Connect” link at www.smc.edu on the date and time of your enrollment. **There is NO need to come to campus to enroll.**

International Students

Santa Monica College defines an “international student” as a student attending the College while in F-1 student status. The international student application is available

online (go to www.smc.edu/iapp). Please visit www.smc.edu/international for additional information about the application process and deadline dates, tuition and fees, and support services for F-1 students. For the Winter 2014 session, applications for out-of-country applicants must be submitted by November 15, 2013; and applications for in-country applicants who already have an F-1 visa must be submitted by January 5, 2014. For the Spring 2014 semester, applications for out-of-country applicants must be submitted by November 15, 2013; and applications for in-country applicants who already have an F-1 visa must be submitted by January 5, 2014. For the Summer 2014 session, applications for out-of-country applicants must be submitted by April 15, 2014; and applications for in-country applicants who already have an F-1 visa must be submitted by May 15, 2014.

To maintain F-1 visa status, ALL international students MUST COMPLETE twelve (12) or more units in the Fall and Spring semesters. F-1 students may enroll in no more than one online class during a semester, and are NOT eligible to enroll in online classes during their first SMC semester/session. International students who begin their studies during a Summer or Winter session must complete a minimum of four (4) units during their first session. Summer and Winter sessions are optional for continuing international students.

- Students in F-1 status from other schools may enroll at SMC on a limited basis. Please consult with the International Education Center for more information.
- Students in other statuses (not F-1) may enroll through the Admissions Office. If you are currently in B status, you cannot enroll until you change status to F-1 or another status with education privileges. Please contact the International Education Center for details.

Veterans

Santa Monica College is approved as an institution for higher learning for veterans and veterans’ dependents entitled to educational assistance from the Veterans Administration (VA). The College cooperates with the VA in helping veterans. SMC offers academic, career, and transfer counseling, as well as priority enrollment, tutoring, and other services to support veterans in achieving their educational goals.

Students wishing to attend SMC under one of the veterans’ assistance bills must:

- File an application for admission to SMC (go to www.smc.edu/admissions), and follow all the admissions procedures;
- File an application with the VA at www.gibill.va.gov for educational benefits;
- Arrange for official transcripts from all colleges and universities you have attended to be sent to the SMC Admissions Office (failure to do so may lead to temporary suspension of benefits); and
- Take a printout of your application for VA educational benefits, a copy of your Report of Separation from Active Duty (DD214), and unofficial copies of your transcripts to the Veterans’ Resource Center, located in Room 135 of the Liberal Arts building.

The Veterans’ Counselors will review your documents and assist you in creating an educational plan. Once

you have enrolled in classes, you will need to return to the Veterans’ Resource Center and complete paperwork for your benefits. Please see the Veterans’ Counselors for details.

Students with Disabilities

If you wish to use the special counseling services provided through the Center for Students with Disabilities, call (310) 434-4265. The video phone number is (866) 957-1809.

Printed SMC materials are available in alternate media upon request. To request publications in alternate formats for disability accommodation, e-mail DSCcontact@smc.edu or call (310) 434-4265. This Schedule of Classes is also available online (see www.smc.edu/schedules).

Disqualified Students

If you have been disqualified (dismissed) from Santa Monica College for poor academic performance or unsatisfactory progress and you have been away from SMC for one semester or less, you must file a “Disqualified Student Petition for Reinstatement to Probationary Status,” which can be accessed online through the Transfer/Counseling webpage at www.smc.edu/counseling (click on the “Disqualified and Probation Policies” link, and then click on the “Santa Monica College DQ Form” link). Please complete the form and bring it with you when you meet in person with a counselor. The counselor will determine whether reinstatement is possible and what conditions you must meet to enroll at SMC.

If you are a disqualified student and you have been away from SMC for two consecutive semesters (one year) or longer, you must file both an SMC admission application online (go to www.smc.edu and click on “New Students Apply Online,” then follow the instructions). After you submit your online application, a link to the Petition for Readmission will appear. Click on the link, then fill out and submit the petition. You must also arrange for all transcripts (official or unofficial) to be sent to the Transfer/Counseling Center, **ATTN: Readmission Committee, Santa Monica College, 1900 Pico Blvd., Santa Monica, CA 90405**. The Readmission Committee will email its decision on your request for readmission—along with any further instructions—to your SMC email account.

If you have been disqualified from SMC more than once, you will be asked to take a break from attending SMC for up to a maximum of one year.

For further information, please see an SMC counselor.

Assessment Information

Assessment Center Location and Testing Hours

The Assessment Center, located in Room 109 of the Liberal Arts building, offers testing services on a walk-in, first-arrival basis Monday through Thursday 9 a.m. to 2 p.m., and Friday 9 a.m. to 11 a.m. Please check our website (www.smc.edu/assessment) or call (310) 434-8040 for up-to-date information on office and testing hours. To receive assessment services, you must present a valid government-issued photo identification (e.g., driver’s license, passport, current high school ID, military ID) and have already applied for SMC admission. Note that there may be an extensive wait during heavy testing periods. Students are strongly encouraged to review the practice exams available on the Assessment Center website prior to taking the tests.

Mandatory Assessment

Assessment is essential to evaluate your skills and choose the courses that best meet your needs. Assessment is used only to generate placement recommendations, and not to advance students to higher-level courses. If you have questions about the assessment process, please stop by the Assessment Center or consult with a counselor in the Transfer/Counseling Center.

Assessment in English or ESL and in math is **mandatory** if you are:

- A first-time college student enrolling in more than six (6) units during your first semester at SMC; or
- A continuing student who has not completed the assessment process; or
- Enrolling in an English, ESL, or math course for the first time (even if not a first-time college student);
- Enrolling in courses with recommended English or math preparation; or
- A high school concurrent enrollment student taking courses other than designated activity/performance courses.

Based upon your assessment results, you will receive an English, ESL, or math placement recommendation.

All assessment results are valid for a period of one calendar year. Make sure you enroll in the courses your assessment results qualified you for BEFORE those assessment results expire. Once your results have expired, you will be blocked from enrolling in those courses and will need to retest.

Assessment Exemptions & Placement & Prerequisite Waivers

You may be exempt from assessment if you meet certain qualifications. You may also be granted placement and prerequisite waivers—as well as credit—for selected English, ESL, math, and chemistry courses under specific circumstances. Please see our webpage (www.smc.edu/assessment) for an overview, then consult with a counselor at the Transfer/Counseling Center for details.

PLEASE NOTE: Although you may be exempt from assessment, you still must successfully complete—or receive waivers for—any prerequisite courses (or their equivalent) that are required for classes in English (or ESL), math, chemistry, Anatomy 1, Biology 21/22/23, Microbiology 1, Physiology 3, and physics. For further information, please consult with a counselor at the Transfer/Counseling Center.

BOOKS & MATERIALS

The Federal Higher Education Opportunity Act (HEOA) requires Santa Monica College to provide students with the International Standard Book Number (ISBN), retail price, and/or other information (subject to change) about the required or recommended textbooks and supplemental materials for each course offered at SMC. Please go to bookstore.smc.edu and click on “Buy Textbooks” for details. For other book-related information—including dates for book buybacks—please visit the SMC Bookstore website (bookstore.smc.edu).

SMC STUDENT EMAIL

Santa Monica College uses Google Gmail to communicate with students and to provide each SMC student with an email account that offers a lifetime email address (as long as Google is the service provider). Gmail accounts are very user friendly, can be reached from any computer with Internet access, include 8GB of online storage, and give students access to Google Docs and Calendar. Before you set up and start to use your Gmail account, be sure to read the Google Privacy Policy (see the link at

www.smc.edu/google). To set up your Gmail account, go to www.smc.edu, click on the “New Students” or “Continuing Students” link, then click on “Corsair Connect” and follow the instructions.

ACCESSIBILITY ADVISORY

To the best of our knowledge, no programs at SMC are inaccessible, and SMC does not schedule single offerings in inaccessible locations. However, some locations are not accessible to students with specific disability-related access needs. We will relocate classes to accommodate individual students. To initiate this process, please call the Center for Students with Disabilities at (310) 434-4265 voice, (866) 957-1809 video phone, or (310) 434-4272 FAX.

The path of travel from the public bus stops on Centinela to the Bundy and Airport Arts campuses is a steep grade that may be inaccessible for some with mobility limitations. However, the Sunset Ride, an accessible public bus line, stops inside the Bundy Campus.

In addition, the following classrooms have access restrictions:

Airport Arts Campus (2800 Airport Ave.): Rooms 11, 12, 13, 14, 24.

ESL Building: Wheelchair access to restrooms is available with an access key to the staff restroom.

Letters and Science: Rooms 201, 203, 205.

Liberal Arts: Rooms 200, 204, 214, 217, 220, 223, 228, 231, 236, 237, 239, 240, 243.

Access keys are required for elevators when classes are not in session in the Business, Art, Gym basement elevator, and Student Activities buildings, and for the accessible restrooms in the Letters and Science, Art, and ESL buildings. For access-key copies, go to the Center for Students with Disabilities (Room 101 of the Admissions/Student Services Complex) or call (310) 434-4265.

VOLUNTARY FIELD TRIPS DISCLAIMER

Santa Monica College may sponsor voluntary field trips or excursions in which you may want to participate. If you do, according to the California Code of Regulations (Title 5, Section 55220), you are deemed to have held harmless the District and its officers, agents, and employees from all liability or claims which may arise out of or in connection with your participation in this activity.

STUDENT TRANSPORTATION DISCLAIMER

Some SMC classes meet at off-campus locations. Santa Monica College does not provide transportation to these sites, and all transportation arrangements are the responsibility of the student. Although College staff may assist in coordinating transportation or may recommend travel times, routes, caravanning, etc., these recommendations are not mandatory. Santa Monica College is in no way responsible and assumes no liability for any injuries or losses resulting from this non-District-sponsored transportation. If you ride with another student, that student is not an agent of, or driving on behalf of, Santa Monica College.

Enrollment

IMPORTANT: All enrollment transactions take place online through the web. You may enroll in any class with space available until the evening **before** the **second** class meeting. Beginning the day of the **second** class meeting, you must have an Instructor Approval Code—which allows you to enroll from any computer—for each class you wish to enroll in, even if the class has space available. NOTE: The enrollment deadline for online, hybrid, or

Arranged Hours classes is the Sunday evening prior to the week the course begins. If the class is full, you will need an Instructor Approval Code.

