III. SUPERINTENDENT'S REPORT

COVID-19 Update
On overview and update of the LA County COVID-19 numbers as well as recent and upcoming events at SMC was presented.
LA County encourages businesses to use common sense strategies due to an increase in COVID_19 cases. Masking (medical grade, N95 and KN95) indoors is recommended. SMC is currently continuing to follow those guidelines.

- Last week, the 7-day average was 2,054 cases per day while the week prior to that was at 1,657 cases per day, a difference of 397 per day. Hospitalizations and deaths are considered low based on prior surges.
- Santa Monica College continues to work to open activities on-ground. There is a robust approval process, and safety plans are required. The Associated Students hosted an on-ground movie for Earth Day; the Transfer Fair was held in the Quad on April 28th; the Student Services Awards ceremony will be held on June 2nd, and Grad Walk (formerly diploma drive-thru ceremony) will be held June 11th.

The Emergency Operations Team continues to focus on campus safety as a top priority and repeatedly look to regulatory agency information to stay current on any new safety guidelines from Federal, State, and Local governments.

- Throughout the Spring Semester safety protocols campus-wide have been monitored, including classrooms, offices, and special events. Personal Protective Equipment is available and regularly replenished, sanitizer is available, and high touch points are being sanitized. Staff and students are following the safety protocols.
- Since the beginning of the pandemic, one of the most effective activities the District has undertaken to keep the campus community safe has been to engage all levels of the college in the safety planning process through safety walk-throughs and preparing safety plans. The EOT Leads have created “General Safety Plans” for specific activities that any department can use and takes the place of creating a new specific safety plan. In April two General Safety Plans were released - one for Face-to-Face Meetings and the other for Special Events.
- The college continues in a direction to open the campus in a safe, methodical, and calculated process, always being conscious of the public health requirements, and mindful of our safety as a campus community.

This month the Health Center will be working with MIS to enhance the data collection of positive cases in order to provide a little more detail such as number of cases on campus per week, per building, and other types of specific information. Additionally, the EOT is in the beginning stages of working to develop some metrics that will help guide the future, specifically around loosening the mask mandate in some settings. No decisions have been made yet on changing the mask mandate, but a more conservative approach is being discussed as this has helped to keep students, faculty and staff safe.

The vaccine mandate is still in place for students coming on-ground, however students were given a grace period until May 25th to submit their vaccine or exemption. Students who do have an approved vaccination on file may be dropped from on ground classes on June 8th. This decision to put in a grace period was made to reduce barriers to enrollment, and it is hoped to encourage more students to enroll in on ground courses and access services on-ground. The system for vaccine collection for students went through a major transformation and WebSiS is being used for most needs.
Maintenance and Operations continue to work to ensure safety protocols are in place in preparation for any increase of on-ground activities. Portable air filtration units are installed in all buildings, enhanced cleaning practices remain in place and classroom cleaning supplies are available for faculty and students at all campuses. The maintenance team will consistently monitor air ventilation so that there is continuous and adequate air flow in all buildings.

**Summer/Fall 2022 Enrollment**

- System-wide enrollment is down 25-30 percent on average since before pandemic. What SMC is experiencing is part of a larger statewide picture. Some colleges are experiencing enrollment losses closer to 45-50 percent.

- Summer and fall credit enrollment at SMC began on April 25th. It is very early in the enrollment cycle so numbers will change significantly. So far, resident enrollment is down around 17-18 percent for summer and fall compared to the enrollment period last year. Nonresident enrollment is also down.

- A pattern indicates that there is an increase of new students and a decline of continuing and former students.

- International applications and admissions have increased with strong numbers from F1 visa students, but there are ongoing changes in federal regulations around whether they can take online courses or not.

- Outreach and marketing efforts are being accelerating to entice students with a new approach of program-based marketing through social media and web search optimization. 15 programs have been identified with the capacity to grow enrollment.

- An open house on May 14th will include enrollment labs where counselors can support students with enrollment. The computer labs will be available for students to complete their matriculation tasks as well as financial aid workshops to support students with the financial aid process and to let them know about work-study opportunities. Admissions will be open to support new students, and there will be a resource fair. Academic departments will have tables to promote their programs and there will be tours based on areas of interest.

**Celebration of Early Childhood Champions**

On April 30, 2022, Connections for Children held a celebration of early childhood champions honoring Betsy Award recipients, which included the Santa Monica Early Childhood Lab School Project Team. It was an excellent showcase of the partnerships and highlighted not only the current partners, but past individuals who were catalysts for this effort in the early stages, including Betsy Hiteshew, former chair of SMC’s Early Childhood Education Program, and Iao Karagiri who recently passed.

