## A DAY IN THE LIFE OF SMC

The Academy of Learning Innovation & Success wants to showcase students' daily life

one snapshot at a time. Students are invited to take a picture illustrating a significant moment of their experience at SMC and bring it to the Library between March 1 and April 21, 2017. In collaboration with photography experts, pictures will be selected and organized into a visual narrative representing... a day in the life of SMC. The collaborative pictorial story will be exhibited in the Library from May 1 to 31, 2017 and turned into a video for communications and social media. Size and submission process will be specified at the beginning of the Spring term.

**Contribute: March 1 to April 21**

**Exhibit: May 1 to May 31 | Free | Library**

## "ADOPT A SQUARE" ART CONTEST

Cover the grey: the Library puts on Spring tones. We invite our clubs, groups, or individual students to

adopt one of the squares in front of the library and transform it into a work of art. Artists or creative minds will be provided with chalk to illustrate the landing in preparation of our Super Saturday events. Come draw and color on our concrete slabs on April 20 and 21, 2017 and compete for first, second and third prize. A committee of artists and amateurs will designate the winners of our surprise prizes and visitors will be treated to an art exhibit on Saturday April 22!

**Contribute: April 20 & April 21**

**Exhibit: April 22 | Free | Front of Library**
