ESL for Careers in Healthcare

Are you an English Language learner who is considering a career in healthcare or already works in healthcare?

This noncredit ESL certificate program is just for you!

These courses are designed to build your English language skills around careers in healthcare. You will learn basic medical terminology and vocabulary while producing various forms of oral and written communication relevant to working in a clinical, medical or caregiving environment.

ESL FOR COLLEGE AND CAREER PATHWAYS

- **ESL for College and Career Pathways: Introduction** ESL 994*
- **ESL for College and Career Pathways: Effective Communication** ESL 995*

* *Intermediate Level ESL or higher is recommended.*

Noncredit certificates that these ESL classes support

- **Noncredit Certified Nursing Assistant/Home Health Aide program**
- **Noncredit Rehabilitation Therapy Aide certificate program**
- **Noncredit Introduction to Working with Older Adults certificate program**

Students are encouraged to co-enroll in the ESL and Healthcare courses.

Visit smc.edu/noncredit for more information.
