ASSOCIATE DEGREE **Nursing**

This program prepares students to meet the standards of the California Board of Registered Nursing. The program is approved by the California Board of Registered Nursing and accredited by the Accreditation Commission of Education in Nursing. Upon completion of the program, graduates receive an Associate in Science degree and are eligible to take the National Council Licensure Examination (NCLEX) to become a Registered Nurse.

INTRODUCTION TO WORKING WITH OLDER ADULTS

This noncredit certificate program prepares students for entry-level careers working with older adults. Students completing the Introduction to Working with Older Adults Certificate of Completion may qualify for entry to high demand occupations such as Caregivers, Companions, Social and Human Service Assistants, Direct Support Professionals, and Resident Care Providers.

NONCREDIT CERTIFICATE

SANTA MONICA COLLEGE

REHABILITATION THERAPY AIDE NONCREDIT CERTIFICATE

**FREE
COURSES**

WHAT IS A REHAB AIDE?

Aides will maintain the treatment area, prepare and aid therapy sessions, aiding in the transport of immobile patients, and must be trained in proper methods of body mechanics for patient assistance. Aides may also maintain and clean medical equipment and perform clerical tasks.

WHAT DO I NEED?

Aides are typically required by employers to hold a high school diploma. Aides can be trained by employers on the job, however most employers will select those who have already studied in the area of healthcare and demonstrate an interest in furthering their education in the health field.
