What to expect

The application is about us getting to know what makes you, YOU — which means there are no right or wrong answers. The more you tell us about yourself, the better picture we'll have of you.

Take your time: We know our application can be a long process, but you can fill it out in as many sessions as you want. Just remember to click "Save & continue" at the bottom of each page before you take a break.

Keep track of your progress: As you go through the application, you'll see checkmarks indicating which pages you've completed.

What you'll need

Household income & family information: You may need to ask your parents or legal guardians for help on these questions — that's OK!

Transcripts & test scores: As you fill out the "Academic history" section, you should refer to your transcripts to help you enter your grades. You'll also need to report scores from any exams you've taken or plan to take (like the SAT and ACT).

Now that we've learned a little bit about you, we want to tell you about what's important to us — our community and values.

Community principles

We are a community of people from diverse backgrounds, with diverse identities, abilities, and needs. Everything we do is supported and enriched by an atmosphere of positive engagement and a spirit of cooperation and inquiry.

Each UC campus has committed to Principles of Community that reaffirm each individual's right to dignity and civil discourse. We ask you to agree that, if you become part of the UC community, you will seek to maintain a climate of civility and mutual respect.

We want to do one last check to make sure your academic information is accurate.

If you have missing coursework or gaps in education, you'll need to confirm the information is correct before you can continue with the submission process.

Gap in education

Your academic history indicates a gap of more than five months in your college education.

Please use the space below to briefly explain the reason for this gap, and what you did or plan to do during that time. If this is incorrect and you do not have a gap in your education, you can edit your information by clicking the "Edit 'Academic history'" button below.

Verify units and applicant level

Junior-level transfer students must have a minimum of 60 semester units or 90 quarter units.

Based on the coursework information you provided in "Academic history," the number of units you reported (25 semester/37.5 quarter units) does not meet the minimum required for the level you selected. This total, however, does not include units you may have earned from AP, IB, and/or A-level exams.

If you think the coursework total (without exams) is incorrect, click on the button below to return to "Academic history" to edit your courses. If the total is correct, or if you believe you will have the minimum units with test scores you've reported, please check the box below to confirm your courses are accurately reported.
