

20150528 ISC Meeting

Last meeting of year, Jamie says thanks.

Committee in good hands with Jinan.

Meeting dates for Fall semester have been set up.

Discussion on how best to recognize Jocelyn's retirement.

Minutes examined approved.

Technology resolution was presented to academic senate and was approved.

BYOD policy -- open for discussion -- mention of changing web site so that faculty web pages would remain as up to date as possible with classes/times taught, with minimal intervention

Objectives for ISC next year would be BYOD and usage agreement.

Walter suggests that we lobby the Foundation for funding for unique projects for students/faculty. Create some new funding that is technology-oriented.

Should there be a discussion about faculty being able to request mobile devices as a computer request?
