## HOME HEALTH AIDE PRE-CERTIFICATION

If you are interested in becoming a healthcare provider, SMC now offers tuition-free noncredit Certified Nurse Assistant and Home Health Aide Pre-Certification programs. The two programs are encouraged to be taken concurrently. Complete both and become certified in less than 2 months!

**ADMISSION REQUIREMENTS:** Our newly developed programs are designed to offer low-cost training programs to get you quickly into the field. There are no tuition fees, and most program supplies are loaned out to program participants. Because you will be taking classes in a clinical setting you will be required to pay for a background check, drug screening and have a current CPR certification. Anticipated out of pocket expenses range from \$250-\$350.

To be considered for the spring cohort, all paperwork must be received by **December 1, 2022**. Applicants who submit their paperwork after December 1<sup>st</sup> will be placed on a waiting list to be considered for the next available cohort.
