During the COVID-19 (Coronavirus) Global Pandemic, the Board of Trustees has determined in accordance with Government Code Section 54953 that as a result of the ongoing emergency that meeting in person would present imminent risks to the health and safety of the attendees at public meetings.

The Zoom webinar format used by the Board of Trustees Zoom meetings ensure public participation and provide an opportunity for the public to directly address the legislative body.

Public participation can occur in one of two ways. Members of the public can submit written comments to be read during the public meeting or they may speak during the Zoom meeting. All public comments will be subject to the general rules set forth below.

After the comment has been given, the microphone for the speaker’s Zoom profile will be muted.

- Any person who disrupts, disturbs, or otherwise impedes the orderly conduct of any meeting of the Board of Trustees by uttering loud, threatening, or abusive language or engaging in disorderly conduct shall, at the discretion of the presiding officer or majority of the Board, be requested to be orderly and silent and/or removed from the meeting.

General Public Comments and Consent Agenda

- Generally, each speaker may be allowed a maximum of three minutes per topic for general public comments or per item in the Consent Agenda. <td>The Ad Astra class scheduling software suite provides cloud-based class schedule production capabilities and will replace the existing system of WebISIS reports and Excel-based document exchanges currently used in production. The implementation of Ad Astra will enable SMC to more effectively, efficiently, and transparently manage its academic programs while fostering student completion and retention. Ad Astra will enhance the college’s ability to monitor real-time enrollment and react with new section offerings, enabling stakeholders across the institution to view trends in a convenient, cloud-based dashboard view rather than through reports that must be downloaded from WebISIS. Ad Astra also incorporates historical data and analysis into the schedule production process, so chairs will be better able to draft schedules that map to student preferences and needs. Furthermore, the Ad Astra suite is capable of using student education plan data to build a schedule of classes, and Academic Affairs intends to activate that feature once the college has built a useful data source of student education plans.</td>

In addition to the budget adjustments, transfers result from requests by managers to adjust budgets to meet changing needs during the course of the year.

RECOMMENDATION NO. 17

SUBJECT: AGREEMENT FOR SANTA MONICA-MALIBU UNIFIED SCHOOL DISTRICT’S USE OF SANTA MONICA COLLEGE PICO CLASSROOM COMPLEX

SUBMITTED BY: Superintendent/President

REQUESTED ACTION: It is recommended that the Board of Trustees authorize the Superintendent/President to enter into a two-year lease agreement with the Santa Monica-Malibu Unified School District (SMMUSD) for use of the Santa Monica College Pico Classroom Complex starting August 18, 2022.

SUMMARY: The Santa Monica-Malibu Unified School District has determined its immediate need to close the John Muir/SMASH elementary school site due to a variety of conditions and to allow for remediation and reconstruction. Moving the high school programs currently housed on the Michelle and Barack Obama Center for Inquiry and Exploration campus to the Santa Monica College main campus will assist SMMUSD as it relocates the elementary school programs off the John Muir/SMASH campus.

SMC identified the Pico Classroom Complex on its main campus as an appropriate facility to house Olympic High School (a program with approximately 50 students primarily in the 11th and 12th grades plus another 120 students in an independent studies program that meets once a week) and the Project Based Learning Program (an offshoot of Santa Monica High School, serving approximately 125 9th through 12th graders). SMC has determined that it can dedicate its facility for up to two years to the SMMUSD programs without affecting SMC’s ability to offer the planned and projected number of on-ground classes on the main campus.

At its July 5, 2022, meeting, the Board of Trustees authorized the Superintendent/President to enter into a short-term facility use permit with SMMUSD to begin move-in activity, with the intent to finalize a multi-year agreement prior to August 18, the scheduled date for start of classes for the high school programs.

College staff have met with SMMUSD staff to prepare the Facility Use Lease Agreement. Consistent with its obligations, the College has provided public notice of its intent to enter into an agreement with SMMUSD. In devising the terms of the Agreement and arriving at market value for the lease payment, the College has used its current lease with SMMUSD for the SMC Performing Arts Center campus and its current lease with the City of Santa Monica for the SMC Airport Arts campus as reference taking into account square footage and amenities.
This lease is entered into pursuant to Education Code Section 81378.1. As required by Section 81378.1, public notice was given of the intention to enter into the lease by publishing notice in a newspaper of general circulation once a week for three successive weeks prior to the meeting.

Approval of the Agreement by the SMMUSD Board of Education is scheduled for its August 11, 2022, meeting.

A summary of the terms of the Agreement and the Agreement document in whole will be provided to the Board of Trustees on Monday, August 1, 2022, and posted on the SMC website.

INFORMATION ITEM NO. 18

SUBJECT: CONSTRUCTION PROJECTS UPDATE

SUBMITTED BY: Vice-President, Business and Administration
Director, Facilities Planning and Construction

SUMMARY: SMC Staff will present updates on the following construction projects.

Santa Monica College Malibu Campus and Los Angeles County Sheriff Sub-Station. This is a locally-funded joint use and community partnership project. The satellite campus features a two-story building that includes classrooms, science and computer labs, a lecture hall, an art studio, study space, an interpretive center, a multipurpose room, a conference room, offices, and 179 parking spaces. The Los Angeles County Sheriff’s Department will occupy a one-story wing of the building. The multipurpose room, also to be open to the Malibu community, will be shared by the Sheriff’s Department and Santa Monica College. The project employs various sustainability strategies including low water consumption fixtures, the use of reclaimed water for irrigation, green building materials, and equipment commissioning. The project is anticipated to receive LEED Gold Certification. The estimated completion date is November 2022.

