****Please note additional time for courses submitted for UC, IGETC, CSUGE:***

- UC transfer courses are submitted June 2022; if approved, they're effective Fall 2022.
 - If a course is denied UC transfer, there usually is an appeal process in October 2022.
 - If the approved UC course is to be submitted for IGETC/CSUGE, the course cannot be offered until Fall 2023.
- IGETC/CSUGE courses are submitted December 2022; if approved they're effective Fall 2023.

Timeline example: A new program is approved at the May 4, 2022 Curriculum Committee meeting. It goes to the Academic Senate May 10. If approved by Senate, it will appear on the Board of Trustees agenda in June. If approved by the Board, the program will be uploaded to the Chancellor's Office. The Chancellor's Office can take up to 60 days to review, so approval will likely happen in August. The catalog for 22-23 academic year is finalized in July, so the program will be offered the following academic year, Summer/Fall 2023.
