

# SMC Sustainability Week 2025

[www.smc.edu/sustainabilityweek](http://www.smc.edu/sustainabilityweek)

## Monday, Oct. 20

### **Santa Monica's Watershed**

Learn how watersheds work and how SMC impacts our surrounding communities downhill. Learn what we can do to reduce our impact through green streets, swales, rain gardens and more.

**When 11:15-12:30**

**Where: HSS 165**

## Tuesday, Oct. 21

### **Power of Your VOTE**

Voting is one of the most powerful eco-actions you can do. The Citizens Climate Lobby, a nonpartisan org will discuss how to advocate, across the political spectrum, for legislation to address the climate crisis. Cookies!

**When 11:15-12:30**

**Where: HSS 106**

## Wednesday, Oct. 22

### **Movie: *The American Southwest***

Enjoy pizza and popcorn while watching a new movie about how rain and snowmelt makes an amazing journey from the Colorado mountains to your tap in SoCal ... and how much energy it takes to get here. k

**When 4:00-6:00pm**

**Where: Cayton Ctr.**