**Recognition**

Outgoing Student Trustee Ali Shirvani was acknowledged and thanked for his dedicated service on the Board of Trustees this past year.

RECOMMENDATION NO. 2  RESOLUTION: ADOPT FINDINGS PURSUANT TO GOVERNMENT CODE SECTION 54953

Requested Action: Approval
Reviewed by: Robert M. Myers, Campus Counsel

It is recommended that the Board of Trustees adopt the following findings:

1. On September 14, 2021, the Board of Trustees adopted a “RESOLUTION DECLARING THAT ONGOING EMERGENCY CONDITIONS EXIST AT SANTA MONICA COLLEGE AND FINDING THAT IN-PERSON MEETINGS UNDER THE BROWN ACT WOULD PRESENT IMMINENT RISKS TO THE HEALTH AND SAFETY OF ATTENDEES.”

2. In accordance with Government Code Section 54953(e)(3), the Board of Trustees has reconsidered the circumstances of the state of emergency and determined by majority vote that the state of emergency continues to directly impact the ability of members to meet safely in person.

ENGL 63 Science Fiction: Worlds Within Worlds
Science fiction raises the central existential question of what it means to be human in an evolving and incomprehensible world and cosmos. Works in this genre are compelling critiques of the status quo that inspire us to work towards a more humane world. The course will examine Post World War II works in short story, novel, poetry, drama, and film from around the world and how these tales provide an astonishing diversity of thought to the enduring themes of social justice, environmentalism, gender identity, and dreams and nightmares of utopia.

Data Analyst Certificate of Achievement

Data science is an applied field that uses scientific methods, processes, algorithms and systems to extract knowledge and insights from both structured and unstructured data sources. Data Analysts incorporate data mining, machine learning and big data to make predictions and identify actions that organizations can take to be more effective. Data Analysts are responsible for breaking down big data into usable information and creating software and algorithms that help companies and organizations determine optimal operations. This certificate will prepare students for jobs in this field by providing students with skills in different technologies and techniques that are used for data science and machine learning. Students may also choose to transfer to four-year universities with established undergraduate programs in Data Science.

EQUAL OPPORTUNITY FUND MULTIPLE METHOD ALLOCATION MODEL CERTIFICATION FORM, FISCAL YEAR 2020-2021

Requested Action: Approval/Ratification
Reviewed by: Tre'Shawn Hall-Baker, Dean, Human Resources
Approved by: Sherri Lee-Lewis, Vice-President, Human Resources

It is recommended that the Board of Trustees certify that the Santa Monica Community College District met Multiple Method #1 (Mandatory for Funding): District’s EEO Advisory Committee, EEO Plan, and submittal of Expenditure/Performance Reports for prior year; and met at least 8 out of 8 of the remaining Multiple Methods:

- SMC’s EEO Advisory Committee has met in excess of the minimum required meetings during fiscal year 2021-2022.
- Santa Monica College’s current EEO Plan can be found at https://www.smc.edu/administration/human-resources/documents/EEO_Documents/EEO-Plan.pdf; The EEO Plan is required to be updated every 3 years; it was approved on August 4, 2020 by the Board of Trustees.
- The EEO Expenditure Report for FY 2020-2021 was submitted to the Chancellor’s Office on 06/26/2021.
- SMC meets 9 out of 9 Multiple Methods.

Purpose
The purpose of implementing the Multiple Method model was to increase compliance with legal EEO requirements and provide our students with the educational benefits of a diverse workforce.

Background
Each year the California Community Colleges Chancellor’s Office supports EEO and diversity training and education through a state-wide funding mechanism. The funding process requires completion of a certification form from each district requesting funding for EEO and diversity work. The funding can be used for training, publication of EEO/diversity materials, conference attendance, speakers, supplies, job fair exhibition fees, etc. As a result of the District’s adherence to the EEO Multiple Methods program, the District was awarded $50,000 for each of the fiscal years 2017-2018, 2018-2019, 2019-2020, and 2020-2021. It is important to note that in the past, the Chancellor’s Office has notified districts to expect the annual state funding allocation to continue to vary from year to year, and due to the impact of the Covid-19 on the state budget, we expect this year’s allocation to be less than $50,000.

