IV. SUPERINTENDENT’S REPORT

Emergency Preparations for a Safer Campus Community. The Emergency Operations Team (EOT) continues to monitor the COVID-19 situation in Los Angeles County and looks at various safety and preparedness measures for all SMC campuses as it transitions to more on-ground activities. Los Angeles County is categorized as having a medium community level. The new variant of interest is the XBB.1.5 which is more transmittable. However, it appears that there is no change to severity. There has been a drop in reported cases on campus reported to the health office since last month.

Including several main campus events, the Malibu campus will be opening for classes for the Spring Semester on February 13th. The EOT has identified key emergency preparedness supplies for the campus. A walk-through of the site has been conducted to get a better handle of the environment as well as determining security procedures for the campus. The Sheriff’s personnel are tentatively scheduled to occupy the campus in July 2023.

Enrollment Update: As of January 17, 2023, spring headcount is down 3.68 percent from last spring. Spring Credit FTES is down 6.47 from last spring. The 2022-2023 annual decline is currently -7.07 percent. Spring non-resident FTES is slowly recovering with an increase of 6.19 percent from last spring. The 2022-2023 annual increase is currently +2.83 percent. Link to: Enrollment Update

State Budget Update: The Governor released his 2023-2024 budget proposal which is the beginning of the budget process. The next big update will be the May revised to the proposed budget. During that time, there will be negotiations with legislature and updated economic projections, so things will change between now and June when the Board adopts the 2023-2024 Tentative Budget. The Governor’s proposed 2023-2024 Budget Action contains a projected $22.5 billion budget shortfall. Link to: State Budget Update

Community Engagement
• Members of the college community have been participating in Martin Luther King, Jr. Day celebrations for many years. Saturday night there was a performance by the Santa Monica Symphony Orchestra held at the John Adams Middle School Performing Arts Center. This year’s celebration marked the event’s 38th anniversary and embraced the theme “When you stand up for justice, you can never fail,” a quote from Dr. Martin Luther King, Jr. This year, the keynote speaker was civil rights icon Dr. Benjamin Franklin Chavis, Jr. who marched with Dr. King when he was a young man. Awards were presented to students in recognition of their essays submitted about the life of Dr. Martin Luther King, Jr.
• Board Chair Barry Snell will be the speaker at the Santa Monica Rotary Club meeting on February 12, 2023. His topic will be racism and the economic toll on Americans.

Santa Monica Early Childhood Lab School: The ECLA has received the highest LEED rating of Platinum. LEED stands for Leadership in Energy and Environmental Design. Based on the four levels of LEED certification, the ECLS obtained 80 points, which is Platinum. Link to: LEED Certification Presentation

Other Events:
• The Caring Campus Initiative kick-off was held last week on the main campus that involved a major presentation fully conducted by classified employees. Caring Campus engages and supports staff members in developing behavioral commitments to ensure that students feel welcome and connected to the college.
• Volleyball Coach Liran Zamir hosted the first-ever All Time Alumni Day & Match, an event for volleyball alumni which was attended by nearly 100 former SMC volleyball players and coaches. This event sponsored by the SMC Foundation is a way for SMC Men’s Volleyball to continue the legacy of its past by bringing together alumni from throughout history, recognizing past players and coaches, and connecting the new generation of players with its storied roots.

Title of Grant: Strong Workforce Program – Local Share Round 6: Fiscal Year 2022-2023
Granting Agency: California Community Colleges Chancellor’s Office
Augmentation Amount: $298,427 (Amended Allocation $1,524,113)
Matching Funds: Not applicable
Performance Period: July 1, 2022 – June 30, 2024
Summary: The Local share of the Strong Workforce Program (SWP) funds require colleges to increase the quantity of career technical education (CTE) enrollments, courses, completions, job placements, and wage gains while working to improve the quality of CTE.
The final Fiscal year 2022-2023 allocation memo reflected an increase in funding of $298,427. These funds will be used in program investments to target and support outcomes that increase the annual number of students who earn degrees, credentials, certificates or specified skill sets to prepare them for an in-demand job; increase the number of students transferring annually to a UC or CSU; decrease the average number of units accumulated by students earning associates degrees; increase the percentage of CTE students who report being employed in their field of study; and reduce equity gaps across all of the above measures through faster improvements among traditionally underrepresented student groups, with the goal of cutting student success gaps.

Comment: The Adopted Budget needs to be amended to reflect the totals of the departmental budgets. The current system of the Los Angeles County Office of Education requires Board approvals each month for budget adjustments. Only the net amount of the transfers in or out of the object codes is shown. In addition to the budget adjustments, transfers result from requests by managers to adjust budgets to meet changing needs during the course of the year.
