PUBLIC PARTICIPATION
ADDRESSING THE BOARD OF TRUSTEES DURING A ZOOM WEBINAR

During the COVID-19 (Coronavirus) Global Pandemic, the Board of Trustees has determined in accordance with Government Code Section 54953 that as a result of the ongoing emergency that meeting in person would present imminent risks to the health and safety of the attendees at public meetings.

The Zoom webinar format used by the Board of Trustees Zoom meetings ensure public participation and provide an opportunity for the public to directly address the legislative body.

Public participation can occur in one of two ways. Members of the public can submit written comments to be read during the public meeting or they may speak during the Zoom meeting. All public comments will be subject to the general rules set forth below.

PUBLIC COMMENTS

When it is time for the speakers to address the board, their name will be called and the microphone on their Zoom account will be activated. A speaker’s Zoom Profile should match the name used to request to speak to expedite this process.

After the comment has been given, the microphone for the speaker’s Zoom profile will be muted.
General Public Comment Rules

- Generally, each speaker may be allowed a maximum of three minutes per topic. If there are more than four speakers on any topic or item, the Board reserves the option of limiting the time for each speaker. A speaker’s time may not be transferred to another speaker.

- Each speaker is limited to one presentation per specific agenda item before the Board, and to one presentation per Board meeting on non-agenda items.

- Any person who disrupts, disturbs, or otherwise impedes the orderly conduct of any meeting of the Board of Trustees by uttering loud, threatening, or abusive language or engaging in disorderly conduct shall, at the discretion of the presiding officer or majority of the Board, be requested to be orderly and silent and/or removed from the meeting.

General Public Comments and Consent Agenda

- Generally, each speaker may be allowed a maximum of three minutes per topic for general public comments or per item in the Consent Agenda. Summary: The International Students Health Insurance Program is the mechanism by which the District collects required health insurance premiums from students on an F1 Visa and passes those funds through to the insurance agency.

Title of Grant: Strong Workforce Program – Regional Share Round 5: Fiscal Year 2021-2022 Amendment
Granting Agency: California Community Colleges Chancellor’s Office
Award Amount: ($751,200) Amended Award: $1,077,640
Matching Funds: Not applicable
Performance Period: July 1, 2021 – December 31, 2023
Summary: The Strong Workforce Program regional funds require colleges to collectively increase specific metrics that include the quantity of career technical education (CTE) enrollments, courses, programs, job placement, and wage gains while also improving the quality of Career Education (CE).

The funding reduction is a result of two events. Santa Monica College (SMC) has transferred the administration of the Regional CCLA Marketing Project ($1,000,000 reduction) to the Los Angeles County Consortia host, which is in the best interest of the region to leverage the foundational framework, resources, and campaign strategies developed by SMC as the lead over the past five years. Secondly, five of the projects received additional funding totaling $248,800. The net impact on the Round 6 Participation Agreement is a reduction of $751,200.

Comment: The Adopted Budget needs to be amended to reflect the totals of the departmental budgets. The current system of the Los Angeles County Office of Education requires Board approvals each month for budget adjustments. Only the net amount of the transfers in or out of the object codes is shown. In addition to the budget adjustments, transfers result from requests by managers to adjust budgets to meet changing needs during the course of the year.

RECOMMENDATION NO. 20

SUBJECT: AGREEMENT WITH THE CITY OF SANTA MONICA FOR PROPERTY MANAGEMENT SERVICES OF 3400 AIRPORT AVENUE

SUBMITTED BY: Vice President of Business and Administration

REQUESTED ACTION: It is recommended that the Board of Trustees authorize the Superintendent/President to enter into a five-year agreement with the City of Santa Monica to provide continued property management services and other managerial services related to the leasing, operation and management of commercial office space at 3400 Airport Avenue.

