There is an application fee of \$70 per campus, which you'll pay once you submit your application.

You may qualify for a fee waiver which will allow you to apply up to four campuses for free. Make sure you've completed your family's income and size on the [Your household](#) page. **YOUR ESTIMATED COST: \$0**

New this year!

## About you

### Statement of Legal Residence

\* required

The University of California requires all applicants to complete a Statement of Legal Residence (SLR) to be evaluated for a Residency Classification for purposes of UC tuition. For further explanation, read the full [UC Residency Policy and Guidelines](#) . As UC policy is subject to change during the year, if there are any discrepancies between any Statement of Legal Residence and the Residency Policy and Guidelines, the Residency Policy and Guidelines govern the rules around Residence for Tuition purposes at all times.

The University of California's Statement of Legal Residence is made up of three parts: Physical presence, Intent to remain in California, and Immigration status.

- 1) Physical Presence - You and your parents must be physically present in California for more than 365 days immediately prior to the residence determination date. If you moved to California primarily to attend the University of California or another school, you are ineligible for a Resident classification for tuition purposes.
- 2) Intent to remain in California - You and your parents must have established your intent to make California your permanent home for more than 365 days immediately prior to the residence determination date and must have relinquished ties to any prior place of residence outside of California. Please read the [UC Residency Policy and Guidelines](#) to learn more about how to document your intent to remain in California.
- 3) Immigration status - You and your parents must be citizens or permanent residents of the United States, or be present under a valid I-94 for an eligible visa, and have held that immigration status for more than 365 days prior to the residence determination date.

Please note: Even if you were previously classified as a resident in another system, you will still need to meet the University of California's classification requirements.

In some cases, applicants may qualify for a Special Circumstances, Exemption, or Waiver provision and will be asked to submit additional supplemental information at a future date. A full list of exemptions and waivers can be found in the [UC Residency Policy and Guidelines](#) .

#### Gap in education

Your academic history indicates a gap of more than five months in your college education.

Please use the space below to briefly explain the reason for this gap, and what you did or plan to do during that time. If this is incorrect and you do not have a gap in your education, you can edit your information by clicking the "Edit 'Academic history'" button below.

#### Verify units and applicant level

Junior-level transfer students must have a minimum of 60 semester units or 90 quarter units.

Based on the coursework information you provided in "Academic history," the number of units you reported (47 semester/70.5 quarter units) does not meet the minimum required for the level you selected. This total, however, does not include units you may have earned from AP, IB, and/or A-level exams.

If you think the coursework total (without exams) is incorrect, click on the button below to return to "Academic history" to edit your courses. If the total is correct, or if you believe you will have the minimum units with test scores you've reported, please check the box below to confirm your courses are accurately reported.

## Transfer Academic Update

### Introduction

To ensure we have your most current academic information, sophomore, junior and senior transfer applicants are required to submit a Transfer Academic Update (TAU). You must provide your final grades from the previous term and list all courses in progress or planned for the term before you expect to enroll. Even if you do not have any in-progress or planned courses and your academic record was complete in your original application, you still must complete the Transfer Academic Update.

**Instructions**

You must complete each TAU section in sequential order. Once all steps are completed, you can review your information on the "Review & submit" page. From that page, you can navigate to each section, fix any errors or make any changes, and proceed through each section again. Once your information is correct and complete, you can submit the TAU.

Each applicant must submit at least one TAU. Once a TAU is submitted, it cannot be edited or changed. If you need to make any additional changes or updates, you'll need to submit a new TAU.
