Creating the application

Your response in this section can impact the schools that show up as options. For example, not all UC campuses accept sophomore-level transfers, and not all campuses accept winter/spring transfers, so your selections here help determine which campuses appear.

When do you hope to start at the University of California? *

- ☐ Winter Quarter/Spring Semester 2027
- ☒ Fall Quarter/Semester 2027

Your application level: *

- ☐ First-year
 - I'm currently in high school.
 - OR -
 - I've graduated from high school, but have not enrolled in a regular session (non-summer) at a college or university. [i](#)
- ☒ Transfer
 - I've graduated from high school and am enrolled in a regular session (fall, winter or spring) at a college or university. [i](#)

Please select what type of transfer applicant you are based on the number of college/university units you plan to complete before you enroll at UC:

- ☒ Junior-level transfer
 - I will complete 60-89 semester units or 90-134 quarter units by the time I enter UC.
- ☐ Sophomore-level transfer
 - I will complete fewer than 60 semester units/90 quarter units by the time I enter UC. (There are limited campuses/programs available at this level.)
- ☐ Senior-level transfer
 - I will complete 90 semester units/135 quarter units or more by the time I enter UC. (There are limited campuses/programs available at this level.)

It's your time to shine.

You've already done the hard part — spending countless hours studying, taking tests, and pursuing your passions and interests. Now comes the exciting part: You get to brag about it.

[Start application](#)

What to expect

The application is about us getting to know what makes you, YOU — which means there are no right or wrong answers. The more you tell us about yourself, the better picture we'll have of you.

Take your time: We know our application can be a long process, but you can fill it out in as many sessions as you want. Just remember to click "Save & continue" at the bottom of each page before you take a break.

Keep track of your progress: As you go through the application, you'll see checkmarks indicating which pages you've completed.

What you'll need

Household income & family information: You may need to ask your parents or legal guardians for help on these questions — that's OK!

Transcripts: As you fill out the "Academic history" section, you should refer to your transcripts to help you accurately enter your grades.

About you – Statement of Legal Residence

About you

Statement of Legal Residence

* required

To determine your University of California (UC) tuition, applicants must indicate if they would like to be evaluated for a Residence Classification via the Statement of Legal Residence (SLR). You must meet UC requirements to qualify for in-state tuition, regardless of your classification in another system. Parents is defined as natural or adoptive parents, not stepparent. Your answer below has no bearing on your admissions decision.

The following three requirements must be established more than 365 days immediately prior to the residence determination date:

- 1) Physical Presence - You and your parents must be physically present in California. If you moved to California primarily to attend the University of California or another school, you are ineligible for a Resident classification for tuition purposes.
- 2) Intent to remain in California - You and your parents must have established your intent to make California your permanent home and must have relinquished ties to any prior place of residence outside of California.
- 3) Immigration status - You and your parents must be citizens or permanent residents of the United States or be present under a valid I-94 for an eligible visa, and have held that immigration status.

Applicants who do not satisfy all three parts may qualify for a Special Circumstance, Exemption, or Waiver provision (such as an [AB 540](#) [link](#) nonresident supplemental tuition exemption) and will be asked to submit additional supplemental information at a future date. For further explanation, read the full [UC Residence Policy and Guidelines](#) [link](#) .

Note: Undocumented students should use [these instructions](#) [link](#) for completing the SLR.

Would you like to be evaluated for California residency for tuition purposes? *

☐ Yes ☐ No

About you — Statement of Legal Residence for undocumented students

Undocumented students

- Choose 'Yes' when asked if you would like to be evaluated for California residency for tuition purposes.
- Respond to the question about physical presence in California and attendance at a California high school.
- 'Unknown' is an available and valid response for parent physical presence in California and US citizenship status.
- Select the appropriate checkbox for AB 540 nonresident supplement tuition exemption.

Special Circumstances, Nonresident Supplemental Tuition Exemptions, and Tuition Waivers *

There are several exemptions that might allow a non-resident student to still pay California-resident tuition. A full list of exemptions and waivers can be found in the [UC Residence Policy and Guidelines](#) ☑ .

Check all that apply.

- ☐ I believe that I qualify for an [AB 540 nonresident supplemental tuition exemption](#) ☑ based on the number of years I have attended school in California.
- ☐ I am a graduate of a California school operated by the Federal Bureau of Indian Affairs.
- ☐ I am an amateur student athlete training at a United States Olympic Center in California.
- ☐ I am a full-time employee, or the child/ dependent spouse/registered domestic partner of a full-time employee of an LLC holding a contract to manage a University of California laboratory, or an employee of the University assigned to work outside of California.
- ☐ I am the child, spouse, or registered domestic partner of a UC faculty member who is on the Academic Senate.
- ☐ I have been living in California under the care of an adult other than my legal parent for a period of two years or more prior to reaching age 19.
- ☐ I have or expect to have a Violence Against Women Act (VAWA) immigration status.
- ☐ I am the dependent of a U.S. foreign service officer.
- ☐ None of the above apply to me.