Regulatory Source and Impact
“Education Code section 87100 and title 5 require the community colleges to have a richly diverse workforce that addresses the needs of our diverse student populations. Attaining a diverse workforce requires focusing on equal employment opportunities to eliminate barriers in employment, such as lack of focused outreach, a non-welcoming culture, and implicit and explicit bias. Eliminating these barriers requires a proactive, intentional effort by colleges. It also requires various institutional disciplines, such as a review of job descriptions to avoid exclusionary effect, analysis of significant underrepresentation and adverse impact to ensure recruitment efforts and hiring processes are not unintentionally discriminatory,

The Chancellor’s Office Equal Employment Opportunity and Diversity Advisory Committee and the Legal Affairs Division identified nine best-practice areas for success in promoting EEO. These serve as the multiple methods for reallocating the EEO Fund. In order to qualify for EEO funds, districts are required to demonstrate compliance with Multiple Method #1, and at least 6 of the remaining 8 Multiple Methods.

The certification form requires districts to report the various activities being implemented to promote Equal Employment Opportunity for each of the following 9 Multiple Methods.

**Mandatory for Funding**

1. District’s EEO Advisory Committee, EEO Plan, and submittal of Expenditure/Performance Reports for prior year.

**Pre-Hiring**

2. Board policies and adopted resolutions
3. Incentives for hard-to-hire areas/disciplines
4. Focused outreach and publications

**Hiring**

5. Procedures for addressing diversity throughout hiring steps and levels
6. Consistent and ongoing training for hiring committees

**Post-Hiring**

7. Professional development focused on diversity
8. Diversity incorporated into criteria for employee evaluation and tenure review
9. Grow-Your-Own programs

**Summary**

Santa Monica College meets 9 out of 9 Multiple Methods, and therefore would qualify for EEO funding in the next fiscal year.

*This supports the Board’s 2021-2022 Ongoing Priorities*

#3  Continue to support and hire a diverse and innovative faculty and staff, while seeking to increase the percentage of full-time faculty over time.

Requested Action: Adoption
Reviewed by: Tre'Shawn Hall-Baker, Dean, Human Resources
Approved by: Sherri Lee-Lewis, Vice-President, Human Resources

WHEREAS, (1) Government Code Section 22892(a) provides that a contracting agency under the Public Employees' Medical and Hospital Care Act shall fix the amount of the employer's contribution at an amount not less than the amount required under Section 22892(b)(1) of the Act, and

WHEREAS, (2) SANTA MONICA COLLEGE, hereinafter referred to as Special District is a contracting agency under the Act for participation by members of the Board of Trustees now, therefore be it

RESOLVED, That the employer's contribution for each employee, retiree, or survivor shall be the amount necessary to pay the full cost of his/her enrollment, including the enrollment of his/her family members in a health benefits plan up to a maximum of $1,228.46 per month, plus administrative fees and Contingency Reserve Fund Assessments.

Comment: This is recommendation is presented annually to the Board for approval. The base medical benefit amount is to be increased annually in accordance with the benefits article in the contract agreements with CSEA and the SMC Faculty Association, the SMC Police Officers Association and by Board Resolution covering the Special Districts.

Title of Grant: Amazon Web Services Cloud Skills Pilot Program
Granting Agency: California Community Colleges Chancellor’s Office on behalf of the Community Colleges Board of Governors
Augmentation Amount: $150,000.00 ($75,000 Year 1, $75,000 Year 2)
Matching Funds: Not Applicable
Performance Period: April 1, 2022 to June 30, 2024
Summary: The purpose of the grant is to support Information Technology (IT) full and part-time faculty to design, build, market, and deliver a new cloud computing competency-based certification/Associate’s Degree program. Through a competitive process, Santa Monica College was selected to participate in a statewide project with Amazon Web Services Cloud Skills Pilot Program. The pilot program includes an intensive six-month program where existing IT courses will be adapted to incorporate cloud technologies. Funding from this grant will support compensation for faculty to participate in grant activities, review curriculum to incorporate industry practices and provide work-based learning opportunities for students such as certification boot camps that align with the cloud computing program. Funding will also be used to update any technology needed to support the program.

Comment: The Adopted Budget needs to be amended to reflect the totals of the departmental budgets. The current system of the Los Angeles County Office of Education requires Board approvals each month for budget adjustments. Only the net amount of the transfers in or out of the object codes is shown. In addition to the budget adjustments, transfers result from requests by managers to adjust budgets to meet changing needs during the year.

RECOMMENDATION NO. 25

SUBJECT: ANNUAL AUTHORIZATION OF PRIVILEGES FOR THE STUDENT TRUSTEE

SUBMITTED BY: Superintendent/President

REQUESTED ACTION: It is recommended that the Board of Trustees authorize the continuation of privileges for the student trustee in accordance with Board Policy 2015 and Education Code Section 72023.5.