You may enroll by web on or after the enrollment date and time assigned to you. You may view your enrollment date and time through the “Corsair Connect” link at www.smc.edu.

You may enroll through SMC’s website (www.smc.edu) using a home computer. You may also enroll by using computer terminals at designated times in the Admissions Office lobby, the library, or the Cayton Center. Please note that the Cayton Center terminals require a valid A.S. ID card and password.

Please note: All enrollment takes place on the web via Corsair Connect. If a class is closed, please keep trying, as it will re-open if space becomes available. For more information about the enrollment process, please see the “Enrollment Info” link at the SMC Admissions webpage (www.smc.edu/admissions).

ENROLLMENT BY WEB

You may enroll by web on or after the enrollment date and time listed for you by logging onto the “Corsair Connect” link at www.smc.edu. Beginning the day of the **second** class meeting, you will need an Instructor Approval Code to enroll. PLEASE NOTE: If you are enrolling in an online, hybrid, or Arranged Hours class WITH SPACE AVAILABLE, your enrollment deadline is the Sunday evening prior to the week the course begins. If the class is full, you will need an Instructor Approval Code. For online courses, you will need to email the instructor a request for an Instructor Approval Code.

You can enroll from any computer in the Admissions Office lobby, the library, or the Cayton Computer Lab (which requires a valid A.S. ID and password). You may also enroll from home if you have Internet access.

1. Go to www.smc.edu
2. Click on “Corsair Connect”;
3. Enter your student ID number and your password;
4. Follow the instructions provided.

To confirm that the classes you selected have been added, click on “Transaction Receipt” in the menu on the left. If the receipt is correct, print out a copy. **You must have this printout to contest any discrepancies.**

You may also **add** or **drop** classes by web. If you decide NOT to attend a course you have enrolled in, it is YOUR responsibility to officially withdraw from it.

For payment information, see the PAYMENT POLICY section.

WAITPOOLS

Students may be given the opportunity to join a waitpool for a class section. Students in a waitpool will receive a notice by email if a seat has become available, providing an opportunity to enroll in the course on a first-come, first-served basis. Notification of an opening DOES NOT AUTOMATICALLY ENROLL YOU IN THE CLASS. Students who are not in a waitpool but find out about an open seat are also welcome to enroll on a first-come, first-served basis. Please visit www.smc.edu/enrollinfo for more details about the waitpool process.

PHOTO I.D.

To obtain your SMC student I.D. card, go to the Photo I.D. Station (behind the Bursar’s Office). You will need your card to use the College’s tutoring centers and computer labs, ride free on all Big Blue Bus routes, and purchase tickets for (or attend) certain student events or activities.

Fees

IMPORTANT: All efforts have been made to present complete and accurate fee information. **All fees are subject to change without notice.** Fees listed in this schedule of classes were current at the time this schedule was published. Consult the Admissions website for the latest details.

There are no enrollment, student service, or Health Services fees for Adult Education classes (designated by section numbers of 7000 or above).

Enrollment Fee: \$46 per Unit (subject to change)

All students—resident and nonresident—in graded credit courses must pay an enrollment fee of \$46 per unit. **This fee is subject to change without notice.**

Student I.D. Card, Activities, & Health Fee: \$47.50 for Winter Session 2014

Students in Winter session credit classes will pay a fee of \$47.50. This fee includes a mandatory \$15 Health Services fee, plus the optional \$13 for the SMC student I.D. card, and \$19.50 for Associated Students Membership support, both of which provide special benefits (contact the Admissions Office or Bursar's Office at time of enrollment if you do not wish to pay these fees):

- **SMC Student I.D. Card with Picture**—Offers a convenient way to speed up checking out books and materials from the SMC Library and the campus tutoring and course-related labs and learning resource centers. If you wish to take advantage of the Big Blue Bus "Any Line, Any Time" service, you will need to "activate" the I.D. card AND have a current semester Associated Students sticker. Go to www.smc.edu/transportation for details.
- **Associated Students Membership**—Supports SMC's many student clubs, scholarships, the "Any Line, Any Time" program, and other activities that foster academic achievement, social interaction, and community involvement. All fees are subject to change without notice. Please see the "Fees" link at www.smc.edu/admissions for details. For residency information, visit the SMC website (www.smc.edu), or call the residence clerk in the Admissions Office at (310) 434-4461 or (310) 434-4595.

Materials and Supplies Fees

Some classes require additional fees for materials and supplies. Consult the class listings in this schedule to

determine whether any such fees are required. Please note that these fees are NOT refundable.

On-Campus and Satellite Campus Parking Decals

An on-campus parking decal does NOT guarantee you a parking space. What a parking decal does entitle you to use on-campus student parking areas on a space-available, first-arrival basis. NOTE: Your parking decal is for ON-CAMPUS PARKING ONLY—it is NOT a residential (street) parking permit.

For parking at **SMC's main campus**, you MUST purchase a parking decal for \$45 for the Winter session. This decal provides access to parking lots at ALL SMC campuses. You are encouraged to purchase parking decals online through the "Corsair Connect" link at www.smc.edu. **You will be able to print a temporary permit to place on your vehicle's dashboard until the actual permit arrives by mail, usually in 3-5 business days.** Students who receive benefits under Temporary Aid for Needy Families (TANF), SSI, or a general assistance program are eligible for a parking fee reduction, provided that they have been awarded a Board of Governors Enrollment Fee Waiver for the academic year.

Parking at SMC satellite campuses (Airport Arts, Bundy, or the Performing Arts Center) is FREE for students attending classes there, but REQUIRES A DECAL. Satellite campus decals may be picked up in person or—for a small fee to cover mailing costs—requested online through the "Corsair Connect" link at www.smc.edu. See www.smc.edu/transportation for details.

Parking at the **SMC Bundy Shuttle Lot** is FREE for SMC students, but REQUIRES A DECAL. Please see SMC's transportation webpage (www.smc.edu/transportation) for the latest details.

PLEASE NOTE: Student parking decals are NOT valid for faculty/staff parking areas.

Inter-campus shuttle service is FREE (SMC I.D. required). Please consult SMC's parking webpage (www.smc.edu/transportation) for routes and operating hours.

Handicap Parking: The display of a DMV handicap placard AND an SMC parking decal entitles you to park in any handicap, student, or staff parking space.

"Any Line, Any Time" Big Blue Bus

SMC students with a current SMC student I.D. can ride ANY Big Blue Bus ANY time—for FREE!—if they have paid the Associated Students membership fee AND have swipe-activated their SMC student I.D. Special thanks go to the SMC Associated Students for funding this major expansion of SMC's transportation initiative—launched in 2007 in partnership with the Big Blue Bus—aimed at improving access to SMC and reducing traffic, noise, and air pollution in the community. See www.smc.edu/transportation for details.

Withdrawal Refund Schedule

Please see the Fees webpage at www.smc.edu/fees for details.

Payment Policy

PAYMENT

PLEASE NOTE: You may be eligible to receive some form of financial aid. If so, you should call the Financial Aid Office at (310) 434-4343 as soon as possible. Work Study funds and State Board of Governors (BOG) fee waivers are available for the Winter session (go to www.smc.edu/financialaid for details).

You can pay your fees by using a MasterCard or Visa credit card at the same site where you enroll. For other payment options, see the "How to Pay" information.

- All enrollment and related fees for your course(s) are DUE ON THE DAY YOU ENROLL. If you do not pay the fees IN FULL, you will be DROPPED from your course(s) at midnight.
- Please remember that it is YOUR responsibility to drop any courses you do not wish to continue. If you do not drop the courses by the refund deadline—even if you never went to class—you will be responsible for paying the fees and a hold will be placed on your records until all fees are paid. A hold on your records prevents you from enrolling in future courses at SMC and restricts access to Admissions Office services such as providing transcripts, enrollment verification, issuing diplomas, etc.

How to Pay

SMC offers students several payment options.

- You may pay fees in cash, by check, by money order, by cashier's check, or by Visa, MasterCard, or Discover, or if paying IN PERSON, American Express.
- Nonresident tuition may be paid in cash, or by money order, cashier's check, or a personal check drawn on a California bank, in person, at the Bursar's Office.

You may pay:

- In person at the Bursar's Office (located north of the Counseling Complex);
- By web using a Visa or MasterCard ONLY (**web enrollment takes place on a certified secured site, and all data transactions are encrypted;** to pay fees online, log on through the "Corsair Connect" link at www.smc.edu, make sure the **correct "school semester"** is selected, and select "Pay Fees Online" from the menu on the left);
- By mailing your check, money order, or cashier's check (no cash) to Santa Monica College, Bursar's Office, 1900 Pico Boulevard, Santa Monica, CA 90405; or
- By depositing a check, money order, or cashier's check (no cash) in the collection chute at the Bursar's Office.

If you have any credit for any prior transaction(s), the amount will be applied to any owed balance.

Financial Assistance

The California community college system is funded by the State of California. Students who meet certain state residency requirements pay an enrollment fee and may qualify for a BOG Fee Waiver to cover certain costs associated the enrollment fees. The BOG Fee Waiver, however, will NOT cover the Health Services fee or the Associated Students membership fee. In addition to the BOG Fee Waiver, Santa Monica College offers students a variety of financial assistance, which includes both federal and state financial aid to help pay for some of the basic costs of living while attending college. Many of these financial aid programs have early deadline dates and require time to process the application forms. Be sure to start the financial aid process as soon as possible.

Under certain circumstances, students who meet specific California residency requirements may be exempt from paying enrollment fees if they file a BOG Fee Waiver application with the Financial Aid Office. For example, if you can document that you are a recipient of Temporary Aid to Needy Families (TANF), Social Security Income (SSI), or General Relief (GR), or that your income meets specific criteria, you may be exempt. **Before starting**

enrollment procedures, please contact the Financial Aid Office (or review the information available at www.smc.edu/financialaid) to determine your eligibility for a BOG Fee Waiver.

If you feel that you need financial aid to assist you with achieving your educational goals, visit the Financial Aid Office. The Financial Aid Office is open Monday from 8:30 a.m. to 4:30 p.m., Tuesday and Wednesday from 8:30 a.m. to 6 p.m., Thursday from 8:30 a.m. to 4:30 p.m., and Friday from 8 a.m. to 12 noon. Hours are subject to change without notice. For additional information, please visit the Financial Aid Office's website at www.smc.edu/financialaid or call the office at (310) 434-4343.

