PROGRAM HIGHLIGHTS

THE LAB SCHOOL

Program Highlights

The Lab School

- SMC and the City of Santa Monica in partnership are building an innovative early childhood laboratory school to serve the community while enabling teachers in-training to develop crucial expertise under the guidance of leading education professionals
- From first class to last class in the ECE program students get hands on experience
- Takes the guesswork out of choosing a site
- Provides care for children birth to 5 years of age (Infants in a 1:2 ratio and Preschoolers with a 1:6 ratio with adults)
- Provides support for SMC parents

STUDENT SUPPORT SERVICES

Program Highlights

Student Support Services

- 2 dedicated ECE Counselors (help with academic planning, career planning, and academic success)
- Teacher Resource Room: tutoring, computers, lend library of textbooks, teaching activity boxes, arts/crafts and more
- Active ECE club on campus allowing for volunteer work, fundraising, and raising money for scholarships for future Study Abroad Program to Forest Kindergartens of Denmark and programs in Japan
- Mentor Program with teachers from local centers that have gone through additional training to partner with students in various courses at SMC to help with support and success

What Makes SMC's Education/ECE Program Unique

- Student Support is unparalleled
- Range of preparation for future careers with varied areas and more extensive experience
- Students can begin working after just TWO ECE classes (6 units) as an Assistant Teacher in a public or private center
- Hands on experience from beginning to end