Campuses & majors

Choose campuses

Each UC campus has different strengths and unique environments. Applying to more than one campus will increase your chances of being admitted to UC and finding a campus that's right for you.

There is an application fee of \$80 per campus, which you'll pay once you submit your application.

You may qualify for a fee waiver which will allow you to apply up to four campuses for free. Make sure you've completed your family's income and size on the [Your household](#) page.

Campuses & majors — UC San Diego colleges

If applying to UC San Diego, applicants have the option to rank their top four colleges in order of preference.

This information does not influence your chances of admission to UC San Diego, nor is your college assignment based on major.

UC San Diego college ranking *

If you're accepted into UC San Diego, you'll be assigned to one of eight colleges on campus. These colleges are residential neighborhoods on campus with their own residence facilities, staff and general education requirements.

On the next page, you'll be asked to rank the colleges in order of your preference.

Keep in mind: Your rankings will not affect the evaluation of your application - you're not applying to the individual colleges (you're applying to the university). Also, college assignments are not based on major. You'll be able to access the full range of available majors regardless of college assignment.

Tips for this section

Activities & awards tips

- Avoid unfamiliar acronyms.
- Don't repeat entries across multiple categories.
- Don't overlook other ways you may have spent your time, including caring for siblings or other family members or other obligations at home.
- You don't need to list something in every category, nor do you need to add the maximum of 20 activities. The **quality** of your involvements is more valuable than the quantity.
- Keep in mind, UC does not value any activity over another.

Scholarships and Programs

Scholarships & programs

Apply for scholarships

* required

You can apply to a number of UC scholarships (that means free money) right here in the application. The scholarships listed below are awarded to students with specific backgrounds, academic interests or career objectives. If you don't see any categories that are relevant to you, don't worry. In addition to these scholarships, each campus and many alumni associations award a variety of scholarships that recognize students' achievement and potential.

You'll also need to file a [Free Application for Federal Student Aid \(FAFSA\)](#) ☐ or a [California Dream Act Application](#) ☐ (if you're an undocumented student) to be considered for every type of financial aid possible, including the scholarships listed below. International students should not file these.

☐ [Educational Opportunity Program \(EOP\)](#)

EOP and similar campus programs provide assistance through mentorship, academic programs, financial assistance, counseling/advising, and other campus support services to those who are first-generation college students, and/or from low-income and educationally disadvantaged backgrounds. EOP serves students from all ethnic backgrounds, and is open only to California residents and to American Indians who are members of federally recognized tribes from any state.

☐ [UC Foster Youth Programs](#)

These programs are for students who are current and former foster youth in the United States and/or part of the child welfare system. UC is committed to helping students to successfully transition to the university and offers a variety of support through the Guardian Scholars, Renaissance Scholars, Hope Scholar, FYRE Scholars and other similar programs.

Tip: Work on your PIQ responses in a separate document to check for spelling and grammatical errors. Once ready, copy and paste them into the UC application

You'll need to answer 4 questions: One question is required, and 3 are your choice.

We realize that not all questions apply to all applicants, so be sure to select the 3 questions that you believe give us the best information about you.

All 8 questions are given equal consideration in the application review process. Responses to each question should be between 250-350 words.

Gaps in education

If you did not address any gaps in your enrollment earlier in the UC application, you will be prompted again here.

If the reported number of units does not meet the minimum requirement, you will need to verify that the units reported are accurate.

- **Note:** This count does not include AP, IB or A-level exams!

Academic review

* required

We want to do one last check to make sure your academic information is accurate.

If you have missing coursework or gaps in education, you'll need to confirm the information is correct before you can continue with the submission process.

Gap in education

Your academic history indicates a gap of more than five months in your college education.

Please use the space below to briefly explain the reason for this gap, and what you did or plan to do during that time. If this is incorrect and you do not have a gap in your education, you can edit your information by clicking the "Edit 'Academic history'" button below.

Verify units and applicant level

Junior-level transfer students must have a minimum of 60 semester units or 90 quarter units.

Based on the coursework information you provided in "Academic history," the number of units you reported (47 semester/70.5 quarter units) does not meet the minimum required for the level you selected. This total, however, does not include units you may have earned from AP, IB, and/or A-level exams.

If you think the coursework total (without exams) is incorrect, click on the button below to return to "Academic history" to edit your courses. If the total is correct, or if you believe you will have the minimum units with test scores you've reported, please check the box below to confirm your courses are accurately reported.