SUMMARY: In 2013 the District and City of Santa Monica (“City”) entered into real estate and other ancillary agreements to exchange real estate interests in land located at 1831 Stewart Street and 3400 Airport Avenue to assist with the creation of the Exposition Light Rail Maintenance Facility and adjacent buffer area. As part of those agreements, the District entered into a Property Management agreement with the City to provide property management and related services for commercial office space located at the 3400 Airport Avenue property.

An overview of the recommended agreement is as follows:

- City will provide property management services, including the leasing and re-leasing of space, management of the lease agreements, assessment and collection of rental payments and fees, quarterly financial updates to the District, coordination of eviction plans if necessary and provide all necessary repairs and alterations required by the agreement and/or local law.
- District will pay the City a property management fee equal to 10% of Gross Revenues and a Leasing/Re-leasing Fee equal to the greater of one -month's rent or 3% of the gross lease value. The Property Management Fee and reimbursements shall be deducted from the disbursement of collected rents and fees.
- The City and District will create a capital improvement plan which will be updated annually. The cost of the capital improvements will be deducted from the disbursement of collected rents and fees with the intention of collected rents and fees covering all expenses related to the capital improvement plan.
- Tenant leases can be for Month-to-Month or for Term Leases of up to three years.
- Both parties can terminate the agreement without cause by giving one year written notice.

RECOMMENDATION NO. 22

SUBJECT: RESOLUTION TO ADOPT APPROPRIATIONS LIMITS FOR THE 2022-2023 ADOPTED BUDGET (GANN LIMIT)

SUBMITTED BY: Vice President, Business and Administration

REQUESTED ACTION: It is recommended that the Board of Trustees adopt the resolution to adopt appropriations limits for the 2022-2023 Adopted Budget (Gann Limit).

WHEREAS, on November 6, 1979, the People of California passed Proposition 4, a constitutional amendment requiring appropriations limits for state and local government units; and

WHEREAS, Senate Bill 1352, Chapter 1205 of 1980, implements Proposition 4, and require the Board of Trustees to establish by Resolution an appropriation limit each fiscal year beginning with 1981/1982; and

WHEREAS, the Board of Trustees has directed that the appropriations limit for Fiscal year 2022-2023 Adopted Budget be developed in accordance with the provisions of Senate Bill 1352; and

WHEREAS, California Government Code Section 7910 provides that the governing body of each local jurisdiction shall, by resolution, establish its appropriations limit and make other necessary determinations for the following fiscal year pursuant to Article XIIIB at a regularly scheduled meeting or noticed special meeting; and

WHEREAS, the Government Code 7902.1 provides that school districts may increase their appropriations limit under specified circumstances; and

WHEREAS, the documentation used in determining the appropriations limit for the Fiscal Year 2022-2023 Adopted Budget are made in accordance with applicable constitutional and statutory law;

NOW, THEREFORE, BE IT RESOLVED, that the Board of Trustees hereby establish the Fiscal Year 2022-2023 Adopted Budget appropriations limit of $149,233,550;

AND, BE IT FURTHER RESOLVED, that this Board does provide public notice that the calculations and documentation of the Gann Limit for the Fiscal Year 2022-2023 Adopted Budget includes an increase of $21,798,201 to the calculated appropriations limit pursuant to the provisions of the Government Code Section 7902.1;

Comment: Proposition 4 (November 1979, Special Election) added Article XIIIB to the State Constitution to place limitations on the year over year growth of expenditures of State and local governments and is commonly known as the Gann Limit. For Community Colleges, the Gann Limit limits year-to-year expenditure growth from taxpayer funds to changes in inflation and the number of Full-time Equivalent Students served by a District.
In 2021 Assembly Bill 130 (Education omnibus budget trailer bill) resulted in changes to the statutes related to the Gann Limit calculation. For Community Colleges, these changes now require that the Board adopt an appropriations limit that is equal to its appropriation subject to limit. This effectively means that if the District has excess appropriations limit the excess is transferred to the State of California and if the District exceeds its appropriations limit the State of California will transfer its excess limit to the District. For the 2022-2023 Adopted Budget the District projects it will exceed its appropriations limit by $21,798,201.
