BP 4050 ARTICULATION

The Santa Monica Community College District has established articulation agreements with proximate high schools and four-year colleges as well as with other institutions to which SMC students choose to transfer.

The Superintendent/President shall establish administrative regulations that assure appropriate articulation of the District's educational programs with proximate high schools and baccalaureate-level institutions.

The administrative regulations also may support articulation with institutions, including other community colleges and those that are not geographically proximate but that are appropriate and advantageous for partnership with the District.