COURSE SEQUENCING CHART

Your starting point in the math course sequence depends on the results of your Math Assessment test. For that reason, it is wise to prepare before taking the Math Assessment. Information about the Math Assessment and practice test materials are available at the SMC Assessment website, www.smc.edu/assessment.

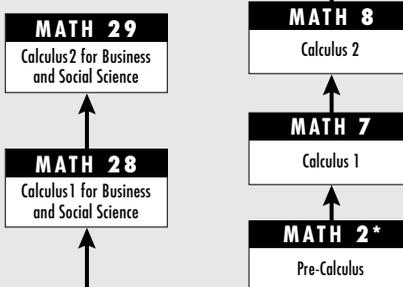

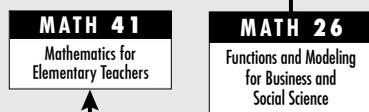

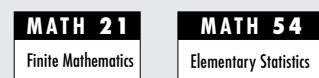

Higher Level Mathematics Courses

**Although these courses may be taken in any order after completion of Math 8, students are advised to complete Math 11 and Math 15 before enrolling in Math 13.

College Level – Transfer Courses

The transfer math course you choose depends on your major and the university to which you want to transfer. Please consult with an SMC counselor or refer to www.smc.edu/transfer to make sure that the course you take is appropriate for your goals.

Math 18 or Math 20?

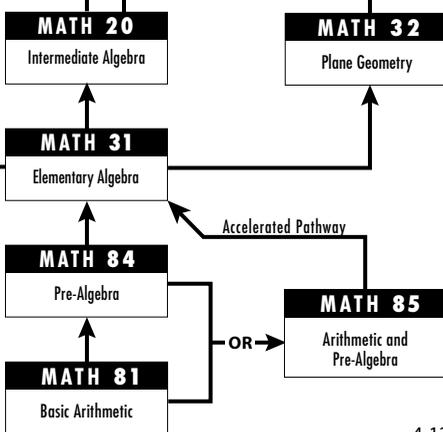

- Students who know they will need only Math 21 or Math 54 for transfer, usually Liberal Arts and Social Science majors, may take either Math 18 or 20 as the prerequisite course.
- Students who plan to take Math 41 or to follow either of the calculus sequences must take Math 20 as the prerequisite course.
- Students who plan to take a non-math course which lists Math 20 as a prerequisite should take Math 20 unless otherwise advised by the department offering the non-math course.

***Math 2**
Students who wish to take Math 2, Precalculus, need to take Math 32 in addition to Math 20.

Pre-College Level

Math 81, 84, 85, 31, 32, 18, and 20 will not transfer to the UC and CSU systems, but all these courses are prerequisites for college level math courses and some courses in other departments.

For an AA degree, SMC requires the successful (with a grade of C or better) completion of Math 18, 20 or 32 (if taken Fall 2006 or later) or a passing score on the SMC Math Proficiency Assessment plus successful completion of one additional designated non-math course.

WELCOME CENTER

www.smc.edu/welcomecenter

Cayton Center 110 (next to Cafeteria) 434-8101

The Welcome Center is a convenient "one-stop shop" where new students can find the information, services, and support they need to make a smooth transition to SMC. During enrollment periods, the Welcome Center has academic counselors and trained student ambassadors on hand to answer questions and assist new students with admission and enrollment processes. At the Welcome Center, new students can:

- Get help to resolve any admission or enrollment issues;
- Get information about financial aid and help with filling out financial aid applications;
- Take part in one-on-one and small-group counseling sessions;
- Seek personalized academic counseling and develop a customized educational plan; and
- Use computers to apply to SMC, enroll in classes, and/or complete their online orientation.

After enrollment ends, the Welcome Center continues to stay in touch with new students. Student ambassadors call new students during their first semester at SMC to find out how they are doing, whether they have any questions, and—if it seems necessary—to invite them to the Welcome Center for an individual counseling appointment.

For more information about the Welcome Center, please see our webpage, call us, or stop by for a visit.

ASSOCIATED STUDENTS

www.smc.edu/associated_students

Student Life Office:
Cayton Center 202 434-4250
Fax 434-4263

Associated Students (AS)—the student-directed organization of the SMC student body and its elected or appointed student officers—promotes the intellectual, social, and cultural welfare of students through proper, effective government. Students participating in AS Government gain first-hand experience with the governing process and build management and leadership skills.

AS membership fees support a rich program of extracurricular activities—including more than 60 student clubs—to foster academic achievement, social interaction, and community involvement.

The Student Life Office is the hub of all AS activities. The AS Board of Directors, other AS officers, Inter-Club Council (ICC), Associate Dean of Student Life, and student activities staff can all be found there, along with information on AS and club activities, use of campus public areas, campus student publicity, and other details.

Associated Students Government

Students may participate in AS Government as elected officers serving one-year terms on the AS Board of Directors or as the Student Trustee. Students may also volunteer as AS Commissioners appointed by the Board of Directors to help carry out directors' goals and serve on committees.

Students elected to AS Government can represent the interests of their fellow students in how SMC operates, including instructional support systems, student services, financial support services, and planning. SMC's Board of Trustees grants and defines AS Government's legislative and fiscal authority.

Students in AS Government must maintain a minimum 2.0 GPA in at least eight units per semester. For details, see the Associated Students website or ask the Student Life Office for information.

Associated Students Membership

AS membership is optional. Students who choose to pay the AS membership fee each semester not only enrich campus life with concerts, guest speakers, student clubs, and special events, but also support SMC's transportation initiative, and enjoy special privileges and benefits such as:

- Priority use of the Cayton Associated Students Computer Lab;
- Student club membership and support to start a club;
- Leadership opportunities (elected or appointed);
- Discounts on selected movie and theme park tickets sold through the SMC Events Office; and
- Much more!

For all the details, visit the Associated Students website or ask the Student Life Office.

Student Clubs & Inter-Club Council (ICC)

One of the best ways to get involved in campus life is to join one of SMC's more than 60 student clubs. The clubs reflect the wide range of interests SMC students have in areas such as academic achievement, science, sports, creative arts, business and industry, social awareness, and service. Club activities—which include field trips, business meetings, concerts, guest lectures, and social events—enhance the educational and social experiences students have on campus and in the community. To find out about student clubs, visit the Student Life Office.

The Inter-Club Council (ICC) promotes SMC's student clubs to attract and increase student participation in them, encourage the development of student leadership and service, and foster interaction among the clubs. The ICC sponsors Club Row, an annual spring festival that brings all of SMC's student clubs together to showcase their variety and give students the chance to find out first-hand what activities the clubs offer.

PLEASE NOTE: California law forbids secret fraternities and sororities in public community colleges. All clubs at SMC—with the exception of the honor scholarship societies, which require specific qualifications—are open to all students.

SMC OUTREACH PROGRAM

www.smc.edu/counseling
1724 Pearl St. 434-4189
Fax 434-3634

The SMC Outreach Program—a project of SMC's Office of Outreach and Recruitment—partners SMC counselors with local area high schools, community agencies, and out-of-state students. The program works to motivate high school students to stay in school, develop goals for the future, and explore the idea of going to college.

The Outreach Program sends SMC counselors to visit schools in the Los Angeles area on a regular basis to get to know the students and show them how a college education can make a critical difference in their life. The counselors familiarize students with SMC's programs, help smooth their transition from high school to college, and provide them a familiar person they can turn to when they reach the SMC campus.

The SMC Outreach Program conducts application workshops for seniors at the high schools in the spring to expedite the admission and enrollment processes, and sends SMC counselors to college fairs, career days, and other special events each year. These services are also available to out-of-state students through cybercounseling, national college fairs, and individual counseling appointments in their local area each semester.

The SMC Outreach Program also offers group tours of the SMC campus, information sessions, and individual counseling appointments during the week. Please call (310) 434-4189 to make arrangements.

For more information, go to www.smc.edu and click on the "New Students" link, or call or drop by SMC's Office of Outreach and Recruitment.

Financial Assistance

FINANCIAL AID OFFICE

www.smc.edu/financialaid
Admissions/Student Services 434-4343
Complex 104

The Financial Aid Office at Santa Monica College strongly encourages students to apply for financial aid and to come into the Financial Aid Office to discuss their individual situations. Students who have been ineligible to receive financial aid in the past should re-apply each year and are encouraged to come in and ask about other resources that may be available to them.

The Financial Aid Office provides a number of important student services, including:

- Providing information regarding the types of financial aid available;
- Providing information in acquiring a high school diploma, GED, or high school equivalency documentation—which is required for financial aid;
- Helping collect and complete all necessary financial aid forms and documents; and
- Providing guidance on student loans and debt management.

The Financial Aid Office annually provides more than \$45 million in federal and state assistance to SMC students. The major aid programs at SMC are:

- Pell Grants—Federally funded grants of up to \$5,550 per year to eligible undergraduate students;
- Federal Supplemental Educational Opportunity Grant (FSEOG)—A Federal grant given to the College for disbursement to eligible students (average Santa Monica College student award is up to \$100 per semester until these funds are completely expended);
- Cal Grant B—State-funded award for eligible students from disadvantaged backgrounds or low-income families who have exceptionally high financial need, to provide them assistance with enrollment fees, living expenses, books, supplies, and transportation (the average Santa Monica College student award is \$1,473 per year);
- Cal Grant C—State-funded award for eligible students from low- and middle-income backgrounds enrolled in vocational training programs, to provide them assistance with training costs such as tools, books, and equipment (average Santa Monica College student award is \$547 per

year);

- Board of Governors (BOG) Enrollment Fee Waivers—State-funded waivers of certain enrollment fee for eligible students.
- Federal Work-Study (FWS) funds—Federally funded program that provides wages to eligible students for both on-campus and off-campus employment (FWS wage rate is \$8 per hour);
- Stafford Loans (subsidized and unsubsidized)—Federally administered, low-interest loans to eligible students; and
- Parent Loans for Undergraduate Students (PLUS Loans)—Federally administered, low-interest loans to parents of students who are considered dependent according to federal regulations.

Students can apply for federal financial aid and the Board of Governors (BOG) Enrollment Fee Waiver directly through the SMC Financial Aid website (www.smc.edu/financialaid), where they will find useful links to federal and state agencies. Students may also drop by the Financial Aid Office for answers to specific questions.

