

UC Application Next Steps Checklist

January 1 - Create a Campus Portal

- Each UC campus will email you to create a campus portal. This is where they will send you important information regarding admissions, financial aid, and missing documents.

January 1-31 - Transfer Academic Update (TAU)

- An email will be sent to you about when and how to update your application with fall grades, winter, and spring classes.
- Even if you have no updates to provide, you must log in to your application to complete the TAU.

February 16 - April 19 - Petition for Spring Graduation

- If you will be completing an SMC Degree or Certificate by the end of Spring 2022, make sure to submit an "Associate & Bachelor's Degree Petition" by April 19th.

March 1- April 30 - Await Admissions Decision

- UC admissions decisions will be released throughout spring, but all decisions will be released by the end of April.
- Check your UC campus portal for admissions decisions.
- UCLA and UCB generally release decisions in the last 2 weeks of April.

March 1-June 1 - Accept an Admissions Offer

- If you are accepted, you must submit your Statement of Intent to Register (SIR) by June 1st. You may only accept admissions to 1 UC. A \$250 non-refundable deposit is due at the time you submit your SIR.

May 1- June 1 - Petition for IGETC Certification

- Complete the IGETC certification petition and submit it to SMC Admissions and Records ASAP.
- While you are able to submit IGETC certification after June 1st, it is strongly recommended you complete this process ASAP. SMC allows students to petition for IGETC Certification until July 31st.

July 1-15 - Submit All Transcripts and Exam Scores (AP, IB, and A-Level)

- Have transcripts from all colleges attended sent to your transfer university by July 1st.
- Exam scores can be submitted by July 15th.
