IV. SUPERINTENDENT’S REPORT

Updates

COVID-19
The Emergency Operations Team has worked over the last few months to develop a Roadmap to Recovery plan that is currently in draft form and is expected to be finalized before the start of the fall semester. This plan uses best practices for colleges from state and local health officials, Cal OSHA, and the CDC. Within the Roadmap to Recovery plan is a comprehensive five-phased approach, employee guidelines for safely returning to campus, a COVID-19 containment and response plan, and several key documents that departments will complete prior to returning to help them assess their areas. The goal for distribution of the Plan is the week of August 24th.

The five phases will allow for a slow and methodical move back to campus, while considering external factors such as trends with new positive COVID-19 cases, COVID-19 hospitalization rates, and the racial and economic disparities that are ever so present in this data.

Phase 1 is the current stage which includes essential personnel only on campus, with the remainder of the workforce operating remotely. Courses are all remote with the exception of nursing and respiratory therapy, and there are very limited student support services on ground. Phase 2 will bring back additional staff to support operations, and will help to prepare the campus for a more thorough return to on-ground work and learning. Phase 3 will bring back the full workforce, with a continued focus on keeping vulnerable employees safe. During this phase students also remain almost entirely in the remote modality. Phase 4 will be a hybrid of learning with some on-ground courses, and some remote courses. And finally, Phase 5 will be the return of all on-ground instruction.

Each department will be required to create a department specific safety plan to help reinforce the importance of mindfulness towards safety and personal responsibility by evaluating the department’s safety issues, and by engaging staff in the process. A template has been designed for departments to create a plan specific to its needs. The template provides guidance for safety responsibility, infection control measures, handwashing and hygiene and physical distancing. The plan will be reviewed by the EOT Leads for final approval. Once the plan is written and approved, the department will have a safety plan to guide what COVID-19 safety will look like in their area upon implementation.

The Board was provided with a draft copy of the SMC Employee Guidelines for Recovery and Phased Return to On-Campus Work which is intended to facilitate the safe return of employees to the campus and their work spaces. It provides procedures and guidelines in several areas – face coverings, safety training, physical distancing, good hygiene practices, disinfecting and cleaning. The document has been shared with all employee groups for input. The screening component in this document includes a daily self-symptoms checklist for employees who are returning to work. All employees are required to complete this survey each day before reporting to work. The plan is to send out the guidelines this week along with the checklist so that employees who are coming to work can complete it starting Monday.
Enrollment
The Fall semester starts in four weeks. As of this time, credit enrollment is up 0.12 percent. Nonresident is down 12.42 percent. There is concern about international students and their ability to get to the college. Generally, new international students are arriving, going through the onboarding process and adding classes, but that will not be the case this year. New federal regulations do not allow the granting of visas and entry to new international students at this time, but will allow continuing students to return. So, the decrease in the international students will continue to grow. Staff in the International Education Office continue to diligently assist SMC students abroad to get them through the onboarding process and enrollment process from their home country. The college worked early on to create a new status of students taking classes in their home country. Even though new international student applications are down about 40 percent, enrollment is down only 18 percent. Students who are taking classes from their home country currently make up over up over 27 percent of the international enrollment. On the domestic side, the Welcome Center in partnership with Admissions, Financial Aid and Counseling hosted its first virtual enrollment sprint on July 17th. About 290 students signed up, about 217 participated in the day. More of these events are planned and the Welcome Center outreach staff is working to prepare for virtual fairs across the country to communicate with students, high schools and parents.

SMC Website
Regina Ip, Web/Social Media Manager, and Paul Trautwein, Web Services Coordinator, provided highlights of the new SMC website which will be launched on August 8th. The new website will include more student-forward content and visuals, and support enrollment in new ways. New features will include a much more visually engaging calendar of events, virtual tours of the college and easier editing capabilities. A survey will be conducted in six months to see what is working and what is not working.

