The next regular meeting of the Santa Monica Community College District Board of Trustees will be held on Tuesday January 19, 2021 at 6 p.m. (5 p.m. if there is a closed session). The meeting will be conducted via Zoom Webinar.
IV. SUPERINTENDENT’S REPORT

• COVID-19 Update: Since the last update, there has been a surge of COVID-19 cases in Los Angeles County and throughout the country. Over the past five days, daily cases are averaging close to 9,000 per day. There has been a huge increase in hospitalizations rates, including intensive care units reaching capacity. A stay-at-home order was issued Sunday night for L.A. County which will continue for three weeks. The order restricts private gatherings of any size, and all residents are encouraged to stay home unless they need to go out for essential activities. Playgrounds, museums, personal care businesses have closed and restaurants are limited to take out only. To help slow the spread of COVID-19, L.A. County has launched two new initiatives: (1) An exposure notification platform through California Notify where resident can opt in to be notified if they have been exposed to COVID-19; and (2) A nasal swab home test pilot where residents who were exposed or who are symptomatic can take a test at home, send it via FedEx with results in two days.

There is no evidence of the spread of COVID-19 on the campus because of the strict measures the college has taken to increase PPE, reduce the campus footprint and enforce strict social distancing guidelines and safety protocols. SMC reverted back to Phase 1 in the Road to Recovery Plan. College activities are winding down, except for the equipment return process and the pop up food pantry that will continue for the next three weeks. Staff who can work at home are being encouraged to do so, and personnel who are essential to come on campus can report to their workplace. There will be enhanced cleaning, and continued safety protocols will be followed. Construction projects will continue.

• Enrollment Update: Data was released by the Education Advisory Board on the impact on college enrollment comparing Fall 2019 to Fall 2020. Overall, undergraduate enrollment decreased by 4.4 percent, but the hardest hit were public two-year colleges where the average nationwide was 9.5 percent. 31 percent of the decline can be attributed to previously enrolled undergraduates who dropped out post COVID. In addition, there is a decreased population of traditional age students coming directly from high school. At this time, SMC’s full credit enrollment decreased by about 6 percent. SMC is 27 days out before the winter term which is showing a slight increase, and 70 days out before the spring which is showing a slight decrease. The decrease of nonresident enrollment has a significant impact. F-1 visa applications are down about 50 percent and enrollment of new nonresidents is down about 70 percent.

• SMC Foundation Update: The SMC Foundation applied for a grant with the California Community Foundation and was notified of the award of $600,000 for the food security program. A $75,000 grant was received in October which was subsequently increased by $25,000.

• Giving Thanks(giving) Drive-Thru Food Pantry, November 24, 2020: This event was held two days before Thanksgiving. There were over 200 volunteers working over a three-day period to support the event. Over 1,400 families were provided with a Thanksgiving feast.
Santa Monica College and Santa Monica Chamber of Commerce Launch New Mentorship Program. Santa Monica College and the Santa Monica Chamber of Commerce have teamed up to start the Santa Monica NextGen Leadership Mentor Program. The SMC Workforce Development Program, SMC Office of Special Programs, and SMC Career Services Center are collaborating with the Chamber to partner minority/racially minoritized students with Chamber members who have experience related to the student's field of study and cultural background. The program connects SMC students through the virtual Zoom platform to mentors - Santa Monica-based business owners, entrepreneurs, and industry professionals - who can offer guidance and learning opportunities beyond the classroom.

Mentors are Santa Monica Chamber members representing a variety of fields, including banking, real estate, marketing and public relations, entrepreneurship, and hospitality. “To find the 30 students for the program, a survey was sent to more than 1,200 Black Collegians and Adelante students, with over 100 responses of interest to participate in the program,” said SMC Career Services Center Advisor Ann Marie Leahy, who worked on developing special training sessions to bring expertise to the table and help mentors, mentees, and others involved in the program communicate and connect.

Virtual Holiday Party, December 9, 2020: This year’s virtual holiday event will replicate some elements of the annual appreciation lunch typically held in December. Employees will receive a virtual tool box, and there will be games, sharing of recipes and an ugly sweater contest.
VIII. CONSENT AGENDA

Any recommendation pulled from the Consent Agenda will be held and discussed in Section IX, Consent Agenda – Pulled Recommendations

RECOMMENDATION:
The Board of Trustees take the action requested on Consent Agenda Recommendations #1-#16.