To be eligible to receive most forms of financial aid, a student must show documented "financial need" as determined by the federal government. However, there are a number of other specific federal requirements that must also be met. To be eligible for federal financial aid, you must:

- Be a US citizen, a permanent resident, or an eligible non-citizen (if you do not understand these terms, ask the Financial Aid Office to explain them to you);
- Have a valid Social Security Number;
- Have a high school diploma or GED;
- Be enrolled in an eligible program at SMC;
- Make satisfactory academic progress in your course work;
- Have complied with US Selective Service requirements (male students only);
- Have not been convicted of the possession and/or sale of illegal drugs; and
- Not be in default on a student loan or owe a refund on any state or federal grant you may have received in the past.

PROGRAM CHANGES

Enrollment in classes is done online through Corsair Connect. Beginning the day of the **second** class meeting, you will need an Instructor Approval Code to add courses, even if space is available.

ATTENDANCE AND WITHDRAWALS FROM SEMESTER LENGTH CLASSES

A STUDENT ENROLLED IN ANY CLASS AT SMC MUST ATTEND ALL SESSIONS OF THE CLASS THAT MEET DURING THE FIRST WEEK OF THE CLASS OR RISK BEING DROPPED FROM THE CLASS BY THE INSTRUCTOR.

Students may withdraw from most classes online through Corsair Connect. **It is the student's responsibility to withdraw from a class—informing the instructor is NOT sufficient notice. Failure to withdraw (officially drop) from a class could result in a grade of F (0.0).**

The Admissions Office is not responsible for incomplete online transactions. Please confirm your transactions (including withdrawals), then print and review your revised schedule. You must have this proof to contest any discrepancies.

- **Deadline to request a refund:** Please visit your Corsair Connect account for specific dates.
 - **Deadline to avoid a W:** Please visit your Corsair Connect account for specific dates.
 - **Deadline to receive a guaranteed W:** Please visit your Corsair Connect account for specific dates.
 - **Late withdrawals with extenuating circumstance:** After the guaranteed "W" deadline has passed, a student may withdraw from a class using the Late Withdrawal Petition Process ONLY if there are extenuating circumstances (such as verified cases of an accident, illness, or other circumstances beyond the student's control) which make the withdrawal necessary. No grade check will be made. The student will receive a W, and units will be included in "enrolled units." PLEASE NOTE: All students who have not withdrawn by this deadline will receive a grade of A (4.0), B (3.0), C (2.0), D (1.0), F (0.0), P (Pass), or NP (No Pass) from the instructor. Students who do not qualify for late withdrawal or who cease to attend the class without notifying the Admissions Office, may receive a grade of F (0.0)
- Students who have completed a course**—including taking the final exam or submitting final projects—are not eligible for a late withdrawal. A student contesting a grade for a completed course should meet with the instructor.

A complete explanation of how withdrawal deadlines are determined is available online (see www.smc.edu/Policies/Regulations/AdminRegulations.htm) and in the annual SMC catalog (online at www.smc.edu/catalog).

PLEASE NOTE: Short-term and open-ended courses have their own deadlines (go to www.smc.edu and click on “Dates and Deadlines” for details).

POLICY ON FEES

ATTENTION: Payment Policy

- Early Enrollment for the Fall Semester is from mid May to July 31, 2013, and ALL fees for courses you enroll in during the Early Enrollment period must be paid no later than 7 p.m. on Wednesday, July 31, 2013. Failure to pay by this date may result in your classes being dropped.
- Payment of enrollment and related fees for courses you enroll in on or after Thursday, August 1, 2013, is due by midnight of the day you enroll. Please remember it is YOUR responsibility to drop a course you do not wish to continue.
- If you do not drop a course by the refund deadline, you will be responsible for paying the fees—even if you did not go to class—and a hold will be placed on your records. A hold on your records prevents you from enrolling in courses at SMC and restricts access to Admissions Office services such as providing transcripts, issuing diplomas, etc. The hold will remain in place until all fees are paid.

Enrollment Fee

This is a state-mandated student enrollment fee of \$46 per unit, and is subject to change without notice.

Student ID Card and Associated Students Fee

This is an optional fee of \$32.50 that includes the fee of \$13, which funds the cost of the SMC student I.D. card, and the Associated Student Membership fee of \$19.50, which funds services (such as “Any Line, Any Time” rides on the Big Blue Bus) and activities for the entire Santa Monica College student body.

The SMC student I.D. card fee and Associated Students Membership fee are both optional. Contact the Admissions Office or Bursar’s Office at time of enrollment if you do not wish to pay these fees.

Health Services Fee

This is a mandatory fee of \$18 that provides a variety of health services. Students are exempt from paying the Health Services fee if they:

- Enroll exclusively in noncredit or not-for-credit courses, or enroll in online classes only, or
- Declare in a personally-signed statement that they depend exclusively on prayer for healing in accordance with the teachings of a bonafide religious sect (documentation of such an affiliation is required).

Nonresident Tuition Fee

The mandatory tuition fee for students classified as nonresidents (including students who are citizens of a foreign country and hold only temporary resident status in the United States) is \$269 per semester unit (plus \$46 enrollment fee, for a total of \$315 per semester unit), or \$239 per semester unit (plus \$46 enrollment fee, for a total of \$285 per semester unit) for students who qualify for an Assembly Bill 947 exemption. See the residency requirements at www.smc.edu/admissions and click on the “Residency” link, or contact the residence clerk in the Admissions Office for AB 947 exemption details. Please see the Fees webpage at www.smc.edu/fees for details.

Materials and Supplies Fees

Some classes require additional fees for materials and supplies. Students should consult the class listings in the Schedule of Classes to determine whether any such fees are required. Fees for materials and supplies are not refundable.

On-Campus Parking Decal Fee

This fee is required ONLY if you wish to use the on-campus parking facilities at SMC’s main campus (parking is FREE at satellite campuses, BUT requires a decal; see www.smc.edu/transportation for details). Regular parking decals—which can be purchased online through Corsair Connect—are \$85 for the Fall or Spring semester and \$45 for the Winter or Summer session. Funds from this fee are used to maintain and improve SMC’s parking facilities.

Students who qualify for a BOG A Fee Waiver because they or their family currently receive benefits under Temporary Aid to Needy Families (TANF/CalWORKs), or SSI/SSP (Supplemental Security Income), or General Assistance/General Relief are eligible to purchase an on-campus parking decal for \$20 for the Fall or Spring semester and \$10 for the Summer or Winter session.

Returned Payments/Outstanding Balances

Returned checks and rejected credit card payments are subject to a fee of up to \$25 and are taken care of at the Auxiliary Services Office, located at 1738 Pearl St. An administrative hold will be placed on your records. If you leave SMC owing a balance and do not pay it, you will be responsible for all collection costs and/or attorney’s fees. This debt may also be reported to all three major credit bureaus.

WITHDRAWAL REFUND SCHEDULE

If you are eligible for a refund, it will be processed and mailed to you within 45 days of the start of the term.

Enrollment Fee

No refunds of enrollment fees are available to those who withdraw from Fall semester classes after their session’s published refund deadline. If you withdraw prior to this date, you will receive a 100% refund of enrollment fees (minus a processing charge of \$10). For more information on withdrawal refund deadlines, see the Admissions Office webpage at www.smc.edu/admissions (click on the “Fees” link).

Nonresident Tuition

If you withdraw from Fall semester classes at Santa Monica College before your session’s published refund deadline, you will receive a 100% tuition refund, minus any relevant processing fees.

Student Services, Activities and Health Fee

If you withdraw from Fall semester classes at Santa Monica College before your semester’s published refund deadline, you will receive a 100% refund for the Health Fee; however, the \$13 SMC student I.D. fee and \$4.50 of the A.S. fee are nonrefundable.

On-Campus Parking Decal Fee

The parking fee is not refundable after 10% of the term. To obtain a refund, present your parking decal and receipt at the Bursar’s Office.

SPECIAL STUDY LOAD REQUIREMENTS

Programs of twelve (12) units or more are considered “full time” for most purposes, including athletics program eligibility, veteran eligibility, Social Security recipients, and most health and automobile insurance policies. Additional study load requirements include:

- Athletics Program Eligibility: Minimum of twelve (12) units (9 of which must be considered academic) enrolled during season of competition PLUS minimum of twenty-four (24) units (18 of which must be considered academic) completed prior to second season

of competition. Please consult with an athletic counselor regarding what is considered an “academic” and “nonacademic” unit.

- Veteran Eligibility:

NOTE: Taking classes of different lengths during a semester may affect your benefits, because benefits are paid only for the length of time a class is offered. For example, if you enroll in an 8-week class offered at the end of a 16-week semester, you will receive payment for only the 8-week period.

Full Time: Twelve (12) units for a full semester

Six (6) units for an 8-week session

Four (4) units for a 6-week session

Three-Fourths Time: Nine (9) to eleven (11) units for a full semester

Four (4) to five (5) units for an 8-week session

Three (3) units for a 6-week session

Half Time: Six (6) to eight (8) units for a full semester

Three (3) units for an 8-week session

Two (2) units for a 6-week session

UNIT LOAD LIMIT

Students who are in good standing may take up to sixteen (16) units during the Fall or Spring semester. Please consult a counselor for details.

PREREQUISITES AND COREQUISITES CHALLENGES

Students who have not completed prerequisite or corequisite courses at Santa Monica College or other colleges may challenge the requirement under certain circumstances by submitting a Prerequisite Challenge Petition to the appropriate academic department. The student bears the initial burden of proof to show that grounds exist for the challenge. Please see the annual SMC catalog (available online at www.smc.edu/catalog) for a detailed description of the challenge process.

PASS/NO PASS

Students wishing to take courses on a pass/no pass (P/NP) basis must apply in the Admissions Office. Deadlines to apply are posted online. Please go to www.smc.edu/admissions and click on the “Dates & Deadlines” link for details. The decision to take a course on a P/NP basis is irrevocable after the deadline has passed.

AUDITING CLASSES

Santa Monica College does not permit auditing of classes. All students attending credit or noncredit classes at Santa Monica College must be officially enrolled through SMC’s Admissions Office. Older adults attending free, noncredit classes on topics of interest to seniors must be enrolled through Emeritus College. Students attending fee-based not-for-credit classes to explore personal interests or gain professional certification—or attending free English as a Second Language (ESL) and other noncredit adult education classes offered through SMC Community Education—must be enrolled through the SMCCE office.

