

Black Collegians Umoja Community Orientations for Winter/Spring 2024

Open enrollment for the spring 2024 semester began January 9, 2024, and will continue until March 2024.

We will host program orientations via Zoom video conference and in person on SMC's main campus throughout the open enrollment period.

Students interested in joining our program will need to attend one (1) orientation session to begin the program enrollment process. At the orientation, we will explain our program benefits, requirements, and next steps in completing the enrollment process.

Upon registering for a zoom orientation, you will receive a personal meeting link and password you will use to attend the scheduled orientation. For orientations meeting in person on campus, please fill out the rsvp form so that your name will appear on the sign in sheet when you arrive for the orientation.

Please arrive to the orientation on time. Orientations run about one hour in length.

If you have any questions about our program, please reach out to us via email at black_collegians@smc.edu.

We are here to help you succeed here at SMC.