RECOMMENDATION NO. 1     APPROVAL OF MINUTES

Approval of the minutes of the following meetings of the Santa Monica Community College District Board of Trustees:

   November 10, 2020 (Regular Board of Trustees Meeting)
   November 23, 2020 (Board Study Session)
CONSENT AGENDA:  ACADEMIC AFFAIRS

RECOMMENDATION NO. 2  NEW COURSES AND DEGREES, FALL 2020

Requested Action:  Approval/Ratification
Requested by:  Curriculum Committee
Approved by:  Jennifer Merlic, Vice-President, Academic Affairs

Following is the Curriculum Committee’s successful completion of mandatory retroactive distance education approval for 700 courses offered online at SMC in summer and fall 2020. When the pandemic forced all SMC courses online last spring, the college was granted a waiver of the requirement that any course offered online be approved for that delivery method via a documented process that complies with federal, state, and ACCJC requirements for, among other things, regular and effective interactivity. However, that waiver was not extended into the summer and fall sessions. Thus, California Community Colleges were asked to retroactively approve all courses not previously approved for online delivery by the end of this calendar year.

RECOMMENDATION NO. 3 KCRW FOUNDATION DONATIONS OF EQUIPMENT TO SMCCD

Requested by: Jennifer Ferro, General Manager, KCRW
Approved by: Don Girard, Government Relations/Institutional Communications

The following are donations of equipment from the KCRW Foundation to the Santa Monica Community College District. In the normal course of business, the KCRW Foundation uses member donations and underwriting revenues to purchase equipment used in operating the Station. The ownership of the assets is transferred to the District and is inventoried and depreciated by the District. This Board action is primarily a recordkeeping action. The assets continue to be used in operating the Station.

Comment: Amendment No. 4 accounts for architectural and engineering services for Extended Construction Administration Services for the Early Childhood Lab School project for 6 additional months, from July, 2020 through December, 2020. The construction delay was a result of a variety of factors such as supplies and concrete shortages during the COVID-19 Pandemic and various California wild fires, additional DSA required structural tests, operational space utilization scope changes, and security system revision for centralized operations.

Title of Grant: Strong Workforce Program – Local Share Round 4: Fiscal Year 2020-2021
Granting Agency: California Community Colleges Chancellor’s Office
Augmentation Amount: $346,598 (Amended Allocation $1,431,096)
Matching Funds: Not applicable
Performance Period: July 1, 2020 – June 30, 2022

Summary: The Local share of the Strong Workforce Program funds require colleges to increase the quantity of career technical education (CTE) enrollments, courses, completions, job placements, and wage gains while improving the quality of CTE. Santa Monica College qualified for incentive funding in the amount of $346,598. These funds will be used in program investments to target and support outcomes that increase the annual number of students who earn degrees, credentials, certificates or specified skill sets. This will prepare them for in-demand jobs; increase the number of students transferring annually to a UC or CSU; decrease the average number of units accumulated by students earning associates degrees; increase the percentage of CTE students who report being employed in their field of study; and reduce equity gaps across all of the above measures through faster improvements among traditionally underrepresented student groups, with the goal of cutting achievement gaps.

Title of Grant: Radio Community Service Grant
Granting Agency: The Corporation for Public Broadcasting (CPB)
Augmentation Amount: $30,203; (Amended Award Amount $1,195,413)
Matching Funds: Not Applicable
Performance Period: October 1, 2020 – September 30, 2022
Summary: CPB distributes community service grants (CSGs) to noncommercial public television and radio stations that provide significant public service programming to their communities. CSGs help stations expand the quality and scope of their work, whether in educational, news, public affairs or other programming.

Funding was increased by $30,203, per the Service Grant Agreement from CPB dated October 1, 2020. Funding is allocated based on station revenue reported by KCRW on fiscal year 2019 audited financial statements and the amount of funds available to be distributed by CPB based on appropriation from the United States Congress. This funding is allocated for the following uses: programming charges and interconnect fees to access satellites to upload KCRW programs, studio usage/ISDN lines/engineering time, access to source databases used in production of radio programs, and for professional memberships.