COURSE REPEATS

California Code of Regulations Title 5 §58161 and §55040 limit the number of times a student may repeat a course in the California Community College system. These regulations also require all current and prior course enrollments, repetitions, and withdrawals in a student’s enrollment record to be counted toward the maximum limit.

If you would like—or need—to repeat a course in which you have previously earned an unsatisfactory grade or a W may re-enroll ONE TIME without the need to request permission from a counselor. After that, you will need to talk to one of SMC’s academic counselors. Check the Santa Monica College catalog (available online at www.smc.edu/catalog) for details.

Please note: Students who qualify for a course repeat are limited to a maximum of three course enrollments, with the third enrollment subject to approval by Counseling. See www.smc.edu/admissions for details, or consult with a counselor.

GRADUATION REQUIREMENTS

The Associate degree is granted upon completion of sixty (60) degree-applicable units (general education, area of study, and electives) with a cumulative grade point average of C (2.0) or higher. A minimum of twelve (12) units must be completed at Santa Monica College.

You must file a Petition for Graduation with the Admissions Office. Deadlines for filing:

Spring—Start of Spring semester through April 30

Summer—Start of Summer session through July 31

Fall—Start of Fall semester through December 1

Check the Santa Monica College catalog (available online at www.smc.edu/catalog) for details, including requirements for graduating with honors.

OPEN ENROLLMENT

Unless specifically exempted by statute or regulation, every course, course selection, or class offered and maintained by the Santa Monica Community College District and reported for state aid shall be fully open to enrollment and participation by any person who has been admitted to Santa Monica College and who meets the prerequisites established according to regulations contained in Article 2.5, Subchapter 1, Chapter 6, Division 6 of Title 5 of the California Code of Regulations.

STUDENT PRIVACY AND DIRECTORY INFORMATION

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

1. The right to inspect and review the student's education records within 45 days of the day the College receives a request for access. California law requires that records be provided within 15 working days.
 - A student should submit to the Dean of Enrollment Services or other appropriate official, a written request that identifies the record(s) the student wishes to inspect. The College official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the College official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
2. The right to request the amendment of the student's education records that the student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

- A student who wishes to ask the College to amend a record should write the College official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed. If the College decides not to amend the record as requested, the College will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before the College discloses personally identifiable information from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

- The College discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted as its agent to provide a service instead of using College employees or officials (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

- A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for College.

Upon request, the College also discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

- FERPA requires that College with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your education records. However, College may disclose appropriately designated "directory information" without written consent, unless you have advised the College to the contrary in accordance with College procedures. The primary purpose of directory information is to allow the College to include this type of information from your education records in certain school publications. Examples include:

- A playbill, showing your role in a drama production;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets, such as for wrestling, showing weight and height of team members.

- Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without your prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, federal law requires the College to provide military recruiters, upon request, with certain directory information.

- If you do not want the College to disclose directory information from your education records without your prior written consent, you should file a written request with the Admissions Office.

The College has designated the following information as directory information: student name; city of residence; age; major field of study; participation in officially recognized activities and sports; weight and height of members of athletic teams; dates of attendance; student photograph; degrees and awards received and most recent previous school attended.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5901

For a full explanation of FERPA and its implications for college students, please contact the Admissions Office.

STUDENT RIGHT-TO-KNOW AND CAMPUS SECURITY

To comply with the Jeanne Clery Disclosure of Campus Security and Campus Crime Statistics Act (Public Law 101-542), Santa Monica College makes available the completion and transfer rates of first-time, full-time students seeking certificates, degrees, or transfer, as well as statistical information about the types and number of crimes on campus. The College provides this data to inform all current and prospective students—as “consumers” of higher education—on how well Santa Monica College compares with other postsecondary institutions.

Completion & Transfer Rates

The completion and transfer rates presented here are derived from the most current data available at the time this Schedule of Classes went to press.

Completion rates are calculated by tracking a cohort (group) of first-time students seeking a certificate, degree, or transfer. For the cohort of first-time freshmen entering SMC in Fall 2009, 28.37% earned a certificate or degree, transferred to a four-year institution, and/or became transfer-prepared (earned 60 or more transferable units with a GPA of 2.0 or higher) within three years of beginning coursework at SMC.

Transfer rates are calculated by tracking a cohort (group) of first-time students intending to transfer to a four-year institution. For the cohort of first-time freshmen entering SMC in Fall 2009, 18.39% transferred to a four-year institution within six years of beginning coursework at SMC.

Crime Statistics for the College Community

Campus crime statistics are compiled and reported according to the guidelines specified in the Clery Act (20 USC 1092F), as defined under the FBI Uniform Crime Reporting procedures. SMC's crime statistics are available online at the US Department of Education website (www.ope.ed.gov/security) and at the SMC Campus Police website (www.smc.edu/police). Campus crime statistics—along with safety and crime prevention information—can also be found at many locations at SMC, and are available to the public upon request. Contact the SMC Campus Police Office (434-4608) for details.

ACADEMIC ADJUSTMENTS & INFORMATION TECHNOLOGY FOR STUDENTS WITH DISABILITIES

SMC complies with State and Federal law with regard to modifying academic policies and procedures and information technology as needed to ensure that they do not discriminate, or have the effect of discriminating on the basis of handicap, against qualified handicapped applicants or students. For details on adjustments and the procedure for requesting them, please contact the Center for Students with Disabilities, located in Room 101 of the Admissions/Student Services Complex; voice (310) 434-4265; video phone (866) 957-1809.

PROBATIONARY AND DISQUALIFIED STUDENT POLICIES

Santa Monica College students are expected to take responsibility for meeting the SMC Student Success Standards of “Academic Achievement” (maintaining a cumulative GPA of 2.0 or better in all classes taken at Santa Monica College) and “Timely Progress” (not exceeding the allowed percentage of I, W, and NP notations). Failure to meet these standards can lead to:

- Academic probation or progress probation, either one of which will limit how many units a student may enroll in, which cannot exceed a maximum of 9 units in a Spring or Fall semester, or 5 units in a Winter or Summer session;
- Academic disqualification; or
- Progress disqualification.

Both academic and progress disqualification will result in a limit of up to six (6) units maximum during the Fall and Spring semesters—and up to three (3) units maximum in the Winter and Summer sessions—if a student is reinstated. If a student has been disqualified from SMC *more than once*, the student will be asked to take a break from attending SMC for up to a maximum of one year.

If there is ANY possibility that you may be placed on academic or progress probation or be disqualified, you should IMMEDIATELY make arrangements to discuss your situation with a counselor. For details, please visit the SMC Counseling website at www.smc.edu/counseling and click on the “Disqualified and Probation Policies” link in the menu on the left-hand side of the page, or see a counselor. Additional information on academic and progress probation, academic and progress disqualification, and requirements for reinstatement is also available in the annual SMC catalog (available online at www.smc.edu/catalog).

PLEASE NOTE: Students who are disqualified for academic and/or progress reasons due to Fall 2013 grades will be dropped AUTOMATICALLY from all previously enrolled Spring 2014 classes.

COLLEGE CONDUCT

Santa Monica College has a Code of Academic Conduct and a Student Conduct Code, and may discipline students in accordance with code provisions. The College also has the authority to remove students from a class or program if they are disruptive of the instructional process, they do not respect the rights of others, they cannot benefit from instruction, or they present health and/or safety hazards to others. To protect the interests of both the College and its students, SMC has an established “due process” through which its disciplinary and removal powers are exercised. As a further safeguard of student rights, an appeal procedure exists for these policies, as well as for appeals of grades, matriculation, and disqualification. The Student Conduct Appeals Committee will hear student appeals.

Check the annual Santa Monica College catalog (available online at www.smc.edu/catalog) for additional information.

Code of Academic Conduct

Santa Monica College is a community-oriented, open-door educational institution whose purpose is to educate and enlighten members of the community who seek knowledge. In order to uphold the academic integrity of the institution, all members of the academic community—students and faculty alike—must assume responsibility for providing an educational environment of the highest standards, characterized by a spirit of academic honesty.

Under no circumstances will academic dishonesty be tolerated at Santa Monica College.

Academic Dishonesty Defined

Santa Monica College defines academic dishonesty as the act of or assistance in deceiving, including fraud or deception in any academic exercise.

Academic dishonesty includes, but is not limited to, certain actions not authorized by the instructor or testing officer, such as using notes or testing aids, allowing someone else to assume one's identity, falsifying records, plagiarism, changing answers on a previously scored assignment or exam, copying, inventing information to complete a lab experiment or case analysis, and talking or giving information by any means during an exam. Check the annual SMC catalog (available online at www.smc.edu/catalog) for additional details, including information on the consequences for academic conduct violations.

Honor Code/Honor Council

Santa Monica College is committed to the academic, social, and ethical development of our students. We strive to create a learning environment that is challenging and supportive of the community at large. We are committed to upholding fundamental values of honesty, trust, fairness, respect, responsibility, civility, and community.

The College has instituted an Honor Code that students are expected to uphold, and has established an Honor Council responsible for promoting, addressing, and resolving issues pertaining to academic integrity.

A complete copy of “Honor Code/Honor Council” (SMC AR 4412) text—which spells out the details of the Honor Code and the structure and responsibilities of the Honor Council—is available online (see www.smc.edu/Policies/Polices/AdminRegulations.htm).

Student Conduct Code

Students enrolled in the College have an obligation to conduct themselves in a manner compatible with the College's function as an educational institution. A complete copy of the “Rules for Student Conduct” (SMC AR 4410) is available online (see www.smc.edu/Policies/Polices/AdminRegulations.htm).

Disciplinary Sanctions

Disciplinary sanctions include, but are not limited to, verbal or written reprimands, probation, a disciplinary hold, removal from class, ineligibility to participate in extracurricular activities, suspension, and expulsion. If a written report is placed in a student's disciplinary file, the student has the right to inspect and appeal the information (Cal. Ed. Code §76232). The College Disciplinarian is responsible for enforcing these sanctions. A complete copy of the “Rules for Student Conduct” (SMC AR 4410) is available online (see www.smc.edu/Policies/Polices/AdminRegulations.htm).

