A. Report from Fiscal Services

Chris Bonvenuto reported that the cash position of the District is becoming a concern and being monitored daily. The District is expecting to receive approximately \$23 million from the State sometime in July. The District cannot legally borrow from the County Treasury until July 1 so the next few weeks will be challenging.

B. Savings and Revenue Ideas

The committee finished discussing the benefits and drawbacks of various savings and revenue ideas that have been proposed to date. The result of these discussions is being tracked by the Co-Chairs. Further discussion on these ideas will continue at the next meeting with the goal of presenting recommendations to DPAC at a later time.