Comment: The Adopted Budget needs to be amended to reflect the totals of the departmental budgets. The current system of the Los Angeles County Office of Education requires Board approvals each month for budget adjustments. Only the net amount of the transfers in or out of the object codes is shown. In addition to the budget adjustments, transfers result from requests by managers to adjust budgets to meet changing needs during the course of the year.

16-B AWARD OF COMPETITIVE CONTRACTS 2020-2021
The annual award of competitive contracts bid through various state and local agencies allows SMC to leverage buying power through strategic sourcing and achieved commodity and service as well as reduce administrative cost. These indirect (MRO) contracts are targeted to the products and services which SMC routinely purchases. Leveraging the aggregate buying power and strategic sourcing is a process that moves SMC away from numerous individual procurements to a broader aggregate approach, allowing SMC to achieve savings ranging from 20 to 65 percent.

RECOMMENDATION NO. 17

SUBJECT: RESOLUTION OF THE BOARD OF TRUSTEES AUTHORIZING DISTRICT PARTICIPATION IN THE CALIFORNIA SCHOOL FINANCE AUTHORITY STATE AID INTERCEPT NOTES (FISCAL YEAR 2020-2021 SCHOOL AND COMMUNITY COLLEGE DISTRICT DEFERRALS) THROUGH THE ISSUANCE AND SALE OF ONE OR MORE SERIES OF FISCAL YEAR 2020-2021 TAX AND REVENUE ANTICIPATION NOTES AND REQUESTING THE BOARD OF SUPERVISORS OF THE COUNTY TO WAIVE/DECLINE SUCH ISSUANCE BY THE COUNTY OR TO ISSUE AND SELL SAID SERIES OF NOTES

SUBMITTED BY: Vice President of Business and Administration

REQUESTED ACTION: It is recommended that the Board of Trustees approve the following resolution to authorize the issuance of up to $25,000,000 of tax and revenue anticipation notes (TRANs), the form of the Note Purchase Agreement and Indenture (see Appendix A).

SUMMARY: In order to offset the fiscal impact of COVID-19, the State’s 2020-2021 Adopted Budget deferred $12.9 billion in aid to school districts, community colleges and offices of education (“LEAs”) expected to be paid in 2020-2021 to 2021-2022. In response to this, California State Treasurer Fiona Ma has created a new Statewide working capital financing program to help LEAs manage the financial impacts of the deferrals. The California School Finance Authority (“CSFA” or the “Authority”) was created in 1985 to aid LEAs by providing access to financing for working capital and capital improvements. The goal of the CSFA State Aid Intercept Notes is to provide LEA's with a streamlined and secure process that minimizes the impact of the deferrals on their operations.

Based on previously released payment schedules from the California Community Colleges Chancellor’s Office, the District may experience a cash flow shortage in Spring 2021 created by timing differences between its anticipated expenditures and estimated receipt of revenues. The Resolution being presented to the Board of Trustees authorizes a short-term borrowing by the District to address this cash flow shortfall through the issuance of tax and revenue anticipation notes (“TRANs” or “Notes”) through the CSFA State Aid Intercept Notes Program.

Pursuant to the Resolution, the District will pledge a portion of the revenues expected to be received by the District during, or attributed to the District for fiscal year 2020-2021 to the repayment of the TRANs in an amount equal to the principal and interest due on the TRANs. However, the TRANs will be a general obligation of the District payable from its General Fund, and to the extent pledged revenues are not available, the TRANs will be paid from other legally available moneys of the District attributable to fiscal year 2020-2021.

RECOMMENDATION NO. 18

SUBJECT: CONTRACT WITH PROCTORIO, INC. FOR ONLINE PROCTORING SERVICES

SUBMITTED BY: Vice President, Academic Affairs
Vice President, Business/Administration

REQUESTED ACTION: It is recommended that the Board of Trustees approve a contract with Proctorio, Inc. for online proctoring services for Spring 2021, for a total amount not to exceed $75,717.50.

FUNDING SOURCE: General Restricted Fund

SUMMARY: Comment: Proctorio is an online exam proctoring system currently in use by some class sections at SMC. Prior to the pandemic, SMC purchased a license for the software to pilot in some of the online class sections. Disciplines that need to assess student knowledge of objective content (for example, mathematics and some of the laboratory sciences) face unique challenges in migrating their courses online while also maintaining the integrity of their assessments. Proctorio offers a solution that has enabled SMC to create online offerings in these disciplines, thereby also enabling SMC to offer the first fully-online degrees.