STUDENT COMPLAINTS

Students with complaints, grievances, and personal concerns about Santa Monica College or any of its policies are encouraged to discuss them with the College Ombudsperson. The Ombudsperson provides support and encouragement to students, and attempts to present options and solutions. Complaints are handled confidentially on a case-by-case basis. Students with complaints about a grade should discuss this with the Ombudsperson as soon as possible. Deadlines for filing a formal appeal (Petition for Review of Grade) are:

- October 30 for Spring semester grades,
- November 30 for Summer session grades,
- April 30 for Fall semester grades, and
- May 30 for Winter session grades.

For more information, contact Tina Feiger or Lucy Kluckhohn Jones, who share the role of College Ombudsperson, or visit the Ombudsperson's webpage (www.smc.edu/ombuds). The Ombudsperson's office is located in Room 124 of the Letters and Science building. Office hours are posted on the door and on the Ombudsperson's webpage. If the times are inconvenient, you may request a special appointment by sending e-mail to ombuds@smc.edu or leaving a voicemail message at (310) 434-3986.

REGULATION ON ALCOHOL & DRUGS

The abuse of alcohol or other drugs causes serious risks to a person's health.

California state law prohibits the use, sale, or possession on campus of alcohol, or presence on campus of students who are under the influence of any controlled substance. (Cal. Ed. Code §§76032-76033)

The Santa Monica College Health and Psychological Services Center provides short-term psychological counseling, referral, and substance abuse/alcohol abuse information.

Students enrolling in the College assume an obligation to conduct themselves in a manner compatible with the College's function as an educational institution. SMC will impose disciplinary sanctions for the use, sale, or possession of alcohol or presence of any prohibited controlled substance, which include, but are not limited to, verbal or written reprimands, disciplinary probation, removal from classes, ineligibility to participate in extracurricular activities, suspension, expulsion, or possible referral to local, state, or federal law enforcement agencies.

SMOKE FREE CAMPUS

Santa Monica College is committed to providing its students, faculty, and staff with a healthy, comfortable, productive environment that is free from the effects of second-hand smoke. SMC became a smoke-free campus in Fall 2007, following the example of many colleges, universities, and other public institutions throughout the US. Smoking is not permitted in any District building, vehicle, or facility, or on District grounds, with the exception of three areas on the fringes of the main campus. These are temporarily designated as smoking areas, as a way for the College to transition into becoming entirely smoke free.

SELECTIVE SERVICE NOTICE TO MALE STUDENTS

Federal law requires men age 18-25 to be registered with the Selective Service System (SSS) if they are US citizens or immigrant aliens (international students who hold valid student visas are exempt from this requirement). Men must be registered before they can receive federal or state financial aid (including loans and grants) for their education. Registration forms are available online at www.sss.gov and at any post office.

Residency

RESIDENCY

The following is a summary of Santa Monica College's residency rules and their exceptions. For more detailed information, please go to www.smc.edu/admissions and click on the “Residency” link in the Policies & Programs section of the webpage, or contact the residence clerk in the Admissions Office.

- Each person applying for admission to, or enrolled in, a California Community College is classified for tuition purposes as either a “resident” or a “nonresident” of the State of California.
- A “resident” is defined as a citizen of the United States or a person who holds a status that allows him or her to establish residency in the United States for a minimum of one year and one day, who has proof of physical presence in the State of California for one year and one day PRIOR TO the start of the semester for which California residency is being claimed, and who presents evidence of intention to make California his or her permanent home. Dates on any documentary evidence should correspond to dates of physical presence in California.
- A “nonresident” is a person who does not meet the residency requirements of the State of California

- or who is a citizen of a foreign country and holds only temporary status in the U.S.
- A student classified as a resident will be admitted to the College and exempt from paying nonresident tuition. Enrollment fees (\$46 per unit; subject to change) still apply.
- A student classified as a nonresident is required to pay a tuition fee of \$269 or \$239 (with AB 947 exemption) per semester unit *in addition to* enrollment fees of \$46 per unit (subject to change).
- A nonresident continuing student between the ages of 19 and 23 (inclusive) requesting reclassification to resident status must submit a petition for change of residency status (Reclassification Form, obtained from the residence clerk in the Admissions Office), show proof of financial independence, provide documents that show the student was not claimed as a dependent for income tax purposes by parents in the past year, and present evidence of intent to establish California as his or her place of residence. Please see the Admissions Office website at www.smc.edu/admissions for helpful tips on establishing California residency.

RESIDENCE OF AN ADULT

A student who is 19 years of age or older and who has lived in California continuously for the last two years shall be presumed to have the intent to make California his or her home.

A student under 19 years of age shall be presumed to have the intent to make California his or her home if both the student and his or her parent(s) have lived in California continuously for the last two years.

A student who is 19 years of age or older applying for admission who has less than two years, but more than one year, of residence in California should be prepared to show proof of residence. Examples of evidence that aid the College admissions officer in identifying intent include, but are not limited to, the following documents:

- Paycheck stub OR letter of employment verification on company letterhead (signed by a manager of the personnel department)

- California bank account (checking or savings account statements);
- Marriage license or divorce decree issued in California (with acceptable dates);
- License or certificate issued by the State (with acceptable issue and expiration dates);
- California utility bill (one ONLY of the following: DWP, gas, telephone, cable, or other utility);
- California State aid or social welfare;
- Vehicle registration and/or vehicle insurance (California company);
- California-based health insurance OR Medi-Cal ID;
- Military discharge papers (DD214) OR Leave and Earnings statement indicating California as State of Record;
- California property taxes (in student's name ONLY);
- Union membership in a California local; and
- California public library membership (verified by letter or printout with letterhead or branch stamp).

Any two or more of the above items will give some indication of a student's intent to make California his or her permanent residence. Dates on documents must correspond with physical presence of one year and one day. Bring documentation to the Admissions Office. Restrictions apply. Please visit www.smc.edu/admissions and click on the "Residency" link in the Policies & Programs section of the webpage for further details.

RESIDENCE OF A MINOR

Unmarried minors (those younger than 18 years of age) are, by law, incapable of establishing their own residences, notwithstanding their physical presence within California. Admissions will use the following guidelines for determining a minor's residence:

- A minor's residence is the residence of the parent or legal guardian with whom the minor is living;
- If the minor is not living with a parent or legal guardian, then the residence of the parent or legal guardian with whom the minor last lived will be the residence of the minor.

When the residence of a minor student is derived from the parent or legal guardian, the durational requirement (one year in California) must be met by the parent or guardian, but is not required of the student.

A minor whose parents are not living and who does not have a legal guardian may establish his or her own residence.

EXCEPTIONS

Exceptions to the above guidelines will be made under certain circumstances. If a student would otherwise be classified as a nonresident, but fits within one of the following exceptions, he or she may be granted resident classification, provided he or she has resided in California for one year with the intent of establishing residence (documentation required):

- A student who was not an adult for more than one year before the start of the semester may add the amount of time lived in California prior to his or her eighteenth birthday (provided the student's parent or legal guardian was a California resident during the period), if any, to the length of residence in California since that date to obtain the durational requirement of one year;
- An adult alien who is in the process of adjusting his or her status to permanent resident or who has been lawfully admitted as a permanent resident for one year and one day prior to the beginning date of the semester (documentation required) and who has resided in California for one year;
- A student 19 years of age or older who can document refugee or asylee status (dated one year and one day prior to the beginning date of the semester) with the US Citizenship and Immigration Services (USCIS) and who has resided in California for one year (students younger than 19 years of age should review the first item above);
- An adult alien who is in the process of adjusting visa status to, or possesses one of the following visas dated at least one year and one day prior to the beginning date of the semester: A, E, G, H-1, H-4 (if dependent of H-1 visa holder), I, K, L, N, O-1, O-3, R, T (but **NOT** TN or TD), or V, and who meets California residence criteria;
- A student who is a minor (under the age of 18) and who, immediately before enrolling at a California educational institution, has lived with and was under the continuous direct care and control for at least two years of any adult or adults (other than a parent) who had established residence in California at least one year and one day prior to beginning date of the semester (documentation required). Students who are minors must complete a Care and Control Form, obtained from the Residence Clerk.

For more information regarding residence classification, exceptions, and examples of evidence showing intent, please contact the residence clerk in the Admissions Office.

ASSEMBLY BILL 540 (CAL. ED. CODE §68130.5 EXEMPTION)

Assembly Bill 540 creates an exemption from payment of nonresident tuition for certain nonresident students who have attended high school in California and received a high school diploma or its equivalent in California. If you meet ALL of the following conditions, you will qualify for this tuition exemption:

1. Attended a California high school for three or more years;
2. Graduated from a California high school or attained the equivalent thereof (e.g., passed the GED in California or the California High School Proficiency exam); and

If you do not have lawful immigration status, file an affidavit with the College that indicates you have applied for legalization, or will do so as soon as you are eligible to do so. The affidavit form is available

online and may be downloaded at www.smc.edu/forms (requires Acrobat Reader).

In order to qualify, you must submit ALL of the following documentation:

- A signed affidavit (AB 540 form) indicating you have either applied for lawful immigration status or intend to apply as soon as you are eligible; and
- Your "official" California high school transcript (in a sealed envelope) showing your attendance for three or more years and date of graduation. NOTE: Adult School does *not* count toward years of attendance.
- If you did not graduate from a California high school, but obtained instead a GED or California High School Proficiency Certificate, you must also submit your official GED certificate or California High School Proficiency certificate with the score report.

This benefit is available to all US citizens, permanent residents of the US, and aliens (including those who are undocumented) who are not categorized as nonimmigrants, who meet all of the above criteria. AB 540 does **NOT** grant residency; however, it does allow students to pay the same fees as California residents.

For more details or to obtain an application, please contact the Admissions Office.

ASSEMBLY BILL 947 (CAL. ED. CODE §76141 EXEMPTION)

A student classified as a nonresident is required to pay a tuition fee of \$269 per semester unit (plus \$46 enrollment fee, for a total of \$315 per semester unit). However, Assembly Bill 947 creates a partial exemption from payment of nonresident tuition for certain nonresident students who can demonstrate economic hardship, or who are victims of persecution or discrimination in the country in which the students are a citizen and resident. The amount of the partial exemption is limited to that portion of the nonresident tuition fee allowed under Section 76141, which provides for a fee for capital outlay, maintenance, and equipment. Students qualifying for this exemption may pay a nonresident tuition fee of only \$239 per semester unit (plus \$46 enrollment fee, for a total of \$285 per semester unit).