Distance Education Training Activities
Professional Development around Distance Education was necessary, so the DE work was merged with the Center for Teaching Excellence work, and the equity work. One of tasks is the Peer online course reviews using the CBC OEI course design rubric which is an initiative from the Chancellor’s Office and supported by the Academic Senate for California. The rubric is intended to support best practices related to course design, interaction collaboration assessments and accessibility in order to ensure a high quality learning environment for students.

The Distance Education professional development plan to support and prepare faculty to teach online courses was submitted to the Chancellor’s Office with the help of the Distance Education Steering Committee. Numerous workshops have been held focusing on best practices for online pedagogy, design, and technology that can enhance the courses. The most popular is a six-week online teaching and design certification course of which there are four sections currently running this summer (two have been completed); two sections are planned for the fall. The plan also includes faculty mentors for each department in collaboration with SMC equity professionals. There will be 26 DE mentors, each for a department. 30 hours will be in service to the department, 6 hours will be in service to the entire campus. An equity guide to assist faculty to underpin equity-minded practices is being developed.

Virtual Welcome Week, August 24-28, 2020
After 15 years, VIP Welcome Day is heading into the next frontier to be a virtual Welcome Week – a full week of activities to inform and engage with new SMC students and their families. A new virtual technology platform called Brazen will be used to host this event and other Career and Transfer Fairs throughout the coming year.
Each day of Welcome Week will begin with a five minute “opening ceremony” that will consist of a 45 second “Proud to be SMC” video and featured guest speakers. This will be followed by a thematic series of 45-minute live workshops with presentations for 20 minutes followed by another 25 minutes of interactive questions and answers.

The grand finale will be on Friday where all the Areas of Interest with specific program panels and chances to connect with instructional faculty and career counselors will be featured to help set students off on the right path. Additionally, on Friday a Spanish language parent orientation via a live Youtube feed will be hosted.

The first 1,000 students who RSVP for the event will receive in the mail a “Resource Package” that will include a Proud to be SMC tee shirt, an “SMC Cares” face mask, a flash drive and much more. These packages were funded by the Associated Students using funds that were previously approved for In N Out Burger.

**Virtual Opening Day, August 27, 2020**

The Professional Development Committee (PDC) and the Classified Professional Development Committee (CPDC) will host a live Zoom session on August 27, 2020 featuring college addresses by Superintendent/President Dr. Kathryn E. Jeffery and Academic Senate President Nate Donahue.

RECOMMENDATION NO. 3   FIRST AMENDMENT TO CHARITABLE GIFT AGREEMENT

It is recommended that the Board of Trustees authorize the SMC Superintendent/President to execute a First Amendment to a Charitable Gift Agreement between Santa Monica Community College District, Madison Project, and The Broad Foundation.

COMMENT.  At its March 6, 2008 meeting, the Board of Trustees approved a Charitable Gift Agreement between Santa Monica Community College District, the Madison Project, and The Broad Foundation concerning the naming of the Stage and Second Space at the Santa Monica College Performing Arts Center. The parties to the agreement now wish to enter into a First Amendment to the Gift Agreement, to reaffirm their commitment to the provisions of the partnership described in the Gift Agreement as a foundation for future gifts.

| Original Contract Amount | $1,191,562 |
| Change Order No. 1 | -$31,228 |
| Revised Contract Amount | $1,160,334 |

Total Change Orders represents -2.6% of the original contract.

FUNDING SOURCE: Measure S and V

COMMENT: An allowance was included in the base bid as an estimate for work that would be completed under the base construction contract, but for which the exact cost or scope could not be defined at the time of the bid such as agency permits, unknown high water table condition, existing utility conditions, and soil remediation in existing utility alignment. The unused portion of the allowance is generated as a Credit Change Order towards the Contract. All conditions were encountered but not to the extent as anticipated and were successfully resolved.

