## Community Advisory Subject of Interest

**Date Reported: 10/2/2017**

**Synopsis:**

The SMC Police Department has received numerous complaints regarding an individual who has been very aggressive toward female students, asking for their personal information in order to form a relationship and has physically grabbed, touched and followed them throughout the SMC area. The subject has been taken into custody, however we are seeking the public's help in identifying other possible victims. If you have had contact with this individual and or experienced similar behavior we ask that you contact the SMCPD at (310) 434-4300 or visit the police station at 1718 Pearl Street and ask to speak with the Watch Commander.
