What to expect

The application is about us getting to know what makes you, YOU — which means there are no right or wrong answers. The more you tell us about yourself, the better picture we'll have of you.

Take your time: We know our application can be a long process, but you can fill it out in as many sessions as you want. Just remember to click "Save & continue" at the bottom of each page before you take a break.

Keep track of your progress: As you go through the application, you'll see checkmarks indicating which pages you've completed.

What you'll need

Household income & family information: You may need to ask your parents or legal guardians for help on these questions — that's OK!

Transcripts & test scores: As you fill out the "Academic history" section, you should refer to your transcripts to help you enter your grades. You'll also need to report scores from any exams you've taken or plan to take (like the SAT and ACT).

Support programs

UC offers an array of programs and services designed to help every student have a fulfilling college experience.

While we encourage you to explore all of our programs, you have an opportunity to express interest in one of our programs, the Educational Opportunity Program (EOP), right here in the application.

If you're interested in EOP, check the box below and answer the follow-up questions.

☑ Educational Opportunity Program (EOP)

EOP and similar campus programs provide assistance through mentorship, academic programs, financial assistance, counseling/advising, and other campus support services to those who are first-generation college students, and/or from low-income and educationally disadvantaged backgrounds. EOP serves students from all ethnic backgrounds, and is open only to California residents and to American Indians from any state.

Why are you interested in EOP? *

Verify units and applicant level

Junior-level transfer students must have a minimum of 60 semester units or 90 quarter units.

Based on the coursework information you provided in "Academic history," the number of units you reported (25 semester/37.5 quarter units) does not meet the minimum required for the level you selected. Application fees are not refundable. Once your application has been submitted, you are expected to pay for all your campus choices, even if you cancel a campus at a later date.

Before proceeding to the payment process, you must agree to the following statements:

☐ I understand that I am responsible for paying all appropriate application fees and that my application will not be processed unless I submit the fees, or an approved fee waiver, by the date requested.

Applicants can re-enter family size and income if they believe they entered it incorrectly