1. The student trustee may make and second motions.

2. The Student Trustee is entitled to an advisory vote which shall be cast before the rest of the Board of Trustees and be recorded as such in the official minutes. The vote shall not be included in determining the vote required to carry any measure before the Board.

3. The student trustee may receive compensation up to the amount prescribed by Education Code Section 72425 and Board Policy. The term of compensation for the student trustee shall run from June through May.

SUMMARY: Education Code Section 72023.5 states that Board action to determine the privileges of the student trustee is required each year by May 15th for the succeeding year.

Rights and responsibilities dealing with term, closed sessions and conference attendance are included in Board Policy 2015.

RECOMMENDATION NO. 26

SUBJECT: RECEIPT OF PERSONNEL COMMISSION 2022-2023 PROPOSED BUDGET

SUBMITTED BY: Santa Monica Community College District Personnel Commission

REQUESTED ACTION: It is recommended that the Board of Trustees acknowledge receipt of the 2022-2023 proposed budget for the Santa Monica Community College District Personnel Commission. The Personnel Commission Budget will be discussed as part of the District’s regular budget process.

SUMMARY: In accordance with Merit Rule 2.4, the Director of Classified Personnel shall prepare and submit to the Personnel Commission a proposed operating budget for the Commission for the next ensuing fiscal year. The budget shall be submitted for a first reading not later than the appropriate Commission meeting in April.

The Director of the Personnel Commission presented an initial draft of the proposed budget for a first reading at the Personnel Commission meeting on April 20, 2022. The Personnel Commission will hold a public hearing on its proposed budget on May 18, 2022, at which time it will fully consider all comments and suggestions that may be offered by District administration, the Board, or other concerned persons or organizations.

The Personnel Commission’s budget for Fiscal Year 2022-2023 reflects the following adjustments against the prior year’s budget:

- 3.3% increase in total salary and benefits due to the following changes:
  - Mandatory increase in employee benefits
  - Mandatory step and column increases in salary
  - 1.5% negotiated salary increase for represented staff; 1.5% salary increase for non-represented staff, as approved by the District
  - Management salary reallocations approved from cyclical classification studies
- 3.7% increase in Total Operating Expenses due to anticipated increases in software licensing:

In February 2022, the permanent Classification and Compensation Manager resigned. The Personnel Commission is currently in the process of back-filling this position through a promotional recruitment. Additional vacated positions will then be back-filled with promotional or new hires who possess less seniority than the previous incumbents. Projected savings from these staffing changes are expected to offset some of the mandatory increases in salary and benefits.
Overall, the Personnel Commission is requesting a 3.3% increase to its budget for Fiscal Year 2022-2023.

RECOMMENDATION NO. 28

SUBJECT: ADOPTION OF EDUCATION PROTECTION ACCOUNT (EPA - PROP 55, AN EXTENSION OF PROP 30) EXPENDITURE PLAN

SUBMITTED BY: Vice President, Business and Administration

REQUESTED ACTION: It is recommended that the Board of Trustees approve the plan to expend the 2021-2022 Education Protection Account (EPA) funds of $25,687,232 on instructional salaries.

SUMMARY: Proposition 55, The California Children's Education and Health Care Protection Act of 2016, which was an extension of Proposition 30, temporarily raises the income tax rate for upper-income-earners (over $250,000 for single filers, over $500,000 for joint filers, and over $340,000 for heads of households) through 2030-2031 to fund the State’s Educational Protection Account which provides funding for local school districts and community colleges.

Under Proposition 55, Districts have sole authority to determine how the moneys received from the EPA are spent, provided that the governing board makes these spending determinations in an open session of a public meeting of the governing board. Each entity receiving funds must annually publish on its web site an accounting of how much money was received from the EPA and how that money was spent. Additionally, the annual independent financial and compliance audit required of community colleges shall ascertain and verify whether the funds provided by the EPA have been properly disbursed and expended as required by law.

This recommendation is submitted to comply with Proposition 55 provisions requiring the governing board to make the spending determination in an open session of a public meeting of the governing board. The estimated EPA that SMCCD will receive for 2021-2022, as of P1, is $26,064,563. Accordingly, the amount of EPA funds as of the recalculation of apportionment for 2020-2021 decreased from the P2 amount of $32,818,910 to $32,441,579 or a decrease of <$377,331>. The entire amount for 2021-2022 less the decrease in 2020-2021 funding will be spent on instructional salaries. The EPA funds are NOT additional funds but rather are components of the “computational revenue” calculations and will be offset by a decrease in apportionment funding received by the State.
