

AR 4100.8 Petitioning for Degrees and Certificates (New AR#)

Petitioning for Degrees and Certificates

A petition for graduation must be submitted for consideration during the semester in which the student expects to complete the requirements for graduation.

Winter Graduation Exception: Students who complete the requirements during the winter session must petition for graduation for the following spring.

Summer Graduation, Ceremony Participation Exception: Students who will complete at most 8 units to meet the requirements for graduation in the summer, must petition by the prior Spring deadline to participate in the graduation ceremony.

Per AR 4100.1, the College is authorized under Title 5, Sections 55063 and 55072, to confer upon a student a degree or certificate of achievement without requiring the student to first petition for conferral.