All sections using the system were so noted in the schedule of classes to ensure that students were advised of the requirement prior to enrolling. Such advanced notification will continue to be the case for the winter and spring 2021 classes at SMC. However, some classes in the summer and fall 2020 offering have used Proctorio without this advanced notification. These classes were scheduled and students had enrolled before the pandemic struck, so advance notice was not possible. Recognizing the gravity of the concerns that many in the SMC community share regarding issues of equity and student privacy related to the use of Proctorio and other web-camera based proctoring systems, a number of guidelines for its use have been shared with SMC faculty who are using the system without the advanced notification. These guidelines include the requirement that faculty make other arrangements for students who indicate that the use of Proctorio is not feasible for them.

Meanwhile, there has been very productive conversation around the topic among SMC faculty, academic administration, and students which has resulted in expanded efforts to communicate effective practices in online exam proctoring to both faculty and students, as well as to ensure that students are well-informed regarding the advanced notification of Proctorio use available to them in the SMC Schedule of Classes.

Motion to amend recommendation to not approve a contract with Proctorio, Inc. for Online Proctoring Services.

INFORMATION ITEM NO. 19

SUBJECT: INSTITUTIONAL EFFECTIVENESS COMMITTEE’S OBSERVATIONS OF SMC’S PERFORMANCE ON VISION FOR SUCCESS/STUDENT EQUITY METRICS AND RECOMMENDATIONS

SUBMITTED BY: Vice-President, Academic Affairs

SUMMARY: Institutional Effectiveness (IE) is the systematic and continuous process of measuring the extent to which a college achieves its mission as expressed through goals and strategic objectives. The ultimate purpose of the IE process is to advance educational quality and drive institutional improvement. The IE process at Santa Monica College (SMC) involves the compilation and analyses of pertinent data metrics and discussion of the College’s performance on the metrics against minimum standards (called “institution-set standards” by ACCJC) and target goals.

Elisa Meyer (Chair of the Academic Senate Joint Institutional Effectiveness Committee) and Hannah Lawler (Vice-Chair of the Academic Senate Joint Institutional Effectiveness Committee) will provide a high-level summary of SMC’s performance on six student and racial equity metrics related to the College’s strategic initiatives (redesign and equity) and analyses of the College’s progress towards the 2021-2022 goals set in the local Vision for Success Goals and Student Equity Plan reports adopted by the Board of Trustees in 2019.

The presentation will conclude with a report on a few key findings from SMC’s administration of the National Assessment of Campus Collegiate Climate (NACCC).

RECOMMENDATION NO. 20

SUBJECT: SECOND READING AND APPROVAL, BOARD POLICY SECTION 4236 – CREDIT FOR PRIOR LEARNING

SUBMITTED BY: Superintendent/President

REQUESTED ACTION: It is recommended that the Board of Trustees conduct a second reading and approve Board Policy Section 4236, Credit for Prior Learning.

COMMENT: California Code of Regulations (CCR) Title 5, Section 55050(n) requires community college districts to certify in writing to the California Community Colleges Chancellor’s Office that Credit for Prior Learning policies have been adopted and implemented by December 31, 2020. The policy was revised following the first reading to provide clarification.

Board Policy
Chapter 4 – Academic Affairs

BP 4236 CREDIT FOR PRIOR LEARNING

Credit for prior learning is college credit awarded for validated college-level skills and knowledge gained outside of a college classroom. Students' knowledge and skills might be gained through experiences such as:

- Military training
- Industry training
- State/federal government training
- Volunteer and civic activities (e.g. Peace Corps)
- Apprenticeships, internships, work-experience

Credit for prior learning may be earned for eligible courses approved by the District for students who satisfactorily pass an authorized assessment. Authorized assessments may include the evaluation of approved external standardized examinations, Transcripts, student-created portfolios, and credit by examination. The Superintendent/President shall consult with the Academic Senate and rely primarily on the recommendations of the Academic Senate to establish administrative regulations to implement this Board Policy.
