7-A AMENDMENT TO THE GROUND LEASE AGREEMENT (#78767) WITH THE COUNTY OF LOS ANGELES
FOR PROPERTY LOCATED AT 23555 CIVIC CENTER WAY, MALIBU, CA

It is recommended that the Board of Trustees authorize the Superintendent/President to enter into Amendment No. 1 to Ground Lease Agreement No. 78767 with the County of Los Angeles concerning the Malibu project. The amendment (1) makes changes requested by the County concerning county officers with authority to approve change orders; (2) sets forth procedures to bill the County for water usage for its portion of the building; and (3) transfers responsibility to the County for the acquisition and installation of certain telecommunication and computer equipment related to the Sheriff Sub-Station and Communication Tower by providing that the College shall reimburse the County up to $1,000,000 to perform such work.

Comment: The original Ground Lease Agreement called for Santa Monica College to make acquisitions and installations of telecommunication and computer equipment related to the Sheriff's Sub-Station and communication tower located at the Malibu Campus. After discussions with County staff, it was decided that the County’s Internal Services Department has the specialized knowledge and experience needed to complete the work successfully. Therefore, rather than the College directly performing the work, the College will reimburse the County to do the work.

7-B CONSTRUCTION ESCROW AGREEMENT - ART COMPLEX REPLACEMENT PROJECT

Pursuant to Section 22300 of the Public Contract Code the contractor, PCN3, Inc., has the option to deposit securities with escrow agent as a substitute for retention earnings required to be withheld by the District for the Art Complex Replacement project. Alternatively, on written request by the contractor, the District shall make payments of the retention earnings directly to the escrow agent, Citizens Business Bank. The market value of the securities at the time of the substitution shall be at least equal to the cash amount then required to be withheld as retention. Securities shall be held in the name of the District and shall designate the contractor for such funds which otherwise would be withheld from progress payments pursuant to the contract provisions, provided that the escrow agent holds securities in the form and amount specified.

Funding Source: Measure V, State of California

Comment: The escrow agreement created under Section 22300 allows the contractor a method of earning interest on funds that are normally withheld and not paid until the end of the project.

RECOMMENDATION NO. 20

SUBJECT: RESOLUTION TO ADOPT APPROPRIATIONS LIMITS FOR THE 2023-2024 ADOPTED BUDGET (GANN LIMIT)

SUBMITTED BY: Vice President, Business and Administration

REQUESTED ACTION: It is recommended that the Board of Trustees adopt the resolution to adopt appropriations limits for the 2023-2024 Adopted Budget (Gann Limit).

WHEREAS, on November 6, 1979, the People of California passed Proposition 4, a constitutional amendment requiring appropriations limits for state and local government units; and

WHEREAS, Senate Bill 1352, Chapter 1205 of 1980, implements Proposition 4, and requires the Board of Trustees to establish by Resolution an appropriation limit each fiscal year beginning with 1981/1982; and

WHEREAS, the Board of Trustees has directed that the appropriations limit for Fiscal Year 2023-2024 Adopted Budget be developed in accordance with the provisions of Senate Bill 1352; and

WHEREAS, California Government Code Section 7910 provides that the governing body of each local jurisdiction shall, by resolution, establish its appropriations limit and make other necessary determinations for the following fiscal year pursuant to Article XIIIB at a regularly scheduled meeting or noticed special meeting; and

WHEREAS, the Government Code 7902.1 provides that school districts may increase their appropriations limit under specified circumstances; and

WHEREAS, the documentation used in determining the appropriations limit for the Fiscal Year 2023-2024 Adopted Budget are made in accordance with applicable constitutional and statutory law;

NOW, THEREFORE, BE IT RESOLVED, that the Board of Trustees hereby establish the Fiscal Year 2023-2024 Adopted Budget appropriations limit of $163,251,671;

AND, BE IT FURTHER RESOLVED, that this Board does provide public notice that the calculations and documentation of the Gann Limit for the Fiscal Year 2023-2024 Adopted Budget includes an increase of $10,680,787 to the calculated appropriations limit pursuant to the provisions of the Government Code Section 7902.1;

Comment: Proposition 4 (November 1979, Special Election) added Article XIIIB to the State Constitution to place limitations on the year over year growth of expenditures of State and local governments, and is commonly known as the Gann Limit. For Community Colleges, the Gann Limit limits year-to-year expenditure growth from taxpayer funds to changes in inflation and the number of Full-time Equivalent Students served by a District.
In 2021 Assembly Bill 130 (Education omnibus budget trailer bill) resulted in changes to the statutes related to the Gann Limit calculation. For Community Colleges, these changes now require that the Board adopt an appropriations limit that is equal to its appropriation subject to limit. This effectively means that if the District has excess appropriations limit the excess is transferred to the State of California and if the District exceeds its appropriations limit the State of California will transfer its excess limit to the District. For the 2023-2024 Adopted Budget, the District projects it will exceed its appropriations limit by $10,680,787.
