

Black Collegians Umoja Community Orientations for Summer/Fall 2021

Enrollment

The first step in the Black Collegians program enrollment process is to attend a mandatory program orientation. We are currently offering orientations via Zoom video conference each week throughout the summer 2021 session until the 2nd week of the fall 2021 semester.

Please register for one orientation date and time that works best with your schedule by clicking the registration link for that specific orientation. Upon registering, you will receive a personal meeting link and password that is unique to you in order to attend the orientation. Please be on time to the orientation. We close the orientation 10 minutes after start time. Orientations run about one hour in length.