Math & Science Extension Building. This is a state-funded and locally-funded project. Santa Monica College is renowned for its science and allied health programs; however, the existing labs for Life, Physical, and Earth Sciences are at maximum capacity. Furthermore, part of the Math Department is currently housed in temporary trailers that lacks the infrastructure for smart classrooms or support for the use of modern technology for instructional use. The new building consolidates the Math and Science programs and strengthens interdisciplinary interaction. The new building also consolidates the Earth Sciences program with the other science programs. The project has qualified for approximately $40 million in State funding. The building features a new community-serving planetarium and a new rooftop observatory. The demolition and site preparation phase of the project was completed in 2021, and the construction phase is well underway. The estimated completion date is July 2024.

Replacement Art Complex. This is a state-funded and locally-funded project. The project is currently under design. SMC is proposing to construct and operate a new Arts Complex replacing the existing 70-year-old art studios and classrooms on the main campus and the ceramic kilns at the Airport Arts campus. The Arts Complex would support studio and workshop classes in Drawing, Design, Digital 2-D and 3-D Design and Printing, Watercolor, Acrylic Painting, Oil Painting, Sculpture, Glass Sculpture, Ceramics, and Printmaking. The complex would also include a large classroom supporting Art History, and additional informal teaching spaces and offices. Parking at the facility is staff only, with 15 parking spaces on site. The estimated completion date is August 2024.

RECOMMENDATION NO. 19

SUBJECT: TRANSFER OF NET PROCEEDS FROM THE SALE OF 1825 PEARL STREET FROM SMCCD AUXILIARY SERVICES TO THE SANTA MONICA COLLEGE FOUNDATION

SUBMITTED BY: Superintendent/President

REQUESTED ACTION: It is recommended that the Board of Trustees transfer the net proceeds of the sale of 1825 Pearl Street, when received, from the District Auxiliary Services office to the David Simon Trust Account of the Santa Monica College Foundation (SMCF). This aligns with the Board’s December 8, 2009, action transferring management of the David Simon Trust to SMCF. This action will increase the awarding of SMC student scholarships each year in perpetuity.

SUMMARY: The District purchased the 1825 Pearl Street property in 1998 using funds from the David Simon Trust as an investment for student scholarships. Rent income from the investment has been made available for the benefit of students for work study, scholarships, books, and other student support. The net proceeds of the sale will be credited to the David Simon Trust Account. The SMC Foundation now manages the David Simon Trust, in order to place the funds in an appropriate investment program.

RECOMMENDATION NO. 20

SUBJECT: ADOPTION OF EDUCATION PROTECTION ACCOUNT (EPA-PROP 55, AN EXTENSION OF PROP 30) EXPENDITURE PLAN

SUBMITTED BY: Vice President, Business and Administration

REQUESTED ACTION: It is recommended that the Board of Trustees approve the plan to expend the 2021-2022 Education Protection Account (EPA) funds of $40,543,928 on instructional salaries.

SUMMARY: Proposition 55, The California Children’s Education and Health Care Protection Act of 2016, which was an extension of Proposition 30, temporarily raises the income tax rate for upper-income-earners (over $250,000 for single filers, over $500,000 for joint filers, and over $340,000 for heads of households) through 2030-2031 to fund the State’s Educational Protection Account which provides funding for local school districts and community colleges.

Under Proposition 55, Districts have sole authority to determine how the moneys received from the EPA are spent, provided that the governing board makes these spending determinations in open session of a public meeting of the governing board. Each entity receiving funds must annually publish on its web site an accounting of how much money was received from the EPA and how that money was spent. Additionally, the annual independent financial and compliance audit required of community colleges shall ascertain and verify whether the funds provided by the EPA have been properly disbursed and expended as required by law.

This recommendation is submitted to comply with Proposition 55 provisions requiring the governing board to make the spending determination in an open session of a public meeting of the governing board. The estimated EPA that our District will receive for 2021-2022, as of P2, is $40,927,381. Accordingly, the amount of EPA funds as of the recalculation of apportionment for 2020-2021 decreased from the P2 amount of $32,818,910 to $32,435,457 or a decrease of $383,453. The entire amount for 2021-2022 less the adjustment in 2020-2021 will be spent on instructional salaries. The EPA funds are NOT additional funds but rather are components of the “computational revenue” calculations and will be offset by a decrease in apportionment funding received by the State.
RECOMMENDATION NO. 21

SUBJECT: SECOND READING AND APPROVAL, BOARD POLICY CHAPTER 5, STUDENT SERVICES

SUBMITTED BY: Superintendent/President

REQUESTED ACTION: It is recommended that the Board of Trustees conduct a second reading and approval of Board Policy Chapter 5, Student Services.

COMMENT: This update of Board Policy Chapter 5, Student Services, is a continuation of the District’s transition to the Community College League of California (CCLC) Policy and Procedures Templates. It includes updates of current language based on the League’s templates to ensure legal compliance and address recent changes in law or accreditation standards.

Board Policy Chapter 5 was reviewed and updated by the Vice-President of Enrollment Development Teresita Rodriguez, Vice-President of Student Affairs Mike Tuitasi, and Dean of Enrollment Services Esau Tovar. It was then reviewed by the Board’s subcommittee (Louise Jaffe, Susan Aminoff and Lisa Rose) and reviewed and approved by senior administrative staff and the Superintendent/President in June 2022. The Board held a first reading on July 5, 2022.