-B PROJECT CLOSE OUT – SMC MALIBU CAMPUS/SHERIFF SUBSTATION NEW WATER MAIN SERVICE PROJECT

Subject to completion of punch list items by ICON WEST, INC., authorize the District Representative without further action of the Board of Trustees, to accept the project described as SMC MALIBU CAMPUS / SHERIFF SUBSTATION NEW WATER MAIN SERVICE PROJECT as being complete. Upon completion of punch list items by ICON WEST, INC., the District Representative shall determine the date of Final Completion and Final Acceptance. Subject to the foregoing and in strict accordance with all applicable provisions and requirements of the contract documents relating thereto, upon determination of Final Completion and Final Acceptance disbursement of the final payment is authorized.

-C AWARD OF CONSULTING CONTRACT FOR WHOLE BUILDING COMMISSIONING AND RETRO COMMISSIONING RELATED TO ENERGY EFFICIENCY AND LEED CERTIFICATION

Augmentation Amount: $124,416 (Amended allocation $686,137)
Matching Funds: NA
Performance Period: July 1, 2019 – June 30, 2020

Summary:
The Federal Work-Study Program funded by the Department of Education provides undergraduate and graduate students with self-help aid through part-time employment, where the earnings from these part-time jobs assists to meet the cost of postsecondary education.

The Department of Education, Campus Base Program allows for available fiscal year 2018-19 Federal Work-Study allocation to be carried-forward and spent with the 2019-20 Federal Work Study allocation. The Department of Education Campus Base Program guideline also allows for fiscal year 2019-20 SEOG funding to be transferred and spent under the fiscal year 2019-20 Federal Work-Study funding. This agenda submission increases FWS budget transferred in from SEOG funds, as well as to account for fiscal year 2018-19 carryforward FWS budget not previously submitted to the Board for approval in order to cover an increase in FWS hours worked in fiscal year 2019-20.

Title of Grant: Federal Supplemental Educational Opportunity Grant (FSEOG)
Granting Agency: Department of Education
Augmentation Amount: ($73,462) Amended allocation $600,033
Matching Funds: Not applicable
Performance Period: July 1, 2019 – June 30, 2020
Summary: The Federal Supplemental Education Opportunity Grant (FSEOG) is a grant provided by the Department of Education to our undergraduate students who have financial need and can be identified as students with the lowest estimated family contributions (EFCs).

The Department of Education, Campus Base Program allows schools to transfer fiscal year 2019-20 SEOG funding to be spent under current fiscal year 2019-20 Federal Work-Study. As allowed by the guidelines, this submission decreases the budget for Fund 74.0 for fiscal year 2019-20 SEOG funds in order to process an increase in Fund 01.3 fiscal year 2019-20 Federal Work-Study to fund increased Federal Work-Study hours in fiscal year 2019-20.

Title of Grant: School Communications Interoperability Grant Program (SCIGP)
Granting Agency: California Governor’s Office of Emergency Services (Cal OES)
Augmentation Amount: $100,000
Matching Funds: Not Applicable
Performance Period: January 1, 2020 - December 31, 2021
Summary:
Cal OES is responsible for overseeing and coordinating emergency preparedness, response, recovery and homeland security activities within the state of California. Cal OES Grants Management established the SCIGP which in fiscal year 2019-20 was expected to allot $1,000,000 in competitive grants to California Community Colleges.

This Cal OES subaward was originally approved by the Board on May 5, 2020. However, due to the COVID-19 Pandemic and anticipated budget shortfalls, the State advised in a letter dated June 18, 2020 that project funding would be pulled until further notice. As a result, the Board approved cancellation of the funding at the July 7, 2020 Board meeting.
Now that the State has had the opportunity to review their budget, the college has been advised, in a letter dated July 8, 2020, that funding for the project has been reinstated. Therefore, the subaward is being resubmitted for Board approval. Funding from Cal OES in the amount of $100,000 will be used by the Campus Police Department to enhance the school’s ability to enable systems of communications to be connected to, and coordinate with, first responders. Funds will be used to purchase hardware such as a dispatch control center, computers and software.

