Individuals wishing to speak directly to the Board can do so in one of several ways:

Comment: The Adopted Budget needs to be amended to reflect the totals of the departmental budgets. The current system of the Los Angeles County Office of Education requires Board approvals each month for budget adjustments. Only the net amount of the transfers in or out of the object codes is shown. In addition to the budget adjustments, transfers result from requests by managers to adjust budgets to meet changing needs during the course of the year.

RECOMMENDATION NO. 25

SUBJECT: ONE-YEAR EXTENSION OF THE LEASE AGREEMENT FOR SANTA MONICA-MALIBU UNIFIED SCHOOL DISTRICT’S USE OF SANTA MONICA COLLEGE PICO CLASSROOM COMPLEX

SUBMITTED BY: Superintendent/President

REQUESTED ACTION: It is recommended that the Board of Trustees authorize the Superintendent/President to enter into a one-year lease agreement extension with the Santa Monica-Malibu Unified School District (SMMUSD) for use of the Santa Monica College Pico Classroom Complex starting July 1, 2024.

SUMMARY: In 2022, the Santa Monica-Malibu Unified School District had determined its immediate need to close the John Muir/SMASH elementary school site due to a variety of conditions and to allow for remediation and reconstruction. It was determined that moving the high school programs that were housed on the Michelle and Barack Obama Center for Inquiry and Exploration campus to the Santa Monica College main campus would assist SMMUSD as it relocates the elementary school programs off the John Muir/SMASH campus.

SMC identified the Pico Classroom Complex on its main campus as an appropriate facility to house Olympic High School (a program with approximately 50 students primarily in the 11th and 12th grades plus another 120 students in an independent studies program that meets once a week) and the Project Based Learning Program (an offshoot of Santa Monica High School, serving approximately 125 9th through 12th graders).

At its August 2, 2022 meeting, the Board of Trustees authorized the Superintendent/President to enter into a two-year lease agreement starting August 18, 2022.

SMMUSD is requesting an extension to the lease agreement for a period of one year as remediation and construction are still in process at the John Muir/SMASH elementary school site. SMMUSD has also requested a reduction in the amount of space leased from approximately 36 rooms to 19 rooms as the Project Based Learning Program will be relocated to Santa Monica High School. In consideration for the reduced lease space the revised offset to the lease payment the District makes to the SMMUSD for the Madison Campus will reduce from $500,000 annually to $400,000 annually.

RECOMMENDATION NO. 27

SUBJECT: ADOPTION OF EDUCATION PROTECTION ACCOUNT (EPA - PROP 55, AN EXTENSION OF PROP 30) EXPENDITURE PLAN

SUBMITTED BY: Vice President, Business and Administration

REQUESTED ACTION: It is recommended that the Board of Trustees approve the plan to expend the 2023-2024 Education Protection Account (EPA) funds of $31,831,056 on instructional salaries.

SUMMARY: Proposition 55, The California Children’s Education and Health Care Protection Act of 2016, which was an extension of Proposition 30, temporarily raises the income tax rate for upper-income-earners (over $250,000 for single filers, over $500,000 for joint filers, and over $340,000 for heads of households) through 2030-2031 to fund the State’s Educational Protection Account which provides funding for local school districts and community colleges.

Under Proposition 55, Districts have sole authority to determine how the moneys received from the EPA are spent, provided that the governing board makes these spending determinations in an open session of a public meeting of the governing board. Each entity receiving funds must annually publish on its web site an accounting of how much money was received from the EPA and how that money was spent. Additionally, the annual independent financial and compliance audit required of community colleges shall ascertain and verify whether the funds provided by the EPA have been properly disbursed and expended as required by law.

This recommendation is submitted to comply with Proposition 55 provisions requiring the governing board to make the spending determination in an open session of a public meeting of the governing board. The estimated EPA that our District will receive for 2023-2024 as of P1, is $32,122,907. Accordingly, the amount of EPA funds as of the recalculation of apportionment for 2022-2023 decreased from the P2 amount of $9,827,751 to $9,535,900 or a decrease of <$291,851>. The entire amount for 2023-2024 less the decrease in 2022-2023 funding will be spent on instructional salaries. The EPA funds are NOT additional funds but rather are components of the “computational revenue” calculations and will be offset by a decrease in apportionment funding received by the State.
