

Santa Monica College
Social Work and Human Services AA-T
Effective Fall 2026

The Associate in Arts for Transfer in Social Work and Human Services involves both academic as well as practical preparation both for transfer and for work in the human services field. The course of study offers students a foundational understanding of the field of social work and human services and the opportunity to acquire skills in interpersonal, analytical and critical thinking skills, problem-solving, and written and verbal communication.

Upon completion of the Social Work and Human Services Associate in Arts for Transfer (AA-T), students will have a strong academic foundation in the field and be prepared for upper division baccalaureate study. Completion of the degree indicates that the student will have satisfied the lower division requirements for transfer into a Social Work or Human Services program for many campuses in the California State University system.

Associate Degree for Transfer Requirements:

- Completion of 60 semester units or 90 quarter units of degree-applicable courses,
- Minimum overall grade point average of 2.0,
- Minimum grade of "C" (or "P") for each course in the major, and
- Completion of Cal-GETC

Program Learning Outcomes:

Demonstrate, through written and/or oral work, planning, collaboration, negotiation, and advocacy skills needed for working with and within social welfare and human service agencies and institutions.

Demonstrate, through written and/or oral work, the importance of empathy, cultural humility, cultural responsiveness, and holistic support for people and communities in need.

Demonstrate, through written and/or oral work, the importance of upholding a code of ethics in service work.

Demonstrate preparation for further study in the field through written and/or oral work.

Required Courses	Units: 16.0