The current system of the Los Angeles County Office of Education requires Board approvals each month for budget adjustments. Only the net amount of the transfers in or out of the object codes is shown. In addition to the budget adjustments, transfers result from requests by managers to adjust budgets to meet changing needs during the course of the year.

RECOMMENDATION NO. 18

SUBJECT: RESOLUTION OF SUPPORT: SCHOOLS AND LOCAL COMMUNITIES FUNDING ACT OF 2020

SUBMITTED BY: Chair, Board of Trustees

REQUESTED ACTION: It is recommended that the Board of Trustees adopt the following resolution to endorse Proposition 15, the California Schools and Local Communities Funding Act of 2020, on the ballot November 3, 2020.

Whereas, for four decades, school districts in California have experienced underinvestment and devastating cuts causing California’s school funding to fall behind and resulting in fewer services and resources for students and teachers;

Whereas, the lack of adequate local funding is the result of an inequitable tax system in which corporations and wealthy investors do not pay their fair share in property taxes;

Whereas, loopholes in California’s property tax system allows a fraction of major commercial and industrial properties to avoid regular reassessment and use schemes to hide change in ownership;

Whereas, these loopholes result in millions of dollars going to corporations and wealthy investors rather than to schools and local communities for essential services;

Whereas, experts estimate that the California Schools and Local Communities Funding Act reclaims $12 billion in property tax revenue every year to ensure that our schools and communities have the resources to educate all of our children and the services to support all of our families;

Whereas the California Schools and Local Communities Funding Act does not affect property taxes for homeowners or renters because the initiative exempts all residential property;

Whereas, academic researchers at the University of Southern California (USC) have identified that the vast majority of the reclaimed revenue will come from just a fraction of large properties;

Whereas, California schools are falling behind, ranking lowest in the nation with the largest number of students per teacher and the fewest counselors per student;

Whereas, per-pupil funding has declined from the top 10 in the nation to 39th;

Whereas, the top-ranked state spends $10,259 more per-pupil to educate their children than California spends;

Whereas, the measure invests up to $4 billion annually for K-14 schools to ensure that our children receive the world-class education they deserve;

Whereas, California should be a leader in innovation by educating the next generation of students to compete in the global economy;
Whereas, the California Schools and Local Communities Funding Act guarantees funding to all school districts, over and above Proposition 98 funding, and following the local control funding formula to all students in need in all districts;

Whereas, the measure also provides billions in funding yearly for cities, counties, and special districts in locally controlled revenues for affordable housing, parks, libraries, emergency responders, health and human services, libraries, public infrastructure, and much more;

Whereas, the measure incentivizes the development of residential units and provides more funding for communities to invest in affordable housing;

Whereas, the measure provides new tax incentives to spur new investment in small businesses by eliminating the business personal property tax on equipment for California’s small businesses;

Whereas, the measure also exempts all small business owners whose property is worth $3 million or less;

Whereas, the measure levels the playing field for businesses that already pay their fair share in our communities;

Whereas, the California Schools and Local Communities Funding Act of 2020 is expected to be on the November 2020 ballot;

Whereas, now more than ever, in light of the national and state economic crisis precipitated by the COVID-19 global pandemic, California’s schools and community colleges require additional revenues for the continued provision of services to the children, youth and families of California;

Therefore, be it resolved, that the Santa Monica College District endorses Proposition 15, the California School and Local Communities Funding Act of 2020, on the ballot November 3, 2020.

RECOMMENDATION NO. 19

SUBJECT: EQUAL EMPLOYMENT OPPORTUNITY PLAN

SUBMITTED BY: Vice-President, Human Resources

REQUESTED ACTION: It is recommended that the Board of Trustees approve the revised Equal Employment Opportunity Plan that reflects suggestions from the State Chancellor’s Office.

SUMMARY: The commitment of the Santa Monica Community College District to equal employment opportunity and diversity is articulated in Board Policy 3420, Equal Employment Opportunity.