For purposes of this exemption, economic hardship encompasses the financial circumstances of a person who is a recipient of benefits under the Temporary Assistance for Needy Families (TANF) program described in Part A of Title IV of the Social Security Act (42 USC §§ 601 et seq.), the Supplemental Income/State Supplementary Program, or a general assistance program.

For more details, please contact the Admissions Office.

Parking & Transit Guide

On-Campus Parking

Students who drive to SMC may purchase a decal to park on the main campus, or request a FREE decal to park at a satellite campus: Bundy, Airport Arts, or Performing Arts Center. Please note: The Academy of Entertainment & Technology (AET) campus is currently closed for construction. Visitors to SMC's main campus who have not made prior arrangements with Campus Police may park in Lot 6—located at 14th and Pico—for \$10 a day, with no in-and-out privileges.

Planning where you park to come to SMC is important, because street parking in the surrounding neighborhoods is restricted on most days and evenings. Campus parking decals are NOT VALID AT ANY TIME on neighborhood streets.

Student decals for parking on the main campus cost \$85 for the Fall or Spring semester, and \$45 for the Summer or Winter session. Main campus parking decals may be purchased online through Corsair Connect, or in person at the Bursar's Office.

Student decals for parking at a satellite campus are free. Decals may be requested online through Corsair Connect.

Visitor Parking: Visitors who have not made prior arrangements with Campus Police may park—for \$10 per day, with no in-and-out privileges—in the Visitor Parking area at Lot 6, located at 14th and Pico.

Handicap Parking: The display of a DMV handicap placard (or plate) AND an SMC parking decal entitles you to park in any handicap, student, or staff parking space.

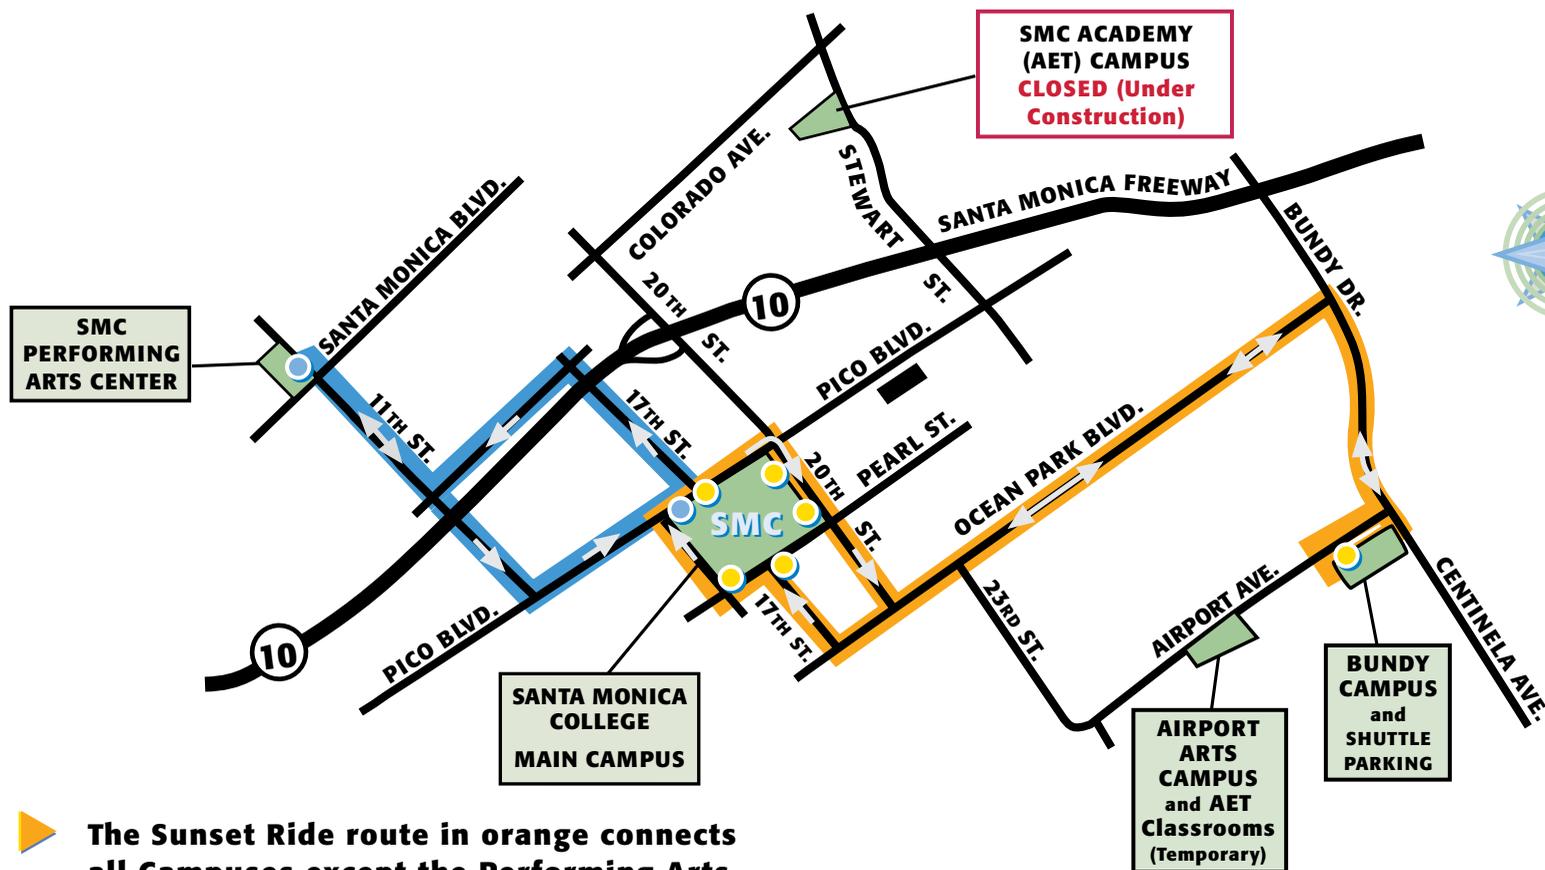

An important caution: Because car alarms are disruptive to other students and our neighbors, cars with activated alarms in the SMC parking areas will be TOWED IMMEDIATELY at YOUR expense.

FINANCIAL AID:

Useful Steps and Information

MAINTAINING PERSPECTIVE

Although the “financial aid process” may sometimes seem complicated — don’t give up. The best way to approach the process is to look at it this way: A student who received funding for the 2012-2013 academic year spent an average of about 6 hours gathering information, making photocopies, filling out forms, making more photocopies, and standing in line waiting to use the computer in order to apply for financial aid. However, since the average financial aid award was approximately \$1,500, this would translate into (at least) \$250 for each hour of effort.

FINANCIAL AID LANGUAGE

As you make your way through the financial aid process, you’ll find that certain acronyms and abbreviations are used regularly. Here’s a list of some you’ll probably encounter:

FAFSA — Free Application for Federal Student Aid. This is the application form that students must complete to apply for financial aid. The information submitted on the FAFSA is processed through the Federal Processing Center and financial aid eligibility information is provided directly to the college. The college then determines a student’s eligibility for financial aid, how much and what types of aid the student is eligible to receive, and how much the student is expected to contribute towards his or her education.

EFC — Expected Family Contribution. The amount of money that the student (and parent, when applicable) is expected to contribute toward covering the costs of the student’s education.

SAR — Student Aid Report. The form students receive, after their FAFSA has been processed, which notifies them of their eligibility status for financial aid.

FSEOG — Federal Supplemental Educational Opportunity Grant (see the box labeled “Types of Financial Aid Available” for information).

FWS — Federal Work-Study (see the box labeled “Types of Financial Aid Available” for information).

PLUS — Parent Loans for Undergraduate Students (see the box labeled “Types of Financial Aid Available” for information).

BOG Fee Waiver — A term that is often used to refer to the Board of Governors Fee Waiver (see the box labeled “Types of Financial Aid Available” for information).

Before You Begin

SMC offers a variety of **scholarships** and **financial aid** if you need financial assistance to help you attain your educational goals. However, you need to understand the difference between what is considered a scholarship and what is considered financial aid:

Scholarships come from private donors, foundations, and other non-government sources. Scholarships may or may not require you to have financial need to be eligible — and a surprising number of them don’t!

Financial aid comes from federal and state government sources and usually requires you to have demonstrated “financial need” (as well as meet a number of other requirements) to be eligible.

Visit the Scholarship Office to find out more about scholarships. There are more than 300 different types of scholarships available that you might qualify for — too many to list and describe here, but stop by the Scholarship Office as soon as possible. **In addition, don’t forget to look up additional scholarships on the Internet!**

To find out more about financial aid, take a few minutes to read the information below...

