Barbering AS/Certificate of Achievement
The Cosmetology Department is an exciting place to learn about the barbering industry. We welcome you to join our program where you can obtain the practical and technical skills necessary for optimal success. The classrooms are similar to a salon/barbershop atmosphere, with the latest technology creating a positive learning environment for students. Students will have the opportunity to provide services for members of the community, students, faculty and staff of Santa Monica College, including family and friends. This well-established department will prepare you for a barbering license from the California State Board of Barbering and Cosmetology. After successful completion of the program and passing the state board exam, a career in barbering offers multiple employment and entrepreneurial opportunities, such as: platform artist, educator, barber, colorist, salon owner, sales representative, cruise ships, television and film industries. Information regarding the barbering program is available at the Cosmetology Department, (310) 434-4294, and through the SMC website (www.smc.edu).

SUBJECT:  
APPROVAL TO SELECT A PUBLIC-PRIVATE PARTNERSHIP DEVELOPMENT PARTNER FOR AFFORDABLE STUDENT HOUSING THROUGH A REQUEST FOR QUALIFICATIONS (RFQ) & REQUEST FOR PROPOSAL (RFP) PROCESS, FOR RECOMMENDATION TO THE BOARD OF TRUSTEES FOR APPROVAL OF THE SELECTION

SUBMITTED BY:  
Superintendent/President

REQUESTED ACTION  
It is recommended that the Board of Trustees approve the selection of a Public-Private Partnership (PPP) Development Partner by means of a RFQ/RFP process, for recommendation to the Board of Trustees for their approval of the selection.

DISCUSSION:  
Selection of a Development Partner. At its May 2, 2023, meeting, the Board of Trustees approved a contract with Volz Company LLC to conduct analysis to assist District decision-making regarding non-SB 169 on-campus student housing. Analysis of the Bundy Campus site has revealed opportunities for additional student housing at the property beyond what could be funded by the SB 169 program. Volz has conducted additional SMC student and SMC advisory committee surveys, site capacity studies, financial analysis, and a site visitation to a neighboring college’s student housing facility. In coordination with District administration, Volz has determined the viability of soliciting proposals from the private sector for financing student housing at the Bundy campus. The process of selection of a private partner begins with an RFQ (Request for Qualification); a selection of candidate firms; an RFP (Request for Proposal) from the candidate firms; and final selection.

Selection Committee: The Selection Committee consists of the members of the Affordable Student Housing Advisory Committee and several others. The Advisory Committee has assisted with both the SB 169 grant application and the current analysis of non-SB 169 student housing opportunities. Members include Dr. Kathryn Jeffery, Jason Beardsley, Chris Bonvenuto, Susan Fila, Don Girard, Lizzy Moore, Bob Myers, Pressian Nicolov, Teresita Rodriguez, Mike Tuitasi, and Charlie Yen. The Selection Committee also includes María Muñoz and Shari Davis.

Evaluation Criteria. Evaluation will be based on written response to the following factors: Firm Organization and Background, Relevant Experience, Developer Financial Capacity, Development Team, Housing Approach, and Local Business and Student Engagement. The RFP was developed in coordination with SMC’s Purchasing, Contracts, and Logistics department and reviewed by College Counsel.

Selection Approval by Board of Trustees. The selection of a Developer Partner will conclude with a recommendation to the Board of Trustees for approval, tentatively scheduled for the April 2024 meeting. The Board will be presented with the “why” of the selection relative to the evaluation criteria. It is expected that the Development Partner will be at the meeting to present and introduce themselves.
Volz Presentation. Tonight’s presentation and discussion will be led by Ann Volz, President of Volz Company and her team. The presentation includes (1) Background, including SB 169 updates; (2) Site, Program, Financial Sensitive, and Student Services, including scale and use of the existing building; (3) Public-Private Partnership Overview, including characteristics, structure, and risk and control; and (4) Developer Procurement Process, with a schedule of activity.

Subsequent Steps: Should the Board approve the selection of a Development Partner next Spring, the Board will also be asked at that time to authorize the negotiation of a Pre-Development Agreement with the Development Partner. A recommended Pre-Development Agreement would then be brought to the Board for consideration one or two months later.

Board approval of the Pre-Development Agreement would then begin the work of accomplishing the project. This is also the point of risk sharing, which extends until the completion of construction documents, guaranteed maximum price, and financial close.

For reference to prior Board actions related to this recommendation, the May 2, 2023 Board item is here, beginning on page 29 and ending on page 31.