The Santa Monica Community College District is committed to building an inclusive and diverse environment and maintains a comprehensive program to ensure that practice reflects these principles. Diversity within the college environment provides opportunity to foster mutual awareness, knowledge, and sensitivity, to challenge ingrained stereotypes, and to promote mutual understanding and respect. The District is committed to a work and learning environment conducive to open discussion and the free exchange of ideas. Global awareness and exploration of the diversity of the local communities served by the College are both important components of the commitment of the college to diversity. Embodying, promoting and celebrating diversity inspires innovative ideas, practical solutions, and team-building in the District’s goal of achieving professional and educational excellence.

The commitment of the District to equal employment opportunity and diversity, and to the protections against unlawful discrimination and harassment as defined by federal and state law, is at the core of the SMC mission; the processes and procedures to support this commitment are set out in this Equal Employment Opportunity (EEO) Plan.

Each district shall review its EEO Plan at least once every three years and revise as necessary (California Code of Regulations, Title 5, Section 53003 (b)). This revised Equal Employment Opportunity Plan was reviewed by the District Planning and Advisory Council on July 8, 2020.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MOU") is entered into by and between the Santa Monica Community College District (the "District") and the California School Employees Association and its Chapter 36 (together "CSEA") as of this 9th day of July, 2020.

RECITALS

A. On March 17, 2020, the Board of Trustees of the District declared a local emergency because of the effects of the COVID-19 global pandemic.
B. Throughout the COVID-19 global pandemic, the District has worked collaboratively with CSEA to protect classified employees from adverse impacts caused by major disruptions in the way the District delivers services.
C. The COVID-19 global pandemic has created a fiscal crisis for state and local governmental entities across the United States.
D. On June 2, 2020, the Board of Trustees declared a fiscal emergency as a result of economic impacts of COVID-19.
E. Over 90% of the District's general fund expenditures are for employee salaries and benefits and a reduction in such expenditures is required in order to adopt a budget for fiscal year 2020-21.
F. To the extent possible given the evolving fiscal crisis faced by the District is in the best interests of the District and CSEA to avoid layoffs.

AGREEMENT

In consideration of the covenants and agreements herein contained, the parties agree as follows:

1. The rate of pay for all employees covered by the Collective Bargaining Agreement between the parties shall be frozen at the amount in effect on June 30, 2020. During the period from July 1, 2020, through June 30, 2021, no employee covered by this MOU shall receive an increase in the rate of pay, whether by step, column, or longevity increment. Unless this MOU is extended by further agreement between the parties, the salary effective starting on July 1, 2021, shall be the salary that would have been in effect but for this MOU.

2. The restrictions set forth in Paragraph 1 do not prevent any of the following: (a) an increase in pay as a result of the employee being placed at a higher step because of an approved working out of class assignment; (b) an increase in pay as the result of the employee being placed at higher step because the employee is promoted to a new position; or (c) an increase in pay as the result of the employee being entitled to shift differential because of an approved change in hours.

3. Effective August 1, 2020, the work week of all employees covered by this MOU shall be reduced for all employees covered by this MOU by one furlough day (8 hours) per month.
4. The furloughs are subject to the following:
   a. A furlough day is an unpaid non-working day that is scheduled on a day within the employee's assigned work week. Neither accumulated vacation nor any other paid time off may be used to substitute for the furlough day.
   b. Furlough days shall be scheduled for the first or last day of an employee's work week. The employee can elect to take four hours during the first pay period of the month and the remaining four hours in the second pay period of the month. For employees with alternative work weeks, irregular schedules or who work part-time, it may be necessary to schedule furlough days over more than two work days per month.
   c. If a furlough day falls on a paid holiday, the holiday shall be an unpaid holiday.
   d. For part-time employees, the number of furlough hours shall be pro-rated based on a 40-hour week.
   e. For 11-month employees, the number of furlough hours shall be reduced by 8.33%. For such employees who work an 8 hour day, the furlough shall be split between two work days.
   f. Furlough hours shall not be taken into account in determining the amount of leaves of absence under Article 7, the amount of holiday leave under Article 8, the amount of vacation leave under Article 9, longevity under Article 11, health and welfare benefits under Article 12, or seniority under Article 15 of the Collective Bargaining Agreement. All such leaves and benefits shall be based on the employee's work week without deduction of any furlough hours.
   g. This MOU shall remain in effect until June 30, 2021, unless terminated earlier as set forth below.

