DePaul University

You can transfer to DePaul with Guaranteed Admission through DAPP

The DePaul Admission Partnership Program (DAPP) gives you a secure path to a DePaul degree before you ever submit a transfer application

DAPP is a **structured transfer partnership program** designed to remove uncertainty from your transfer process. When you join DAPP, you receive guaranteed admission to DePaul University, a locked-in degree plan, dedicated counseling support, and scholarship opportunities, all while completing coursework at your institution.

Guaranteed Admission

If you maintain good academic standing and a minimum 2.0 cumulative GPA, you are guaranteed admission to DePaul.

No waiting, no guessing—just a clear commitment you can count on.

Up to $2,000 in stackable DAPP Participation Scholarships

You can earn **future scholarship money for each qualifying activity you complete**, such as meeting with your DePaul transfer admission counselor, participating in a DAPP workshop, or attending a Blue Demons athletics event. DAPP Participation Scholarships are offered in addition to merit and other institutional scholarships.

A Locked-In Degree Plan

When you submit your DAPP Participation Form, DePaul locks in your degree requirements based on the current catalog. **Your plan stays consistent throughout your time at your community college,** even if you change majors or are still undecided.

Your Own Dedicated Counselor

All DAPP students are assigned a dedicated DePaul transfer admission counselor. This counselor will meet with you twice a year to help you stay on track and take advantage of DePaul's excellent transfer resources.