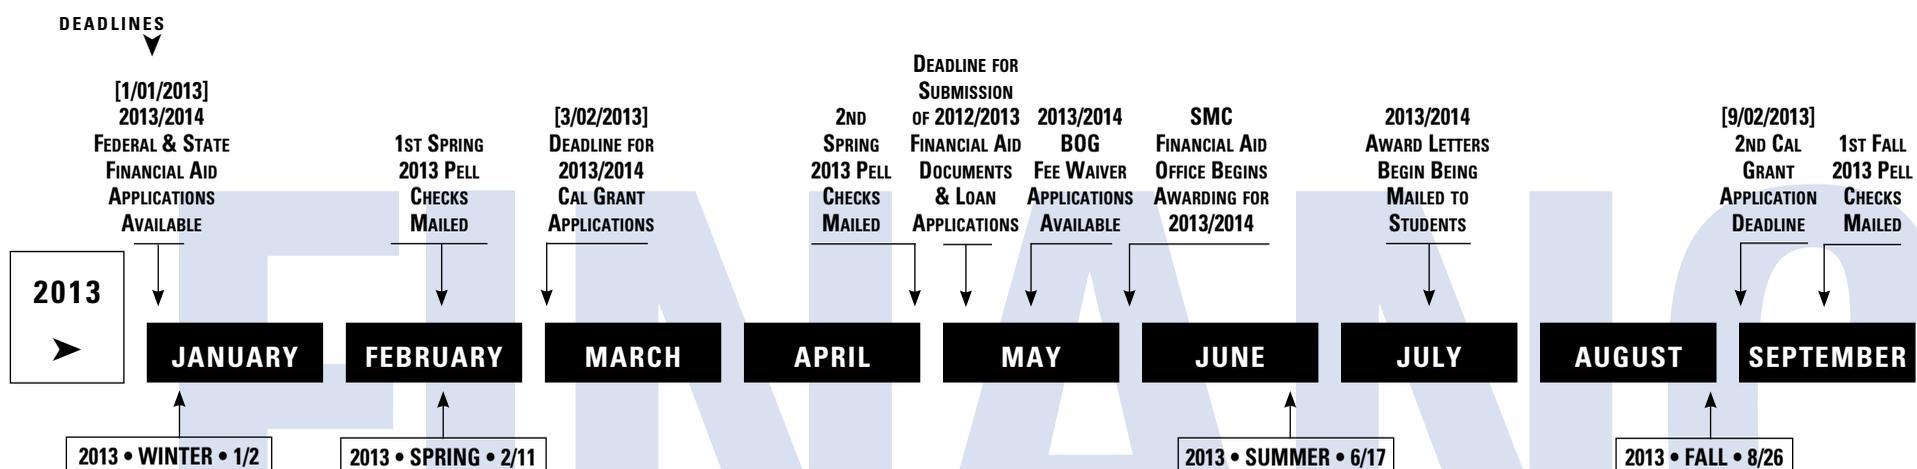

If You Need Help

Determining what kind and how much financial aid you might be eligible to receive is often considered a complex process with a lot of variables. However, the process is not impossible to understand and certain application and award calculation procedures have recently been simplified a great deal.

Still, if things seem confusing to you, don’t panic! **At SMC, the Financial Aid Office will help you** apply for federal and state grants, work-study funds, and other financial assistance.

In order to be eligible for most types of financial aid, you must have “financial need” as determined by the federal government. You also need to commit some of your time and effort to working with the Financial Aid Office and **START THE FINANCIAL AID APPLICATION PROCESS AS EARLY AS POSSIBLE**. January is the best time to begin applying for the following academic year (see the timeline below for specific dates and deadlines).

The Financial Aid Office can assist you with your individual situation, answer your questions, sort out information, and help you to apply for financial aid funds.

Here's How To Apply

When you apply for financial aid, you will need to provide information about your personal financial situation. This information is used to determine whether your financial needs meet the requirements for eligibility for financial aid.

STEP 1:

In order to apply for the various types of federal financial aid:

- You (and your parents or spouse, if applicable) need to complete the Free Application for Federal Student Aid (FAFSA) online at fafsa.ed.gov (be sure to apply for a PIN number BEFORE you submit your FAFSA).
- Be sure to list the six-digit Title IV school code for Santa Monica College (SMC) — 001286 — on your FAFSA

NOTE: To apply for a Cal Grant for use at California colleges in the 2013-2014 award year, you must submit a 2013-2014 FAFSA AND a Cal Grant Grade Point Average (GPA) Verification Form. For "priority consideration," you need to submit both by March 2, 2013. The Cal Grant GPA Verification Form needs to be completed by the high school or college you most recently attended.

STEP 2:

After you have submitted your FAFSA:

- You will receive a Student Aid Report (SAR) in the mail, unless you provided an e-mail address. If you provided an e-mail address, you will receive an acknowledgement by e-mail and be referred back to the FAFSA website, where you can print out your SAR information.
- Check to make sure that all of the information listed on your SAR is correct. Pay particular attention to all comments listed on the SAR and any information in bold print or marked "assumed."
- If you need to make corrections to the SAR, inform the Financial Aid Office. Most corrections can be made electronically by SMC.

Students whose FAFSA information was rejected by the Federal Processing Center will receive a letter informing them that they need to contact the Financial Aid Office immediately in order to correct and re-submit their information.

- Your Student Aid Report (SAR) will tell you if you are ELIGIBLE to receive a Federal Pell Grant. If you do not qualify for a Pell Grant, don't give up! You may still be eligible for other types of financial assistance, including federal work-study and scholarships.

NOTE: For the 2013-14 school year, new Federal aid applicants must be high school graduates or have completed a G.E.D. or an equivalent program.

STEP 3:

After the Financial Aid Office has received your FAFSA information electronically from the federal processor, you will be mailed a "Document Tracking Letter," which will tell you which documents you need to submit to the Financial Aid Office.

Students selected for verification will need to submit specific documents to "verify" certain information (such as income, number in household or number in college) listed on the FAFSA. As such, you may be requested to submit copies of federal tax returns and verification of untaxed income, assets, or number in household or college.

- Some students may have to submit proof of Selective Service Registration or Eligible Non-Citizen Status to the Financial Aid Office
- After you have completed all of the required forms and have gathered together all of the requested additional documentation, you may either mail the documents or bring them to the Financial Aid Office
- All of the documents should be returned within 15 working days from the day you received the written request

STEP 4:

After the Financial Aid Office has received and reviewed all of your paperwork, if you are eligible for federal or state aid, you will be sent a:

"Financial Aid Award Notification Email" which will provide you with your estimated financial aid award package. Be advised that the financial aid award amounts listed in the Financial Aid Award Notification Letter are based on full-time enrollment of 12 units or more for both the Fall and Spring semesters. **Please be advised that with the uncertainty of the California state budget and fees for the upcoming school year, awards are subject to change.**

STEP 5:

In addition to the FAFSA, if you are a California resident, be sure to complete and submit a Board of Governors Fee Waiver Application (BOG) in order to determine if you are eligible to have certain enrollment fees waived. Eligibility is based on specific income criteria. You can download the BOG Fee Waiver application form from the Financial Aid Office's website at www.smc.edu/financialaid

Be sure to follow all instructions CAREFULLY. Remember, when applying for financial aid, you are dealing with several government entities. If something doesn't make sense to you, or if you think your information may be unclear, go to the Financial Aid Office and ask the staff to explain it to you. Ask questions until you are sure you understand.

TYPES OF FINANCIAL AID AVAILABLE AT SMC

There are a variety of financial aid programs that help students by providing them with assistance for educational costs. SMC students may apply for the following:

GRANTS: Grants are awards that don't need to be repaid.

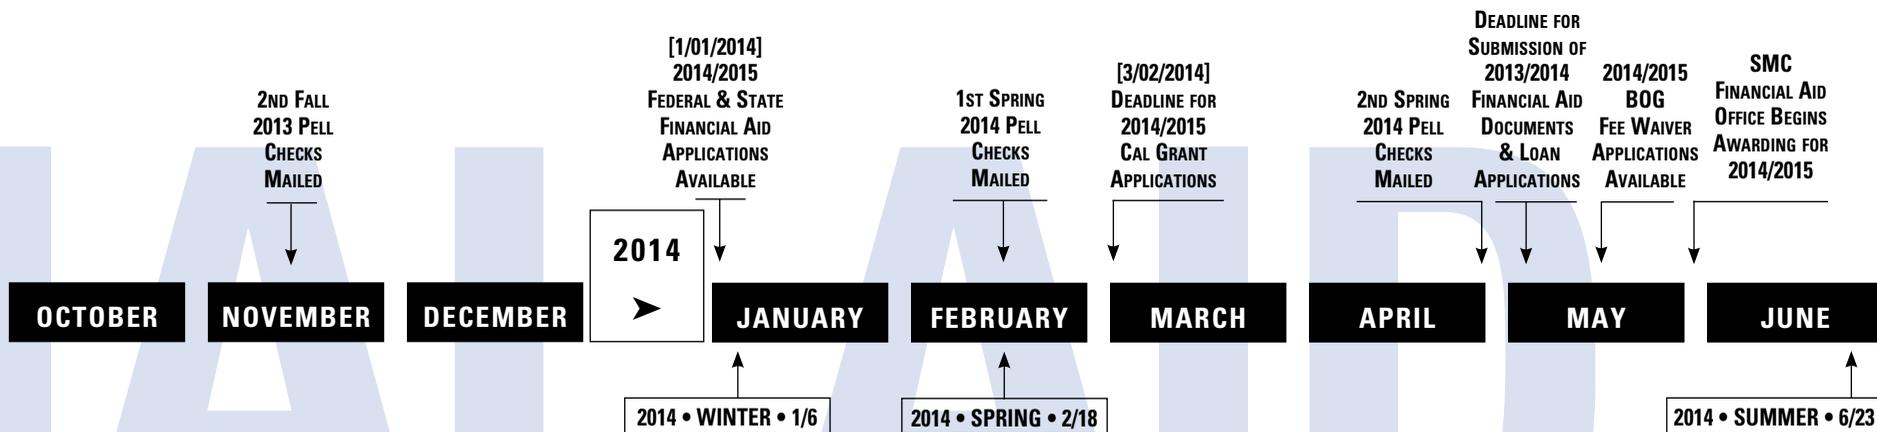

- **Pell Grants** — Federally funded grants of up to \$5,550 per year to eligible undergraduate students.
- **Federal Supplemental Educational Opportunity Grant (FSEOG)** — A Federal grant of approximately \$800,000 given to the College for disbursement to eligible students that demonstrate high financial need (average Santa Monica College student award up to \$100 per semester until these funds are completely expended).
- **Cal Grant B** — State-funded award for eligible students from disadvantaged backgrounds or low-income families who have exceptionally high financial need, to provide them assistance with enrollment fees, living expenses, books, supplies, and transportation (the average Santa Monica College student award is \$1,473 per year).
- **Cal Grant C** — State-funded award for eligible students from low and middle

income backgrounds enrolled in vocational training programs, to provide them assistance with training costs such as tools, books, and equipment (average Santa Monica College student award is \$547 per year).

- **Board of Governors (BOG) Fee Waivers** — State-funded waivers of enrollment fee for eligible students.
- **Federal Work-Study (FWS) funds** — Federally funded program that provides wages to eligible students for both on-campus and off-campus employment (FWS wage rate is \$8.00 per hour).

LOANS: Loans are available to help students meet their educational costs. Loans, plus the interest, MUST be repaid.

- **Stafford Loans (Subsidized or Unsubsidized)** — Federally administered, low-interest loans to eligible students who have remaining need or no unmet need.
- **Parent Loans for Undergraduate Students (PLUS Loans)** — Federally administered, low-interest loans to parents of students who are considered dependent according to federal regulations.