5. The District agrees not to impose any layoffs prior to January 1, 2021. In the event the District imposes layoffs at any time after December 31, 2020, this MOU shall be of no further force or effect. In the event of early termination of this MOU, the salary effective starting on the date of termination of the MOU shall be the salary that would have been in effect but for this MOU.

6. This MOU is subject to ratification by the CSEA membership and the Board of Trustees.

RECOMMENDATION NO. 21

SUBJECT: ADOPTION OF EDUCATION PROTECTION ACCOUNT (EPA-PROP 55, AN EXTENSION OF PROP 30) EXPENDITURE PLAN

SUBMITTED BY: Vice-President, Business and Administration

REQUESTED ACTION: It is recommended that the Board of Trustees approve the plan to expend the 2019-2020 Education Protection Account (EPA) funds of $9,980,245 on instructional salaries.

SUMMARY: Proposition 55, The California Children’s Education and Health Care Protection Act of 2016, which was an extension of Proposition 30, temporarily raises the income tax rate for upper-income-earners (over $250,000 for single filers, over $500,000 for joint filers, and over $340,000 for heads of households) through 2030-2031 to fund the State’s Educational Protection Account which provides funding for local school districts and community colleges.

Under Proposition 55, Districts have sole authority to determine how the moneys received from the EPA are spent, provided that the governing board makes these spending determinations in open session of a public meeting of the governing board. Each entity receiving funds must annually publish on its web site an accounting of how much money was received from the EPA and how that money was spent. Additionally, the annual independent financial and compliance audit required of community colleges shall ascertain and verify whether the funds provided by the EPA have been properly disbursed and expended as required by law.

This recommendation is submitted to comply with Proposition 55 provisions requiring the governing board to make the spending determination in an open session of a public meeting of the governing board. The estimated EPA that our District will receive for 2019-2020, as of P2, is $10,233,502. Accordingly, the amount of EPA funds as of the recalculation of apportionment for 2018-2019 decreased from the P2 amount of $19,523,072 to $19,269,815 or a decrease of $253,257. The entire amount for 2019-2020 less the adjustment in 2018-2019 will be spent on instructional salaries. The EPA funds are NOT additional funds but rather are components of the “computational revenue” calculations and will be offset by a decrease in apportionment funding received by the State.

RECOMMENDATION NO. 22

SUBJECT: RATIFICATION OF MUTUAL AID TO ALLAN HANCOCK COMMUNITY COLLEGE DISTRICT

SUBMITTED BY: Vice President, Business and Administration

REQUESTED ACTION: It is recommended that the Board of Trustees ratify the transfer of 225 Chromebooks to the Allan Hancock Community College District.

SUMMARY: At the beginning of the COVID-19 pandemic the District proactively procured 4,577 Chromebooks to facilitate the anticipated transition to a complete online learning modality. The main purpose of the procurement was to allow the District to provide technology to students, faculty and staff who experience a digital/technology divide. To date, the District has issued 965 Chromebooks including 640 to students, 235 to faculty/staff and 90 to special programs leaving 3,612 for distribution in 2020-2021.

The Districts proactive procurement of the Chromebooks places the District in a unique position among community colleges as the current worldwide availability of this type of technology is in short supply. The Allan Hancock Community College has approached the District to ask for emergency assistance to provide 225 Chromebooks for their students, faculty and staff who are facing a digital/technology divide. The Allan Hancock Community College District will reimburse Santa Monica Community College District for cost of the Chromebooks.
