IV. SUPERINTENDENT'S REPORT

Updates:

- Winter-Spring Transition
  As part of the Winter-Spring 2023 transition, a masking matrix was developed to guide and inform our community when masks are required and when they are not. The CDC and LA County Public Health currently use community transmission rates as well as measuring vaccination percentages, hospitalization, bed capacity etc. to come up with a three-tiered Community Level model. The SMC Emergency Operations Team looked at this method as well as earlier public health measuring methods and decided to base its decisions on community transmission which provides for continuity of instruction without major disruptions to the classroom learning environment. The matrix was shared with the various constituency groups for feedback. A glossary and FAQs were added to help understand the guiding principles of the matrix. LA County has indicated that it may go back to a mandatory indoor masking by the end of the month, and it is projected that due to the surge, community transmission levels will be high and the Winter Semester will start with indoor masking. The college is moving forward with various events on campus including resource fairs and community events.

Santa Monica College had a total of 125 confirmed positive cases on and off campus within the last 4 weeks, 80 were students and 45 faculty/staff. It is very crucial, especially this year, that everyone gets vaccinated with the flu vaccine. Los Angeles hospitals are strained by a very bad flu season, COVID 19 surge, and RSV cases. The SMC Health Center continues to offer flu vaccines Monday through Thursday, 8 am-3 pm. Primarily by appointments, some walk-ins are also accepted. SMC continues to hold weekly COVID-19 clinics, offering vaccines and bivalent boosters to students and staff/faculty, every Thursday, 11 am-7 pm, in front of the Core Performance Center.

- 2022 Title IX Student Leadership Program: The report highlighted the institutional importance of this program at SMC and the student contributions as Title IX leaders. Link to: [2022 Title IX Student Leadership Program Report]

- 2022 Santa Monica and Malibu Election Results Related to SMC: The report acknowledged the re-election of trustees Nancy Greenstein, Sion Roy and Barry Snell and the election of new Trustee Tom Peters. The voters approved SMC’s $375 million bond measure designed to fund the replacement of obsolete classrooms and instructional labs, improve access to career training programs, improvements to the college's veteran success center, campus police and facilities to support hybrid in-person and online learning. Additionally, the measure will partially fund campus housing for homeless and qualified low-income students with priority for local families and individuals. The measure received 58% yes votes with 55% required for passage. This is the sixth bond for Santa Monica College in the last 30 years, starting in 1992.

- Giving Thanks(giving): The third annual Giving Thanks(giving) took place on November 22-23. The purpose of this event is to support SMC students with basic needs and to ensure food security. 1,460 students were served over the two days. 162 volunteers gave out groceries on Tuesday and hot turkey dinners and vegetarian meals on Wednesday. Lyft rides were also provided to 186 students with distance ranging from .2 to 28 miles. View Video [here](#)

RECOMMENDATION NO. 8 SUBMISSION OF CITY OF SANTA MONICA HUMAN SERVICES GRANT PROGRAM APPLICATION FOR THE PICO PARTNERSHIP PROGRAM, 2023-2027

Requested Action: Approval/Ratification
Approved by: Michael Tuitasi, Vice-President, Student Affairs

It is recommended that the Board of Trustees approve the submission of the City of Santa Monica Human Services Grant Program application in Fall 2022.

Comment: The Santa Monica College Pico Partnership program will be applying for renewal of funding from the City of Santa Monica's Human Services Grants Program for the 2023-2027 grant cycle. While Pico Partnership has been successful in serving youth from the Pico neighborhood for decades, this grant renewal application is an opportunity to expand the program to meet the demands of the local community and strengthen the existing partnerships with community stakeholders, including Santa Monica Malibu Unified School District. The City of Santa Monica released the request for proposal on September 28, 2022, with application deadline of January 18, 2023. The grant application requires that each entity submitting an application have approval to submit by its governing board.

SUBJECT: SMC 2022-2025 STUDENT EQUITY PLAN 2.0 SUMMARY REPORT, INQUIRY PHASE

SUBMITTED BY: Superintendent/President

REQUESTED ACTION: It is recommended that the Board of Trustees accept the SMC Student Equity Plan 2.0 Summary Report, Inquiry Phase.

BACKGROUND: The Student Equity Plan (SEP) 2.0 embraces a focus on racial equity, acknowledges the racial inequities students face are rooted in cultural and structural practices, processes, and policies of institutions and are not a “student problem”, and prioritizes an equity-minded, inquiry-based process to better understand and address racial equity gaps.

The Santa Monica College 2022-2025 Student Equity Plan 2.0 (SEP 2.0) will be developed in phases. The phases are: 1) Inquiry, 2) Action Planning, and 3) Implementation and Evaluation. The focus of this summary report is on the preliminary work done over the Spring-Summer 2022 to begin the inquiry phase of the SEP 2.0. The preliminary work was guided by a structural evaluation template provided by the Chancellor’s Office. In Spring 2022, the Division of Equity, Pathways and Inclusion began coordinating a cross-hierarchical and cross-functional approach to build SMC’s SEP 2.0. The goal is to ensure that the diverse voices, unique contributions and experiences of all employee groups are reflected in the development of the SEP 2.0. Structuring the development of the plan in this way ensures that equity becomes “everyone’s work”. In other words, “equity becomes everyone’s responsibility and multiple campus stakeholders collectively share leadership for equity”.
